Helping Hands Thrift Shop:

We have been busy at the store this summer. The thrift shop donated approximately \$600 towards the Lowe's Hero Project. Plants were purchased and planted around the Kitzmiller school sign and the entrance to the park. Lunch was provided by the store for six of the seven days volunteers worked. The store volunteers are happy to have funds to help with these kinds of projects in town. We plan to have various school supplies including backpacks available at discounted rates. Summer clothes are also on sale. Shirts, pants, shorts, and shoes are only \$2. All T-shirts are \$1. We continue to accept donations of gently used clothing and household items on Tuesdays and Thursdays from 12-6.
