## SPRING PARTY!!!!

Join us Thursday, April 9 at Opulence Event Center for our April Showers Brings May Flowers Spring party. Since we have had sell out attendance at the last few events we will be holding 2 events, a lunch event and an evening event. Both events will have exactly the same great meal and same great show. So whichever you choose you won't miss out on anything. When you come in to purchase your tickets just let us know which event you will be attending.

For the lunch event doors will open at 10:30 am with lunch being served at 11:30 am and the show to follow. The evening event will have doors opening at 4:30 pm with the meal being served at 5:30 pm and the show to follow. Our meal will be Parmesan encrusted chicken breast, red garlic mashed potatoes, green beans, coleslaw, and apple crisp for dessert.

We will be entertained by Noah Back. Noah is a young local entertainer from West Alexandria. He first started performing in public at the age of 12, so he has been delighting audiences for half his life. His major musical influences were John Denver, Elvis Presley, Johnny Cash and the Bee Gees. When asked what kind of music he likes to play, he always says, "My favorite music to play is whatever you want to hear." His repertoire is made up of songs from the 20's to the present and includes ballads, folk music, a little country and inspirational music. It's sure to be a great show! Tickets go on sale Monday, March 2 to Monday, March 30 at a cost of \$15.00 each.

From the Director's Desk:

Hello Mercer County and friends of Mercer County,

March makes me think of rebirth and new beginnings. It is a time of transition. During times of change we must be able to adapt and overcome. In order to make changes that are necessary, it might help to recognize that change is happening. Ignoring the need to change won't make it go away. Actually, it might

make it harder in the long run. Writing down the positive aspects of change and preparation may build confidence and avoid bumps along the way. Take small steps and stay focused on the positive outcome. Be kind to yourself, take breaks when you feel overwhelmed. Know yourself well enough to recognize you may need assistance. It is not a sign of weakness, but rather a sign of maturity, to ask for help when needed. Remember, we are here at the MCCoA, waiting for your call, wanting to help you through the changes and challenges in your life.

Spring is a great time. It gives us many examples of what change requires. Take the daffodil for example, it pushes through the dirt and snow to make its way to the sunlight so it can fulfill its journey in a burst of beauty for all to enjoy. We want to see you bloom where you are too! So please, mark the shift from winter to spring with nature's awakening, symbolized by flowers like the daffodil and the return of birds like the robin.

Happy St Patty's Day!  
Dawn

This program is for all ages but of particular interest to us is our older citizens where the chances of those stories and memories becoming lost increases every year. Our Society believes that the stories and recollections derived from these interviews are as important, if not more so, than any of the items/objects we display at the Riley House museum. ## Poetry, Prose & Books

Our Poetry, Prose and Books club is going strong! Stop in and see what they are up to on the 2nd Thursday of each month at 1:00 pm. Below is a poem written by one of the members.

### BIRTH OF A NATION

-by Susan Wolters

Two Hundred Fifty years ago,  
Our great Nation was born.  
Men fought for freedom and independence,  
From the red coat British the scorned.  
85 years later men took up the plight,  
To remain on Nation through the night.  
Ft. Sumpter, Gettysburg, and a little place called Shiloh.  
Brave men gave their lives and won our nations fight.  
Then dawned the Twentieth Century.  
Where two great wars were won.  
In '17 and '41 the United States took up their guns,  
Standing proud and strong as one.  
Now we are about to celebrate,  
The Fourth of July once more.  
The birth of one great Nation that's  
Forging ahead from the depths of its very core.
