

Volunteer Appreciation

Calling all of the Wonderful Volunteers that help make MCCoA what it is. It's time to let us show you a fun day and tell you how much we appreciate all that you do! If you have volunteered in any way, we invite you and a guest to join us for lunch and an afternoon of fun filled games and prizes Thursday, October 3 beginning at 11:30 am. We will be serving beef & noodles, mashed potatoes, and corn from Friendly Market. Dessert will be a 'build your own' ice cream sunday! Following the meal there will be an afternoon of playing games to win prizes! Plan to get your picture taken with Alpaca Allie the Amazing Volunteer Mascot. This is a free event but be sure to call in and register by Monday, September 30 so we order enough food.

Disaster Preparedness Event

Do you think you are prepared in the case of a disaster? Join us on Thursday, October 31 at 10:00 am to learn how to be prepared for the unexpected. Jennifer Sexton from the Red Cross will be here to give you some great information about how to prepare. Miranda van Rooyen from the Area Agency on Aging 3 will have "starter" disaster back packs for the first 50 people to register. We encourage everyone to come and receive this great information.

The Health Department is hosting a Drive Thru Flu Shot clinic at the Mercer County Fair Grounds on Tuesday, October 8 from 9:30 am to 6:00 pm. There is a form that will need to be completed prior to receiving your shot. We have copies in the office. If you have yours completed prior to getting in line, you won't have to lose your place. Pick one up today and have it ready to go.

From the Director's Desk:

Hello Mercer County (and friends of Mercer County,)

Happy October wonderful people! October is going to be another busy month. How many activities are you involved with? Or are you one of the many who are nervous about coming up to the center? Are you afraid you won't fit in? Or that time has slowed you down too much? IF that is you, may I ask you to look at it with a different perspective? I would ask that you recognize that is part of the reason we are here. The MCCoA is a center for the people to come and be 'who they (yes, that means you) are.' Young, not so young, quick, not so quick, smart, not so smart, happy, not so happy. Do you get my point? We are here for you. One of the saddest things I hear is that someone is just staying home, alone. If we don't have the activity you find interesting, I urge you to come up and let us know what sounds good to you.

A quote I read the other day by Mel Robbins is really sticking with me. *"It's not the big moves that change everything—it's the smallest ones in your everyday life that do."* Are you willing to make just a small change today? It may be the most important thing you can do for yourself, your family and your friends.

Hope to see you soon,
Dawn

THE MERCER COUNTY COUNCIL ON AGING

is a non-profit organization serving the needs of residents aged 60 and over. We offer a variety of services and programs designed to assist our seniors in maintaining as much independence as possible.

Funding for these services is provided by a county-wide levy, the Mercer County Health Fund, the Mercer County Civic Foundation, the PASSPORT program, Combined Drives, quarterly garage sales, client donations and the hard work of our volunteers.
