From the Director's Desk:

Hello Mercer County (and friends of Mercer County,)

We are in the season of being thankful. We hope you are able to find things to be thankful for every day, but November is a time to be actively focused on that particular habit! The other day I was reminded how important it is to find things to be happy about. It is not hard to do that when I look at the calendar on page 7.

There are so many opportunities to connect with wonderful people here at the center. If you don't have a way to get here, give us a call. That is one of the services we provide. We can pick you up and bring you in! If you are nervous about meeting new people, give me a call and we will take a moment to introduce you to someone who just might turn out to be your new best friend!

I am not trying to be a 'downer,' but I would be remiss if I didn't take time to acknowledge how hard this season can be. Please know we care. I beg you to not sit there feeling sad and lonely. Get in here. If you are worried about being a 'burden,' know we are always looking for volunteers. There are so many ways you can give back. Finding a way to help someone else, is a great way to see just how important you are.

Are you wondering what I am thankful for? YOU!! Our staff here at the center, family, friends, food, my pets, sunshine, falling leaves... get the idea? I am blessed and thankful to have the opportunity to get to know each of you and all your special, spunky ways.

Have a happy Thanksgiving,
Dawn

THE MERCER COUNTY COUNCIL ON AGING

is a non-profit organization serving the needs of residents aged 60 and over. We offer a variety of services and programs designed to assist our seniors in maintaining as much independence as possible.

Funding for these services is provided by a county-wide levy, the Mercer County Health Fund, the Mercer County Civic Foundation, the PASSPORT program, Combined Drives, quarterly garage sales, client donations and the hard work of our volunteers.
