Happy Holidays!*

NEW AT THE INN

I've always loved the holidays! The twinkling lights, get-togethers with friends and family, and holiday traditions all make this time of year feel magical and special. To me, it's about spending time with the people I love, baking family recipes, watching my favorite Hallmark Christmas movies and sharing remembrances of Christmases gone by (my childhood stocking, my mom's handmade glittery star for the top of the tree). And taking time to reflect on the year and looking forward to new things ahead.

As we celebrate the holidays, we thank you for being such a special part of our Lighthouse Landing family, and wish you and your family a wonderful holiday season filled with all of the things that make it special for you.

We look forward to seeing you in 2025!

Happy Holidays from all of us at

Happy Thanksgiving!

NEW AT THE INN

November is a time of gratitude, reflection and giving thanks. For me, the holidays are also a time when I love baking for family and friends. My passion for baking started many years ago as a way to stay close to my mom and continue our holiday traditions. Over the years, I've gone through her recipes, many still in her handwriting, and have almost :) perfected our family favorites. I've also started adding new recipes that I've found to the collection. One of those, for baked pumpkin spice donuts (shared below), has become a go-to for Thanksgiving.

As we head into the holidays, we thank you for being a part of our Lighthouse Landing family and wish you much happiness and joy as you celebrate your own special traditions with loved ones.

Happy Thanksgiving!

*P.S. Happy belated Thanksgiving to
our Canadian guests!*

MARNI'S FAVORITE RECIPES BAKED PUMPKIN SPICE DONUTS

This recipe for baked Pumpkin Spice Donuts has become a family favorite. I make them in mini donut size so they are the perfect appetizer (before or after dinner!). They are fun to make and they go quickly!

Serving: 12 regular donuts/36-48 mini donuts
Recipe Credit: Samantha Merrit, Sugar Spun Run

Donut:

- 1 3/4 cups all-purpose flour
- 1/2 cup packed brown sugar
- 1/4 cup granulated sugar
- 1 1/2 tsp baking powder
- 1/4 tsp baking soda
- 1 1/2 tsp pumpkin pie spice
- 1/2 tsp cinnamon
- 1/2 tsp salt
- 3/4 cup pumpkin puree (not pie filling)
- 2 eggs
- 1/3 cup milk
- 1 1/2 tsp vanilla
- 3 tbsp butter (melted & cooled)

Glaze:

- 2 cups powdered sugar
- 1 tsp pumpkin pie spice
- 1/4 cup butter (melted)
- 1/2 tsp vanilla
- 2 tbsp water

Donut Baking Instructions:

1. Preheat oven to 350F, spray donut pan with non-stick baking spray
2. In a medium-sized bowl, whisk flour, sugars, baking powder, baking soda, pumpkin pie spice, cinnamon and salt together
3. In a separate bowl, whisk together pumpkin puree and melted butter
4. Add eggs, milk and vanilla and stir well
5. Combine dry and wet ingredients, fold carefully and do not over mix
6. Pour batter into a ziplock bag, cut the corner and use as a piping bag
7. Pipe batter into donut pans, fill each mold 2/3 full
8. Bake at 350F for 10-12 minutes (less for mini donuts)
9. Allow donuts to cool for 5-10 minutes in pan, allow to cool completely on rack before frosting

For Glaze:

1. In a small bowl, whisk together powdered sugar and pumpkin pie spice
2. Add butter, vanilla extract and water. Stir until combined
3. Dunk each donut into glaze and return to cooling rack. Allow glaze to harden

So Long Summer, Hello Fall!

NEW AT THE INN

Hi everyone! I hope your fall is off to a great start! As we move into October, I've been reflecting on the year and how special it's been. We are so honored that you have chosen to spend time with us!

In September, we had the honor of hosting two larger groups, including a couple who celebrated their wedding in Ogunquit and rented the entire property for their family to stay. On the day of the wedding, I stopped by briefly; it was wonderful to meet several members of the wedding party, see the flower girls run by giggling, all dressed up, and feel the joy and happiness coming from the inn. To be a part of your vacations, your special events and your memories of Ogunquit means so much to us.

And our season is not over yet! We are open until mid-December and there's still lots to do and enjoy in Ogunquit. If you haven't yet visited our little seaside town in the fall, you will love seeing what makes it so special this time of year!

We wish you a happy October!

HAPPY NATIONAL WOMEN'S SMALL BUSINESS MONTH

October is National Women's Small Business Month. As a new small business owner, I am inspired by all of the local business owners and others who have welcomed me and have helped and encouraged me along the way – the Ogunquit business community is truly special.

Through my journey over the last four years, it's also been wonderful to meet other women in business. I've been so touched by their kindness, support, and willingness to share their own experiences with me. So in the spirit of National Women's Small Business Month, I wanted to acknowledge just a few of the Ogunquit women in business who have inspired and made a difference for me (and I apologize if I have inadvertently missed someone):

Sarah Diment, owner, The Beachmere Inn, previous owner of the property that is now Lighthouse Landing;

Alice Pearce, Executive Director, and Torri Jandebour, Member and Visitor Relations Manager, Ogunquit Chamber of Commerce;

Dawn Burns, owner, The Creative Soul in Kennebunk;

Carolyn Weller, co-owner, RE/Max Realty One and Jean Knapp Rentals;

Danielle, owner, Ciao Candle Bar & Boutique;

Yajaira, owner, Bobbles & Lace Ogunquit;

Marcia, owner, Seashell Cottage; and many others!!

In addition, my amazing Lighthouse Landing team: my mentor Irene; property manager Barbara; Eleftheria, marketing and social media; Erin, Jean Knapp Rentals; and our amazing cleaners Kathy and Jane.

Happy National Women's Small Business Month for all those out there!

*New month, more Ogunquit
adventures!*

NEW AT THE INN

Hi everyone! We had such a great summer - overall the weather was amazing and we loved visiting with you and meeting new guests. Thank you for coming to stay with us and being such a special part of our Lighthouse Landing "feeling of home by the sea!"

While Ogunquit seems synonymous with summer, autumn is really a second season for our beautiful town. It reminds me of back to school, fall sports, pumpkins, apple cider donuts, warm days and cool, crisp nights. And, as I was reminded today walking along the Marginal Way on a recent beautiful early September Saturday, there is still so much to do in Ogunquit this fall! On my walk today I saw the kite festival at the beach, people on a house and garden tour, live jazz in Perkins Cove and the Plein Air event celebrating the local history of art with artists painting outside.

The artists' paintings remind me of why Ogunquit is so special - just as they do when they paint, so do we all see and experience the beauty of Ogunquit in our own way. Similarly, you can make your Ogunquit experience your own, whether you are spending the day at the beach, shopping, walking, checking out the restaurants or just enjoying the scenery. There is always so much to do and enjoy! So in the spirit of fall, we are sharing some thoughts on things to add to your Ogunquit itinerary in our "Back to Ogunquit" section below!

We look forward to welcoming our guests this month, including two groups who are celebrating weddings nearby. And we are open until mid-December this year - if you are thinking about visiting Ogunquit this fall, we would love to have you stay!

LIGHTHOUSE LANDING'S STORY

Marni's tribute to her mom, the inn's inspiration

I always think about my mom, Ruth, a lot in July. Thirty years ago, on July 6, 1994, we lost my mom to ovarian cancer after a three years, hard fought battle that she handled with grace, courage and unfailing optimism at every turn. She loved Ogunquit and because of her it holds a very special place in my heart. This is a picture of my mom on the Marginal Way, one of her favorite places.

Those who know my story know my mom is a big part of who I am today. She was an incredible person who touched so many people in everything she did and how she cared for others. Her love for Ogunquit, being close to the ocean and spending time here with family, friends and the people she loved is a huge part of what inspired me to create Lighthouse Landing. My mom bought the painting of the lighthouse and beach pictured at the top of the newsletter many years ago. Today it hangs in the front hallway of Lighthouse Landing, welcoming our guests.

My mom Ruth

Thank you for being a part of our Lighthouse Landing story. I hope your experience at the inn has made you fall a little more in love with Ogunquit and what a special place by the sea it is for all who visit.

NEW AT THE INN

Happy June from Lighthouse Landing! With summer now here, I'm so excited to see our beautiful yard starting to bloom. Our newly planted impatiens are bringing vibrant color to the yard and to our herb garden which includes lavender, basil, rosemary and dill. The roses are starting to bud, the peonies are close behind and the daylilies are starting to open!

Summers in Ogunquit are spectacular and I love spending time outside. Our yard has a lovely "hidden gem" feel, away from the street, creating a perfect setting for reading, relaxing and hanging out. It was so wonderful to meet some of our guests this weekend and see everyone enjoying it! On your next visit, make sure to spend some time outside relaxing in our little outdoor. MARNI'S IDEAL DAY IN OGUNKUIT

If I had 24 hours in Ogunquit here is what I would do!

I have been coming to Ogunquit for many years and it has a very special place in my heart. While I have many versions of what I would call "my ideal day," here is just one example (though there are many more!). I thought it might give you some ideas as you plan your time in Ogunquit!

Morning (or night before.. I like to plan ahead!)

First, I look at the weather to see if it is going to be a stay-in kind of day or an outdoors day! If it's the latter, I love to spend as much time outside as possible - I check the tide chart so I can plan my time at the beach and go from there. I like to get out for a walk along the Marginal Way down to Ogunquit Main beach, stopping to get a "breakfast bowl" smoothie bowl at Loveshack. When I get to the beach, I'm always a little in awe of how stunning it is. When the tide is out, you can walk all the way down past Footbridge Beach to Wells and back with the beautiful rocky coast of Ogunquit ahead.

Afternoon

On the way back from the beach, even though it might not be 5 o'clock here yet, it's never too early to stop for a light lunch and margaritas with family at Bandito's (the frozen mango margaritas are the best). Then a leisurely walk back into town to stop at Ciao Candle Bar & Boutique (the smell from the candles always draws me in) and poke in some of the other shops along Shore Road.

Night

For dinner, we head down to Perkins Cove for dinner at Jackie's Too - if you time it right, you can get a table right next to the rocks overlooking the ocean. They have a great selection of seafood and other dishes, and the kids love it too! After dinner, we inevitably end up at Perkins Cove Candies for some chocolate and sweets. And then somehow, despite having had dessert already, we usually end up talking ourselves into making the walk back up Shore Road into town so we can cap the night off with ice cream at Big Daddy's (I personally like the Coffee Heath Bar frozen yogurt) and maybe shoot some hoops at the playground. Always so much to do!

I hope you enjoyed hearing a little bit about what one of my ideal days in Ogunquit might look like. Next time you come and stay with us, check out some of the places mentioned and see if they make your favorites list!

*Airbnb Review
August 2022*

“Wonderful stay! Great location.

The suite was beautiful and clean. Shoutout to Barb, the property manager who made our stay as welcoming and hassle-free as possible.

After my sister and I got locked out the first night, she was there to let us in within five minutes....and even helped us carry the rest of our luggage from the car to the suite.

The accommodations are spacious yet intimate and cozy. It's a two minute walk to Marginal Way, and from Marginal Way about a 10- 15 minute walk into Ogunquit/Ogunquit Beach or Perkin's Cove (depending on which direction and location you are intending to go from Marginal Way).

It's about a 15 - 20 minute drive to York/Short and Long Sand Beaches. My sister, I, and our kids had a wonderful time on all the beaches. Ogunquit is an absolute gem of a place.

Will definitely be staying again when Summer calls us back to Maine. 🥰🌊🦀”

NEW AT THE INN

Welcome! We are so excited to be kicking off our fourth season at the inn! I've loved creating Lighthouse Landing and I'm so proud of the special place we have here.

Thank you for being a special part of Lighthouse Landing's story and for helping me bring to life my vision of creating a feeling of home by the sea! We are so grateful for our wonderful guests and love hearing how much people love their time at the inn. We look forward to welcoming you back this year! See you soon!

SUITE SPOTLIGHT

Starfish Suite #4

We love Starfish Suite! When I was designing the inn, I really wanted to have a suite with navy and red decor and am so happy with how it turned out - nautical, welcoming, and spacious and cozy, all at the same time!

- Two bright, spacious rooms
- Living room with efficiency kitchenette and dining nook
- Large bedroom with queen bed and twin bed
- One three-quarter bathroom with shower
- Sleeps a maximum of 3-4: queen bed, twin bed and twin pull-out couch
- Two TVs (one with ability to access streaming apps) + WiFi
- Outside is our beautiful yard with lots of space for relaxing and grilling!
