## THE NAVAJO CODE TALKERS

The courage and knowledge of Navajo Code Talkers was essential to Allied victory in World War II as they participated in every major battle in the Pacific Theater. In fact, 5th Marine Division signal officer Major Howard Connor stated, "Were it not for the Navajos, the Marines would never have taken Iwo Jima."

★ KEYNOTE SPEAKER ★

**BGen James Ryans**

1st Marine Division, Assistant Division Commander
