Homeschool Soccer 2023 Sponsorship

About Us

River City Jaguars Homeschool Soccer, Kentuckiana's longest-running homeschool soccer program, was established in 2004 to provide home-educated student-athletes from Southern Indiana, Louisville, and surrounding areas the opportunity to participate in a competitive Christian soccer program. The Jaguars program is for ages 8-18 with teams for high school Girls (Varsity), high school Boys (Varsity & JV), 14U (Coed), and 11U (Coed). During the fall outdoor season, we compete against teams from local public schools, private schools, as well as homeschool clubs from Indiana, Ohio, and Kentucky. We provide a fun, safe, and competitive environment where players who are homeschooled can have a great soccer experience. The Jags are proud to play and practice at Clark County Soccer Association's fully equipped, 24 acre soccer complex in Jeffersonville, Indiana.

Your Sponsorship Impact

On behalf of the River City Jaguars, we would like to extend an invitation to you and/or your company to become a sponsor of our youth sports program. Our sponsors help create experiences in the lives of our players that positively influence workplaces and our shared communities. We utilize soccer as a vehicle to develop our core values of Christian character, effort, and teamwork. Sponsorships contribute to scholarships for families in financial need, provide essential soccer equipment, lower registration fees, and further the outreach of our program. Our sponsors have the potential to be exposed to and impact 50+ Jags families, 70+ Jags players, and well over a thousand spectators and opposing teams during our games and multiple tournaments. It is our hope that you or your company will find a suitable sponsorship level below. Thank you in advance for your gracious consideration.
