

NVT CPA PLLC

Capability Statement

Full Service Accounting, Admin Services, Project Management & Consulting Firm

Corporate Overview

A New York based business with over 20 years of experience, the staff at NVT CPA PLLC has been providing a professional quality product to its clients, while keeping a keen eye on financial budgets, scheduling and performance deadlines. Our CEO is a Navy Veteran, whereby you can be assured all work is performed with the utmost professionalism and attention to detail.

NVT CPA, with its diverse resources has the ability to provide and implement a myriad of business processes for various types of clients. With a focus on accounting and project management, NVT CPA has the expanded depth necessary to perform all types of program specific consulting and compliance work to a diverse range of governmental and private entities.

Core Competencies

- Accounting, auditing, consulting services and compliance analysis matrices for RFP's
- Project, business, and property management at all scales
- Utilizing GAAP and Best Practices for all of our accounting and consulting engagement services
- Performing all financial, general and administrative work efficiently and on time

Differentiators

What sets NVT CPA apart from others is the professionalism, attention to detail and the high level of security that comes from retaining a licensed Certified Public Accountant and an Honorably Discharged US Navy Veteran with over 20 years of experience running the day to day operations of various organizations.

With a diverse experience in a wide spectrum of industries, you can be assured that every engagement is approached with a breadth of knowledge and professionalism that is unmatched.
