Who We Serve (Why No-Cost Matters)

84%+ of participants live at or below **\$30,000** annual income, reinforcing the urgent need for programs that remove financial barriers and ensure adults with IDD have access to meaningful opportunities, relationships, and experiences.

Thank You for Creating MORE

Because of you, adults with IDD experienced more than activities. They experienced **belonging**, **independence**, **friendships**, and **community**.

In 2026, we are doubling our fundraising goal to expand our impact and serve even more adults with IDD. Thank you for being part of this mission and helping create **MORE chapters** in every life we serve.
