

Buy Grain-Fed Black Angus Beef

100% Grass, Grain-Fed Black Angus Beef Order Form

Your beef will be custom cut to your specifications by our skilled butchers at JM Meat Processing, conveniently located at 360 South Zuefle Drive, McDermott, Ohio 45652. Orders will be ready for pickup at our facility 10-14 days after the slaughter date.

Please remember to bring boxes or coolers for transporting your beef.

A deposit is necessary to reserve your order, with the remaining payment due on the pickup date. We will contact you with the pickup dates, the hanging weight, and the total bill.

Thank you for choosing JM Meat Processing for your custom beef orders.

Whole Beef:

- Average Hanging Weight 700-900 lbs
- Price: Market Price
- Deposit: \$300.00

Quarter Beef:

- Average Hanging Weight 175 - 225 lbs
- Price: Market Price
- Deposit: \$100.00

Half Beef:

- Average Hanging Weight 350-450 lbs
- Price: Market Price
- Deposit: \$200.00

All prices and weights for whole, half, or quarter beef are based on hanging weight and include:

- cutting
- wrapping
- and freezing

Take-home weights for beef are approximately 60% of the carcass hanging weight due to trimming and deboning.

APPROXIMATE PRICE PER LB:

- On hanging weight, it comes out to a little less than \$4 per lb. (Current Market Price)
- In actual packaged meat you get back around \$6.50 per lb. steaks, roasts, brisket, burger, or however you get it cut.

You can print and fill out a cut sheet to mail along with your deposit, or simply include your name, address, and phone number with the deposit. We will then contact you to walk you through the cut sheet.

Payments can be made to: JM MEAT PROCESSING
