- We provide **24-HOUR REFRIGERATED (not frozen) CAPE STORAGE**.
- We do not have the space to store them any longer than that and your taxidermist would like them ASAP before their condition deteriorates.
- We do not assume responsibility for your CAPES storage. We will either give you a time it will be ready when you drop it off or call you when it's ready. After that time its safety is your responsibility.

Please pick up your CAPES when they are ready. Please double check you are getting the correct CAPE.

CAPES MUST BE PICKED UP WITHIN 24 HOURS.

** After 24 hours if space is needed, CAPES will be removed from the cooler.

** After one week they will be disposed of.
