

# CAPABILITIES STATEMENT

## Company Overview

CLERCO GovStrat, LLC is a business strategy consulting firm and government integrator focusing on the following core competencies: Government Contracting & Program Management | Talent Acquisition Strategy & Executive Search.

CLERCO was founded on three principles: Vision, Integrity & Adaptability.

At CLERCO our focus is simple: delivering on the marching orders received. We strive to put in place a strategy for developing, implementing and delivering a unified tactic that will have a lasting impact on our government clients. As a business management team, the CLERCO organization has past performance in the areas of Program Management within the Department of Defense and proven Talent Acquisition (staffing) winning strategies.
