

Travel in Comfort and Style

Our Mini-Coach offers 20 comfortable leather seats, each equipped with armrests and three-point seat belts (with seat belt extensions available for added comfort). Each seat has its own air vent, reading light, USB charging point, and easy access to overhead luggage racks.

Enjoy a smooth and relaxing ride thanks to the vehicle's air suspension system. And because our Mini-Coach can easily navigate narrow country roads that larger buses cannot, you'll have the opportunity to discover even more of England's stunning countryside up close.

Need a cost-effective way to keep your business in front of Salisbury residents throughout the year at a fraction of the cost of traditional advertising?

Would you like to promote your business to Salisbury residents in 2027 with a year long advertisement. With adverts starting from as little as £140.00 + VAT.

Your advertisement will be seen again and again for 12 months, as our brochure is printed in January and remains in circulation until the final trips in December. The cost is a fraction of what you would typically pay for a month's exposure through weekly or monthly magazines, local newspapers, radio advertising, or social media campaigns.

Even better, your business will not be advertised alongside direct competitors, as we only accept one advertiser from each trade or business category.

Unlike mass leaflet drops, our brochures are distributed directly to an engaged audience. We send 1,000 copies to existing customers on our database, with the remaining 19,000 brochures available from more than 140 high-footfall locations within a 10-mile radius of Salisbury.

Benefits of Advertising

- Full-colour advertisement in a brochure that remains valid for 12 months.
- Exclusivity within your trade or business sector.
- 1,000 brochures mailed directly to existing customers.
- 19,000 brochures distributed through over 140 locations in and around Salisbury.
- Access to a targeted audience consisting primarily of homeowners in the Salisbury area.
- Excellent value compared with other forms of local advertising.

If you would like to discuss this opportunity and explore advertising options, please contact Dave on **01722 66 55 44** or Email: **gdobooking@gmail.com**

Pick Up Points & Times

You will be contacted to arrange your pick-up point and time 48hrs prior to the day
of travel. Passengers living within the city limits will be picked up from and returned
to their home address. This will be from their door if necessary. However, we would
appreciate your cooperation and ask that you wait at the end of your road to speed
up the pickup process so passengers are on the bus for as little time as possible
prior to reaching their destination. Please be at the pre-arranged point at least 5
minutes prior to your pick-up time. If upon arriving at the pick point, you are not there,
the driver will wait for 5 minutes after the pre-arranged time before pulling away. Your
driver will try to contact your home or mobile phone if you have one before doing
so. No refund will be given to passengers that fail to turn up or turn up after the
5-minute grace period. Nor shall the company be held responsible for the late arrival
of the minibus due to circumstances outside of our control (i.e. traffic and weather
conditions). Return times shown are merely as a guide as the drop off route may
take up to one hour to complete.
