Our Mission

Our mission is to raise the morale of active military service members deployed to combat zones.

Where We Ship

We ship to locations where service members are in harm's way, to those who do not have access to exchanges (PX/BX) to purchase these products, and to those who do not receive mail or moral support from home.

Why We Ship

While the military supplies forward deployed troops with the necessities for their mission, these service members rely on care package shipments for their comfort items.

When We Ship

We ship care packages to service members all year long. Depending on our operational budget we will ship 120 to 180 care packages each month. The more we raise, the more we ship.

What We Ship

We ship full-size name-brand products to the troops. We DO NOT send trial or hotel size products. See our website for a more complete list of what we ship.

How You Can Help

Our grassroots all-volunteer organization relies greatly on the generosity of our community. Here are ways you can help us support our troops.

Monetary Donations

The best way to help is through a tax-deductible monetary donation. Rest assured, our goal is for 90% of your donation to go straight into the care packages. This includes purchasing products and paying for shipping.

NO DONATION IS TOO SMALL. We accept all major credit cards and PayPal on our website. Checks made payable to **Just Our Soldiers' Helpers** can be mailed to our P.O. Box. (see back of this flier).

Product Donations

If you would like to donate items, please see our website for a list of the major items we ship.

If you would like to host a collection drive, we supply the collection bins and printed information for the drive.

Please keep the following in mind when donating/collecting products:

- Items must be full-size name-brand products
- Items must be unopened
- Items must be alcohol-free
- No aerosols
- No products that contain pork
