

Resources for Healing, Faith, and Connection

A resource for She Leads Church Virtual Conference from Londa Denise, *Saved by Grace*, Londa's inspirational blog, and Word in Faith Ministries

Be encouraged. Be restored. Be connected.

Meet Londa Denise

Londa Denise is an author and Associate Pastor of Word in Faith Ministries under the leadership of Senior Pastor Joyce Fleming. Through her writing, she encourages women to embrace faith, healing, restoration, and the grace of God in every season of life.

Her blog post "Roots - Dig Deeper" uses the image of deep roots to encourage readers to address life's hidden struggles with honesty, prayer, support, and the help of trusted people or professionals when needed.

Featured Book: *Saved by Grace*

Saved by Grace is centered on forgiveness, healing, and restoration from domestic violence and abuse. This book encourages readers of contemporary fiction with a faith-filled message that hope, healing, and wholeness are possible, even through life's real struggles.
