You owe it to yourself to check out the UMA Health Plan.

WHAT IS THE UMA HEALTH PLAN?

Groups of all sizes are looking for ways to CONTROL the rising costs of insurance. The UMA Health Plan is a solution to the ACA imposed regulations.

The UMA Health Plan can help your company avoid the ACA Community Rating and join a large pool of manufacturing groups to help control cost. Any Utah-based manufacturing company or company that directly supports the manufacturing industry can participate in the program.

MEMBER BENEFITS

- Groups with 2 to 100 benefit-eligible employees can participate in the UMA Health Plan.
- The UMA Health Plan will not be subject to the “Essential Health Benefits” requirement.
- The UMA Health Plan will offer composite rates, not the age-banded rates of a small group.
- Joining the UMA Health Plan makes you eligible for large group plan designs and premium benefits.
- Your group may choose from a wide variety of plans to meet your specific needs.

WHAT OUR MEMBERS ARE SAYING...

“The UMA Health Plan has been a valuable solution to our benefits offerings. It has cut cost, improved plan benefits, and provided a way for our company to control cost around the uncertainty that surrounds today’s Healthcare.” Teresa Stakebake, Richard Manufacturing

“Participating in the UMA Health Plan allowed us to improve our coverage and saved us 13% compared to our small group renewal. We love how simple the composite rates make our budgeting.” Matt Allen, Bolinder Resources
