Vol. 02

July Edition

2023

# BLANKS

## COLLECTION

## Quality That Shows

Made with 3-end yarn and 80% Cotton, and 20% Polyester, our hoodies are popular amongst decorators because the 100% cotton front provides no pilling and bleeding. This construction also allows for superb quality retention through the wash cycles, which end customers appreciate.

Free shipping and low MOQs make us the preferred choice for printing and embroidery orders.
