

# Every Time, Remember...

In his teaching on communion in 1 Corinthians 11:24, the Apostle Paul quoted Christ by saying, *"This is my body, which is for you. Do this in remembrance of me."* The importance of this commandment should not be understated. We are to gather regularly and remember the sacrifice and atonement that was made for us. That is why we take communion seriously, and offer a complete selection of resources to help your church with communion, and each time you do this... remember.

## The Battle Plan for Prayer: From Basic Training to Targeted Strategies

Alex Kendrick, Stephen Kendrick

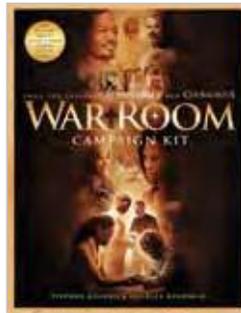

Inspired by the Kendrick Brothers' 2015 film release, *War Room*, this title from the #1 bestselling author team behind *The Love Dare* and *The Resolution for Men* takes both a wide-angle and up-close view of prayer, seeing it at its most powerful as well as its most personal. *Battle Plan* is a boot-camp approach to prayer—beginning with its core purpose, its biblical design, and its stunning impact throughout history. But in the end, this book is a full-service manual on how to put “knees on the ground” in targeted prayer for every facet of life.

# He Gave, So We Give...

Financial stewardship is a key ministry of the Church. Whether your members are giving to missions, benevolence, youth camps, or outreach to the community, the Church has always been a place where people give freely and sacrificially in the name of Christ. We have the resources you need to help your church with the giving and administration of gifts so that you can focus on what matters most... ministry.
