T@NE Artist Page On elasticStage Click Here.

Partnership:

T@NE partners with elasticStage to release his music on vinyl. elasticStage says they are the first company to manufacture and distribute vinyl on demand. T@NE's releases available now on vinyl are the EP titled GO which also includes a twelve page booklet with artwork by Yuki Li and artwork by Fishman Art 89. T@NE's single Autumn which also includes remixes from MIKESH!FT and Dronez. T@NE's single P.U.S.S.Y which also includes live versions of Grown Men and When You See.

About T@NE:

T@NE musician, saxophonist, composer, producer, rapper, vocalist, actor, director is from Brooklyn New York. Growing up in a musical environment at an early age allowed T@NE to develop love and passion for what he does. T@NE along with his bandmates are making music for the future. Incorporating all genres of music and a real sense of unity and teamwork allows T@NE's music to be enjoyable, inspiring and energizing to listen to.
