T@NE is the name for musician, saxophonist, composer, producer and artist Arnold Tone Kaplan Lee. Along with bandmates Taber Gable (keyboards), Andrew Renfroe (guitar), Dan Pappalardo (bass), and Pete Manheim (drums), T@NE and crew are making music for the future. “Rock Joint” is a fantastic debut single and takes the listener on a progressive journey with segments of intricate jazz and rock that you can easily sink into. Lee says of “Rock Joint”: “I chose this track as the first single because before we release music that is more produced (and more post production), I wanted to release a track that has the vibe of us just rocking out and how we play in concert, so we went in the studio and did a take and this what we got.”

T@NE has been performing in the New York City area, playing at venues such as Pianos, Arlene’s Grocery, and Rockwood Music Hall. Catch them on Sunday Sept. 16 at Arlene’s Grocery. Follow T@NE on [Instagram](#) and [Twitter](#).
