

T@NE-Autumn (Dronez Remix) Out Now ([LISTEN HERE](#)).

T@NE and Dronez collaborate to bring you an incredible and epic remix of Autumn. Autumn, originally composed by T@NE and Be Steadwell was released in 2021 to critical acclaim, garnishing T@NE with international recognition. Now T@NE and Dronez bring you a Future Riddim track filled with amazing beats, incredible harmonies and awesome melodies. Dronez shines with next level production and T@NE's vocals sparkle throughout the track. So turn up and rock out and get ready to dance with Autumn (Dronez Remix).

About T@NE:

T@NE musician, saxophonist, composer, producer, rapper, vocalist, director is from Brooklyn New York. Growing up in a musical environment at an early age allowed T@NE to develop love and passion for what he does. T@NE along with his bandmates are making music for the future. Incorporating all genres of music and a real sense of unity and teamwork allows T@NE's music to be enjoyable, inspiring and energizing to listen to.

About Dronez:

Dronez is a 19 years old Peruvian/Canadian bass music producer. Having started music production in 2015, Dronez quickly developed a passion for electronic music, focusing on Dubstep and Future Bass. His signature sound is mainly inspired by those genres with an additional touch of jazz.
