THE BROOKLYN-BASED MUSICIAN, COMPOSER AND DIRECTOR UNVEILS THE ULTIMATE REMIX OF HIS 2021 HIT, TITLED “AUTUMN (DRONEZ REMIX)”

As any artist will tell you: you are only as good as your last track. And, proving himself to be as innovative as he is ambitious, T@NE unveils the remix to his globally-acclaimed single, titled “Autumn (Dronez Remix)”. Charged with dance floor-ready beats and ear-worming production, the track raises spirits and pulses simultaneously — building to a climax that leaves even the timidest of wallflowers aching to move.

Originally composed by T@NE and Be Steadwell in 2021, “Autumn” catapulted The Brooklyn-based musician, composer and director to new heights — leaving audiences worldwide all the more enchanted by his hypnotic melodies.

With “Autumn (Dronez Remix)” introducing a welcomed fresh feel in tow with sparkling vocals and a switched-up rhythm, T@NE proves himself a multifaceted talent where the limits do not exist — a true force to be reckoned with in Brooklyn and beyond.
