

VOICES OF GRATITUDE

Frankie Picasso

"Dr. Raj is first and foremost a humanitarian. While it's not unusual to find this trait in a doctor, Raj's passion to help people transcends medicine. His infectious laugh and genuine humility make him a joy to be around. But don't let his lightheartedness fool you — he is deeply committed to helping thousands live lives of joy and abundance. Through meditation, laughter yoga, retreats, and conferences, Raj is constantly discovering new ways to share his uplifting message with the world. I truly believe he will one day win a Nobel Peace Prize. A kind and generous man, Raj is someone you will be proud to call a friend."

Jean Hamilton-Fford

"Raj is one of the most gently inspiring people I've had the pleasure of meeting. He listens with an open heart, speaks your language, and offers hope, encouragement, ideas, and wisdom with an unwavering generosity of spirit. Raj is more than a friend; he's a guide, a mentor, a teacher, a coach, a student, and a willing learner. He facilitates change in a gentle, non-threatening, and easily recognizable way. His laughter is a harmonic melody of joy, and his happiness is so contagious that just a few minutes of conversation will leave you feeling transformed. Love, light, and blessings."

"Raj is the epitome of professionalism and kindness. He's not just caring and friendly—he's someone who will go out of his way to help others. A true 'outside-the-box' thinker, Raj embodies the mindset of a quick learner and is always evolving. My team and I wish him nothing but the best in all his future endeavors."
