Creator of the Gulf Coast Adventures children's series

What Students Can Experience

- **Story & literacy connections:** reading comprehension, vocabulary, sequencing, author's craft, and discussion.
- **Behind the book:** how a children's book moves from idea to story, illustrations, revisions, publishing, and finished book.
- **Regional learning:** Gulf Coast landmarks, wildlife, maps, local culture, and nonfiction extensions.
- **Student interaction:** questions, observation, hidden details, and age-appropriate participation.

Visit Length at a Glance

Format	Typical Length	Best Fit
Classroom Visit	25-30 minutes	One class; interactive lesson-style session
Grade-Level Presentation	35-45 minutes	Several classes in one grade
Large-Group Presentation	45-60 minutes	Multiple classes or school-wide audience

Group Pre-Order Option

For visits scheduled at least four weeks ahead, the school may coordinate a **single pre-paid group order**. The exact process can be tailored to the school when the visit is booked. Orders may include student purchases, classroom copies, library copies, or a combination. Books will be delivered at the scheduled visit whenever possible.

This option is intended to make purchasing easy for families who prefer not to order online and to allow students to receive signed books directly at school.

Current & Upcoming Gulf Coast Adventures
