Dear Dave Bandyk @ PROLIFE SUPPORT LLC,

Thank you for investing in the future of LIFE Pregnancy Center. Your support allows us to empower women and men to choose life for their precious babies and to assist them on their parenting journey.

The work you are doing at PROLIFE SUPPORT is LIFESAVING! Thank you for not only wanting to make a difference, but for ***making a difference!***

This year, two abortion minded moms changed their minds and chose LIFE for their babies! Without our financial donors, LIFE Pregnancy Center would not be here to share truth and life with them! Thank you!!

Dear Dave Bandyk & Supporters @ PROLIFE SUPPORT LLC,

Your work and gifts are lifesaving!

Because of YOU, LIFE Pregnancy Center was here for Beth last week. Beth called the Pregnancy Center, distraught and asking for an ultrasound. She explained to Angie that she “already had many children and needed to know how far along” the pregnancy was. Angie could hear the desperation in her voice and made room for her in the schedule. Only God can orchestrate events like HE does, and our nurse manager, Jeannie, was at the Center doing ultrasounds that day.

Beth came to the Center and met with Gail and Angie. They talked with her, and she shared that she “wasn’t ready for another child.” Jeannie then did the ultrasound. Beth was much farther along than she had originally thought and was able to see hands, feet, eyes, and the baby moving. Her first comment was, “it’s really a baby.” Beth left the Center that day with a completely new perspective on life. She stated that she “could not abort this baby,” and would either parent or choose adoption for this precious child!

Your support ensures that LIFE Pregnancy Center is available for moms, like Beth, in their moments of desperation. We are here to share LIFE with women and men who are contemplating abortion and see no other alternative.

Thank you for making it possible to provide life-affirming options, ultrasounds, love, and compassion to those who need it.

In Christ,

Shawn Lachat
Director of LIFE Pregnancy Center
