April 30, 2024

Dear PRC of Flint Friends,

It is a tremendous blessing to share with you the goodness of our Heavenly Father and all that He is doing in and through Pregnancy Resource Center of Flint.

We are excited to welcome five new peer counselors who have just completed their training and are eager to be a vital part of this ministry. The potential impact that they have will be life-changing for both the client and the peer counselor.

One of the goals that we take very seriously is that when a woman reaches out to us, we show Christ's love to them no matter what their current situation is. We are here to serve with love, kindness and compassion without any judgement.

A lady who had been at the center 12 years ago, recently contacted us. Her life has been a series of ups and downs, including several heart wrenching circumstances since we last saw her.

She shared that she had lost a baby in the womb and then another child that live only 3 hours after delivery. It was evident that she was dealing with excruciating grief and the thought of being pregnant again was too much. She shared that not knowing what the future held for the little one that she was currently pregnant with was way more than she thought she could handle.

As the peer counselor listened to the client, she found an opportunity to share with her one of the most important aspects of the ministry of PRC of Flint ... the love of Jesus through the gospel.

That day, in the middle of her own tremendous sorrow, the client realized that the greatest loss she had was not knowing Jesus Christ as her own personal Lord and Savior. She immediately repented of her sins, asked forgiveness and invited Him into her life! She was a new person from the inside out and she was absolutely radiating with renewed joy as she shared with the staff.

What a difference it can make just to know that someone is there for them, offering hope when there seems to be no hope!

Please continue to pray daily for Pregnancy Resource Center of Flint. Your support, financially and prayerfully, are changing hearts, minds and lives ... for all eternity! Thank you for your faithfulness.

Blessings,

Clara Clarke
Executive Director
