Kirtan is Life - Kirtan is Our Life

Chant More - Chant Always

For Disciples Only

HH Candramauli Maharaja

2012

January 1 Chicago

The New Year! General people make resolutions to accept some activity, duty or eliminate some bad habit or avoid a certain situation. The categories are numerous. We only want to be able to remember Krsna more with increased devotion especially by always chanting His most Holy Name-Hare Krsna. All glories to Srila Prabhupada for he has given us a resolution to strive for and the means to attain it. Pure loving devotion to Sri Sri Radha Krsna in Sri Vrndaban Dham. May we accept His mercy graciously and endeavor to achieve it while offering it to as many others as possible. All glories to Sri Harinam Sankirtan. Gaura Premanande! Hari Hari Bol. Sri Sri Kisore Kisori Ki-jay. Hare Krsna.

January 2 Chicago

After giving Srimad Bhagavatam class followed by many questions I was feeling the class was too strong on the subject of complete surrender. I then enquired from Jay Jagannath Prabhu and he very much appreciated that what needed to be said was and right to the point. Before speaking I did sincerely pray to my beloved spiritual master. Then all success goes to him for providing his merciful intelligence. Jai! Srila Prabhupada. Hare Krsna.

January 3 Chicago

The sastras declare that in every birth one gets a mother and a father yet it is extremely rare to get the association and shelter of a bona-fide spiritual master. This birth has become blessed as I have received the blessings and shelter guidance of one of the greatest spiritual masters to ever bless Mother Earth with his lotus feet. His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. All glories eternally unto his divine lotus feet. My good fortune also is that I have received the blessing of a wonderful father and mother. They have helped me to achieve my rare good fortune. Today Jan 3rd is the birthday of my material mother. Her departure was just 6 months back. Today she would have been 94. Best wishes dear mother on your birthday. My strong desire is that you have reached the lotus feet of the Lord. Again and again I sincerely thank you being my mother in this life of devotion to the Supreme Lord. Hopefully we will be together again in service to our eternal Lord. Best wishes eternally. Your son in this lifetime and always your servant. Hare Krsna.

January 4 Chicago Ekadasi

May Srimati Radharani continue to bless me with Her amazing loving mercy. All glories to Sri Sri Kisore Kisori. All glories to the greatest divine

person ever to place his feet on the country of America. Jai! Srila Prabhupada. Hare Krsna.

January 5 Chicago

O Holy Name, please be merciful to us and increase what little attraction I have. You are the supremely merciful power in this Age. Sri Caitanya Mahaprabhu has exalted You and we are Your followers please keep us under Your complete care. Srila Prabhupada sings your glories above all else. Hare Krsna.

January 6 Chicago

Whatever is required for this insignificant jiva to be able to render pleasing service to the Vaisnavas please bring it about. Tomorrow is a celebration to honor HH Romapada Maharaja on his appearance. Many devotees have come from far places to take part. I have been requested to participate. My mind my heart need the mercy of humility along with appreciation wrapped in the element of selfless service. I pray to be an instrument in the hands of my beloved spiritual master Srila Prabhupada. Please guide my every thought, word and action for pleasing the assembly of Vaisnavas. It is a test of devotion. Your mercy is what will bring auspiciousness. All glories to the Vaisnava devotees of the Lord who have dedicated themselves to spreading Lord Caitanya's mission. Hare Krsna.

January 7 Chicago/Balaram Prabhu's Home

It was very nice to speak about HH Romapada Maharaja on his Vyasa Puja. By Srila Prabhupada's mercy it was successful. Staying at HH Radhanath Swami Maharaja's home (Balaram Prabhu's place of residence) is a needed spiritual rejuvenation. Wonderful program with many new people. We are thankful to the Russian devotees especially Sri Guru Carana Padma Mataji and Mataji Draupadi. All glories to their determination to preach. Praying to become fully concerned about others' spiritual life. Srila Prabhupada you are the example of the strength of the strong as your spiritual strength is carrying us on. All glories to your mercy upon the misdirected world. Hare Krsna.

January 8 Chicago

So many invitation so much time. Priority is the consideration. For now I'll accept what I can by Srila Prabhupada's grace as I am not able to fulfill everyone's desire. Dear Srila Prabhupada please continue to guide me in the best way possible on how best to serve by preaching Krsna Consciousness. Tonight was my last Chicago Sun. feast program for at

least the next 7 months. Time to move on. All glories to the life of travel. Hare Krsna.

January 9 Chicago

The devotional mind is satisfied only when it is either chanting in kirtan or preaching the philosophy and pastimes of the Lord. Why do anything else? Only constant remembrance of the Lord. His names, qualities, forms, activities, all else is simply a necessary burden. How much of the necessary is actually necessity. A good question! Praying to always remember Sri Krsna and associate with great souls. Srila Prabhupada your words are the best association. All glories to your mercy upon the universe. Hare Krsna.

January 10 Chicago

Planning to move again. Six solid weeks in Chicago perhaps a little too long. Anyway we are satisfied that some needed services are completed. Lord Krsna emphasizes "always think of Me". In all cases depend on Me making Me the object of all activities. We are striving to remember Krsna always. So much depends on our desire to serve, to please. Today we received the news, although it is more than a week old, that HH Prabhavisnu Maharaja has relinquished his position as GBC and his responsibility to the post of Guru and Sannyas. A virtual thunderbolt to the head. We pray that the Vaisnavas are kind to him and the Lord will bless him with what is required to attain Krsna consciousness. He has untirelessly served the mission of Lord Caitanya and Srila Prabhupada. May he continue to do so in some capacity. His slip is also a strong message that too much management and too much traveling can cause one to slip. We must sufficiently hear and chant and associate with our Godbrothers in a friendly loving way. Praying to be always attracted to reading, hearing, chanting and dancing. Spiritual life is a razor's edge. Be cautious not to offend Vaisnavas and to always hear and chant the glories of the Lord in association with other devotees. Srila Prabhupada your mercy is our walking stick. Hare Krsna.

January 11 Chicago-travel-London

Today we wound up our 6 full weeks at the holy abode of Sri Sri Kisore Kisori. This visit to the Chicago temple helped me to reflect on my many spiritual inadequacies especially how to intelligently accept each and every situation as an opportunity to serve and advance in knowledge and detachment. I humbly and sincerely seek the apologies of all those whom may I offended although done in a mood of serving yet lacking proper discrimination. My relationship with the preaching causes me to want to distance myself seeing there is very little I can contribute. Upon

departing the devotees were appreciative this was only due to their kindness. Having met Bhakta Himanshu I realized he's very serious striving diligently in devotional service. May Srila Prabhupada bless him with transcendental knowledge and Lord Krsna's provide the opportunity for pure devotional service. In conclusion I offer my humble obeisances to all whom I came in contact with these 6 weeks in Chicago. Gaura Premanande! Hari Hari Bol. Hare Krsna.

January 12 London/Sri Radha Raman's Home

On the move it is nice to see the devotees here in London. The mind occasionally gravitates towards the opposite sex not in a sensual way but in causal way. Control the mind and carefully place it at the lotus feet of Krsna and the instructions of Srila Prabhupada. There is no other shelter from the mass distraction that so much characterizes Kali yuga. Praying to always remember Krsna in His Name or at His lotus feet. Both are great places of residence. The best. Hare Krsna.

January 13 London-travel-Mumbai/Sri Sri Radha Gopinath Mandir

At the lotus feet of Sri Sri Radha Gopinath and Their wonderful servant. Uncertain whether I will be able to serve properly. Recovering from the Western mood of enjoying will take time to reconnect to the humble attitude of the Gopinath's servants. Praying for Srila Prabhupada's mercy. Always remember Krsna never forget Krsna. Hare Krsna.

January 14 Mumbai/Sri Sri Radha Gopinath Mandir Ratha Yatra

O Jagannath Dev, You are so merciful, mysterious and mighty. We love to see You, serve You, worship You, take Your prasadam. Please consider us a speck of dust at Your lotus feet. Praying for the mercy of your powerful pure devotee Srila Prabhupada. Hare Krsna.

January 16 Mumbai/Sri Sri Radha Gopinath Mandir-BV Hospital

Neglected to write yesterday. Trying to create somewhat of a regulative schedule seems impossible. It is! Some medical work the removal of skin mold on my back. Vaisnava Seva Prabhu is great to be with mature in all areas of medical skills and a great devotee. Hopefully being overnight at BV Hospital will bring back a daily regulation. In any case "say lavie" . Don't forget Krsna that must be placed as utmost in all areas of endeavor. We need the mercy of the great souls. Srila Prabhupada that is my desire-strong desire. Please help! Jai! Sri Sri Radha Gopinath, Lalita, Visakha, Gopal Nathji, Sri Sri Gaur Nitai. Hare Krsna.

January 17 Mumbai/Sri Sri Radha Gopinath Mandir-BV Hospital

My taste for Srimad Bhagavatam is again aroused. So nice to revive the mood of sastraic reading and study. It gives such great pleasure to the intelligence and to the soul. Be careful not to become proud. Knowledge is power and must be employed in the service of the Lord as a feature of compassion not false ego. Looking forward to continue in this direction of reading and studying yet along with many other required services it will be a challenge to maintain. Dear Srila Prabhupada our desire is to more and more hear and chant the Lords glories."Satam prasangan mama virya-samvido bhavanti hrt-karna-rasayanah kathah". All glories to Srimad Bhagavatam the best of all scriptures. Hare Krsna.

January 18 Mumbai/BV Hospital-Sri Sri Radha Gopinath Mandir

I humbly beg that I can receive the needed intelligence to be able to present a meaningful presentation on Srimad Bhagavatam. Tomorrow it is Vasudeva and Nanda Maharaja's meeting in Mathura. Speaking on transcendental subject matters is the great way of devotional service. Srila Prabhupada knows Krsna therefore he knows everything. Hare Krsna.

January 19 Mumbai/Sri Sri Radha Gopinath Mandir Ekadasi

36 rounds completed yet plagued by unregulation. Krsna help! Jay Srila Prabhupada. Hare Krsna.

January 20 Mumbai/Sri Sri Radha Gopinath Mandir-Belgaum

Not at all inspired to write, ultimately I feel whatever I could say is unimportant at best. Anyway we are here to honor Lord Jagannath and His big Brother Balabhadra and younger Sister Subhadra. May all our activities be for Their pleasure. Srila Prabhupada has brought Lord Jagannath everywhere. All glories to Sri Ratha Yatra. Hare Krsna.

January 21 Belgaum Ratha Yatra

Lord Jagananth and His powerful brother Balarama and sweet and highly powerful spiritual energy Sri Subhadra Devi grace the residents of Belgaum with Their very merciful presence. Hundreds of thousands witnessed the chariot procession of the Lord and many received His purifying prasadam. We are very happy and knowingly blessed to have been a part of this great celebration of mercy and devotion. All glories to the Lord of the Universe. May He always be the object of my vision. Sri Jagannath, Baladeva, Subhadra Maharani Ki-jay. And all glories to Srila Prabhupada whose mercy made it all happen. Srila Prabhupada Sri Paramhansa Vaisnava Ki-jay. Hare Krsna.

January 22 Belgaum-Mumbai/Sri Sri Radha Gopinath Mandir

Hopefully amidst my present schedule of travel and constant change I can make time to read. Reading Srila Prabhupada's books keeps one connected to chanting and remembering in a wonderful way. Praying for the mercy of "time management". Hare Krsna.

January 23 Mumbai/Sri Sri Radha Gopinath Mandir

Big day at BV Hospital. Meet many wonderful devotees and others. Learned a little about this burden called 'my body'. It is a car keep it running. May I soon become regulated. Jay Srila Prabhupada. Hare Krsna.

January 24 Mumbai/Sri Sri Radha Gopinath Mandir

Dealing with devotee problems doesn't necessarily warrant appreciation or even solution. It is a service and we are geared up to try and help yet ultimately it is their problem. A doctor is more effective when he is healthy. Detached attachment. The art of work. It is truly amazing what Srila Prabhupada went through to maintain and spread the movement. In his own words. "I had to walk through fire I did not look left or right." May we imbibe that mood of service. Hare Krsna.

January 25 Mumbai/Sri Sri Radha Gopinath Mandir

Today we honored the glorious Disapp. of His Holiness Maha Visnu Goswami Maharaja. We are sad we weren't able to get as much association as we could have yet we are grateful to have had some quality association and had been inspired to speak Srimad Bhagavatam and learn verses from Maharaja example. All glories to a truly great soul always joyful yet very serious in devotional life. Maharaja please accept my most humble obeisances at your lotus feet. All glories to your preaching of pure Krsna consciousness and inspiring so many to become serious practitioners. We pray to continue to be inspired by your example. All glories to Srila Prabhupada. Hare Krsna.

January 26 Mumbai/ Radha Gopinath-Aurangabad-Ratha Yatra

All glories to Lord Jagannath, Lord Balarama, Subhadra Maharani. They unite everyone in devotion to Themselves. They are so kind and magnanimous. Srila Prabhupada's special gift to the world Jagannath Ratha Yatra. Hare Krsna.

January 27 Mumbai/Sri Sri Radha Gopinath Mandir

Tomorrow we celebrate Vasant Pancami. A very auspicious day. And here at Sri Sri Radha Gopinath Mandir is an added sweet flavor that is very very sweet and tasty. Sri Sri Radha Gopinath are offered a bath in flowers. It is called pus abhisek. Then we move on to Sri Mayapur Dham where the devotional pace increases. In all cases and in all services and

activities always remember the Holy Name. Chant incessantly 24 hours, that is worth striving for as each year it seems more achievable. Mercy makes success, determination in practice attracts the mercy. O Krsna bring this mechanical devotee to Your lotus feet. This is my only hope for spiritual perfection. Please Srila Prabhupada correct this wayward soul. Begging for enthusiasm in practice with genuine humility. Jay Sri Sri Radha Gopinath. Hare Krsna.

**January 28 Mumbai/Sri Sri Radha Gopinath Mandir
Vasant Pancami-Pus Abhisek**

HH Radhanath Maharaja's preaching is attracting people from all walks of life and from all cultures and nationalities. About 50 American yoga students are touring India with devotees showing much attraction to the program. May Srila Prabhupada continue to bestow his powerful mercy on the devotees of Chowpatty headed by HH Radhanath Maharaja. The Vaisnava dream- the whole world chanting and dancing to the Hare Krsna Maha Mantra. All glories to Gaur Nitai, They are our saviors in this difficult age of Kali. Gaur Premanande! Hari Hari Bol. Hare Krsna.

January 29 Mumbai/Sri Sri Radha Gopinath-Sridham Mayapur

We have reached the Holy Dham of Sri Panca Tattva. What's essential is to now enter into the spiritual atmosphere, the devotional energy. A rigid schedule should be employed. No gaps, keeping Sri Krsna and devotional service foremost. Traveling here was most challenging both from adhibautika and adhyatmika. A difficult test of tolerance. Saved by Krsna's Holy Name. There is nothing in this world like the Holy Name of Krsna declares Srila Bhaktivinode Thakur. Praying to always remember to always serve. May Srila Prabhupada's mercy inspire what intelligence I have in offering service to the MIHE devotees. All glories to Srimad Bhagavatam it reigns supreme with pure devotion. Hare Krsna.

January 30 Sridham Mayapur

Teaching Bhaktivaibhava Canto 6. chapters 14-19 is inspiring me to become more and more immersed in this great monumental literature. I am simply loving both the study and the presentation. I see a need to polish my presentation to allow greater student participation. This year's students are very intelligent and there is much I learn from them. Praying sincerely to become a better instrument in spreading the glories of Srimad Bhagavatam and the process of pure devotional service. By the grace of Srila Prabhupada both the means for success and the achievement of the goal is nicely given. Hare Krsna.

February 1 Sridham Mayapur

Sort of a up and down day. Consequently I missed yesterday's entry. Usually this only occurs when I travel long distance. Need to fine tune my schedule or at least put activities in order. Mayapur can be a physical challenge otherwise it is blissful in all respects being the Holy Abode of Gauranga Mahaprabhu. Devotees will soon be arriving for the up-coming GBC and Sanga meetings, The Dham will overflow with much wonderful association. Balancing service with association the essential point of time management. May Srila Prabhupada be pleased with our desire to serve. Hare Krsna.

February 2 Sridham Mayapur

Nitai Prabhu's departure in a car accident has caused much sorry. So young to go at least that is apparent from our vision. The Lord orchestrates everything for His devotee. We pray for his elevation to the spiritual strada or at least a very good birth in a family of devotees. Thank you Nitai Prabhu for helping many receive the benefit of Krsna prasadam. You pleased Srila Prabhupada by prasadam distribution. May Mandali Devi be peaceful. Reading and studying Srimad Bhagavatam has been a very inspiring experience. Please let it continue. All glories to the best of all Puranas, scriptures and glorifications of the Supreme Personality of Godhead. Hare Krsna.

February 3 Sridham Mayapur

Today we completed the Bhaktivaibhava course. Citraketu Maharaja will not be forgotten. Srila Prabhupada's purports focus mainly on "all that is material is simply the mind's creation". Not real. In this "unreal reality" we are very much concerned with forms. Going beyond the material forms to the spiritual forms we find substance-Reality. Being in Mayapur is being in the spiritual world. Let's always remember Lord Caitanya and the chanting of the Hare Krsna mahamantra

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /

Hare Rama Hare Rama Rama Rama Hare Hare.

Gaura Premanande! Hari Hari Bol. Hare Krsna.

February 4 Sridham Mayapur

Dear Lord am I going to become qualified to reside at Your lotus feet. That is perfection, that is wanted. In the words of Srila Krsnadas Kaviraja Goswami "My feet are slipping". Maya is pulling the rope and causing austerity to be slackened. Fearlessness, purification of one's existence, spiritual knowledge is the focus of the sannyas order. Purify but don't again putrify. The Holy Name cleanses the desire for wrong association and associating wrongly leads to seeing everything materially. Always remember the Holy Name and always remember to be careful in the

association of devotees as to not commit offense or speak wrongly. Longevity is no guarantee of success. The steady devotional soul attains peace from everything material by offering everything to You dear Lord with love and detachment. Praying deeply to overcome all anarthas all materialistic tendencies. May Srila Prabhupada bestow his merciful glance on this struggling sadhaka. Hare Krsna.

February 5 Sridham Mayapur Sri Nityananda Trayodasi

I offer my most humble and grateful obeisances at the lotus feet of Sri Nityananda Rama whose presence in this material world has changed kuntha into Vaikuntha for those who has accepted His lotus feet as their most dear treasure in life. He has dissipated the illusionary darkness that surrounds the lost souls by giving them the opportunity to chant the Holy Names of Lord Krsna. All glories eternally to the best friend of the world Sri Nityananda Ram. May His appearance in our lives be a daily meditation. May we serve Him by chanting and dancing in kirtan for His pleasure and for the pleasure of Lord Caitanya. Jay Nitai! Jay Gaura Nitai! Gaura Premanande! Hari Hari Bol. And special is His pure representative the full embodiment of His mercy and compassion. All glories to Srila Prabhupada an intimate associate of Sri Sri Krsna Balaram, Sri Sri Gaura Nitai. Hare Krsna.

February 6 Sridham Mayapur

Although I am in Sri Mayapur Dham a place of mercy that vibrates kirtan I am finding myself mostly serving via giving class. It is nectar but am surely missing the mellows of kirtan. Hopefully we can move into the kirtan arena more and more. This is where devotional service becomes fully joyful. Sri Harinam sankirtan. Tomorrow I am scheduled to lead the Guru Puja. Perhaps we can offer some kirtan service for the pleasure of Srila Prabhupada and all the great devotees present. Chant dance and be spiritually elevated. Hare Krsna.

February 7 Sridham Mayapur-App. Srila Narottama das Thakur

Feeling very satisfied in speaking on the life and pastimes of Srila Narottama das Thakur. Being sufficiently exposed to this powerful acarya's lilas I am eager to hear more and more of his life and activities and for the opportunity to glorify him. Although unqualified in so many ways I am eager for kirtan. The glorious activity of Bhakti the glorious activity the of bhaktas. Sri Sri Radha Madhava are very merciful as They exhibit the compassion of Sri Gauranga Mahaprabhu and the Sri Panca Tattva who are always giving us a chance to serve. May His Divine Grace be pleased and bestow upon us transcendental knowledge and

detachment from all that doesn't foster pure devotional service. Jay Sri Radha Shyam! Hare Krsna.

February 8 Sridham Mayapur

Struggling, endeavoring to become regulated in all activities of devotional service. It always seems to slip by. Perhaps I am striving beyond what is possible. The elastic is getting worn out. Adjustment seems to always be short of the desired goal. Somewhat by the mercy of Sri Krsna coming through Srila Prabhupada things are going on without too much disturbance. Praying to always remember Krsna's Holy Name essentially that's all I can do everything else springs from this. Always remember Krsna never forget Him. Hare Krsna.

February 9 Sridham Mayapur

Relocated to the area of Gaura Nagar at the house of Vraja Kumar and Sri Rangadevi. HH Niranjana Swami is staying here also. Will I be in a position to facilitate all my basic needs. Perhaps it will be a challenge as we are located a distance away from the temple. May Srila Prabhupada give me the strength to carry on with full enthusiasm. A simple but a most needed prayer. Hare Krsna.

February 10 Sridham Mayapur

The leadership sanga meetings have begun. May I be able to learn and contribute along with developing some necessary spiritual qualities most important humility, freedom from false pride and appreciation of other Vaisnavas. May Srila Prabhupada bless everyone with this spirit of cooperation and appreciation. All glories to the Vaisnava devotees of Lord Caitanya. Hare Krsna.

February 11 Sridham Mayapur

Stamina, physical endurance is severely challenged. We need rest and recuperation and especially to read Srila Prabhupada's books. That will come when it does. For now I am unable to foresee how or when. The Holy Name is readily available. Thank God, thank Krsna. All glories to Sri Nam. Hare Krsna.

February 12 Sridham Mayapur-App. of Bhaktisiddhanta Sarasvati

Today is the blessed anniversary of the divine appearance of Srila Bhaktisiddhanta Sarasvati Goswami Maharaja. A nitya siddha Vaisnava who has appeared in this world with the mission of taking Lord Caitanya's teaching to every town and village worldwide. He is none other than an empowered soul (a ray of Visnu) emanating from the personal entourage of the Supreme Lord. His appearance on this planet has

changed the destiny of the world population toward pure devotional activities. We are fortunate to be at the Holy Abode of Sridham Mayapur to celebrate his advent. We would humbly petition His Divine Grace to accept our insignificant words of glorification. We are happy to see his transcendental form and to repeat his holy name. May his mission attain fruition. As the great souls are always eager to witness the population of the world chanting and dancing with arms upraised singing Jay Sacinandana! Hare Krsna! Please allow us to offer our most humble and most feeble prayers at his lotus feet. All glories to Srila Bhaktisiddhanta Sarasvati Goswami Maharaja for providing us with the blessed and most spiritual powerful association of his beloved son our revered spiritual master Abhay Caran Bhaktivedanta Swami Prabhupada. We are truly grateful to this two compassionate and powerful associates of the Supreme Lord Sri Krsna of Sri Vrindaban Dham. Humbly with grateful heart we offer our obeisance again and again. Hare Krsna.

February 13 Sridham Mayapur

Today I recall is the birthdate of my biological father. He was in all respects a very, very good person. His short life of 59 years was essentially focused on God. One who lives a life God centered life truly lives. My obeisances and gratitude to father for helping to provide the opportunity for me to meet my eternal father Srila Prabhupada. Therefore my life has become perfect. All glories to both fathers and to the Supreme father of all fathers Sri Krsna Bhagavan. Hare Krsna.

February 14 Sridham Mayapur

Today we were fortunate to have the opportunity to speak to a group of devotees pilgrims coming from the Ukraine at least most of them. I feel the strong need to stay fixed in the mood of preaching. The Dham is great service and in the dham preaching is the greatest. May Srila Prabhupada mercy flow in our direction. Hare Krsna.

February 15 Sridham Mayapur

Kirtan, kirtan-more kirtan. Nice to learn about Nitai Prabhu. He left his body two weeks ago. We offer our sincere prayers for the successful onward journey of this especially kind soul. All glories to Srila Prabhupada. Hare Krsna.

February 16 Sridham Mayapur

One must be practical in the execution of one's duties and services but more than that or rather along with that begging, pleading, crying for the mercy, guidance, direction is the only means of advancement in devotion. After so many attempts to organize my life in devotional

service, I have come to clearly understand I can't do it. I turn my attention fully to your guidance dear Lord. That guidance is found in the words of my spiritual master Srila Prabhupada. Simply by hearing from His Divine Grace everything becomes clear. Dear Srila Prabhupada I am not able to do this service only by your stick of mercy progress is awarded. Place your stick-like mercy on my head and teach me how best to serve you and Sri Krsna. All glories to the Holy Name of Krsna. Apannah samsrtim ghoram. SB 1.1.14. Hare Krsna.

February 17 Sridham Mayapur

Death-a feature of this world, a feature of inevitability. What will be will be, death for the body is certain. It is not about avoiding the end of this body that comes to all but it is about leaving with dignity, departing from this world of death in full consciousness of Krsna. That we must prepare for but cultivating exclusive attention on Krsna free from any material taints. Praying to always remember Sri Krsna and to be able to fully depend on Him. May Srila Prabhupada carry our consciousness to Krsna's lotus feet, a place where death has no existence. All glories to Sri Krsna's Holy Names. Hare Krsna.

February 18 Sridham Mayapur Ekadasi

Much Struggle to completed my vow of chanting 36 rounds. Srimati Radharani's mercy pulled me through-no doubt. The material existence is miserable and worse than that is the misery of being away from Lord Krsna. Hanking, begging for His association. Yet let me stay here and preach and suffer separation as long as he wants. He is our master and we are his servant. Aslisyā va pada-ratam pinastu mam. Please just give me kirtan that is all I hanker for. To glorify his name in association of great souls who only want to do the same. Whenever the mellows of kirtan are present nothing else is wanted or required. All glories to our beloved spiritual guide Srila Prabhupada who has given us this imperishable gift of Krsna's Holy Name. All glories to Sri Krsna Sankirtan. Prem kirtan Ki-jay. Hare Krsna.

February 19 Sridham Mayapur

The topmost of all goals the pinnacle of all activities the perfection of all achievements the crest jewel of all gems the only goal worth achieving. Krsna Prema. Go for it. Give it all you got and never retreat. It may and probably will take more than this lifetime to achieve. Still it is only goal worth striving for. It's compared to chutney, sweet and fiery. Love for Krsna. Pure love. It remains a deep mystery. Please Srila Prabhupada give us that extra joy, the one that is available to the ekanta bhaktas. All

glories to Krsna's Holy Name. I can understand Nam ruci is the way to achieve perfection. Hare Krsna.

February 20 Sridham Mayapur

Devotees have talent. The youth of ISKCON are moving ahead nicely taking on responsibility and leadership. May it continue. May Srila Prabhupada bless them with a long successful life in Krsna consciousness. All glories to HH Bhakti Marg Swami for inspiring and nicely engaging the youth in Krsna drama. The drama "Krsna the 8th boy" is outstanding. All glories to the youth of ISKCON. Hare Krsna.

February 21 Sridham Mayapur

The 4th day of Kirtan Mela. Praying to be able to participate in some fashion. May the whole world benefit from the sound of Krsna's Holy Name. And may the name of Srila Prabhupada be sung and heard in every household. All glories to His Divine Grace. Hare Krsna.

February 22 Sridham Mayapur

All glories to HH Tamal Krsna Goswami Maharaja whose disapp day celebration is today. May we fully appreciate and honor his glorious contribution to the mission of Lord Caitanya. He is very, very dear to Srila Prabhupada and to the assembly of Vaisnavas. Hare Krsna.

February 23 Sridham Mayapur

Dear Sri Sri Radha Madhava. Please allow me to offer my most fallen and worthless obeisances in the dust of Your sweet lotus feet. You are supremely lovable and also very magnanimous. I am so fallen and utterly useless consequently I can not taken advantage of Your loving mercy. I will try and continue to try and pray that the day will arrive I can surrender to You utterly totally with real loving feelings. Please continue to give me Your mercy because without it there is no hope at all of anything worthy coming from me. The service of Your loving son Srila Prabhupada my eternal guide master is what pleases You. Therefore I can only pray that he will be patient with me and continue to engage me in service. That is my only chance to get the mercy of Your loving association. This is my determination. All glories to You the supreme lovable Lord of all Sri Sri Radha Madhava Ki-jay. Hare Krsna.

February 24 Sridham Mayapur

Sri Sri Radha Madhava Asta Sakhi, Sri Panca Tattva, Sri Prahlad Nrsimhadeva, kirtan mela Ki-jay. Srila Prabhupada is showing us the way to live life. Chant the Holy Name of Hare, Krsna and Rama and be supremely benefitted. Hare Krsna.

February 25 Sridham Mayapur

May Madhava Prabhu who is inspiring the whole world with his devotional kirtan have long life in Krsna consciousness. May Gaur Nitai and Srila Haridas Thakur bless him unlimitedly so he can continue to spread the glories of the chanting of the Holy Name of Krsna to every town and village of the world. All glories to his wonderfully sweet and powerful kirtans. May Lord Nrsimha give him full protection, may Srila Prabhupada guide him back home to Krsna. All glories to Madhava Prabhu. Hare Krsna.

February 26 Sridham Mayapur

Gauranga! Hey Gauranga! Hey Gauranga! Pick up this foolish person and guide him to your sweet lotus feet. There is only one good feature of the material world it teaches you don't belong here. Get out and don't come back again. The jail is over crowded and we want everyone to be free. May Srila Prabhupada glories be spread around the world. I want to preach more. Hare Krsna.

February 27 Sridham Mayapur

Thank you Srila Prabhupada for the opportunity to speak the glories of Sri Caitanya Mahaprabhu. Brief yet very satisfying. In the immortal words of His Divine Grace Srila Bhaktisiddhanta Saraswati Goswami Maharaja Hari Katha must accompany Hari Nam as Sri is always with Purusa. (my paraphrase). All glories to Sri Harinam Sankirtan and His glorious lilas. Gaura Premanande! Hari Hari Bol! Hare Krsna.

March 1 Sridham Mayapur

Tomorrow during as part of the Srimad Bhagavatam class I will attempt to glorify Srila Bhakti Tirtha Swami Maharaja. A lofty attempt into the realm of a great saint's life. May Lord Nrsingadeva remove any and all obstacles which are blocks in my attempt to honor this great soul. May Sri Sri Gaur Nitai inspire with me enthusiasm to speak. May Sri Sri

Radha Madhava make my speech attractive to the hearts and ears of all present and may His Divine Grace Srila Prabhupada my beloved spiritual master give me the words to speak. All glories to Srila Bhaktitirtha Swami. His legacy lives and grows. Hare Krsna.

March 4 Sridham Mayapur Ekadasi

36 rounds completed despite the obvious fact that I am in a state of severe unregulation. Being tired throughout the day my energy returns only at night. What to do? I can only pray that someday I will become a devotee in practice at least. Staying with Raghupati Raghava and Varun Prabhu a good friend of Aindra and disciple of his 24 hr kirtan program in Sri Vrndavan.Varun is revealing pastimes of Mahaprabhu's associates that are only known by the Dhamvasis.May his endeavor achieve the mercy of Mahaprabhu and become an added ray of light in the history of Gaudiya Vaisnavism. Srila Prabhupada has given us more than we can

learn and understand in numerous lifetimes may we take advantage of this great treasure of Gaur lila and become fully absorbed. All glories to Sri Panca Tattva and Their eternal associates. Gaura Premanande! Hari Hari bol. Hare Krsna.

March 5 Sridham Mayapur

Every day the prasadam menu is different making it a struggle to maintain health. Today's lunch is very nicely cooked with much variety and that is appreciated but the constant change is an austerity especially as we are obviously not so malleable. The elastic is getting weak. Praying for the mercy to preach and inspire others. If this is what it takes then let it come. Preaching and kirtan is life. All glories to Srila Prabhupada for he gave us so much. Sri Krsna is merciful and filled with variety. Hare Krsna.

March 6 Sridham Mayapur

Took the opportunity to visit the holy and supremely auspicious Janmasthan of Sri Nityananda Prabhu. Sri Ekacakra Dham. All glories to His Divine Dham and His most sweet and amazing lilas. All glories to that person who is the full embodiment of Sri Nitai's mercy His Divine Grace Srila Prabhupada our beloved master and acarya of the entire universe. Srila Prabhupada has taken the mercy of Sri Sri Gaur Nitai to the unqualified, the most unlikely persons to chant Hare Krsna and become devotees of Gaur Nitai. In the same spirit these great personalities are bringing Gauranga Mahaprabhu's mercy which is none other than Sri Radha's love for Sri Krsna to the world. We fall prostrate at Their feet in utter gratitude. Jai Nitai Gaura, Jai Srila Prabhupada. Hare Krsna.

March 7 Sridham Mayapur

Praying to be situated in ideal Gaur Purnima consciousness. Chanting the Holy Name and serving Lord Caitanya and all the Vaisnavas present. All glories to Sri Gauranga Mahaprabhu. All glories to Gauranga Mahaprabhu's confidential servitor Srila Prabhupada. Hare Krsna.

He is giving the world Srimati Radharani's divine loving mercy in the form of ecstatic love for Sri Krsna Bhagavan the beautiful playful cowherd boy of Sri Vrindaban Dham. March 9 Sridham Mayapur

6 weeks completed-Mayapur Dham Ki-jay! Keeping Lord Caitanya deep within your heart. Mayapur Candradoya. Falling flat at the feet of Gaura Nitai we are begging to be able to remember Their magnanimity and service. Please always allow this fool to somehow serve your mission of Harinam Sankirtan. Srila Prabhupada has shown the world Mayapur's glories. May it continue to encompass all shores and all persons. Sri Krsna Sankirtan Ki-jay. Hare Krsna.

March 10 Sridham Mayapur-Kolkata

It has been some time-about 8 days-since I gave a formal class. Tomorrow it is Srimad Bhagavatam class and there are many great souls present. I need your mercy dear Srila Prabhupada to do this pleasingly, sastrically. The verse and purport appears difficult to understand and present. All glories to the mercy of Srila Prabhupada which comes in different forms to inspire and educate us in pure devotional service. Begging for some Krsna conscious intelligence. Hare Krsna.

March 11 Kolkata

The upcoming Bangladesh program will prove to be a test of tolerance and determination. Srila Prabhupada help! What can be said? All glories to traveling and preaching a life of unlimited joy. Hare Krsna.

March 12 Kolkata-Bangala Desh/Dhaka

Sadhana was late as travel took priority. Difficulties with administration tested our tolerance. Prasadam is very nice but not what is best for health. Praying to take shelter of Holy Name, Srila Prabhupada, inspiration and Caitanya Caritamrita. All glories to preaching. I pray it becomes transforming. Hare Krsna.

March 13 Bangala Desh/Dhaka-Jessore

Bangladesh fesitval. Gratefulness! Am I able to be truly grateful for all of Srila Prabhupada's merciful sacrifices. We must and we want to somehow try to make a fool out of ourselves by trying to pay back that

which is unmatched. The gift of eternal life with Sri Krsna in loving devotional service. This material world is what it is-a huge prison. That's all. Freedom begins when we realize this. Thank you Srila Prabhupada for this great gift as it took a lot of personal sacrifice to achieve what you did. We can never pay back but we are trying to be grateful. Hare Krsna.

March 14 Bangala Desh/Jessore

I pray I can be of some service these next few days. All glories to Srila Prabhupada. Hare Krsna.

March 15 Bangala Desh/Jessore

Gratitude! I am grateful for having the opportunity to come here and be with these devotees. Such sweetness along with Krsna Consciousness enthusiasm. Lord Caitanya Lord Nityananda's family. Thank you Srila Prabhupada for this precious opportunity and association. Gaur premanande! Hari Hari Bol. Hare Krsna.

March 16 Bangala Desh/Jessore

The moving mentality. What's next? perhaps a little more traveling. Be here now-live in the moment, the future depends on the present. In all situation serve with full attention and energy. Enthusiasm is the life of devotional service. "Yena kena prakarena manah krsne nivesayet". That's the program with service. We are not interested in reducing material miseries or finding a comfortable situation. Service is our only focus. To always be in that consciousness. May Srila Prabhupada words be our guide, strength and enlightened direction. Hare Krsna.

March 17 Bangala Desh/Jessore-Kolkata

The stretch program. I hope I don't break the band. Tomorrow will prove to be a test of my Krsna Consciousness. Surely your mercy, dear Lord, is all I have. There isn't much from my side. May the Holy Name carry me to your lotus feet. Jai! Srila Prabhupada. Hare Krsna.

March 18 Kolkata-Pune Ekadasi

As far as I recall I completed my 36 rounds although travel made up most of today and japa was quite inattentive. May Srimati Radharani bless us with her kind mercy which we are in desperate need. Glories to traveling in India. Sri Krsna Caitanya Mahaprabhu and Srila Prabhupada did much traveling and preaching and we are neophytes at best. Hare Krsna.

March 19 Pune

India is on full throttle with Westernized imitation. Culturally it will never be the same. The Indian mentality is very different and more

personalized. A country will get its collective karma that is its destiny sadly India's karma with Western imitation will only result in suffering. Yes only Krsna consciousness can save India. Much progress is being made but to counteract that Western craze yet it will take divine intervention. May Sri Krsna bestow his mercy. India as a nation is meant to lead people out of darkness of materialism. All glories to the sankhitan movement and with India the building of more and more Krsna conscious temples. May Srila Prabhupada's desire triumphant. Hare Krsna.

March 20 Pune-Mumbai/Sri Sri Radha Gopinath Mandir

Hey Govinda Hey Gopal Kesava Madhava Dinadayal. Hey Srila Prabhupada. Please allow us time to catch up on back services including reading, studying, writing. Less than one month for submitting our annual Vyasa Puja offering. By your mercy we are able to speak some words about your glories and activities and our relation with you. May we write such eulogies. Thank you Srila Prabhupada. Hare Krsna.

March 21 Mumbai/Sri Sri Radha Gopinath Mandir

Sri Caitanya Caritamrita summarizes the essence of all knowledge and explains it in a detailed way. A virtual raging river of spiritual knowledge flowing and cleansing everything in its outpouring. Srila Prabhupada purports reveal the text in a perfectly spiritually logical way. May we relish it as our light out of this darkness of material existence. All knowledge is contained within sambandha, abhideya, prayojana. Prabhupada books can save the world we pray people will accept it. Hare Krsna.

March 22 Mumbai/Sri Sri Radha Gopinath Mandir-Nasik

Final stop on this preaching tour of the Holy Land. India is referred to as the land of Dharma yet as time moves along Kali Yuga's influence grips its Dharmic soul with its unleashed terror. So much so that the next generation has practically lost all clue of the value of their great spiritual birth. A culture lost rushing madly in to the jaws of the technocratic monster who is eagerly sinking his venomous teeth into their hearts and prayer books. Kali is formidable and has his armies everywhere trained to exploit all with its facade of happiness. May Sri Krsna in the form of Srila Prabhupada's ISKCON kill this agasuric serpent of illusionary happiness. Sri Krsna never loses and will eventually triumph as He did to save the inhabitants of Vraja from the stream of terror transporting monsters. All glories to Sri Krsna sankhitan. Please come quickly and save punya Bhumi from becoming papa Bhumi and hell. This is our fervent prayer. Hare Krsna.

March 23 Nasik

Beautiful and most charming Sri Sri Radha Madan Gopal. Truly a great honor and privilege to be here for the first anniversary celebration of Their appearance in ISKCON Nasik. I have committed to visit each year a commitment I find welcoming. All glories to Sri Sikshastakam Prabhu who has taken the service of preaching here to heart and consequently many persons are coming forward to take part in temple functions. All glories to his service and to His Divine Grace who has brought Radha Krsna vigraha worship to practically every country of the world. His glories are being expounded by the Vedas personified. All glories to Sri Sri Radha Madan Gopal so sweet, so enchanting, so Krsna. Hare Krsna.

March 24 Nasik-Mumbai/Sri Sri Radha Gopinath Mandir

We can always increase our service and surrender. A little push is required to get absorbed. Praying to be more surrendered to your will, dear Lord. May Srila Prabhupada's lotus feet be my meditation. He is so kind. Hare Krsna.

March 25 Mumbai/Sri Sri Radha Gopinath Mandir-travel-London

Adjust, re-adjust, adjust-an ever-continuing cycle. I love it because it is my service and my service is my very existence. I pray Srila Prabhupada and Lord Krsna are somewhat pleased. What else are we to aspire for. Longing for the mercy of the Holy Names of Krsna. They are merciful. Hare Krsna.

March 26 London/Ananta Acarya's Home

First day back in the West after 2 ½ months. Mostly re-aligning my activities within the context of what has been put aside while in India and traveling. Reading Krsna pastimes as narrated by Gunaraja Khan in the book "Sri Krsna Vijaya" has helped me to face my anarthas while providing the sweet pleasure of Krsna lila. The best of the best. Each narration of the Lord's lila brings in an added flavor of transcendental joy and spiritual realization. Sweet and deep with the element of simplicity is "Sri Krsna Vijaya" I am eager to read more. All glories to those great souls who have broadened our understanding and devotion for Krsna by which Srila Prabhupada is foremost and most available. Sri Krsna Lila Kijay. Hare Krsna.

March 27 London-Ananta Acarya's Home

I have surely discovered a great treasure and I plan on reaping the fruits of my good fortune. Sri Krsna Vijaya by Gunaraja Khan AKA Malibhara Vasu is so sweet so simple so deep and filled with the bhakti of this great soul as he narrates Krsna's lilas. By the grace of Srila Prabhupada we have become great treasure seekers and finders. All glories to great

souls for only by their mercy are we able to find and also relish their gifts of great love and devotion. May Gunaraja Khan achieve fame worldwide as a great exponent of Krsna lila and may Srila Prabhupada continue to bless us with the greatest of all gifts. Krsna, the Supreme Personality of Godhead. All glories to Sri Sri Krsna-Balarama. Hare Krsna.

March 29 London/Ananta Acarya's Home

Missed yesterday's entry. Basic neglect. We are dancing to kirtan of HH Radhanath Swami. It has been a while or rather it doesn't happen often. Serve with the desire to please the Lord. The Lord is attracted by loving devotion. Take on responsibility for serving the Lord and His devotees. A community of devotees working together to please the Lord. Selfless service is real service. Praying to remove those obstacles that block our participation in kirtan. Jay Nitai lead nice kirtan. I came to dance and Krsna fulfilled my desire. Thank You Lord Nityananda. May Srila Prabhupada bless us with greater devotion to himself. Jay Srila Prabhupada. Hare Krsna.

March 30 London/Rupa Manohara's Home

Adjust we accept change as normal, routine, expected. Change until the time comes when we have reached the culmination of all our sojourns- Sri Goloka Dham. The goal of everything we do and say is to remember and love Krsna through all these changes experiences. Srila Bhaktivinode prays; "When will that day be mine when offenses ceasing the taste for the Holy Name increasing. That is our endeavor. Absorbed in Krsna's Holy Name and the service of Srila Prabhupada we have reached prema and premadham. All glories to Krsna's Holy Name and service to Vaisnavas. Gaura premanande! Hari Hari Bol! Hare Krsna.

March 31 London-Rupa Manohara's Home

Tomorrow is the most holy and supremely auspicious appearance day of the Supreme Lord Sri Ramacandra. Sita Ram Laksman Hanuman Ki-jay. I will be given the opportunity to speak and what will I say and how will it be presented. I can only beg for mercy. "Patita pavana janaki jivana mohana ram". He is very merciful to fallen soul as He demonstrated His mercy on the Vaisnavas. We are very much monkey-like and need the stick of his compassion. May we be able to speak nicely and beneficially with devotion. May Srila Prabhupada empower our words with his jnana sakti. All glories. All glories. All glories to Sita Ram Laksman and Hanuman. Jay Sri Rama. Hare Krsna.

April 1 London/BV Manor Sri Ramanavami

May Lord Ramacandra along with Sita Laksman Hanuman be pleased with our meager attempt to glorify Their unlimitedly deep devotional lilas. All glories to Lord Ramacandra's mercy on the fallen souls. Also I'm grateful to have the merciful association of HH Radhanath Maharaja and HH Indradyumna Maharaja. Today, lunch was filled with wonderful katha. May Srila Prabhupada bestow mercy so we will always remember him along his sacrifice offered for the fallen conditioned souls. "Ayodhya Vasi Ram Rama Dasarathi Nandana Ram Ram. Patita pavana janaki jivana sita mohana Ram Ram Ram." Jay Sri Ram. Hare Krsna.

April 2 London/Rupa Manohara's Home

I would always pray for guidance on how best to serve now it is more like, what service do I need to complete. Any case Dear Lord Krsna I am in great transcendental happiness reading about your gloriously exciting absorbing lilas from the work by Sri Gunaraja Khan. I'm finding perfection in life simply by reading your lilas with rapture. My body seems to be falling apart most probably due to abuse and neglect in the name of service. In any case help me to always remember you and your Mahabhagavat devotee, my beloved guide, master and source of complete spiritual inspiration His Divine Grace Srila Prabhupada. I pray I can be a more better servant of his instruction and become fit to extol his glories. All glories to Srila Prabhupada. Hare Krsna.

April 3 London/Rupa Manohara's Home Ekadasi

By the kind mercy of Srimati Radharani we have fulfilled our vow of 36 rounds. Feeling tired at the day's onset it was a struggle to properly hear. The early evening session of 12 rounds was closer to what would be considered acceptable. Yet how Sri Krsna is accepting our offering does not depend on our evaluation but by His pleasure. I committed a blunder and caused inconvenience to Sri Laksmi Nrshinga. For that I humbly beg forgiveness and wait for His mercy. One has to be very cautious to always remember Lord Krsna and therefore be protected from wrong thoughts or actions. This entire world is nothing more than an illusory arrangement of material energy. It has no actual substance and is always unable to effect the immortal soul. But in order to get through this illusion we employ Jnana Cakra-the weapon of knowledge. Salva was a master of illusionary forms and everyone was bewildered except Sri Krsna who destroyed the illusion along with Salva by His cakra. We take shelter of that cakra which is the knowledge given by His Divine Grace Srila Prabhupada. He is freed from all material illusions and by his knowledge we are protected and benefitted. Srila Prabhupada Ki-jay. Hare Krsna.

April 4 London/Rupa Manohara's Home

Wanting to give up all of my ideas for what is best for me and simply surrender to Srila Prabhupada's instructions in order to move forward in the mood of servant of the servant of the servant. All glories to Krsna's Holy Name. Hare Krsna.

April 5 London/Rupa Manohara's Home

This visit to London after a stay in India is a time for catching up on back work and relinquishing plans that may manifest later. I am feeling a sense of success as things are moving nicely along. Health recovery and regeneration is a major area of emphasis. Reducing white sugar is helping, bringing a more stable routine. Yet one area is still a source of concern, that within 10 days I am to complete my Vyasa puja offering to my beloved spiritual master, world acarya Srila Prabhupada. All my ideas for topics seem less than satisfying. In short I am praying to you dear Lord Krsna who is the source of all knowledge and spiritual inspiration. Please place me on the track of glorification of your beloved son Srila Prabhupada. You can do anything and this is an easy one. But due to my low intelligence and similarly low devotion I am unable to write what I really want to express. Praying for your mercy in this way. My humble obeisances at your lotus feet and in the dust of your servant. Hare Krsna.

April 6 London-Rupa's Ho./Hanuman Jayanti-Balaram Rasa Yatra

A very together group of devotees assembled in Crawley an area of So. London. It was a great pleasure to be able to narrate Hanuman's pastimes. Srila Prabhupada is present everywhere, in Crawley by his books. May the devotees of Crawley continue to expand their numbers and inspire each other in Krsna consciousness. Hare Krsna.

April 7 London-Rupa Manohara's Home

Hard on yourself easy on others, with disciples it's not easy. They get spoiled become lazy or just too familiar. In any case I pray to have Your mercy Srila Prabhupada on the understanding on how to serve your disciples which have been entrusted to me by you. Personal servants are the biggest challenge. **It is best to be without or only the bare minimum.** With your mercy the impossible becomes possible. I take full shelter of your mercy Srila Prabhupada and the mercy of Lord Krsna's Holy Name. That is all I need and want. Hare Krsna.

April 8 London-Rupa Manohara's Home

Gauranga. Nitai. Prabhupada. Please give me your mercy. Thank you. Hare Krsna Mahamantra Ki-jay. Hare Krsna

April 9 London/Rupa Manohara's Home

So much to do yet all we really require to do is chant, dance and eat Krsna prasadam and speak to others about Krsna consciousness. Yet I add reviewing my 'things to do' list. I sure Lord Krsna is not at all concerned with my ideas, anyway I try to keep the Holy Name foremost and hearing about Srila Prabhupada and Sri Krsna. Praying that whatever I do in the way of service is performed with a desire to please and inspire others. May Lord Caitanya and Lord Nityananda bless me with kirtan sakti and the desire to preach more and more. Begging to become a more fit instrument in spreading Lord Caitanya's message. Hare Krsna.

April 10 London-Rupa Manohara's Home-BV/Manor

Moving around at the Manor, don't know where to go from here, lost in the sea of uncertainty longing to be free in a place filled with fog and I am no better than a frog. Praying not to be a log or a cog in the mission of Lord Caitanya Mahaprabhu as there are not a few but a lot of souls to rescue. Srila Prabhupada is a commander we are his gander trying to keep up the banner of the Holy Name that is the winning game. Chant and be happy-it works even for the Turks. All glories to Krsna's Holy Name and Srila Prabhupada. Hare Krsna.

April 11 London-BV/Manor

Truly it is Srila Prabhupada's strong desire for spreading Krsna consciousness that we are able to offer the service of preaching to the conditioned souls. Tonight I spoke at a gathering of corporate employees of Indian origin. I wasn't at all prepared to speak and was feeling somewhat awkward before beginning. Somehow we were able to inspire the group and no doubt it was His Divine Grace giving us the words and the enthusiasm. This one was Srila Prabhupada singal handedly and he always guides those who are trying to preach Krsna's message. Lord Caitanya's message of compassion. People are greatly suffering and we need to be more equipped, available and eager to be there to give them Krsna's message-the elixir of an eternal life of knowledge and happiness. No need to be concerned with the needs of the body it is automatically being arranged. That is there for anyone who is serving Mahaprabhu's mission. Genuine care and concern for others is of a different nature than the theoretical concept of the same. Please dear Srila Prabhupada make me a genuine devotee ready and eager to serve and surrender. Hare Krsna.

April 12 London-BV/Manor

What goes around comes around. What you put out you get back. By what is happening to you then you can understand what it is about you

that causes it. Do be disturbed by the instrument of your karma. Srila Prabhupada knows everything and he uses his knowledge to help everyone. That is our great fortune. Hare Krsna.

April 13 London-BV/Manor

The youth of London are a good group mostly they are the children of our devotees and the others are very respectful of elders and good natured. Tonight program at Harrow called Jammin was very inspiring as the youth are eager to take on responsibility for serving. We pray they will become future leaders in preaching Krsna consciousness, as this is Srila Prabhupada's hope for the future of our movement and the world. All glories to these devotees for they continue to inspire us. Hare Krsna.

April 14 London-BV/Manor

Dear Srila Prabhupada please accept my most humble obeisances at your divine lotus feet. I am coming to you with a sincere and humble request. Please bestow your special mercy on the devotees of the Karlovac Yatra. They are feeling the pangs of discomfort and unhappiness. According to your understanding please save them. Thank you for hearing this prayer. Hare Krsna. Glories to the Guru Parampara. Jay Sri Radhe Jay Sri Krsna. Gaura Premanande! Hari Hari Bol!

April 15 London-BV/Manor

Time to get into reading Srila Prabhupada's Caitanya Caritamrta. The mercy that flows from Caitanya Caritamrta carries one far away from Maya's influence and brings one to Lord Caitanya consciousness. The consciousness of complete transcendental happiness. All glories to Sri Caitanya Caritamrita the Best of the best. Hare Krsna.

April 16 London-BV/Manor Ekadasi

40 rounds! Humility allows receptivity and receptivity enhances facilities to learn. Today I realized that I should chant throughout the morning on the Ekadasi. Why postpone for later when early rounds naturally enhance its quality. May we begin this as a daily vow. Early rounds, the Holy Name is all there is and it becomes or exhibits more mercy when chanted early. Austerity means to do what is best for spiritual advancement. Thank you Srila Prabhupada for allowing me to offer you my Vyasa Puja. It is only by your mercy that we can serve you. Although I made my offering still I wanted it to be composed with greater intelligence. Please accept this offering at your merciful lotus feet. Thank you. Hare Krsna.

April 17 London-BV/Manor

Dear Lord we are grateful for the opportunity to serve the devotees and when You are pleased that is our reward. Praying to always remember You and the lotus feet of His Divine Grace, our beloved spiritual master the greatest saint that ever lived in the 20th century and before. All glories to our merciful master Srila Prabhupada. Praying to fix my mind on you always in devotion. Hare Krsna.

April 18 London-BV/Manor

Satisfaction in every and all situations. Easy to declare more difficult to achieve. When we remember Krsna as it is so nice to think about Him and His many forms then we are satisfied. Na socati na kanksati. What do I want lord only shelter at your lotus feet always eternally. Thank you Srila Prabhupada for providing so many opportunities to serve and remember Krsna. All glories to pure devotional service. Hare Krsna.

April 19 London-BV/Manor

What greater satisfaction can be experienced than bringing a soul closer to Sri Krsna. "Preaching is the essence." although we are unqualified things are happening. Because of a desire and prayers at the lotus feet of Srila Prabhupada amazing things are happening. His Divine Grace is with us arranging for his movement to spread more and more. May we be empowered to be the perfect instrument for his mercy. His mercy is the only hope for mis-directed population. We are begging to become a more transparent media for Srila Prabhupada. All glories to the best of all devotees. Srila Prabhupada Ki-jay. Hare Krsna.

April 20 London-BV/Manor

Dear Lord, please allow me to offer You my most humble, fallen obeisances. Your dear son, my beloved Guru Maharaja has given me this rare opportunity in devotional service to act as an instrument for your mercy. I am very unqualified and lack the requirements of a surrendered soul a preacher. I am begging for the quality of gratefulness so I can accept all austerities as opportunities to remember You with greater love and surrender. Please allow me to serve with a grateful heart with greater enthusiasm and determination. All glories to Sri Krsna Sankirtanam. Gaura Premanande. Hari Hari Bol. Hare Krsna.

April 21 London-BV/Manor

The Youth of ISKCON London are a recognizable force of devotional energy and talent. For us first generation they give inspiration by their youthful enthusiasm and loads of Krsna Conscious energy. Filled with many good qualities, noticeably respect and humility we are greatly inspired in their association and positive they will give Krsna

Consciousness to many others. Srila Prabhupada preaching powers continues on unabated, thus these young devotees. All glories to their enthusiasm for kirtan and excellent example of Vaisnava culture. Hare Krsna.

April 22 London-BV/Manor-Croatia-Karlovac

Moving, trying to find that place where it all ends. Not in this world. Permanence is spiritual. Material is always changing. Sannyasa literally means no place to stay. Anyway perhaps some permanence in a temporary way. OK. It's up to Sri Krsna. Srila Prabhupada we're hanging on to your mercy. Looking up, not down. Hare Krsna.

April 23 Croatia-Karlovac

Praying for becoming a more useful instrument in serving the devotees. I am lame and loaded with false ego. Only your special mercy can save me and allow me this service at the lotus feet of your pure devotee. O Krsna help me to serve my beloved spiritual master more and better. Mukham karoti vacalam...

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /
Hare Rama Hare Rama Rama Rama Hare Hare.

April 24 Croatia-Karlovac

Side by side-the spirit of enjoyment the spirit of devotional service. Service to Krsna and His devotees is real enjoyment. Cultivate the mood of positivity even when you're not feeling it. Feelings come and go. Time just goes Krsna is always with you if you want Him to be. Absorption in His Name and His form, His qualities are innumerable and His pastimes are the epitome of happiness. Keep focused on the name and form and glorify His qualities and pastimes. That is what we strive for along with surrender and love. Srila Prabhupada you are the genuine teacher as your life is the greatest example of pure devotional teachings. Please give it to us. Thank you. Hare Krsna.

April 25 Croatia-Karlovac

Doing good for others is the purpose of the human beings existence. He is meant to help others. But no one can give anything or do anything for others without the sanction of the Supreme Lord. Therefore the best welfare work is to be an instrument for Srila Prabhupada's and Lord Krsna's mercy. Krsna consciousness is the only platform of peace, happiness, knowledge and love. May Srila Prabhupada bless us to become his mercy instrument. He can empower anyone. We are praying for that mercy. All glories to Sri Krsna's Holy Name. Hare Krsna.

April 26 Croatia-Karlovac

If I did something inappropriate or against religious principles then I sincerely and humbly apologize and beg forgiveness from the core of my heart. I don't recall I did, but if I did then please accept my humble apologies. All glories to Srila Prabhupada. Thank you Mother Tanja for being a powerful instrument with God's mercy. Hare Krsna.

April 27 Croatia-Karlovac

First part of a 5 part seminar on "Srila Prabhupada our Founder-acarya". Getting familiar with the material and how to present it went a bit awkward this evening. Hopefully tomorrow will show better results. In any case the subject matter-Srila Prabhupada is most relishable and essential. I want to learn more about His Divine Grace yet only when he is pleased with me then I can know more of his transcendental qualities and activities. Begging to become a more humble, a more detached servant. Hare Krsna.

April 28 Croatia-Karlovac

The seminar on Srila Prabhupada is helping me to understand the urgency of his message. Particularly with Varnasrama Dharma. Tomorrow we conclude with cooperation around "the real Srila Prabhupada". Hopefully this can be presented in a manner suitable for everyone assimilation and understanding. All glories to Krsna Holy Name the essence of all spiritual practice. Chant! Hare Krsna.

April 29 Croatia-Karlovac

Thank you Srila Prabhupada for the opportunity to speak on you and your mission. For me it was very inspirational and a great learning experience. I pray to once again offer this as a service to the devotees in an improved manner. Your mercy is all we are made of. That is a fact! Hare Krsna.

April 30 Croatia-Karlovac-New Santipur

Where to place focus time, energy and resources? Quite broad as many choices are available. Perhaps today is the first day in quite some time that I slowed down and began to see what my situation is and how to move forward. Without the mercy of Sri Krsna Caitanya Mahaprabhu and Lord Sri Nityananda Ram coming via His Divine Grace Srila Prabhupada no plan will show any success. Praying sincerely for guidance and direction. In need of mercy Dear Lord in order to serve You in the best way possible because due to my limited capabilities and over indulgence in the unnecessary I'm falling below standard. All glories to Krsna's Holy Name chanting in which improvement is badly needed. Hare Krsna.

May 1 Croatia-Karlovac-New Santipur

In a few days the Lord of Sri Prahlada Maharaja Sri Nrshingadeva will make His Divine appearance in order for us lost jivas to have the blessed opportunity to worship, honor, learn about and serve Him. Please Srila Prabhupada we know your mercy is full mercy. Please empower us with the ability to speak Nrshingadeva glories in the best possible way despite our many disqualifications. All glories to Lord Nrshingadeva. Hare Krsna.

May 2 Croatia-Karlovac-New Santipur Ekadasi

Dear Srila Prabhupada dear Lord Sri Caitanya, Sri Nityananda Rama. Sri Sri Nitai Gauracandra please hear our prayer. Humbly we petition your mercy upon the devotees in Karlovac. Whatever their difficulties please kick them out. Only by Your mercy and kindness, will they once again unitedly serve your mission. We are unable to do anything positive without your merciful intervention. Please help. Thank you for hearing this humble prayer. Sri Sri Nitai Gauracandra Ki-jay. Hare Krsna.

May 3 Croatia-Karlovac-New Santipur

Dear Srila Prabhupada kindly increase my attraction for hearing about and chanting about the glories of Sri Krsna especially in His manifested form of Sri Nrshimhadeva, Half Man, Half Lion. Exhibiting the Personality of Supreme mercy and full protection. All glories to His lotus feet. Praying for inspiration with ability to speak his qualities on His Divine appearance. I am low, unintelligent and lower in spiritual enthusiasm. Please give your causeless mercy. Hare Krsna.

May 4 Croatia-Karlovac-New Santipur-Hungary/New Vraja Dham

Dear Srila Prabhupada please bless me so I can offer something to the devotees and everyone present as I attempt to represent your Divine self in describing the glories of Lord Nrshingadeva and His great devotee Sri Prahlada Maharaja. Thank you for hearing this desperate prayer. May Srimati Radharani bestow Her dancing mercy on this foolish person. A beggar only- signed Candramauli Swami. Hare krsna.

May 5 Hungary/New Vraja Dham Nrshinga Caturdasi

All glories to Lord Nrshingadeva on whose chest the beautiful and faithful Laksmi eternally resides. May They be pleased by our small yet sincere attempt to worship and serve Them. All glories to His Divine Grace Srila Prabhupada by whose grace Krsna consciousness has come to the Western world. He is an ocean of mercy and fully capable delivering the mercy of Sri Vrndaban Dham. Gaur Premanande! Hari Hari bol. All glories with love to the lotus feet of Srimati Radharani who so kindly

heard the prayers of Her devotees and blessed me with the ability to dance, dance and dance. She is an ocean of compassion and expert in all the mellows of loving serving to Sri Krsna. Hare Krsna.

May 6 Hungary/New Vraja Dham

All glories to beautiful Sri Sri Radha Syamasundara as They merciful preside of the holy Dham. Powerful Sudarsan Cakra protects His devotees and Laksmi Nrshinga blesses all with Their merciful glance. Sri Sri Gaura Nitai are always dancing in the ecstatic kirtans and Srila Prabhupada sits contently, smiling his pleasing smile on all the residents of NVD lead by HH Siva Ram Maharaja. The holy name continuously resounds throughout as chanting Harinam is everyone's main service. Srimati Vrndadevi serves the Divine Couple in so many expert ways. All glories to New Vraja Dham. Praying for a drop of this mercy. Hare Krsna.

May 7 Hungary/New Vraja Dham

Dear Lord, Dear Srila Prabhupada I'm fallen behind in a lot of auxiliary services. With your mercy anything is possible without your mercy nothing is possible. Thank you for your mercy. Hare Krsna.

May 8 Hungary/New Vraja Dham

What is needed for balance is serving by giving class and reading Caitanya Caritamrta. They bring enlivenment and spiritual realization. My other services are only an extension of hearing and chanting the glories of the Lord and the philosophy of Sanatan Dharma. I desire more and more opportunities to speak about Srila Prabhupada and our relationship with him. Hare Krsna.

May 9 Hungary/New Vraja Dham

Lost in the network of irregularity, striving but never achieving. Dear Srila Prabhupada what can be done to become fixed in Krsna consciousness free from the battering of the material energy. Only by your mercy is success in Krsna consciousness achieved. Begging to become regulated in all activity, thereby able to serve better and more. Hare Krsna.

May 10 Hungary/New Vraja Dham-Slovenia-Kisore Krsna's Home

We're going to miss seeing Gori Govardhan in His transcendental form, sweetly decorated with His loving smile adorns the altar of Sri Sri Radha Shyamasundara. I strongly feel the need to shed some of these old habits that are pledging my service. What I need to work on is not completely known but by the grace of Srila Prabhupada and Lord Caitanya everything is understood and adjusted for the smooth execution of devotional service. Sri Krsna and Mayadevi are side by side "Krsna

bahirmukha"..... Remembering You dear Lord is very nice yet not always easy. Praying I will never forget You. Hare Krsna.

May 11 Kisore Krsna's Home-Slovenia/Ljubljana

Sincerely begging for the empowerment to be able to inspire devotees to realize the need and urgency of a Devotee Care system. Srila Prabhupada has taught that devotees should take care of devotees. Ultimately it is Lord Krsna only who is the Supreme care giver as He acts through His devotees to manifest His mercy. Praying to become an empowered instrument of His will. Jai! Srila Prabhupada. Hare Krsna.

May 12 Slovenia/Ljubljana

Dear Lord it appears to be getting more difficult to remember You. Although we are engaged in Your devotional service with determination remembrance of you seems to be lessening. Please help us to remember to always remember You. Whatever our body and mind is subjected to-never mind. Thoughts of You is our prayer, hope and supreme aspiration. May Srila Prabhupada be pleased with our sincere effort to serve. Hare Krsna.

May 13 Slovenia/Ljubljana

We want to assist the devotees with their needs both spiritual and material. Spiritually we feel positive that by Srila Prabhupada's mercy we can assist. Materially we appear unable to offer any real assistance as the situation is so uncertain. The material is important as for many are unable to practice Krsna consciousness without some material stability. Ideally we can only pray that Lord Krsna arranges something in their lives. The method is to firmly establish a Devotee Care system. This is the way to go and it has proven so. We pray that our efforts to establish a system are blessed by Sri Krsna, Srila Prabhupada and the previous acaryas. May they bestow their blessings. Glories to Vaisnava Seva in which Nam Ruci and Jiva Doya flourish. Hare Krsna.

May 14 Slovenia/Ljubljana

We are informed of the sad news that 8 devotees have just died in a plane crash in the area of Muktinath in the Himalayas. We offer our most sincere prayers that the Lord will recognize their sincere devotional service and bestow upon them His gracious loving mercy. May Srila Prabhupada escort them to the final destination. We pray to Lord Nrsingadeva to protect all devotees and elevate them to pure loving devotional service. All glories to Vaisnava sanga. Hare Krsna.

May 15 Slovenia/Ljubljana

Sri Caitanya Caritamrita. Woow! All glories to the transcendental sweetness of Sri Krsna qualities written so expertly so devotionally by Srila Krsnadasa Kaviraja Goswami and explained with added sweetness by our great and wonderful Srila Prabhupada. Woow! Hare Krsna.

May 16 Slovenia/Ljubljana Ekadasi

36 rounds completed! As I finished my last few rounds I was able to feel the mercy of the Holy Name. Sri Krsna is so kind that despite my inability to properly chant His most sacred name He has awarded me His grace and love. For this I am grateful and know whatever austerities came by way of chanting it was fully reciprocated and more. Dear Srila Prabhupada I have a challenge that I am continuously faced with, that is how to guide, correct, inspire and engage persons who are engaged in personal service. Perhaps I expect too much and should be satisfied with whatever is offered. Perhaps more positive encouragement is needed. Mostly I am prone to correct, chastize and get a little heavy. My duty is to teach but in this situation when other services are going on it becomes a distraction most of the times. Whatever the situation is please give the intelligence, patience and tolerance to act in the best possible way for everyone. Thank you for hearing this prayer. Hare Krsna.

May 17 Slovenia/Ljubljana-Croatia/Karlovac-New Santipur

Active service is increasing. I pray I can always remember to remember Sri Krsna. Four prison programs within a 10 days period starting within 5 days. Kirtan melas, 3 within the next 5 weeks, a Ratha Yatra, a seminar on Srila Prabhupada, a brahmachari conference. I hope and pray I can find the balance needed. May the glories of Srimad Bhagavatam and Caitanya Caritamrita continue to inspire guide and enthuse in my attempt to serve. The thought of that tragic plane crash which took the lives of many devotees 3 days ago continues to occupy my mind. The Lord is all-good we may conclude that He took everyone back to Him. By the guidance of Srila Prabhupada we can become fearless knowing the Lord is all-good and all perfect. Jay Sri Sri Nitai Gauracandra. Sri Panca Tattva Ki-jay. Hare Krsna.

May 18 Croatia/Karlovac-Zagreb

Holy Name weekend. By the mercy of Srila Prabhupada in the form of his desire to show the way out of the darkness of this material world into the light of unlimited happiness and eternal love we have been benedicted by the chanting of and hearing about Krsna's Holy Name. The supreme essence of all spiritual performances. May we dive deep into the ocean of devotion and swim in the glorious nectarian waves of spiritual bliss. All devotees please listen; The Holy Name is what you

need and all you need. Chant, chant, chant and dance, dance, dance, live eternally at the feet of Krsna's Holy Name. The whorl of love of God. Gaura Premanande.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/
Hare Rama Hare Rama Rama Rama Hare Hare.

May 19 Croatia/Zagreb Holy Name Weekend

Lord Caitanya and Lord Nityananda are manifestations of full mercy of the Godhead. Who can estimate Their mercy. It is complete and all-pervading. Srila Prabhupada is the distributor of Their mercy and we are beggars whose only business is to get as much of the mercy as is available. Please Gaura Nitai free me from all tendencies to commit offense and allow me the vision of the good qualities of others. If I committed any offense to anyone in tonight's kirtan I humbly and sincerely beg forgiveness and are ready to accept the mercy of correction. All glories to the Vaisnava devotees whose association I desire and greatly need. Hare Krsna.

May 20 Croatia/Zagreb Holy Name Weekend

Krsna's Holy Name eternally reigns supreme. We are fortunate to receive this precious and most valuable of all gifts. Srila Prabhupada has opened up the eyes of the world with the mercy of Sri Sri Gaura Nitai. Sri Harinam Sankirtan Ki-jay. Hare Krsna.

May 21 Croatia/Zagreb-Karlovac

Preaching service is increasing and I feel Srila Prabhupada is pleased. I pray to maintain steady schedule. Starting tomorrow we begin visiting 3 different prisons over the next 3 days. We are eager to reach these persons and pray to speak those words that will attract them to chant Hare Krsna and read Srila Prabhupada's books. Praying to serve with enthusiasm. Hare Krsna.

May 22 Croatia/Karlovac-Rijeka-Narayan Pandit's Home

By the full grace of Srila Prabhupada we were able to plant the seeds of Krsna consciousness and water a couple of planted seeds during the jail programs. Work hard, eat hard a cycle that I want out of. Need to get back to a more balanced program. It gets a little tough as the days go on but by your mercy dear Lord Krsna and Srila Prabhupada's guidance we will survive and triumph. Hare Krsna.

May 23 Croatia/Rijeka -Slovenia/Celje-Ljubljana

Very happy to have the opportunity to reach those who are locked away by society. One man took copies of different books. Others were also interested. Dear Lord I want to serve you more and more but I am feeling the pains and stress of travel. In any case I seek your mercy. Never ask Lord Krsna to adjust the material energy to suite your needs or desires. Ask Sri Krsna for the gift of devotional service. Pure devotional service. Srila Prabhupada I pray for your guidance. Thank you. Hare Krsna. Hearing from Govinda Prabhu speak on the loss of those 8 devotees from Radha Gopinath shed light on how to see Lord Krsna everywhere and how Sri Krsna is always with His devotee. Great lecture Govinda Prabhu, deep in realization of how Krsna consciousness is understood by the great souls. Thank you. All glories to your service. Hare Krsna.

May 24 Slovenia/Ljubljana

Although the more than 30 inmates at today's prison program in Dob didn't ask a single question which was unlike when we had previously come. They did take many books and eagerly expressed their appreciation for our presence. I noticed they liked very much the bhajans. Three consecutive programs are scheduled next week one of them at the Women's prison which we had visited previously. May Lord Caitanya bless our sincere but somewhat blundering effort to reach

those most unfortunate souls. Srila Prabhupada begun preaching in prisons back in the year 1962 by planting the seed, watering the seed and harvesting the seed of love of God. Hare Krsna.

May 25 Slovenia/Ljubljana

It is always a very nice spiritual experience to be with Moksa Rupī Prabhu and the devotees in his area. I am focusing on devotee care and more recently farm communities, varna and asrama. The unfinished part of Srila Prabhupada's movement to spread Krsna consciousness worldwide. By continuously talking about these subjects we hope to motivate activity and direction. Although the Holy Name of Krsna is my favorite topic and always a topic for lectures. May Srila Prabhupada be pleased and bless the devotees with the intelligence and determination to cooperate to make Krsna's business our real and only business. Gaura Premanande. Hari Hari Bol. Sri Nityananda Rama Ki-jay. Hare Krsna.

May 26 Slovenia/Ljubljana-Croatia/Karlovac

How will I ever be able to go back home, back to Godhead. I am in desperate need of special mercy. I am observing that there are so many anarthas. Srila Prabhupada in the complete mood of Sri Nityananda Rama you are saving so many souls and bringing them to the lotus feet of Krsna, I also desire to be amongst them, please don't forget me who am fully and solely dependent on Your compassionate mercy. Thank You. Hare Krsna.

May 27 Croatia/Karlovac

Thank you! Radhanath Swami Maharaja, it is a most blessed honor to be in some small way a part of the Radha Gopinath family of devotees. I long to be in your association once again. All glories to Srila Prabhupada. Hare Krsna.

May 28 Croatia/Karlovac-New Santipur

A day at New Santipur a few solid services and feeling satisfied with proper organization. I desire to take on some needed services. Much is upcoming and a lot of it includes traveling. The days at New Santipur allow for the needed break amongst many other things. The mercy of Srila Prabhupada is the factor of success. Let us pray that we do not sacrifice quality of devotion for expediency of service along with being always dependent on Lord Krsna and His mercy. In the Caitanya Caritamṛta tonight we read how Sri Krsna relates to His devotees. He is always friendly and grateful. Who other than a gross fool would worship and serve anyone else. Jai! Srila Prabhupada. Hare Krsna.

May 29 Croatia/Karlovac-New Santipur

Riding or at least endeavoring to stay afloat in the high tide of devotional service. The waves are unsteady as they come in contact with the daily challenges of service to Sri Krsna. One must purify one's intention and activities to the point of desiring only to act for Sri Krsna and for His service. A little deviation can and will cause one to be affected in the wrong way. It is impossible to make a steady advancement without the association of advanced devotees. For a devotee striving to execute devotional service on the 2nd class platform association of advanced devotees is essential. Prolonged periods of association away from advanced devotees may cause one to easily stray in mind and in action from pure activities. Praying for guidance and mercy from my Lord and master His Divine Grace Srila Prabhupada. His presence is always available through sincere service and prayer. All glories to the process of pure devotional service. We are praying for pure desire and pure action. Gaura Premanande Hari Hari Bol. Hare Krsna.

May 30 Croatia/Karlovac-New Santipur-Slovenia/Ljubljana

I,m pulling the string a tighter as too loose causes one to be useless and always prone to the mental platform. A calculated organization of time with emphasis on priority. Nice proposal, very sound it all depends on my determination and the mercy of the Lord. May Srila Prabhupada continue to distribute his kindness on this blundering fool. Anyway there is a full schedule of events on the horizon along with other activities that are developing. Praying to be an instrument that has a good sound and not just a lot of noise. The Holy Name is our life, shelter and happiness. Krsna Nam is Krsna! How much have we realized this and have taken full advantage of? Gaura Premanande Hari Hari Bol. Hare Krsna.

May 31 Slovenia/Ljubljana

We are very much pleased that we had the opportunity to visit 5 Jails in the last 9 days. To see these forgotten souls accept and appreciate Krsna consciousness is very much satisfying. We are grateful to Srila Prabhupada for the inspiration. It is by his mercy alone that we are able to preach to such receptive groups. All glories to Srila Haridasa Thakur who inspired and uplifted many inmates by his association within the prison. Patita pavana Srila Haridasa Thakur Ki-jay. Tomorrow we will preform the Nirjala Ekadasi vrata and no doubt it will be a challenge on the physical level. We are praying to be able to avoid any health impediments and we are enlivened thinking about its spiritual merit. Praying for the determination needed. Hare Krsna.

June 1 Slovenia/Ljubljana Nirjala Ekadasi

Jai Gauranga! 36 rounds a little difficult to complete along with many other services. Today included a very powerful kirtan mela program. Bless with the association of Krsna Ksetra Prabhu and Radhika Raman Prabhu from the USA. I haven't done Nirjala Ekadasi in years. Perhaps I will begin again a regulation each year. All glories to Sri Panca Tattva of Ljubljana, very merciful, very beautiful to behold. The Holy Name of Sri Hari is all that be. All glories eternally to the devotees and to Krsna Nam. May Srila Prabhupada's glories engulf the entire world. This is the only need of the time. Hare Krsna.

June 2 Slovenia/Ljubljana

My dancing resumes to some degree. The knee is talking some, better to avoid devastation. It's taking a while to recover and the body is not the same. The elastic is growing weaker. The Holy Name; we humbly pray with sincere heart to become a sincere and dedicated servant of the Krsna's Holy Name. May we be blessed with the gift to always remember Krsna. In doing so humility is foremost whereas pride, self-assurance leads to forgetfulness and a sense of urgency is lost. Srila Prabhupada I have so many un-Krsna conscious habits please guide me to full shelter of your lotus feet. Thank you. Hare Krsna.

June 3 Slovenia/Ljubljana- Croatia/Karlovac

Careful with speech as it can elevate, and also degade. Always follow the principle of truthfulness and beneficial and avoid speech that offends. Fault finding, gossip and other such related forms of speech must be strictly avoided. Be a bee ☺ Speak about Krsna and Srila Prabhupada. That's all. Hare Krsna.

June 4 Croatia/Karlovac-New Santipur

In reviewing and editing my diary the date June 4 is recalled as a time of great difficulty in my spiritual life. The year 1999. A time when I could have went to Ahovalam with the Radha Gopinath devotees headed by Srila Radhanath Swami Maharaja. Instead I choose to travel alone to a new area. Anyway the road to full shelter of Krsna's lotus feet is always fraught with thorns. Be careful not to allow the thorns to inhibit the journey. How much time am I taking for internal bhajan? -hardly any. I seem to be satisfied with my present schedule of travel although I definitely know time with Srila Prabhupada's books and more preaching through writings is both needed and wanted. The next few days should allow me available time. In any case I offer this prayer. "O Dear Lord Krsna, please don't allow me to forget You for even a moment although I am unable to achieve such perfection. Your mercy is victory.

Remembering You with love and a longing to be with You and to serve You always along with Sri Radha and Her assistants. Hare Krsna.

June 5 Croatia/Karlovac-Zagreb-Vlado/Subhadra's Home

Moving ground traveling the town better on the ground as it doesn't cause one to frown. But be careful not to drown in the world of crazy sound. Stay aloof with Krsna. Chant all the time it is really very sublime who cares about rhyme when you connected with the Prime. It is Krsna that all, we're having a ball, even though we not tall, there is no chance we'll fall, at all, that's better than Saul. Hare Krsna. Srila Prabhupada is the one, causing you to have fun, and it is never done, all you have to do is shun that which is a pun-y. OK-time to take rest and rise with the best, it's a test and if you pass you become a lover that's no jest. Hare Krsna-That all-nothing else needed. Chant and be happy. Thank you Srila Prabhupada. Hare Krsna

June 6 Croatia/Zagreb-Vlado/Subhadra's Home

O Krsna, where to go, what to do, all my understanding of sastra is useless because I am still trying to find happiness in material arrangements. Anyway I know you are the King of mercy and kindness and your servitor the great Bhaktivedanta Srila Prabhupada carries the full cache of your mercy and is very qualified, eager and expert at distributing it. I am so conditioned I cannot understand how to access it. But you have given me hope by the association of your devotees therefore I go on enthusiastically with the idea someday I'll be able to remember you always in love. Please keep me in your mercy department. Hare Krsna.

June 7 Croatia/Zagreb-Vlado/Subhadra's Home

These devotees Vlado Prabhu, Mother Subhadra are so kind, caring, helpful, self-sacrificing and very very humble. May Srila Prabhupada and Lord Sri Krsna bless them in the best possible way and give them shelter in devotional service. I am extremely grateful to them and unable to adequately reciprocate their kind and caring service. Please accept my humble obeisances. All glories to your self-less service. Hare Krsna.

June 8 Croatia/Zagreb-Vlado/Subhadra's Home-Bosnia/Sarajevo

I am about to offer the Founder/Acarya seminar again. I'm unprepared as I didn't make time to study. Anyway my memory is fresh from the previous presentation. May your mercy, Srila Prabhupada empower me to make the best possible presentation as an offering to Your Divine Grace. With your mercy what is the use of others' and without your

mercy what is the use of others'. I am a beggar. All glories to Krsna's Holy Name and to His wonderful devotees. Hare Krsna.

June 9 Bosnia/Sarajevo

Need to hear more and more about Sri Krsna. This is very much needed and wanted. We want to serve as much as possible and we need to be inspired through hearing and chanting the glories of the Lord. Praying for the ability to organize time to read to hear. Taking is done in order to give and giving is the goal. May Srila Prabhupada inspire us with the greatest of himself in all respects. Jai! Srila Prabhupada. Hare Krsna.

June 10 Bosnia/Sarajevo

Feeling great separation from advanced Vaisnavas. My trip to London will put me in that association. I am eager for that time to come. We completed a somewhat condensed presentation of 'Srila Prabhupada Founder/Acarya' seminar. I think the devotees liked it and found it beneficial. All glories to the best of the best-Srila Prabhupada. I am very eager to read more about him written by his devotees. Hare Krsna.

June 11 Bosnia/Sarajevo

Praying sincerely at the divine lotus feet of Srila Haridasa Thakur to please overlook all my blunders due to my inability and outright stupidity. May he bless me with the constant chanting of Krsna's Holy Name. Something unexplainable happened which I discovered when I returned to the apt where I was staying. Srila Haridasa Thakur was lying upward on the picture of Sri Sri Radha Syamasundara of New Vraja Dham. Both the picture and him were on the floor in a position that is unexplainable by all logical calculation. My speculation only leads me to think it is due to my Maya. Beyond that there is a element of sweetness about the whole scene. May Srila Prabhupada correct all my faults. Hare Krsna.

June 12 Bosnia/Sarajevo – London-Vicaru's home

"Yena tena prakarena manah Krsne nivesayet". These days all I can really endeavor for is to try to always remember Krsna by remembering His Holy Name. An arduous but very merciful day of travel. The world is going through a transition period. We pray to bring Sri Krsna to everyone we meet. Srila Prabhupada is our intelligence provided we take his mercy. Gaura Pramanande- Hari Hari Bol! Hare Krsna.

June 13 London-Vicaru's home

Concerned about health as the body is giving signals. The sweet voice is indicating to be careful. With proper health, service and travel continue unabated. Adjusting diet? That's a formidable challenge although

something must be adjusted. For a surrendered devotee Sri Krsna is the maintainer, protector, provider. All glories to Sri Hanuman. May Japa become a pure act of selfless devotion. Jai! Srila Prabhupada. Hare Krsna.

June 14 London-Vicaru's home

Maya works by making one forget Krsna and His service. Only listen to the words of the Guru, Srila Prabhupada. Always chant Hare Krsna, that's it, that's all. Read Caitanya Caritamrta and bring the mind in full shelter of Sri Sri Gaura Nitai. They are so kind and readily available. Gaura Premanande. Hari Hari Hari Bol. Hare Krsna.

June 15 London-Vicaru's home Ekadasi

Through fasting and chanting we can decrease our eternal enemy's influence. Yet he is always ready to rise up again. Humility, detachment, engagement in continuous devotional activity. A fight. Be ready to fight for self-purification. By Srimati Radharani's mercy today we completed our japa vow. We want to do more of everything, read, serve, preach, associate, chant. Only by reducing sense engagement down to the barest minimum devotion increases. Praying to always remember Sri Krsna and Srila Prabhupada instructions on how best to execute devotional service. We are fearful of Maya. Hare Krsna.

June 16 London-Vicaru's home

Careful reading of sastra bring realization of the knowledge. Reflection, association, example all are revealed through careful conscious reading. I look forward with great eagerness to read Caitanya Caritamrita. There is only one reading more relishable than Srimad Bhagavatam and that is Krsnadas Goswami's Caitanya Caritamrita with purports by His Divine Grace Srila Prabhupada our Founder-acarya of the International Society for Krsna Consciousness. All glories to this great treasure of transcendental literature. A truly priceless gem of continuity for neutralizing the Age of Kali. Hare Krsna.

June 17 London-Vicaru's home Ratha Yatra

By Lord Jagannath, Lord Baladeva, Subhadra Maharani's mercy the devotees are very happy. Holding back Lord Indra and keeping him away Their Lordships pleases Their devotees by majestically with great power ride on Their chariots. 3 huge carts rolling down into the area of London which is the heart of tourism. Srila Prabhupada is undoubtedly pleased as many persons saw Their Lordships, received books, ate Krsna prasadam and chanted and some even danced. May that Lord of the Universe Sri Jagannath Dev be merciful on this insignificant creature and bless me with His Supreme loving darshan. All glories to Sri

Jagannath, Sri Balabhadra, Srimati Subhadra Devi. All glories to Sri Caitanya Mahaprabhu and His associates. All glories to Sri Harinam Sankirtan. Hare Krsna.

June 18 London-Vicaru's home

We fully thank Vicaru Prabhu and his good wife for opening up their home. They sacrificed much so we could reside here for these 6 days. May Srila Prabhupada and Lord Gauranga Mahaprabhu bless them with transcendental happiness and opportunities for service. Tomorrow we hit the skies. I hope I can rest properly. The austerity changes. Hare Krsna.

June 19 London-Vicaru's home – Croatia/Split

All day in the travel mode. Hit the road at 5.30am stopped at 9.30pm. and with the 1 hr change it's 10.30pm. Wow! I am wondering how I am still able to function most probably because of very less prasadam. I see how little I actually need. Nourishment by the Holy Name, japa and kirtan energizes and elevates. Body and mind are purified. I was supposed or rather my destination was Zadar and the Kirtan Mela. Somehow I didn't get there. Blame it on German Wings or should we conclude Lord Krsna had a hand in the outcome. I did learn one important travel feature and that is-only direct flights. These connectors are killers of time and energy. Praying to always remember Sri Krsna for that makes it all worth it. Srila Prabhupada underwent much travel difficulty. Why should we complain. Hare Krsna.

June 20 Croatia/Split-Iz island Kirtan Mela

Service to the Vaisnavas, chanting of the Holy Name. Let these two powerful features of Bhakti be our focus while keeping Vaisnava seva foremost. Remembrance of the mercy of Sri Caitanya Mahaprabhu accompanies these. Srila Prabhupada instructions-our guide in all circumstances. Hare Krsna. Thank You Lord Krsna for holding up the boat. Being anywhere else but here the thought of it brings extreme gratitude for Your kind mercy. Thank You and my most humble obeisances in the dust of Your lotus feet.

June 21 Croatia/Iz island Kirtan Mela

Great program. A sanga of devotees who are into chanting, dancing and glorifying Sri Sri Radha Krsna. All glories. All glories. All glories to the Vaisnava devotee of the Lord. Their mercy is bringing Sri Krsna's mercy in a powerful way. Srila Prabhupada created ISKCON as a family for us to cooperate together in service of Sri Krsna and to each other. Keeping the Holy Name in the center the devotees are always ready to serve,

surrender and sacrifice. All glories to the Vaisnavas they are my very life and my way to Lord Krsna lotus feet. Hare Krsna.

June 22 Croatia/Iz island Kirtan Mela

The Holy Name that's the game forget about fame it's all the same desired by those who are lame and for those who are not tame so let them all chant the Holy Name and be free from blame everything you are looking for and more is found only in the Krsna's Name. Srila Prabhupada came to teach us the importance of chanting the Holy Name which leads to lasting fame – spiritual fame. That's the only game everything else brings only shame. Chant and be happy. Hare Krsna.

June 23 Croatia/Iz Island Summer Camp

Presenting the ideal in such a way that those who are practicing Grhastha ashram can find some practical philosophical spiritual principles and incorporate them in their lives or at least eliminate those anarthas which block the flow of Bhakti. Praying sincerely for the intelligence to understand the past as a way to move forward in the present to as reap the fruit of Bhakti in family life. A monumental attempt at bridging the gap between East and West as it is understood by serious practitioners of Krsna consciousness. Essentially I need a small miracle to make it understandable at least for some. With the expert guidance of Srila Prabhupada I hope to make his words relevant and applicable to our fledging grhasthas. May Bhaktidevi prevail. Hare Krsna.

June 24 Croatia/Iz Island Summer Camp

Thank you Srila Prabhupada I clearly see that my presentation on Grhastha life was made acceptable to the devotees only because of your guidance and mercy. Tomorrow our presentation may be more difficult as the topic is Patni Dharma. Again I humbly seek your shelter and merciful guidance especially in the way the material is presented. May the devotee derive some benefit. All glories to Srimad Bhagavatam the guide for executing all aspects of devotional service. Hare Krsna.

June 25 Croatia/Iz Island Summer Camp

Still we're stumbling with presenting the seminar. That's my evaluation which is more or less deduced from the devotees response and participation. The presentation needs a better and more homogenous flow of information. Because it is mainly taken from Srila Prabhupada words it has spiritual weight but to enhance feedback it needs better congruency. The mercy and guidance of Srila Prabhupada is the feature of success. Praying for readiness through stronger and more earlier japa.

All glories to Krsna's Holy Name. The path of success in all spiritual endeavors. Hare Krsna.

June 26 Croatia/Iz Island Summer Camp

By Srila Prabhupada's mercy and guidance the seminar continues to bring good reciprocation. Tomorrow is a different day as kirtan rasa will reign supreme. Allowing the Holy Name to have the stage it always deserves. Chanting and dancing, philosophy and prasadam. That is Krsna consciousness in essence. May Sri Krsna be fully glorified and may the devotees be happy. Hare Krsna.

June 27 Croatia/Iz island Summer Camp

I feel very much dependent on Srila Prabhupada's mercy. It is like I can't do anything or even chant unless I pray and beg for mercy. This is spiritually very good and I pray to stay in this mood. Devotees are beggars yet we are begging for a great treasure. The treasure of devotion. Not easily obtainable or even understood. It is the only goal worth striving for. When we fail to achieve it then we continue to try and never accept anything less. Pure love of Krsna-the goal of life-is the only means to fulfill all of one's desires perfectly and completely. "Prema pum artha mahan." Praying to become good at the art of begging. Hare Krsna.

June 28 Croatia/Iz island Summer Camp

Dear Srila Prabhupada we pray that the devotees in Croatia will be able to work together cooperatively and seriously begin to do more toward your vision for spreading Krsna consciousness. Whatever they need bring it on and whatever is the obstacle please remove that. Thank you for hearing this urgent plea. Hare Krsna.

June 29 Croatia/Iz island Summer Camp

Camp has ended it proved to be a great opportunity for preaching. Let us see how we can move forward in establishing a Krsna Conscious community. Material energy is forcing devotees more toward self sufficiency. Srila Prabhupada said 'Do it.' Let us fulfill his plan for the future. Propagating spiritual lifestyle centered around "simple living high thinking". Tomorrow we travel it is also the Ekadasi. A day where travel is not recommended. But that is the need. Praying for the intelligence to always remember Krsna especially during travel. All glories to the Croatian summer camp. The organizers, they did a good job. Gaura Premanande Hari Hari Bol. Hare Krsna.

June 30 Croatia/Iz Island- Zagreb-Ekadasi

36 rounds. Quality was less as travel became the Ekadasi vrata. In general we normally avoid traveling on Ekadasi. By Srila Prabhupada's and Krsna's mercy everything went fairly smooth. I really need to rest for a while but how. Anyway I know that traveling and preaching are very pleasing to Sri Krsna, Srila Prabhupada and Lord Caitanya. But other services are getting too back-up. Let's pray for a break and await the mercy. I am grateful for your mercy Dear Radha Kunjavihari. Hare Krsna.

July 1 Croatia/Zagreb – Vlado and Subhadra's Home

Hottest day of the year as temperatures reached 105 F, 40 C. Sri Sri Laksmi Nrsingha has returned to my care. I sincerely pray to serve Them nicely, devotionally. Everything is Srila Prabhupada's gift for our spiritual advancement. Gaura Premananda. Hari Hari Bol. Hare Krsna.

July 2 Croatia/Zagreb – Vlado and Subhadra's Home

Dear Lord Sri Krsna, I have been trying to practice devotion to You for 40 years yet I'm bereft of any understanding of your transcendental qualities. Especially Your lotus feet which are best of all shelters filled with all of Your amazing qualities. I can only conclude that I am not qualified for such knowledge. But it is said if someone sincerely prays to your devotee than You award him shelter at Your lotus feet where knowledge of You is gradually revealed. I need and pray for that shelter at Your lotus feet, the only place that has any meaning and value. By the grace of my beloved spiritual master His Divine Grace A.C. Bhaktivedanta Swami Prabhupada everything knowable about You can be known. Praying to receive even a drop of Your merciful glance permeated with knowledge of Your beautiful and most holy lotus feet. Signed an unqualified beggar. Hare Krsna.

July 3 Zagreb-Vlado/Subhadra's-Guru Purnima-Dis.Sanatan Go

For me to have the privilege to talk about Sanatan Goswami this evening was a return to Krsna consciousness. Lately and for some time we have been talking about varnasrama, family life, cooperation and related topics. All very inspiring but to focus on glorifying great souls such as Sanatan Goswami was to feel the flow of devotion and the mercy of Gaur Lila. All glories to Sanatan Goswami and his mood of Vairagya vidya. All glories to Vedavyasa the literary incarnation of transcendental sound. We take full shelter of his mercy and swim in the nectarean ocean of Srimad Bhagavatam that has come to the shore of our lives through the mercy of Person Bhagavat His Divine Grace Srila Prabhupada. Srila Prabhupada is Vedavyasa reappearing to complete the distribution of transcendental knowledge worldwide. All glories to this very auspicious day of Guru Purnima. Hare Krsna.

July 4 Croatia/Zagreb-Italy/Prabhupada Desh

Returning to Italy after a few years. It appears extremely difficult to make any difference here. Perhaps because my Italian nature or bodily attachment. In any case I hope to be able to inspire some progress in someone's Krsna consciousness. Praying to keep Maya far away. Srila Prabhupada please save me so I can offer something in devotional service. Radha's, Krsna's lotus feet are the perfection of all possible darshans. May the mind never find its limit. Hare Krsna.

July 5 Italy/Prabhupada Desh

Krsna's mercy! Somehow our presentation on the need for developing self-sufficiency was well received. Srila Prabhupada's mercy is always the strongest when we attempt to honestly represent his desire for spreading Krsna consciousness. Srila Prabhupada's presence was very strongly felt. Hare Krsna.

July 6 Italy/Prabhupada Desh-Villa Vrndavan

Tomorrow begins the two day festival of the Holy Name. I am to begin the program by giving the Srimad Bhagavatam class. I pray I can say something meaningful and especially inspiring to ignite the flavor of the chanting of the Holy Name. By the grace and intervention of Srila Prabhupada's mercy one can do the most amazing spiritual feats and without that mercy flowery and nicely composed lectures cannot do anyone any good. Praying to become a better servant without personal motivation. Hare Krsna.

July 7 Italy/Villa Vrndavan Kirtan Mela

All glories to Krsna's Holy Names. 10 hrs of kirtan. May we please Srila Prabhupada with our efforts to chant to glorify Krsna's Holy Names. Gaura Premanande. Hari Hari Bol. Hare Krsna.

July 8 Italy/Villa Vrndavan Kirtan Mela

Praying to be free from the tendency to be attracted by anything in this world that is not directly connected to Lord Krsna. I take full shelter of Srila Prabhupada's mercy, his instructions for protection. Hare Krsna.

July 9 Italy/Villa Vrndavan

A day of rounds, reading, rest and re-orientating. Re-evaluating and physically recovery. Kirtan Mela is always fully auspicious and extremely purifying so what is the need to speak of recovery or re-orientation. It is more like putting into practice the spiritual merits of kirtan by determined devotional service. 32 rounds became part of today's service. What was

most spiritually enlivening was reading the remaining 10 verses of Caitanya Caritamṛta Chap. 24 of Madhya Lila. I pray for the opportunity to read more and regularly. I know without a doubt that Srila Prabhupada is greatly pleased when we read his books as they are powerfully oriented to give us purity of heart and the spiritual knowledge that we need so much. Hare Kṛṣṇa.

July 10 Italy/Villa Vrndavan – Purandara Misra's Home

It was especially nice to speak to a group of new people. Yet as long as the preaching goes on I am satisfied as it is my service to Srila Prabhupada and Lord Caitanya. Hare Kṛṣṇa.

July 11 Italy/Purandara Misra's Home

By the grace of our good hosts Purandara Misra Prabhu, Mother Saci Devi we are slowly regaining our physical health, strength within Lord Kṛṣṇa's vast material ocean. Of course it will take much more than a day to rejuvenate strength to the point of normalcy. Anyway we are grateful for the Lord's mercy coming through these wonderful devotees. Today is the divine Disappearance Day of Srila Lokanath Das Goswami. We pray he is pleased with our concise words in his honor. Tomorrow we journey on to Torino (Taran) and began a series of steady preaching. Torino is better known as an area of the great Mediterranean sea. I look forward to the opportunity to speak Kṛṣṇa katha, devotional philosophy. May Srila Prabhupada be pleased with our attempt to serve and associate with devotees. May his mercy flow into our hard-dry heart and make it fertile for love of God. Hare Kṛṣṇa.

July 12 Italy/Purandara Misra's-Torino/Govardhana Puja's Home

When there is a long gap from lecture to lecture we feel somewhat awkward so let's close the gap and all the gaps of service and surrender. Srila Prabhupada I have committed to speaking on you once again so whatever is needed to serve nicely may it come. Hare Kṛṣṇa.

July 13 Italy/Torino-Govardhana Puja's Home

Harinam in Torino. The Italian culture for singing and dancing goes well here. All glories to Sri Kṛṣṇa sankirtan. Many persons unknowingly received a large dose of Mahāprabhu's mercy. Kali yuga is such a spiritual deficient age. Lord Caitanya and the Panca Tattva have found the means to give out the highest mercy in a most attractive manner. Chant

Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare /
Hare Rama Hare Rama Rama Rama Hare Hare

Dance and eat tasty spiritual food. May of the devotees worldwide continue to accept the Lord's mercy and give it out to the world. Thank you Srila Prabhupada. The world is fully blessed because of your presence. Hare Krsna.

July 14 Italy/Torino-Govardhana Puja's Home

Somehow it has come to pass that the land of Italy has been for me a place where there is difficulty in preaching Krsna consciousness. The people are naturally fun loving, very simple in nature but at the same time very much attached to sense enjoyment. To move them towards full commitment requires a person with great spiritual strength and renunciation. That is why HH Radhanath Maharaja is successful here in reaching people along with a few others. I see myself more as a seed planter, a nourisher rather than a harvester. I pray for the mercy of Srila Prabhupada to maintain the proper mood to preach here effectively. Whatever is being done is beneficial. The fruits are mostly in the future as social deterioration will force people to become more serious in their spiritual practice. Hare Krsna.

July 15 Italy/Torino -Govardhana Puja's Home

Krishna Ksethra Prabhu's article describing HH Tamal Krsna Goswami's talk at the Vasant Pancami festival at Bhaktivedanta Manor in 2002 reminds us of the spiritual richness of our Vaisnava tradition along with its spiritual ancestry and the need to take advantage of it through the culture of devotional activity. How much Srila Prabhupada emphasized Krsna, His lilas and the method of devotion for surrendering. Stuck or conditioned by western norms and upbringings, and for us travelers having to deal with the various individual western cultures as a factor for supplanting the message of Vedic spiritual philosophy requires being strongly situated solely in what Srila Prabhupada gave us and to transmit it to a variety of audiences. We find ourselves learning to relate to people in different ways as to bring in the essential message. We ourselves are happy and satisfied with all that is Srila Prabhupada but preaching effectively means to speak the language of the audience without compromise and avoiding overly esoteric presentations. Preaching means to be able to blend both in a way the audience will be caused to be attentive. Praying to be thoughtfully prepared. Hare Krsna.

July 16 Italy/Torino-Govardhana Puja's Home

Feeling the need for a morning program. Just chanting rounds is sufficient for me provided I seriously and with determined effort chant Krsna's Names 16 continuous rounds. Occasionally the desire born out of a spiritual need arises for a full morning program. The late night

scenario repeating itself night after night makes it difficult or even impossible to gather everyone together in the morning. I am praying to Srila Prabhupada for his merciful guidance in order to chant more attentively, devotionally. Please Sri Nam Prabhu allow me complete shelter at Your divine lotus feet. Signed a beggar in need. Hare Krsna.

July 17 Italy/Torino-Govardhana Puja's Home

Well, I am getting a little mercy in a way I least expected and least wanted. I pray it allows me to increase my service and devotion. Srila Prabhupada gave us everything needed to effectively practice Krsna consciousness. Tolerance and seeing Krsna in everything are essential qualities of service to Krsna. I hope I can pass the test. Hare Krsna.

July 18 Italy/Torino-Govardhana Puja's Home

May Srila Prabhupada be kind upon me by forgiving all my offenses and over reactions in presenting the seminar "The Founder-Acarya Srila Prabhupada". Thank you. Hare Krsna.

July 19 Italy/Torino-Switzerland/Madhava Prabhu's Home

I'm feeling I want to do more to enhance and spread Srila Prabhupada's mission. What would it take to become more dedicated and a more useful tool in the hands of my great, beloved spiritual master and Jagat Guru. We are not looking for any recognition only service that helps others become Krsna conscious. Today during my afternoon rest the merciful HH Radhanath Maharaja appeared in a dream. It was very pleasant and spiritually edifying. I know if he is pleased then I am abundantly receiving Srila Prabhupada's mercy. After that said, I know improvement with japa is the need. All else will follow. Praying I can become more fixed on improving the quality of my chanting. Begging for the mercy of Krsna's Holy Name. Hare Krsna.

July 20 Switzerland/Madhava Prabhu's Home

I am finding it difficult to adjust to a slower pace. My passionate nature keeps me prone to activity although my body is slowing down. Yet the association is very nice. I only want to serve. Being served is not at all my mood. But I am happy to be here. Tomorrow we will again preach to the devotees. May it be pleasing to Srila Prabhupada and inspiring for the devotees. My only hope to accomplish anything is the mercy that comes by way of desire. I have no ability to do anything but pray. Praying to always be in a mood of service and remembering Sri Krsna. Hare Krsna.

July 21 Switzerland/Madhava Prabhu's Home

After offering a talk on the 6 symptoms that make up the principle of surrender as explained by Srila Sanatan Goswami in Hari Bhatki Vilasa and listed in Caitanya Caritamrta I am able to observe and reflect more accurately on my own spiritual position. I have a lot to work on. The most obvious is humility and avoiding unfavorable acts. To know we are small, a tiny jiva and to act accordingly is humility. Action speaks the loudest. Praying for real humility and the desire to please Lord Krsna and His devotees. May Srila Prabhupada be pleased with our sincere but obviously fault-ridden attempt. All glories to His Divine Grace. Hare Krsna.

What can we actually say is the edification to one's dedication to the path of devotion to Sri Krsna. What is common or universal? Is it the behavior or the duty or seeing oneself as insignificant or is it learning of sastra or adherence to the spiritual principles? Is it regular chanting of the Holy Names? What constitutes the essential principle of loving devotion. Is it obedience to the commands of Sri Guru? Charity, austerity, truthfulness? What is the cause of Bhakti's glory? Is it compassion to others by preaching and relieving another's sufferings? Is it all of these combined? Perhaps it is sincerity to achieve perfection. Is it an activity or the mood of internal consciousness? To always remember Krsna and never forget Him is stated as the essence of all activity and thought. But that is not at all possible in the stage of beginning the process of chanting Hare Krsna. Is it found in the strong desire to please Srila Prabhupada and our present spiritual master? One who is fixed in executing the instructions of the spiritual master in every and in all circumstance that is tantamount to seeing the Divine Lord face to face. Bhag. 2.41 gives the clue. One pointed determination in executing the instructions of the spiritual master not considering one's personal happiness or distress-Commentary by Srila Visvanath Cakravarti Thakur. May we beg to come to that level of practice. Only by the grace of Srila Prabhupada and a strong unflinching desire to please him. All glories to Srila Prabhupada. Hare Krsna.

July 24 Switzerland/Madhava Prabhu's Home-Zurich Temple

Dear Srila Prabhupada please guide me in the way that I will make a difference in improving temple activities and assisting the devotees in their service. I can understand that by Your desire I have come here to do this service. Make me dance O Lord, please make me dance to Your melody. Hare Krsna.

July 25 Switzerland/Zurich Temple

My restless mind occasionally wanders to places it must not go. O well, all we can do is pray and chant Hare Krsna and fully understand that all sense gratification leads to suffering, bondage, infamy and death. And while present it is never pleasant. It is the fantasies of the mind that create illusions of happiness and somehow one believes the illusion to be factual. Only reality is Krsna, His Holy Name and service to the Vaisnavas. Srila Prabhupada has given us all the knowledge necessary to ward off Maya and the mercy required to achieve spiritual happiness. What we deeply aspire for is Krsna's association which is very difficult to obtain. Chant, chant, chant and don't stop. Hare Krsna.

July 26 Switzerland/Zurich Temple

Perhaps some catastrophe or a very foreboding event will cause crisis on a world scale. Hard to say what but it is in the atmosphere. A true devotee feels pain when others are suffering. We pray that what the Lord wills is our only desire. May everyone in these times of world calamity turn to the shelter of the Supreme Lord and chant His Holy Names. Please Srila Prabhupada push us on in our service to preach to the fallen souls and awaken in them the light of devotion and chanting. All glories to Krsna's Holy Name the panacea of all ills. Hare Krsna.

July 27 Switzerland/Zurich-Italy/Torino-Govardhan Puja's Home

I am receiving the special mercy of Sri Ramacandra Bhagavan. May it continue to capture my heart and mind. Jay Sri Sri Sita Ram Laksman Hanuman. Srila Prabhupada's mood is one of Sri Ram as he crossed the ocean to rescue Sita (Laksmi) from the greedy Ravana to the USA. We monkies are happily assisting Him. Jay Sri Rama. Hare Krsna

July 28 Italy/Torino-Govardhana Puja's Home

While viewing the initiation ceremony at Bhaktivedanta Manor in London, I could easily note that HH Radhanath Swami appeared to be somewhat tired or even ill. Although I was inspired in many ways to view such an auspicious event especially since I had taken a role in assisting a few of the candidates on their journey I couldn't help noticing the poor health of

Maharaja. I only wanted to offer prayers for his well-being. We are certain that Lord Krsna cares personally for His pure devotee and He is never for a moment separated from their lives as they only seek His pleasure in everything they do and say. Yet as a well-wisher I pray Maharaja is able to regain the health and energy needed to continue his valuable service to ISKCON and to the world. May Srila Prabhupada hear our prayer for the welfare of HH Radhanath Maharaja. Thank you Lord for hearing our humble prayer. Hare Krsna.

July 29 Italy/Torino-Govardhana Puja's Home Ekadasi

Srimati Radharani's mercy-36 rounds completed. I love the Ekadasi day. A time to chant, read and re-orient if needed. Govardhan Puja Prabhu is very simple, generous a truly kind-hearted devotee. He does his best to serve others. We are grateful for his association and Vaisnava hospitality. Today we decreased sense enjoyment a lot as up till now eating has been packed-up with cheese. Cheese is good energy and tasty but there must be a reasonable limit. Too much of anything material is never good. Too much in relationship to Sri Krsna and devotional service does not compute. It is never enough. Chanting, serving, reading etc. All glories to traveling and preaching. It is difficult but done to please Srila Prabhupada. Therefore it is a great pleasure. Hare Krsna.

July 30 Italy/Torino-Govardhana Puja's Home

A picture is designed to form an image in the mind. When the mind is controlled it can easily focus on a desired image. Mind control is only reachable when focused on the spiritual. Materially the mind is always uncontrolled as that is the nature of material sense objects as they are fleeting and deceptive. Practice, practice and practice that is the success in controlling the mind and fixing the mind on transcendence on Sri Krsna. When practice is interrupted progress is slowed or reversed. Attachment to sense objects retards spiritual practice and destroys it. Eat for health, chant with attention, practice submission and regularly study Srila Prabhupada's books especially Srimad Bhagavatam, Caitanya Caritamrta, Bhagavad Gita, Nectar Of Devotion, Nectar Of Instructions. Determination in practice is needed for success and determination is fostered by giving up sense gratification. Regular travel makes mind control more of a struggle as each new environment requires adjusting to. The only hope is to always chant Hare Krsna and detach oneself from all material sense gratification. Praying to become more focused in devotional service especially chanting of Hare Krsna Mahamantra. All glories to the lotus feet of Lord Caitanya the place where pure chanting and pure love resides. Hare Krsna.

July 31 Italy/Torino Govardhana Puja's Home-Slovenia/Ljubljana

May we by the mercy of His Divine Grace be able to say something wonderful in glorification of the all-wonderful Lord Sri Balaram. His shelter is my desired destination. Hare krsna.

August 1 Slovenia/Ljubljana

All glories over and over again with grand feelings of devotion and attachment to the beautiful and most spiritually powerful lotus feet of Sri Balaram. May His remembrance be always foremost. We pray to honor Him in a way that will bring Him pleasure and joy to all the devotees. May Srila Prabhupada who is the perfectly powerful representative of Lord Balaram bless us with full devotional, enthusiasm and transcendental knowledge. Jai! Sri Balaram. Jai! Sri Sri Krsna Balaram. Hare Krsna.

August 2 Slovenia/Ljubljana Sri Balaram Jayanti

With heartfelt gratitude we offer our most humble obeisances unto the lotus feet of Supreme Personality of Godhead Sri Balaram And for allowing us this great opportunity to speak something about His transcendental glories and pastimes. Four classes-such a rare opportunity and all by His mercy coming via the kind-hearted TP Ananta Prabhu. We thank him profusely for allowing us to serve by giving 2 days of Balaram Katha. May Srila Prabhupada bestows his special mercy on the devotees headed by Ananta Prabhu. Hare Krsna.

August 3 Slovenia/Ljubljana-Croatia/Zagreb-Vlado and Subhadra's

Be careful not to mix material sentiment into spiritual relations. Love means to serve for the pleasure of Lord Krsna and His devotees. Affection is for the soul, the mind is the master of ceremonies for illusion. All glories to Sri Sri Krsna Balaram, by Their mercy we are happy in our service although the difficulties of travel add a little sand to the sweet rice. Sri Krsna's Holy Name is everything proved daily by practical experience. We owe everything to Srila Prabhupada. When he smiles in satisfaction we are happy. Jai! Sri Panca Tattva. Hare Krsna.

August 4 Croatia/Zagreb-Vlado's and Subhadra's Home-Karlovac

Please Srila Prabhupada I am in desperate need to read your books. Please help. Hare Krsna.

August 5 Croatia/Zagreb-Vlado's and Subhadra's Home

Hey Govinda! Hey Gopal! Gauranga-You are all so full of wonderful activities. Please allow this fool a chance to enter into Your eternal lilas and taste the happiness of Your association and the relief from this miserable bodily existence. A beggar has no right save the mercy of the

master. Please be merciful and attract me away from this horrible existence through the mercy of Your lilas. Thank you Srila Prabhupada you have opened the door, now we must go through. Please push us on. Hare Krsna.

August 6 Croatia/Zagreb Vlado's and Subhadra's Home-Lika Camp
Aparadha gucci, sudhanama ruci.... This is the prayer-to be absorbed in the chanting of Krsna's Holy Name. Presentation of the seminar on Srila Haridas Thakur is greatly desirable as we hope it will bring everyone including the speaker more closer to his lotus feet and chanting of Krsna's Holy Names. We desire greater focus on service to Srila Prabhupada and the devotees. Gaura Premananda! Hari bol. Hare Krsna.

August 7 Croatia/Lika Camp

A different mood here. I am one to always adjust. Hopefully I can develop the tolerance needed without losing the focus on the devotional spirit. May the glories of the Holy Name prevail. May Srila Prabhupada's presence in his murti direct my energy in the best possible way to be the servant of the servant. Hare Krsna.

August 8 Croatia/Lika Camp

I like being here and can't wait until it finishes. Doesn't make logical sense. Anyway the challenge is forcing me to become stricter in all my activities and that is good. Today I gave the Srimad Bhagavatam class and spoke on as a movement we are focused on preaching and outreach. Verse #31 from the 3rd Canto 21st chapter the purport emphasizes the importance of compassionate devotional service and preaching. The devotees seem to have received the class well. I felt empowered by Srila Prabhupada to speak. Tomorrow it's more on the glorious life of Srila Haridasa Thakur and the glories of Krsna's Holy Name. How much are the devotees appreciating depends on the quality of the presentation. I pray to make a difference and especially learn to increase the quality of chanting and my attraction to this great saint. All glories to Srila Haridas Thakur. I am blessed by his presence. Hare Krsna.

August 9 Croatia/Lika Camp

Tomorrow we honor the Appearance Day of Lord Sri Krsna-Janmastami. To glorify the Lord is the best of all activities, penances, sacrifices, austerities, charities, pujas, offerings, renunciation, vows, entertainment. It's the best of the best. With great hope and humble petition we want to be in our best form. May Srila Prabhupada bless us with proper intelligence. Hare Krsna.

August 10 Croatia/Lika Camp Sri Janmastami

All glories to Bhagavan Sri Krsna! May His appearance in this world awaken pure love for Him. Thank you Lord Krsna for the inspiration and enthusiasm for leading kirtan. All glories to His Divine Grace. Hare Krsna.

August 11 Croatia/Lika Camp – Karlovac-New Santipur

Dear Srila Prabhupada, please allow this useless servant the privilege to offer my most humble obeisances at your divine lotus feet on this most blessed day. The anniversary of your appearance in this world and in our life. It is only by your mercy that we are able to offer some service in Lord Caitanya's movement. Your powerful desire to bring Krsna consciousness to the whole world is our inspiration to serve and surrender. It is a great fortune to be able to have this mercy although we are at times complain about the difficulties that come with the service. Actually we should be receiving much more difficulties but by Gaura Nitai's mercy flowing fully through you we are getting only a small portion. This year unlike previous years was less ceremonious in honoring Your Divine Grace for this we feel a little unhappy yet everything was very sweet when glorifying you and worshipping you. The sweetness became slightly overshadowed by one senior god-brother whose understanding of you and your preaching exhibited itself in a very formalistic way. At least that was what I experienced. Yet today no doubt we gained more shelter at your lotus feet and felt assured that you were pleased in our glorification of you and the principles you gave for a successful ISKCON. Thank you for engaging me to preach on your behalf. Please correct me if I deviate and always give the shelter of remembrance of you and your instructions so we can improve in our service and surrender. All glories to your Divine Grace on this most glorious day of your appearance. Mother Earth has been blessed by the touch of your lotus feet and now she is lamenting that is no longer there. Jai! Srila Prabhupada. Hare Krsna.

August 12 Croatia/Karlovac-New Santipur

Catching up, trying to move forward. Mental exhaustion, computers can do just that. Tomorrow is the Ekadasi day. I pray to chant with, enthusiasm, attention, devotion. May Srila Prabhupada inspire us to chant, chant and chant Krsna's Holy Name. That's it, that's all! Chant and drown in the sound. Hari Bol. Hare Krsna.

August 13 Croatia/Karlovac-New Santipur Ekadasi

I think or rather feel I now know how to arrange my day on Ekadasi. Get up and just chant until you reach 36 rounds. Then take prasada and then go on with other services. It works nicely here in New Santipur. It is obvious by the way I function as I strive for organization in all that I do.

That is what Srila Prabhupada taught because it is the only way you can accomplish things, do them with nicely with attention. Anyway I travel tomorrow so again another arrangement to arrange. Efficiency is enhanced when travel is light as can be. I am constantly trying to scale down the load yet it is always too much. Praying to become devoted in any and all situations. I can only try, success is His mercy. Hare Krsna.

August 14 Croatia/Karlovac-New Santipur-Slovenian/Camp

Dear Srila Prabhupada I am not at all prepared to speak about you yet I am eager. I need bundles of mercy to present to the devotees what I have in mind. Please guide me, inspire me. It is all your mercy and in this case that's all it will be. Thank you. Hare Krsna.

August 15 Slovenian/Camp

Srila Prabhupada please accept my fallen obeisances at your lotus feet. I have come to beg for mercy, the mercy needed to get out of Maya. Whatever the cure please bring it on kicking out my bad habits and anarthas. Thank you for hearing this prayer of desperation. Hare Krsna.

August 16 Slovenian camp

Gauranga Mahaprabhu Ki-jay. By reading Krsna Katha Bindu compiled by His Grace Madhavananda Prabhu the desire to hear more and read

more of Krsna's pastimes has awakened. I am totally without the adhikari but somehow I am attracted to hear. Time is not available other than to eat, sleep, offer class and chant japa. What can be done? The awakened desire will again fade. Thereby I seek the favor of my beloved spiritual master a resident of Sri Vrndaban Dham to grant me the mercy of hearing more and more Krsna katha. Krsna katha and Gaur katha are non-different, presently we are focused on Sri Krsna of Vrndaban. All glories to those devotees who have a taste for such katha and are distributing the nectar freely. Hare Krsna.

August 17 Slovenian/Camp

Tomorrow begins the most holy of all holy month; Purusottama masa. It appears after every 27 months. Dear Lord I have a strong desire to serve You by following the required vratas but I am uncertain what I should take on as I am concerned not to diminish the preaching effort. Please guide me according to how best to serve You in a way that You are pleased. By the grace of Srila Prabhupada we are inspired to follow and by his grace success will manifest. Praying for guidance and mercy. Hare Krsna.

August 18 Slovenian/Camp-Ljubljana- London BV/Manor

All glories to Purusottama masa may we become enthusiastic to follow. May Srila Prabhupada be pleased with our humble but sincere effort. Hare Krsna.

August 19 London BV/Manor – The Boat Cruise Begins

I pray to full take advantage of this powerful spiritual association and unique forum for preaching Krsna consciousness. All glories to the assembled devotees. All 220+ devotees on the ship are meant to help cross the ocean of material existence by swimming in the current of Nam ruci, Vaisnava seva, and glorification of Srila Prabhupada. Hare Krsna.

August 20 Day 2 Boat Cruise Preaching

Today we visited Amsterdam with about 200 devotees. Yesterday the Amsterdam devotees performed Ratha Yatra. Lokanath Swami Maharaja was leading kirtan when our small party of 10 devotees arrived. In the middle of the kirtan was HH Kadamba Kanana Swami dancing. HH Sacinandana Maharaja began leading and we happily moved through the streets of the city. A spectacular Harinam. By Krsna's mercy we were able to fulfill our vow of reading and extra rounds fulfilling our offering to Purusottama masa. We pray to become more absorbed in chanting and reading the glories of Sri Krsna. How great is Lord Krsna? That is not known, even imagined by the greatest and most learned thinkers and

transcendentalist. As Krsna says in Gita 7th Chapter 'No one knows Me. My greatness and opulence is unknown to all.' May we appreciate His greatness and serve His devotees. Tomorrow I will lead Srila Prabhupada's Guru Puja. May we sing in glorification of Srila Prabhupada and inspire others. Praying to become more absorbed in hearing and chanting the Lord's glories. All glories to Srila Prabhupada. Hare Krsna.

August 21 Day 3 Boat Cruise Preaching

The association of my senior god brothers, Mother Malati hearing their katha about Srila Prabhupada is sustaining my stay on the cruise. Being near the ocean water is healthy and refreshing. When I'm be asked to speak what will I say? I don't feel at all qualified to speak in front of these exalted Vaisnavas. I am low insignificant and illusioned by false prestige and unable to avoid female association. What to do? I place my case before the lotus feet of Srila Prabhupada and beg for his causeless mercy. I am helpless and unsure how to serve and surrender. All glories to Srila Prabhupada his katha keeps me going otherwise what will I do. Hare Krsna.

August 22 Day 4 Boat Cruise Preaching

All glories to HH Radhanath Maharaja for churning the ocean of Lord Caitanya's pastimes and producing many sweet spiritual waves of ambrosia that are drowing our minds with deep transcendental thought. His kirtan causes us to dance, dance and dance. Srila Haridasa Thakur was one of Lord Caitanya's principle dancer at the Jagannath Puri Ratha Yatra. He both chanted and also danced by Nam's ecstatic mercy. May he bless me with a taste for the Name. The glories of Srila Prabhupada dancing at the 1970 London Ratha Yatra remind us of the ecstasy of Mahaprabhu's kirtan. May we be blessed with this vision over and over.

August 23 Day 5 Boat Cruise Preaching

Wonderful harinam in the town of Santiago, Spain. A place where pilgrims travel to an foot from many countries in Europe, to visit the famous Cathedral of St. James. Our harinam attracted the attention of thousands and some join in the dancing. Tomorrow evening I will try to present a talk on Srila Haridassa Thakur. No doubt a very pretigious audience of Vaisnavas. How will I be able to receive the mercy needed to inspire others? Only by sincerely begging to become a completely transparent

medium for Srila Prabhupada and Gaura Nitai. Praying, begging to serve the Vaisnavas although I am unqualified. Hare Krsna.

August 24 Day 6 Boat Cruise Preaching

Thank you very much Srila Prabhupada for your mercy in allowing me to speak on Brahma Vimohan lila although I am totally unqualified, fully saturated with false prestige. All glories to Krsna's Holy Name. Hare Krsna.

August 25 Day 7 Boat Cruise Preaching

The Atlantic ocean is showing its' turbulent side. I take shelter of Krsna's Name and the mercy of Srila Prabhupada (SOS). Hare Krsna.

August 26 Final Day Boat Cruise Preaching

I hope in some way I was able to bring Krsna consciousness to others and the devotees. Definitely a unique experience in the way of preaching Krsna consciousness. Most enlivening were the 3 Harinams, Amsterdam, La Caruna Spain. La Rachelle France. Many persons received the benefit of hearing and participating in Sri Harinam sankirtan. Traveling by boat, port to port doing Harinams is a very effective means to bring the mercy of Sri Caitanya and Lord Nityananda to the world along with enlivening the devotees. Hopefully this will spread and inspire other devotees to do the same. Although somewhat eager to return to my usual routine and get back on the land I will emphatically state it was a great learning experience, a superb opportunity for senior God-brother association and inspiring a greater appreciation for the London congregation. All praise goes to HH Bhakti Charu Maharaja for spearheading the idea and making it happen. Thank you Maharaja! May Srila Prabhupada be pleased with our tiny effort to preach Krsna consciousness. Gaur Premanande! Hari Hari Bol! Hare Krsna.

August 27 London-Return to BV/Manor

The news of Jerry's death is heart breaking. Obviously, but sadly Jerry received the results his mis-deeds. The law of fruitive activities provides the karmic result awaiting. Aside from all this we humbly pray that he is awarded the results of his devotional service for he helped others move forward along the path of devotion. The Lord of Vaikuntha is most kind as he departed in the holiest of all months-Purusottama. Thank you Jerry for that time we worked together to serve the inmates population of America. May Lord Krsna give you His mercy and a better situation in another life to practice Krsna consciousness. All my love. Hare Krsna. All glories to Srila Prabhupada.

August 28 London-BV/Manor

The transcendental pastimes of Sri Krsna in Sri Vrndavan Dham are so filled with the nectar of devotional sweetness and simultaneously bewilder the logical mind with the uniqueness of reality. Dear Krsna I am suffering because of only one reason – I have not allotted sufficient time in the day to hear and chant your glories and pastimes. Begging to become a servant of your lilas and throw far away the obscure mundane material existence. This is only possible by the mercy for your pure devotee Srila Prabhupada who is qualified to live with you as Your personal associate. You are very very difficult to understand but still let me try with sufficient, submissive, sravanam and kirtanam. Hare Krsna.

August 29 London-BV/Manor

May Purusottama Masa never end. It is filled with delightful opportunities to hear about Krsna and His amazing superhuman feats. Let us submerge our consciousness in eternal lilas of Sri Krsna in Sri Vrndavan Dham the topmost of all spiritual abodes. Tomorrow we are designated to give the Srimad Bhagavatam class. We are feeling happy about that. We pray our happiness takes us unto the realm of bringing transcendental knowledge to all who hear. May Srila Prabhupada bless and empower our effort with his cit-sakti. All glories to the best of all months Purusottama and to the best of all deities Sri Krsna and to the best of His manifestations on earth Sri Caitanya and to the super best of His devotees Srila A.C. Bhaktivedanta Swami Prabhupada. Hare Krsna.

August 30 London-BV/Manor

We celebrated Malati Prabhu's birthday. Vaisnavas generally do not celebrate birthdays as it is the designated time our collective karma from previous lives causes us to be born in a particular family. Yet we take this opportunity to honor devotees. Malati Prabhu has dedicated her life in serving Srila Prabhupada and Lord Caitanya in many amazing ways. We offer her our humble obeisances and pray she will continue to inspire us in our service. All glories to a truly great Mother Malati Devi. How dear she is to Srila Prabhupada. Hare Krsna.

August 31 London-BV/Manor

Hare Krsna. Jay Sri Sri Radha Gokulananda-Sita Ram Laksman Hanuman-Sri Sri Gaura Nitai. Today's darshan was a grand festival for the eyes. Beauty is Sri Krsna. May we feast on His transcendental form eternally. All glories to Srila Prabhupada. Hare Krsna.

September 1 London/BV Manor-Germany/Leizeg

Nice to travel with devotees, in this way it would be pleasureable and without the normal difficulties. Jai! Srila Prabhupada. Hare Krsna.

September 2 Germany/Leizeg – Chemnity-Kirtan Mela

These kirtan melas offer the opportunity to become fully absorbed in Sri Krsna's Holy Name. By chanting the holy name all auspiciousness arises and one awakens the desire to offer everything of one's existence in devotion to Krsna. One wants only Sri Krsna and sincerely prays to be relieved of all things that block the flow of pure love for Sri Krsna. One's devotion becomes fixed and one sees everything material being very insignificant. Dear Srila Prabhupada you have provided the means and the ingredients for a pure loving service, Sri Krsna's Holy Names is the foundation. All glories to the chanting of the Holy Name. I pray to become absorbed. Hare Krsna.

September 3 Germany/Chemnity-Kirtan Mela

I hope I don't damage my body, because I must continue to travel on your behalf, Srila Prabhupada. You wanted us to take the curse of the parents of your disciples who were disturbed by the fact that their son or daughter became a religious practitioner. We are happy to take the curse and we are meeting the same situation. Although nowhere near what you had to tolerate. So may we dance and chant in the way that is pleasing to Krsna enlivening for others to see and healthy for the physical body. May the Kirtan continue eternally. All glories to Krsna's Holy Name. Most merciful and joyful. Hare Krsna.

September 4 Germany/Chemnity-Kirtan Mela

What a powerful program. Why more devotees don't attend? A rare and wonderful opportunity to have senior devotee association, chant the Holy Names and worship the Lord directly with so many wonderfully elevated Vaisnavas. Lord Jagannath Lord Balabhadra Subhadra Devi are so beautifully gracing the assembly of Vaisnavas pouring out Their merciful darshan along with Sri Sri Gaur Nitai and Srila Prabhupada seated on his powerful vyasasan. Srila Haridas Thakur has appeared in two forms to bless the chanters and dancers as he is the Namacarya and a leading dancer in Lord Caitanya's antourage. May the kirtan mela engulf the world with its mercy and cause everyone to recognize the mercy of Krsna in His Holy Names. Gaura Premanande. Hari Hari bol! Hare Krsna.

September 5 Germany/Chemnity-Kirtan Mela

Wonderful program. I pray I can keep up the energy. May Srila Prabhupada be pleased with our efforts to chant Nam Yajna. It is purifying the whole world. At least Germany for sure. Hare Krsna.

September 6 Germany/Chemnity-Kirtan Mela

By Lord Nityananda's mercy we are enthused to dance. We want only to dance for the pleasure of the Lord and not for the satisfaction of the false ego. May our dancing be pure and free from any desire other to please Their Lordships and to inspire others. All glories to Srila Prabhupada we pray he is pleased with the kirtan mela. Hare Krsna.

September 7 Germany/Chemnity-Kirtan Mela

A great program become greater when centered around Krsna's Holy Names. There is nothing in existence as great as the Holy Name of Lord Krsna. Chant always, remember Krsna by chanting His Holy Name. May our existence be blessed with the personal presence of Sri Nam Prabhu. We have received Srila Prabhupada's mercy and now we want Sri Krsna's in His Name. Gaura Premanande! Hari Hari Bol! Hare Krsna.

September 8 Germany/Chemnity-Kirtan Mela-Leipsig-Ratha Yatra

Calamities are continuously occurring everywhere in the material world. People hear about it, read about it and even witness it. The pathetic quality of ignorance is that when it occurs people are surprised and even shocked that it's happening to them or someone close to them. It is natural to lament the loss of a loved one but one must know that we will also be forced to give up the body in due course of time. Be ready by becoming fully Krsna conscious that is the only solution to all material sufferings and loss. When one is Krsna conscious what may appear as a loss is simply a step towards something spiritual or a leap towards perfection. This world is "padam padam vipadam" danger at every moment. Best to leave this place by directing our consciousness to a eternal blissful life with Sri Krsna. Therefore one must always hear about, chant about, worship and serve that "One Supreme Reality" the source and foundation of all existence and life. Take full shelter of Krsna's Holy Name and live forever. Thank you! Srila Prabhupada. The gift of eternal life is factually an unpayable gift. Your appearance in our lives is the greatest of all gifts. Jai! Srila Prabhupada. Hare Krsna

September 9 Germany/Leipsig-London/BV Manor

It is now 4.30AM on the 10th. Maya found a way to detour me. Inattention, carelessness. Anyway some good came from it. Thank you Srila Prabhupada as I can now see it was a necessary learning experience. From the material side better not to may your entry into the UK through Stanstead Airport. Thank you Mr. Bishop and Sonny you made things pleasant during an unpleasant turn of events. Life goes on. Kali Yuga is such a horrible age. Jay Sri Sri Gaura Nitai. Hare Krsna

September 10 London/BV Manor

As speed increases one's distance to the goal reduces in time. Simultaneously with the increase of speed one requires more diligent attention as an accident or diversion can occur more easily. Fortunately our vehicle is guided by the Supreme Personality of Godhead and co-piloted by the pure devotee spiritual master our beloved Srila Prabhupada. Although it is very dangerous to go off track especially at higher speeds we are mercifully guided and directed back by Guru and Krsna. And to be reinstated on the correct road one may need to reduce speed in order to gain better focus. Praying to be a more conscious driver and a careful student of the maps of spiritual direction- Bhag-gita, Srimad Bhagavatam. Hare Krsna.

September 11 London/BV Manor

Health is down. I pray I can continue with services, unabated. All glories to Srila Prabhupada. Hare Krsna.

September 12 London/BV Manor Ekadasi

Discovered the illness now to trying to my rejuvenate health. This is important. Because we see that despite a decline in health services will go on. They must! There are no material impediments when one is actually engaged in devotional service. We need to clearly understand what is actually devotional service. It is the consciousness of acting on behalf of the Supreme Lord with a desire to please the Supreme Lord? Or careful execution of duties while cultivating proper Vaisnava behavior and acting according to superior instructions. These make up the essence of Bhakti. The goal is to always remember Sri Krsna while carrying out duties for His pleasure. To hear His transcendental lilas are the reward one receives when one dedicates one's life in devotion. To hear and to relish its' sweetness to a some degree allows one to taste the glory of the Lord's personal presence. During this illness I am receiving ample time to chant, read and rest. That is very nice still I desire to speak about the glories of devotional service and the pastimes of the Lord, only then will I be fully satisfied. May Srila Prabhupada be patient with this bungling Swami. All glories to Krsna lila in the sacred month of Purusottam. Jay Sri Sri Radha Gokulananda! Hare Krsna.

September 13 London-BV/Manor

Hey Gopal! will this fool who is always covered with ignorance have a chance to play with Your friends who are most dear to You? Lord Brahma's prayers describe the essence of Your illusionary energy and the inconcievable nature of Your existence. May we be granted entrance

into Your lilas by the mercy of an intimate associate of Yours who appeared in this world as the best of all spiritual masters and revealed Your transcendental position to the world. All glories to that most merciful resident of Sri Vrndaban Dham who is Your intimate associate. Jai! Srila Prabhupada. Hare Krsna.

September 14 London/BV Manor

I always find it inspiring when I visit Soho St. Temple. My Srimad Bhagavatam class presentations are more satisfying and the kirtans are more enthusiastic. Whenever book distribution is given preeminence there Srila Prabhupada resides in a most pleased manner. Tomorrow is the final day of Purusottama Mas. A most blessed month and one that I was able to focus more on Sri Krsna lilas and chanting japa. Tomorrow is a very full day my concern is to be able to complete everything nicely and end this holiest of months with the proper devotional mood. We seek the blessings and mercy of His Divine Grace Srila Prabhupada knowing that we are fully blessed protected and enlivened. All glories to Srila Prabhupada and to the most auspicious Purusottama Mas. Hare Krsna.

September 15 London/BV Manor

Purusottama Mas concludes today, we have been supremely blessed by His appearance as we eagerly await the next arrival. May we continue to absorb ourselves in Krsna lilas. Without regular hearing and chanting of the Krsna's pastimes what can be said of the quality of our devotional service. As Srila Bhaktisiddhanta Sarasvati has so concisely stated "Those who say they have no time for such activities are never the recipients of Guru's mercy." Dear Lord Krsna we are begging to become eager for the nectar of your activities which easily destroy the ocean of birth and death and simultaneously awaken one to an eternal blissful life of pure knowledge. We also want to humbly beg forgiveness if at all we in the slightest way offended anyone today with our volume of puns and jokes. This is something that I feel natural doing yet we pray it is always done in good taste and beneficial to all. We humbly beg forgiveness if something was amiss. Thank you Srila Prabhupada for your mercy and for the mercy of Sri Panca Tattva. Jay Sri Krsna Caitanya Prabhu Nityananda Sri Advaita Gadadhara Srivasa Adi Gaura Bhakta Vrnda.

September 16 London/BV Manor Ukraine/Bhakti Sanga

A day of travel, fortunately we met in transit Suresvara Prabhu and Mother Devaki. What I am most concerned with is to offer a seminar wherein the devotees are inspired and enliven to go deeper into their

chanting and devotional service. Srila Prabhupada please bless us with your mercy which is our only mean of success and please inspire us to give full attention to this presentation. Hare Krsna.

September 17 Ukraine/Bhakti Sanga

Prathistha, a desire for 'fame' we should also add 'profit, adoration, distinction', the subtle components of sex desire. Most devotees can easily relinquish gross sex yet the subtle aspects are formidable and sometimes we witness they're fortified by one's execution of devotional service. Be wary of such fortification by avoiding activities that enhance them other than one's prescribed service in devotion. We humbly and sincerely petition the Lord and His pure representative our beloved Srila Prabhupada to guide us on the path towards complete renunciation. The false ego must go. By the process of Nam Yajna ahankara flies away to a distant place. But there is a good chance he will return. Constant chanting is the only means for complete success. Harer Namanukirtanah. Hare Krsna.

September 18 Ukraine/Bhakti Sanga

I am your servant and you have somehow arranged for me to serve by speaking the Srimad Bhagavatam class. My anxiety is I am not at all able to understand how I can speak to such an exalted assembly of senior devotees. Therefore humbly praying to allow me to only speak those words that are beneficial, free from personal honor, distinction or any other personal gain. I am your servant eternally. Srila Prabhupada please take over. Hare Krsna.

September 19 Ukraine/Bhakti Sanga

The devotees were happy with the class. Thank you Srila Prabhupada it is only your mercy that made it happen and carried it through. When I always depend on your mercy and remember your lotus feet I am confident that my service will always be accepted. Srila Prabhupada you are always with us and we are extremely grateful. Please do not allow us to take credit for your mercy. We are only your obedient servant. All glories to your presence in the lives of your followers. Hare Krsna.

September 20 Ukraine/Bhakti Sanga

Amazing kirtans but I need to be more conscious of proper behavior. We must respect Vaisnava more and not be so talkative. If I committed any offenses knowingly or unknowingly I pray for the path of rectification and forgiveness. We are servant and that is all. The enjoying mood is the cause of spiritual death. May our beloved spiritual master Srila

Prabhupada be always in our heart and always in our mind, side by side with Krsna's Holy Name. Gaura Premananda! Hari Hari Bol! Hare Krsna.

September 21 Ukraine/Bhakti Sanga

Probably the most powerful sanga outside of Sridham Mayapur. The Holy Name of Sri Krsna bring everyone who chants with feeling to the transcendental platform. All relationships in the world among individuals are artificial being formed on the platform of the body it's illusionary, simply a combination of inert elements. Therefore how can there be any happiness or real knowledge. Only when Sri Krsna is there has anything, whatever it may be, have any meaning or value. Srila Prabhupada's appearance on this planet filled the emptiness of meaningless relationship and taught what real love is-Radha Krsna. Loving Krsna means loving everyone and everything. Praying to be able to serve Him with attachment and loving gratitude. All glories to His divine lotus feet. Hare Krsna.

September 22 Ukraine/Bhakti Sanga-Hungary/New Vraja Dham

Tomorrow is the best of all days of all celebrations. The divine spiritual energy-Hladini Sakti Srimati Radharani makes Her appearance. A day of great happiness and joy for all Vaisnavas worldwide. Lord Krsna is great but Srimati Radha is greater. She is the best in all spiritual categories and love personified to its fullest. A feature of love is compassion and where can we find complete love with compassion in one place. It is only the lotus feet of Sriji. Devotees are gathered here coming from many faraway places to honor and worship Mother Radha. Devotees travel long distances to be in each other's association in this Dham of New Vraja apparently situated somewhere in the material world but not actually. O Srimati Radha, how can I serve You. To serve those who always exalt Your glories is the best of all persons to serve. May our mind and heart depict our words and actions fully absorbed in Your service. Dear Krsna Mayi You have blessed me in such a wonderful way by allowing me to find the shelter of my beloved spiritual master on this day of Your holy appearance. Srila Prabhupada is Your perfectly pure representative. We are eternally blessed by service to him. Dear Sarva Laksmi Mayi please lead us to the service of Your lotus feet eternally-tomorrow and forever. Praying to become be an instrument in Your pleasure pastimes. Hare Krsna.

September 23 Hungary/ Sri Radhastami

The mercy of Srimati Radharani is all that we ever need or even want. She is Nandulalani. She is Krsna Mayi. She is the best of the best. May we always remember Her and Her love for Krsna. Jay Srila Prabhupada.

Jay Sri Radhastami. Jay Sri Vrndaban Dhama. Radha Syamasundara Ki-jay. New Vraja Dham Ki-jay. Hare Krsna.

September 24 Hungary/New Vraja Dham

After reading HH Giriraja Maharaja's beautiful offering of devotion filled with remorse about one who is so far from the goal, I can only lament my state of affairs. I have always been very hopeful in my desire to achieve perfection and that remains but always more conscious of the reality of my fallen condition. This has been brought about in the last month by association with many of my devoted God-brothers. Yes, Srila Prabhupada we want to make a difference in the lives of others who are hopelessly suffering in this cruel material existence along with those devotees who are falsely happy, complacent in their self-limited program of so-call surrender. Please Srila Prabhupada allow us the priviledge of becoming more what you want us to be, should be. But not for our own prestige of being a preacher but as a loving offering to your lotus feet. Your feet have traveled far and wide and blessed Mother Earth in a way that is truly rare. A beggars' success is only the kindness of his master. We are trying to become a true beggar for your mercy so we can return it to you in a way that will cause you to smile pleasingly upon us. Very grateful to be a recepiet of your powerfully purifying mercy. Thank you Srila Prabhpuada. Hare Krsna.

September 25 Hungary/New Vraja Dham

Gaura Premanande! Hari Hari Bol. Srila Prabhupada's books are a must read or else there is very little hope of becoming free from the dictates of the restless mind. Praying to find time to read. Hare Krsna.

**September 26 Hungary/New Vraja Dham-Croatia/Zagreb
App.of Lord Vamanadeva and Srila Jiva Goswami.**

Great lilas. Need to read, read, read and rest, rest, rest. Is it possible-No. Still we pray for the opportunity. Balance must be, without we will fall becoming ineffectual. May the mercy of Srila Prabhupada and all the great previous acaryas fall upon our head in the form of literary absorption. Hare Krsna.

September 27 Zagreb-Croatia/Karlovac New Santipur

Very nice to be here again. The home of Sri Sri Nitai Gauranga. May Srila Prabhupada be pleased and place his lotus feet on our mind. Hare Krsna.

September 28 Croatia/Karlovac-Zagreb-Srila Haridas Thakur

Seminar/Our Founder Acarya Srila Prabhupada. I am sure we will be blessed with His Grace Suresvara Prabhu's intelligent presentation. I

pray to be ideal in my attempt to serve devotees who are coming to hear. May the flood of transcendental nectar revive our dull brain inspiring glorification of Srila Prabhupada more and more. Hare Krsna.

September 29 Croatia/Zagreb

Thank you dear Lord Krsna for a very wonderful day in your loving service. Your mercy created the mood for the entire day. Your Srila Prabhupada is the deliverer and we are the eager receivers. Although unworthy yet we are still eager, like a thief is eager to receive pardon for his crime. All glories to Sadhu sanga! Gaur Premanande! Hare Krsna.

September 30 Croatia/Zagreb

May we deepen our love, our commitment when serving His Divine Grace. All glories to Srila Prabhupada. Hare Krsna.

October 1 Croatia/Zagreb – Karlovac-New Santipur

A couple of days for rest and rejuvenation and catching up on other services. How much will we accomplish? More important is how much time will be used in remembering Sri Krsna with devotion. Both are wanted but remembrance of Sri Krsna is the result of all activities. As we were speaking about and hearing about Srila Prabhupada this past weekend by the grace of our wonderful Suresvara Prabhu may we continue adding extra doses of Krsna smaranam. Tomorrow is a full day of planned activities. May all services be accompanied with devotion. Hare Krsna.

October 2 Croatia/Karlovac-New Santipur

When one receives praise the opportunity is presented to either become proud and complacent or to use it as an inspiration for increasing service and care for others. Dear Srila Prabhupada again we make this prayer which has been often made in the past. That is please guide us on how we can increase our love, service and dedication to you and in preaching Lord Caitanya's movement. We are always fearful of acting selflessly and diverting attention away from your lotus feet and so we are begging for more mercy and a greater desire to hear and chant yours' and Sri Krsna's glories. We are fraught with many deficiencies and always falsely proud but you are merciful. "Prema bhakti jaha hoite avidya vinasa jate"... All glories unto you as pleasing you is the complete success in everything we attempt to do. Praying to become a more pleasing servant at your lotus feet. Hare Krsna.

October 3 Croatia Karlovac/New Santipur-Slovenia/Ljubljana

What will it take for me to always remember to remember to chant Krsna's Holy Names. These days the mind seems more un-cooperative. Therefore as police officers deal accordingly with the severity of the criminal activity, we must deal more strongly with the mind. Srila Prabhupada has often said to chant 24 hrs that is Krsna conscious. We desire to do that yet only by Lord Krsna's mercy coming through Srila Prabhupada can we act with determination. Enthusiasm, determination, patience, right endeavor, determined activity, detachment from everything that doesn't foster remembrance of Sri Krsna. All glories to Krsna's Holy Names. Hare Krsna.

October 4 Slovenia/Ljubljana-Germany-New Simhacalam

I pray we can offer some service while here. May our attempt to bring conscious awareness toward the plan for ksatriya training, Varnasrama Dharma be blessed by Srila Prabhupada and the previous acaryas. Arrangements made for the protection of temples, devotees, deities is a crucial part of our preaching and the survival of the movement. We pray the devotees are inspired and bless us with success. All glories to Srila Prabhupada for giving us everything needed for practicing and spreading Lord Caitanya's mercy. Hare Krsna.

October 5 Germany/New Simhacalam

Very auspicious and most wonderful to have received the powerful and merciful darsan of Sri Sri Prahlad Nrsimha. Yes, He is Adbhuta, the most wonderous of the wonderful. Any photo of Him falls short of the spectacular nature of His personal darshan. Eagerly awaiting tomorrow's darsan. Yet we must better prepare our consciousness in order to better appreciate Lord Nrsimha merciful presence along with Sri Prahlad. May Srila Prabhupada bless us with gratitude and eagerness to serve and to preach. All glories to the assembly of Vaisnava by which to presence of the Lord is more appreciated and more strongly felt. "Sri Nrsimha Jay Nrsimha Jaya Jay Nrsimha Prahladesa Jaya Padma Mukha Padma Bhrnga. Ugram virya maha visnu jvalantam sarvato mukham Nrsimham bhisnam bhadram mrtyu mrtyum namamy aham". All glories to Prahlad Nrsimha and to Sri Laksmi Devi, the eternal consort. Hare Krsna.

October 6 Germany/New Simhacalam

Gauranga! Hey Gauranga! Not doing enough service yet much to do and so little time. Wonderful to be here in the presence of the devotees and Lord Nrsimhadeva. May New Simhacalam move forward and become a dynamic center for spreading the glories of Sri Prahlad Nrsimha all over the world. Srila Prabhupada Ki-jay. Hare Krsna.

October 7 Germany/New Simhacalam-Croatia/Zagreb

It is inconceivable how I can go on serving in such an unorganized program of regular activities. Traveling and preaching consume all time along with the arrangements needed to travel and preach. I can only be grateful for the opportunity to preach and pray to Srila Prabhupada to hold me up and push me forward. I have no complaints only that despite Your mercy I remain a foolish bungling servant. What will it take to overcome my less intelligent way of doing things. I can only pray for mercy and lots of it. I have hope that Lord Krsna and you are pleased and are overlooking my offenses and tendency to waste time. Today I heard you speak of the importance of not wasting time. Quoting the great moralist Canakya Pandit of the value of time you emphasized using time wisely as most important above all other valuable things in this world. Our time in this life is always short and You know when it will come to a close. Therefore I pray to use every moment in the best possible way in service to the mission of Sri Sri Gaura Nitai. Praying for mercy and forgiveness of all my offenses. Hare Krsna.

October 8 Croatia/Zagreb

It is a weakness to remain silent when one is required to speak and it is a weakness to speak when one is required to remain silent. Speaking about Lord Krsna and Krsna conscious philosophy is always a strength. Speaking otherwise is not required, unless it is to encourage one in Sri Krsna's service. All glories to Srila Prabhupada who spoke volumes and volumes of knowledge about Sri Krsna and devotional service but was always silent. Silence means nothing for Maya's service. Hare Krsna.

October 9 Croatia/Zagreb-Pula

My mind appears to be tired and over-worked. Perhaps a little extra rest and silence will get it back to a state of restfulness and constant chanting. Humility is greatly lacking. Praying desperately for shelter at your lotus feet and begging for mercy. Please save us. Hare Krsna.

October 10 Croatia/Pula

Tomorrow, as was today, we'll visit a prison for present Krsna consciousness to the inmates. Today presentation needed a little fine tuning. We planted some good seeds and watered a few others. The prison administration was extremely cooperative and helpful. By the grace of Srila Prabhupada and Lord Caitanya we hope to deliver a more effective presentation. We are acting according to their order and depending on Their mercy for success. Tomorrow is Ekadasi so let us see what challenges we will meet. A devotee is like the air in that it is always detached from all situation as it continues moving from place to

place. May we reflect the purity of water which illuminates, reflects the qualities of a devotee. Gaura Premanande! Hari Hari Bol! Hare Krsna.

October 11 Croatia/Pula

Our business is to preach even if no one comes, as the four walls are always there. Loving Sri Krsna will be expressed differently according to the individual and situation. Serving seniors, befriending equals, uplifting the juniors. At times we fail to make distinction seeing everyone as a candidate for preaching or befriending. It only becomes favorable when proper discrimination accompanies. We have many things to work on. Foremost is how best to focus strength and energy, while refraining from useless talk and wasting time when it's time to move on. Most important is a thirst that is unquenchable for hearing and chanting the pastimes of Gauranga and Sri Krsna. I always have hope things will change but I realize now a concerted effort is needed. Srila Prabhupada help me to become a better, a more loving devotee. Hare Krsna.

October 12 Croatia/Pula-Varazdin

A three day adventure begins. Keep me fixed on remembering You dear Lord and serving with devotion. That's all! I desire to serve You with love and to remember You with love. Srila Prabhupada the perfect and pure spiritual guide expert at instructing his followers, has come to open the gate to Sri Vrndavan Dham. We are eager to do what is required to please him and to glorify his monumental deeds of devotional service to Sri Sri Radha Krsna in Sri Vrndaban Dham. Begging for a more deeper mood of service. Hare Krsna.

October 13 Croatia/Varazdin-Mahatma and Mahima's Place

Very nice program as many persons responded to our presentation although it was flawed in many ways mostly because of being redundant with little depth. Anyway 6 books sold, 3 Gitas and 6 additional ones given as gift prizes. We hope and pray that the local devotees will organize themselves better by accepting leadership amongs themselves and move forward to serve and preach. May Srila Prabhupada bless their efforts. Hare Krsna.

October 14 Croatia/Varazdin-Cakovec-Karlovac-New Santipur

We go on acting like death will somehow forget about us. Such a illusion. We will and do live eternally but not in this body or in any material body. When will I become a serious servant of my most beloved and supremely powerful spiritual master His Divine Grace Srila Prabhupada. I know he is patiently waiting for me and constantly encouraging me to act in devotional service with knowledge. The enjoyng spirit being present

interferes with the desired mood of service. I beg to be a more selfless and surrendered servant. My maya is deeply entrenched, it will take a miracle to uproot. The power of the Holy Name and the mercy of Srila Prabhupada can destroy any and all Maya's influence. I pray to become a pure servant of His Divine Grace. Hare Krsna.

October 15 Croatia/Karlovac-New Santipur

When we begin to understand the qualities of a completely surrendered soul we can easily understand how far we have to go to get there. One can measure where one is when he understands what is perfection. We got some work to do. Part of the work is to understand each and every situation and learn the art of surrender accordingly. A prime factor is to be aware of how one is using time along with reflecting upon one's consciousness. In any situation the desire to please must accompany all activities. Many services are pleasing in themselves such as chanting or reading Srila Prabhupada's books. Other activities although not directly Bhakti are purified by a devoted consciousness with a mood of detachment from the results. Ultimately one must always remember Krsna with love. That is perfection. Hare Krsna.

October 16 Croatia/Karlovac-New Santipur

E-mail catch up marathon. Two days finished, two days to go. May my determination to complete the yajna be sprinkled or rather saturated with the proper mood of devotional service. I am very lame, ill and carry the qualities of the less intelligent but I am determined to try to always serve and remember Srila Prabhupada and Sri Krsna. All glories to the Holy Name of Krsna. Hare Krsna.

October 17 Croatia/Karlovac-New Santipur

In this age of Kali it appears difficult despite the great mercy of Lord Caitanya to practice Krsna consciousness the way Srila Prabhupada gave it to us with all its austerities. Chant 16 rounds and follow 4 regulative principles. Impossible! Yes, it can be for many but done with a little bit of love makes it very easy and natural. It's all about love. Mostly that love that is produced from gratitude. Srila Prabhupada gave us so much and in order to give it he sacrificed much on the personal level. "My health is not in order still I am trying". Let us be grateful by following his instructions. If you love me keep my commandments. Love makes it all possible, easy. Hare Krsna.

October 18 Croatia/Karlovac-New Santipur

Computer work day after day, it never ends. A busy time for communication work but sadly Sri Krsna lila's are non-existent in my

daily schedule. After Purusottama Masa I vowed to continue with Krsna lila smaranam, but it died shortly after. If we do not develop a taste of Krsna katha we will have to stay in this material world. The world of "karma buddha" missing out on the happiness of eternal life and association with Lord Krsna. Praying, grabbing hold of Krsna's feet holding on despite lacking the sweet taste. May Srila Prabhupada glories be sung everywhere throughout the three worlds. We take full shelter at his lotus feet. Hare Krsna.

October 19 Croatia/Karlovac-Zagreb

So we resume where we left off a few weeks back. The Holy Name the only real game, it's never the same only for the lame who complain, strain and blame but never really get to play the game of Krsna's Holy Name. May everyone be blessed by Srila Prabhupada's mercy. Hare Krsna.

October 20 Croatia/Zagreb

All glories to Sri Sri Gaur Nitai and Srila Prabhupada. Hare Krsna.

October 21 Croatia/Zagreb-Karlovac

Coming up, one week at New Santipur, hasn't happened since a very long time. Hopefully I can finish some outstanding work and stay enthusiastic through sufficiently hearing and chanting Sri Krsna's name, forms, qualities and pastimes. May His Divine Grace be pleased with our meager attempt at service. Gaur Premanande! Hari Hari Bol! Hare Krsna.

October 22 Croatia/Karlovac-New Santipur

Today was a full day of service. From catching up on back japa to moving forward with planning preaching programs. No doubt a solid day of service. Only because I remembered how much you Srila Prabhupada work so tirelessly to build ISKCON into a powerful worldwide preaching force. We need to be more determined and continue with this mood of service each day. Then never lamenting about having no time. Time is Lord Krsna and He makes expand by the determined desire of His devotee. All glories to never wasting a moment. Hare Krsna.

October 23 Croatia/Karlovac-New Santipur

What is there to write that will be of some benefit to myself, and others who may get the chance to read this years from now. We would like to express our desire to make this place called New Santipur, the home of Sri Sri Nitai Gaura Candra into a viable rural community based on simple living and Krsna consciousness. Everything is here except the devotees which are the main resource for a viable community. Right now just a few are barely maintaining the deities and we have a few ideas of what we

want to develop. We are at bottom zero heading upward. Srila Prabhupada wants these communities to grow and flourish in Krsna consciousness. All I can do being practically alone is to pray to be guided by His Divine Grace in establishing this place as a place where devotees can come and find a place to serve Sri Sri Gaur Nitai and show how to live simply and naturally. Agriculture is first. May we be successful in fulfilling His Divine Grace's desire for simple living-Krsna consciousness. Hare Krsna.

October 24 Croatia/Karlovac-New Santipur

The world is going through or about to go through a major shift. War, economic collapse, natural disturbances, mental instability and disease are only increasing, displaying foreboding omens. ISKCON is struggling to become more united. And in many places it is happening yet in other places there are multitudes of problems. As a traveler I see the success and the defeats. We want to make a positive contribution with each person we meet. I see this as a way to serve the mission of Lord Caitanya by somehow being an instrument for Krsna Conscious encouragement and inspiration. Dear Srila Prabhupada I am always asking how to improve, how to adjust, to offer more pleasing service. I have very little intelligence and am generally not motivated to take risks depending fully on Lord Krsna. Individually and collectively there is a need for improvement. I would like to see how to make a difference in the lives of others by inspiring them to surrender more to your lotus feet and take up the service of preaching on your behalf. Please empower me to make a difference. All glories to you who have saved humanity from the hell of atheism and mayavad impersonalism. Jai! Srila Prabhupada. Hare Krsna.

October 25 Croatia/Karlovac-New Santipur

We are truly amazed to see the power and mercy of Lord Krsna. Today at Karlovac's prison 12 men attended the program and practically unanimously all were fully open to receive the message of Lord Caitanya. In all the years of preaching in jails I never could imagine such a positive responsive audience. Srila Prabhupada we are amazed to witness how your mercy is being so readily received by such an obscure audience. We are honored to be a part of this great tradition of spiritual upliftment. Please engage us more in whatever the situation to be your transparent media of mercy. Who could imagine anything more greater and fulfilling than to witness these fallen soul eagerly absorbing your mercy. Especially the chanting of the Holy Name. Even the prison guards were anxious to hear and were smile approvingly. We are bereft of any of the necessary good qualities needed to be called your representative therefore only by your mercy are we able to participate in Lord

Caitanya's mystical miracle mission of compassion. Tomorrow is another chance to represent you in a big way as the Mayor of the city of Karlovac will come for dinner at our place. He is pious and likes the devotees and what we are doing. May we ask for your mercy in being the best possible representative of Your Divine Grace. We are not accustomed to meet with such important people but by your presence in our every word and action we can offer our guest a Krsna conscious experience. All glories to your lotus feet for the dust are spread far and wide and continue to bless the whole world. Hare Krsna.

October 26 Croatia/Karlovac-New Santipur

What I suspected would be a real challenge turned out to be so natural. The Mayor of Karlovac coming to meet with us devotees and have lunch. Not only by your mercy Srila Prabhupada did it turn out good but it proved to be very pleasant encounter that left everyone feeling very happy and spiritually enlivened. Normally I am not a person who can easily be with respectable persons and find it pleasant and natural. It went so well that the Mayor left expressing his great happiness and good fortune. We also felt the same. The meal was well prepared with many tasty items. The Mayor's first encounter with Krsna conscious cuisine. Thank you Srila Prabhupada for giving us this opportunity to be your representative. We are truly grateful and eagerly look forward to each day when we can preach Krsna consciousness. Somehow I am not sure how long I have in this body but no matter what is left let it be used in the best possible way by spreading your mercy the mercy of Gauranga Mahaprabhu. We are grateful to have your mercy as it's spreading over the world. Thank you Srila Prabhupada. All glories to your compassion for the people of Kali Yuga. Hare Krsna.

October 27 Croatia/Karlovac-New Santipur

When you consider yourself safe you should then know the false ego is talking. Srila Prabhupada would say I am simply praying to Lord Krsna to protect me from Maya. What is our position Srila Prabhupada who are so prone to mistakes and carried away by circumstance. We beg to remain fixed and become more so in our resolve to serve 24 hrs. Lately I am feeling greater enthusiasm for service and preaching. I hope it continues yet we are aware that the material energy will accelerate her enchantments to distract our mind away diluting our resolve. Praying for protection and remaining fixed in hearing and chanting japa, kirtan. Desiring not to waste time and become a seriously surrendered soul at your lotus feet awaiting your every instruction. Hare Krsna.

October 28 Croatia/Karlovac-New Santipur

All glories to righteous Lord Ramacandra to faithful Mother Sita to dutiful Laksman to supremely Powerful Hanuman. Their pastimes are full of glory, righteousness, valor, compassion, deep transcendental love. May we live within these grand lilas and find ultimate happiness and real love. I look forward to falling at the you lotus feet when I arrive at Bhaktivedanta Manor. Thank you Srila Prabhupada we cannot fathom the depth of the gift of devotional service given by you to us to everyone Hare Krsna.

October 29 Croatia/Karlovac-New Santipur-London-Ananta Acarya

Wooh!.Travel is becoming sooo difficult.Now we feel unhappy when traveling. Yet it is a necessary austerity otherwise how will we to preach. The duty of one in the sannyasa ashram is to travel and preach. Karma sannyasa renunciation without preaching is dismissed, strongly prohibited. Srila Prabhupada I pray I can continue with this service always needing the strength of your mercy. Hare Krsna. Special thanks to the immigration officer who instructed me what it means to practice God consciousness-obviously sent by Lord Krsna for my purification. Thank you dear Lord. Hare Krsna.

October 30 London/Ananta Acarya's – BV/Manor

Preaching is not something you just do.It requires observation, clear intelligence with proper application.Being fully aware of what your saying and how it's being received,along with the intelligence to adjust when needed. Preaching at is best means meeting the challenge of awakening an active interest of the subject in the minds and lives of the receivers. Intelligence in discrimination plays a major role in applying the philosophy more than the memorization of the material presented. Accessing the mercy of Srila Prabhupada directly during the presentation is the major factor in bringing about the ideas necessary to be spoken. That goes beyond intelligence into the realm of faith wherein one can access truths and principles that one may not be fully conversant with entering into the realm of pure representation of Sri Krsna and the previous acaryas. Praying our words will convey genuine spiritual benefit. All glories to Srila Prabhupada. Hare Krsna.

October 31 London/BV-Manor

Can't travel-can't stop-what to do-Krsna help! We know You are helping please help me to see. Fighting to maintain,to serve,to avoid,to chant and hear.With your mercy dear Lord what is the use of others,without it we don't want any substitute.Praying for your association. That's a lot to ask. But no less than what's needed to save us from Maya.Maya cannot attract as there is no real substance to her show yet we need to feel Your

presence dear Lord. Taking shelter at your lotus feet and begging to become a sincere servant of my beloved spiritual master His Divine Grace A.C. Bhaktivedanta Swami. Hare Krsna.

November 1 London-BV/Manor-travel -Chicago

After 10 months we return to Chicago. I hear things are moving forward nicely. Hopefully I can be of some service in assisting. Praying to become a better instrument. Jai! Srila Prabhupada. Hare Krsna.

November 2 Chicago

Tomorrow will be a full day of preaching. Thank you Srila Prabhupada. Please make me a more effective instrument of your mercy. Hare Krsna.

November 3 Chicago

Full day of preaching, Srila Prabhupada's mercy, Sri Sri Gaur Nitai compassion. Now more than before people are eager to hear and that's a good indication Krsna consciousness in the US is taken more seriously. We need to be out there in the lives of the people. Preaching means to bring people closer to Sri Krsna and the process of pure devotional service. All glories eternally to Krsna's pure and supremely powerful Holy Name.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /
Hare Rama Hare Rama Rama Rama Hare Hare.

November 4 Chicago

It's late and the mind wants to shut down. I will let it remembering this weekend was a full schedule of events. Tomorrow we embark on catching up with other services. May Srila Prabhupada guide us at every moment. Hare Krsna.

November 5 Chicago

Reflecting on what to reflect on. We are writing every day for more than 12 years. The idea is to write about something meaningful, a spiritual realization or an outstanding event. Something that would be worthy of reading. Tonight as with many other times there is just nothing I want to say. Anyway I pray Srila Prabhupada is pleased with my service otherwise nothing has any value. Hare Krsna.

November 6 Chicago

Today is Bahulastami and I neglected to speak on the lila. Since it is celebrated in India I will speak tomorrow's class. I sincerely pray to offer this service in a way that will enliven the devotees in remembering Sri Krsna and His most extraordinary and amazing pastimes. I am studying

Brahma Mohana lila as it unfolded just after Lord Krsna killed Aghasura. Such an amazing lila. Lord Krsna is so kind that He gave Svarupa mukti to this demon. This is totally astonishing as only a moment of devotion did the demon think of Lord Krsna and Krsna rewarded him a place in Vaikuntha. What kindness! what mercy! I pray to be inspired to remember Sri Krsna always and develop a better patience when it comes to dealing with devotees and daily challenges in devotional service. Srila Prabhupada you said "you had to walk through fire to spread this Krsna consciousness movement" we need your special mercy to preach effectively. Hare Krsna.

***(Notation; Recently it was discovered the celebration of Bahulastami is actually held during the month of Caitra (Mar-April))**

November 7 Chicago

Overtired-this describes my present state of affairs. Helping others become Krsna conscious means helping yourself. One who sees oneself in others actually sees. Jai! Srila Prabhupada. Hare Krsna.

November 8 Chicago

24 hrs later- I caught up on the needed rest. Why has this become the topic of discussion? Because in all matters of devotion it has its influence on how we regulate our bodily requirements. Eating, sleeping etc. Finding the set pattern seems more difficult than expected, still we strive for regulation. Sri Krsna and Prabhupada's mercy. Presently my primary concern is how to serve Srila Prabhupada more and better. That is the meditation along with observing the positive signs given by Sri Krsna. Hare Krsna.

November 9 Chicago

May my attempt to glorify Srila Prabhupada and educate others about Srila Prabhupada be pleasing to His Divine Grace and to Lord Sri Krsna. I am afflicted with a low level of intelligence and always prone to false pride and sahajism. Please kick out these dis-qualifications and allow glorification and knowledge shine inspiring others in their relationship with Srila Prabhupada and connecting with him. "Mukham karoti vacalam pangum langhayate girim yat kripa tam aham vande param ananda bhavam-Madhava. All glories to Srila Prabhupada eternally. Hare Krsna.

November 10 Chicago Ekadasi

With a 3 session seminar presentation on Srila Prabhupada we somehow miraculously completed our Ekadasi vow of 36 rounds. Only due to Srimati Radharani bestowing Her merciful blessings. All the programs were well attended with much audience participation.

Tomorrow 3 more sessions ,which I'm eager to present. By Srila Prabhupada's mercy we are attempting to re-discover his desires and direction for ISKCON. Prayer and endeavor. Hare Krsna.

November 11 Chicago

Jai Sri Krsna! Hare Krsna! All glories to the Holy Name. Thank you Srila Prabhupada for empowering me to speak about you. I felt very much connected to you this weekend and I can only pray to become more conscious of you and the meaning of your presence in my life. May I have many more opportunities to speak about you and how your presence on earth has changed the course of history. Hare Krsna.

November 12 Chicago

Thank you dear Lord for allowing me to read about the life of a great soul from others who are also great. It gave a mood of reflection on how important we need to relate to and love each and every devotee. My mood when in Chicago is not something I am always satisfied with. I need to be more tolerant and able to roll with the circumstances. In better words accept every situation as your mercy and therefore an opportunity to grow in devotional qualities. I pray Srila Prabhupada was pleased with our neophyte attempt to glorify him. We are fallen, the more we remember that the more we can associate with You. Thank you. Hare Krsna.

November 13 Chicago

First massage in quite awhile. Michael from Slovakia, we just met. Expert massage. My body has been duly overhauled. My soul or rather me is feeling the relief of a generally burdensome body. Factually there is no complaint as a devotee is always fully under the control of Lord Krsna. Tomorrow we honor Sri Giriraj, Govardhana Dhari. May His very sweet smile be fully impregnated within our heart and mind. He is sweet and always eager to eat sweets. Make the offering for His pleasure that's all. Srila Prabhupada is pleased. Jai! Sri Sri Radha Giridhari. Hare Krsna.

November 14 Chicago

Moving along, I hope I can please Srila Prabhupada and Lord Krsna. A devotee has to take a serious view of himself reflecting on whether he's actually for Krsna's pleasure or trying to serve Krsna for his pleasure. At times the line is un-discernable. Focusing on pleasing the devotees is the easy and direct road to pleasing Sri Krsna. One can serve the devotees in a variety of ways. Let us always do it in the best possible and most beneficial way. Praying always to act in that way and always be chanting the Holy Name.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /

November 15 Chicago

"Forget the past that sleeps ne'er the future dream at all act in times that are with thee and progress ye shall call". Came across my high school year book and saw many formerly dear and familiar faces. It was nice to touch memories with some of the same souls that I shared a part of this life with. And that is as far as it goes. We wish them all a pray that they will come to understand that real education is the souls knowledge of God, Krsna and one's relationship with. Perhaps some of them were lead to take up the spirit in some way. May Srila Prabhupada bless them with the opportunity of devotional service and bless me with attachment and love for Lord Krsna and His devotees. We are members of Krsna's family and all living entities are connected to us by devotion and our forefathers are the present and previous acaryas." Life is one let down after another" is what I wrote in my school year book as my departing statement. That is true but now we have come to understand what is actual life and how to achieve full happiness and unending knowledge. This wayward soul has been transformed by the mercy and grace of Srila Prabhupada. He is my past, present and vision towards the future. I failed my graduation in material life, I pray I can graduate into the world of light and love. Pure Krsna consciousness. All glories to chanting of Krsna's Holy Name. Thank you Srila Prabhupada from saving me from the hell of material existence. Hare Krsna.

November 16 Chicago-Canada/Toronto /Srila Prabhupada Disapp.

I pray to properly represent Srila Prabhupada on this Holy day. May I do what is the ideal to make the best presentation. Mukham karoti vacalam... All glories to His Divine Grace. He saved the entire universe. Perhaps we need to be reminded every moment how blessed we are to have come in contact with such a powerful representative of Lord Krsna. May our good fortune be an added inspiration for service and surrender. Hare Krsna.

November 17 Canada/Toronto

Hey Gauranga! Please save! Srila Prabhupada please drag me forcibly back to your lotus feet. We are seeing Maya with interest. Please save me from disgrace and determent. It's only the working of a tired mind. Sober it up with the mercy of Your pastimes. Your lilas, dear Lord are what we really desire not the putrified lilas of sense gratification that lead only to hell. Praying to get straightened out by the rod of Your mercy. Chant and be happy is what is needed. Hare Krsna.

November 18 Canada/Toronto

Depend only on Krsna that's all. Live only for Krsna. Serve only Krsna and His devotees. Eat only His prasada. Follow only His pure devotee Srila Prabhupada. And chant only His Names.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /

November 19 Canada/Toronto

Thank you Srila Prabhupada for providing many opportunities to preach today. That is your mercy although we don't always appreciate it when it's happens. This body and mind is cooperating less yet it is beyond me what to do. We will push on trying preach and serve more and more. All glories to Krsna's Holy Name moving me along in my service. Hare Krsna

November 20 Canada/Toronto

Not reading much, tomorrow I will begin again. Everything in devotional service is nectar. For this fellow reading Caitanya Caritamrta and chanting the Holy Name in kirtan reign supreme. All glories to Srila Prabhupada. Hare Krsna.

November 21 Canada/Toronto

While reading Srimad Bhagavatam I momentarily went into a dream state. You could say I fell asleep. In this very brief time I spoke telling someone I would be leaving the world very shortly. The dream seemed to have impact. Afterwards I reflected-Am I ready? Perhaps I must be willing as time left in this body may be very short. We think to dismiss such dreams and thoughts of death but we should take them as reminders that we must use whatever little time left to practice Krsna consciousness to the best of our ability not wasting a single moment. The thought of leaving diminishes all other activities as inane and frivolous. Am I fearful of death the answer is-no, am I afraid of death coming soon perhaps-yes We want whatever time we have left to serve Srila Prabhupada more and better and preach. Ultimately it is not up to me or is it? Hare Krsna.

November 22 Canada/Toronto

"Radhe Jaya Jaya Madhava dayite Gokula Taruni Mandala mahite". All glories to the month of Damodara. Radharani is blessing everyone with Her mercy. Chant Hare Krsna and worship Sri Damodara. Srimati Radharani becomes pleased. Srila Prabhupada is guiding all souls to Sri Damodara by loving Lord Krsna as a baby. May we be absorbed in His mercy. Hare Krsna.

November 23 Canada/Toronto – Pittsburgh

Dear Srimati Radharani, O most beloved of Lord Krsna, O Queen of Vraj, O delighter of all who know You. O best of the lovers of Madhava. We humbly petition Your mercy so we can complete our vow of 36 rounds on the Ekadasi day. Please bless us with the mercy of chanting with devotion with love. Srila Prabhupada Ki-jay. Hare Krsna.

November 24 Pittsburgh Ekadasi

More than 40 rounds along with three programs. How was it possible? Only explanation-Srimati Radharani's kind mercy. Our prayers were answered. Thank you Srila Prabhupada. Hare Krsna.

November 25 Pittsburgh-Columbus

Kirtan-soul kirtan, sweet, powerful, devotional, Lord Caitanya's mercy! mercy of the Vaisnavas. Almost a week in Columbus, keeping focused on Krsna's Name. It's heavily, continuously emphasized the need to read and hear Krsna lilas, Gaur lila. Will you not do the same? Find time! The time is available –use it. Just do it. All glories to the Lord's pastimes which charms the heart and mind and bring one immediately to Krsna consciousness. Srila Prabhupada is pleased when his books are read, spoken. Don't drag behind, having to be reminded of the nectar available at your fingertips. Gaura Premanande! Hari Hari Hari Bol. Hare Krsna.

November 26 Columbus

It is mentioned that a person should learn at least one valuable lesson every day. What did I learn today? Perhaps I should be more tolerant and more kind in dealing with/ interacting with my assistant Janakinath Prabhu. Then I think he requires a bit of strong medicine as it does work with him. Both points are important, valid. By hearing about how another devotee was not very kind and tolerant with others it causes us to reflect on our own dealings with others. Let me accept that as the important lesson of the day. Soft as a rose hard as a thunderbolt the devotee is not one sided but acts according to each situation in the best possible way to serve. Thank you Srila Prabhupada for this important lesson. Hare Krsna.

November 27 Columbus

I guess while here I can take this opportunity to reflect on my service attitude, behavior and commitment to Srila Prabhupada and others. An opportunity to reflect on how to improve especially in relating to others. Being pulled by the internal mood of service it is a little awkward to balance my service to the devotees and my need to go more internal. I hope by going internal my service to the devotees and others will automatically be enhanced. This there is no doubt. Praying to be a better

instrument in the hands of Srila Prabhupada and freeing myself from all taints of selfish sense gratification. All glories to the Divine Couple of Sri Vrndavan Dham, Sri Sri Radha Natabara Ki-jay. Hare Krsna.

November 28 Columbus

May Srila Prabhupada and the present acarya bless mother Kalindi and her good husband Urukrama prabhu for serving the devotees so nicely by offering first class prasadam. Blending expertise with quality. Her bhakti resulted in the devotees feeling happy and satisfied. All glories to those devotees who are enthusiastically serving the devotees. Vaisnava seva, nama ruci, jiva doya. Gaura Premananda! Hare Krsna.

November 29 Columbus

I had faith, dear Lord, by Your mercy You would arrange a driver to come forward to drive us to the prison on Sat. I knew without a doubt it would happen still I am amazed how You so expertly orchestrated the arrangement. For You it's easy for us it is a tribute of Your love for Your devotee. We pray to be able to serve in such a way as to have faith that You're always there directing us and arranging everything. Mohan Prabhu called me today amazed because I wrote to Dasartha Prabhu reminding him of his duty to chant-not knowing he had stopped. It is You who are using us to serve others. All credit and glory belongs to You. We only want to serve more and better, pleasing You by our attempt. By the grace of my beloved spiritual guide and eternal father Srila Prabhupada we are able to offer You something with love. Thank You for sending Srila Prabhupada in our life and thank You for Your love of Your devotee. Gratefully offering my head in the dust of Your lotus feet. Hare Krsna.

November 30 Columbus

How does anxiety help one in devotional service. For one in knowledge it causes one to take complete shelter of Lord Krsna knowing that His mercy it's always available for those who are sincerely trying to serve with devotion. That is my anxiety as is I need to take complete and full shelter of Krsna's lotus feet. The best prayer. Praying to be always situated at his lotus feet so as to never leave having no other place to go. Dear Lord Sri Caitanya Mahaprabhu, Sri Nityananda Ram and my eternal beloved spiritual master please always give me the shelter of Your lotus feet, especially tomorrow when I'll be faced with many challenges. All glories to Srila Prabhupada. Hare Krsna.

December 1 Columbus-Pittsburgh Jail

Happy to be alive we had a few narrow escapes. Srila Prabhupada Ki-jay. Hare Krsna.

December 2 Pittsburgh-Cincinnati

It has been about 20 years since I preached in this area. The last program was about 10 years back. This evening we spoke on the glories of Krsna's Holy Name and its position of exclusiveness in spiritual advancement. Everyone was listening yet only two questions at the end. People are so immersed in material activities that mostly they cannot formulate questions. They approach spiritual life generally as an add on to their life or to better their material situation or position. We can only preach and depend on the mercy of Srila Prabhupada to inspire them to seriously come forward. Perhaps they will come to realize the necessity of spiritual life when their material life falls apart which may happen soon as the world's situation does appear to be headed toward more and more major calamities. We pray that someone will become seriously interested. This Age is so difficult, may Lord Caitanya along with Lord Nityananda somehow save them. Hare Krsna.

December 3 Cincinnati-Boston

Offering our sincere prayers to those 4 devotees that recently had a car accident in Sweden. They are all wonderful sankirtan devotees from Budapest. May Sri Krsna and Srila Prabhupada bless them with all possible good fortune. May you receive the full mercy of Gaura Nitai. Travel has worn me out. Tomorrow I will rest and simply chant Hare Krsna and read. All glories to Srila Prabhupada. Hare Krsna.

December 4 Boston/Parama Rupa's Home

Time to resume my reading of Sri Caitanya Caritamrita. The nectarian pastimes of Lord Caitanya, His associates and followers. May Srila Krsna Das Kaviraja Goswami bless me with eagerness for Gaur lila. The time has come to become again immersed in this great literature of the Supreme Bhagavat. The time is always there yet our desire is often influenced by other services. May all other considerations give way to the nectarian pastimes of Lord Caitanya Mahaprabhu which are resplendid with the highest philosophical teachings of Ananya Bhakti. Srila Prabhupada books will conquer the world. Gaura Premananda. Sri Krsna Caitanya Prabhu Nityananda Sri Advaita Gadadhara Srivasadi Gaur Bhakta Vrnda. Hare Krsna.

December 5 Boston

Bhima Prabhu formerly from New Vrindaban surfaced tonight at the Boston temple. After 23 yrs of trying to forget Krsna Consciousness and absorbing himself in Maya he has sufficiently burnt out. His way back to Sri Krsna is once again commencing. May Srila Prabhupada and HH

Radhanath Maharaja bestow their mercy on him. All glories to the Holy Name of Sri Krsna which can purify anyone's heart of all material desires. All glories to Sri Sri Radha Gopi Vallabha, Their sweet loving darshan gave strong feelings of devotion. Jai! Sri Sri Gaura Nitai. Sri Jagannath, Baladeva, Subhadra Devi enchanted my mind and the devotees are very enthusiastic. Hare Krsna.

December 6 Boston

Thank you Niranjana Maharaja for the opportunity to serve and associate. I pray your health returns. Tired mind brings no thoughts worth writing down. Jai Sri Sri Radha Gopivallabha Srila Prabhupada. Hare Krsna.

December 7 Boston

Krsna help! Maya stay away. Sri Krsna Your lotus feet are everything. I am running to grab them but Maya always diverts my attention to so-called desirable sense objects. Dear Krsna only Your Name can save me, uplift me, deliver me, satisfy me. All glories to You as You appear as Your Holy Name. There is no other way-no doubt. May the words of Srila Prabhupada stay within my mind and free me from all illusion, and false attraction. Chant, dance, preach. Hare Krsna.

December 8 Boston

At times it is necessary to push the devotee to do something that obvious that must be done. It is our duty to care for disciples and that care means at times forcing action. We pray they will accept the mercy and enthusiastically embrace the activity. Srila Prabhupada would say I am pushing you and you must push others. Of course that is an art that needs to be carefully done, push without breaking. We pray to always act in full Krsna consciousness so as Lord Krsna will be pleased and others will be spiritually benefitted. Materially times are tough and we cannot waste time due to false sentiment. Act with conviction and always depend on Srila Prabhupada and Lord Krsna's mercy. Gaura Premananda! Hari Hari Bol. Hare Krsna.

December 9 Boston/Vanamali's Home Ekadasi

Became effected by anger but it could have been worse still it wasn't good. I pray to be corrected so as to not fall victim to this destructive and soul killing enemy. May I always remember Krsna so as to be free from all offences, anomalies and obstructions. Nice program at the temple. Ekadasi vrata Ki-jay. Hare Krsna.

December 10 Boston

Today we took lunch with HH Niranjana Maharaja, it is his birthday. The last few weeks he has been quite sick. It is very unsettling to witness. We sincerely pray he will recover. Everything is in the hands of the Lord who always cares for His devotees perfectly, completely. We offer a sincere prayer for his speedy recovery and understand that this material world is a place of disease and uncertainty. May Srila Prabhupada be kind by guiding us in the best possible way so we can understand how to accept his mercy. All glories to HH Niranjana Swami on this day of his appearance. All glories to Srila Prabhupada for creating a wonderful ISKCON family. Hare Krsna.

December 11 Boston

"Tat te nukampam susamiksamanam" by Your mercy I was corrected of my waywardness. My prayer is to learn to always remember You in any and all situations. I'm fallen and I honestly conclude there is little hope of change. My hope is the mercy of Srila Prabhupada. He saved me and continues to keep me from falling away. Therefore, I beg, pray to be his obedient servant. There is no other hope. Hare Krsna.

December 12 Boston

12-12-12 comes every 100 yrs. Krsna consciousness more rarer most rare, and doesn't come to most people. When you get the opportunity, give all you got, don't hold back. It is the rarest of the rare and the most precious. Beg, borrow, steal, but get it somehow. All persons who are actually great are connected with God (Krsna). Sri Sri Gaur Nitai are freely giving yet hardly anyone knows its value. It's a matchless gift given by God Himself through His great servant Srila Prabhupada. Srila Prabhupada is an intimate associate of Lord Krsna who descended from the spiritual world to this place of suffering to relieve the sufferings of all. Please take it. This is what you really need, you really want. Such mercy is rarely available. Jai! Srila Prabhupada. Hare Krsna.

December 13 Boston-Hartford

The association of HH Niranjana Maharaja is spiritually purifying. The Holy Name of Sri Krsna is my very life's breath and my only meditation. The association of devotees is real happiness. Srimad Bhagavatam guides me with the light of pure transcendental knowledge. Srila Prabhupada's mercy is the full mercy of Sri Krsna. May he bless me to become a better servant at his lotus feet. Sri Sri Gaura Nitai are my worshipping Lords and Their lotus feet are the complete shelter of all shelters in this dark Age of Kali. "Kali yuga pavana kali boyah nasanam Sri Sacinandana nam re" Hare krsna.

December 14 Boston

Being in the USA and trying to offer something here is a great challenge to one's determination. Factually this is what we experience everywhere, only here personalism is very weak. Tomorrow we continue to present the seminar "Srila Prabhupada our Founder Acarya". We pray to be at our best so as to inspire others to become Prabhupadanugas in its true sense. May we please His Divine Grace by our efforts despite being inept in many ways. Praying for becoming a better instrument of his mercy. Hare Krsna.

December 15 Boston

The mood in America awakens one to a more passionate or should we say quick to think and act without much thoughtfulness. After the first day of the seminar "Founder Acarya I observed the need to be more thoughtful in presenting the material. Personally I'm feeling eagerness for kirtan and reading time. I look forward to the Holy Name and Caitanya Caritamrta. All glories to Krsna kirtan and Gauranga Mahaprabhu lilas with His associates. Please fuel my bhakti. Hare Krsna.

December 16 Boston

Preaching here culminated in the initiation of 4 persons. We are grateful for the opportunity to serve and especially to hear about and glorify His Divine Grace Srila Prabhupada. Hopefully I will use time to read particularly Caitanya lila. Thank you Srila Prabhupada. I pray somehow to become more Krsna conscious through our efforts to serve and inspire the devotees. All glories to the Holy Name of Sri Krsna without which there is no hope, no happiness. Nothing. Hare Krsna.

December 17 Boston

After two weeks in Boston now heading out to Boise. The mood there is radically different with much challenges on the personal level. Yet challenges bring out the need to always remember Lord Krsna. Presently the challenge is to direct the mind to Caitanya Caritamrta and Srimad Bhagavatam. I am feeling separation from these great granthas. May Srila Prabhupada words regain their rightful place in my mind, heart and life. All glories to transcendental knowledge to Gaura lila. Hare Krsna.

December 18 Boston-Boise

12 hrs of travel-brain dead. Nothing to say except that the Holy Name of Sri Krsna gave everything needed and more to get through the austerity. I sorely need to read Caitanya Caritamrta and Srimad Bhagavatam. Dear Lord bless me so I can fulfill my need, my responsibility to read the

greatest books on the planet. All glories to the greatest philosopher of the 20th century and before Srila Prabhupada. Hare Krsna.

December 19 Boise/Candra's Place

By the mercy of Srila Prabhupada I received the opportunity to read. May it continue, yet other services are waiting in the wing. Praying to be a recipient of mercy for serving in the best way possible. Still reading Srila Prabhupada's books is essential. Today I felt your sweet mercy Srila Prabhupada when reading. All glories to Bhagavat Dharma, all glories to transcendental knowledge and best of all, all glories to Krsna's amazingly sweet pastimes. Hare Krsna.

December 20 Boise/Temple

How is it possible to remain in this world happily without You dearest Krsna. My situation is truly frightening for I am not qualified to have Your association yet I cannot live without You. Many are the defects in my character and activities. Truly my case is pitiable. I pray I don't do anything which will cause me to distance myself further away from Your lotus feet and my desire to attain them. What can I offer to You. Feeling lost all I can do is chant Your Holy Name. May Srila Prabhupada be patient with this stumbling fool. Begging, crying for mercy. The mercy of how to serve You with love, Your devotees and all others. Hare Krsna.

December 21 Boise/Temple

Thank you Srila Prabhupada for the opportunity—who is most unqualified—to be an instrument for distributing your mercy to the fallen conditioned souls. This evening by the arrangement of Candra Prabhu we spoke to a large group of inmates. The response from them was extremely positive and spiritually uplifting. A amazingly successful program. All glories to His Divine Grace. Hare Krsna.

December 22 Boise/Temple

Feeling separation from Nam kirtan. Eager for service to Sri Nam. The Name of the winning game is the Name of Krsna His Holy Name—Sri mahamantra. Wherever we are and whatever we are doing may we remember Krsna by chanting Krsna Nam. Tonight's home program included a few words from the host's father. All the way from India as he glorified the chanting of Hare Krsna and spoke of Srila Prabhupada as the person who brought the chanting everywhere. He is remembered by his spreading of Hari Nam. All glories to Krsna Nam and all glories to Srila Prabhupada the mantra upaseka of the universe.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /
Hare Rama Hare Rama Rama Rama Hare Hare.

Gaura Premanande! Hari Hari Bol.

December 23 Boise/Temple Ekadasi

Gita Jayanti-a different approach. Reading chapters 2, 9, 18. With English included. OK as it allowed for questions. Still I prefer the reading of the entire Gita in sanskrit because it imbues one much spiritual sakti. The Bhagavad Gita is monumental in stature, deep in philosophy and concise in transcendental knowledge. May we daily worship this great Grantha. Another one of the powerful spiritual gems given by His Divine Grace to the world. The residents of Kali Yuga has become blessed by Srila Prabhupada 's appearance and his words. Hare Krsna.

December 24 Boise/Sri Hari's place

The devotees here are very nice. I pray that my service will inspire them more in their Krsna consciousness. May I be freed from any type of false pride or false ego that may develop by pleasing the devotees. All glories to sadhu sanga or that sanga where Sri Krsna is the center. Always making that the desired goal. All glories to Srila Prabhupada mercy on this earth planet and may his mercy reach the hearts of more of the suffering souls especially in the land of America where social and moral degradation is on the rise. Hare Krsna.

December 25 Boise/Sri Hari's place

The Christmas spirit is the spirit of giving, presenting your gifts to God, Krsna with devotion and gratitude. We have become fortunate for what Lord Krsna has given. Hopefully His mercy will cause us to be more grateful. That is only natural. Thank you Srila Prabhupada for providing us this opportunity to become an instrument of your mercy in the world. We hope you are pleased. Hare Krsna.

December 26 Boise/Sri Hari's place

We are sincerely endeavoring to develop some humility. My mind is lazy for everything except preaching or being with devotees. We need to go internal getting in touch with the heart the intelligence and finding Sri Krsna. More internal less external. Help! Srila Prabhupada. Hare Krsna.

December 27 Boise/Sri Hari's place

Dear Lord Sri Krsna, O master of all mystics please enter our minds and hearts and destroy the illusion that strongly covers our thoughts and intellect. Only by the mercy of Your mantra sevaka Srila Prabhupada are we able to continue our service as Kali yuga is increasingly oppressive and filled with discouragement. May the glory of Your Holy Name be ever

present in our life and may we always think of You with devotion offering selfless service. Hare Krsna.

December 28 Boise/Sri Hari's-Minneapolis/Purnendra Krsna's Ho.

Our desire to preach Krsna consciousness was exhibited by certain outstanding events. Today we were instrumental-I say that with clear conviction-as Sri Krsna's hand was so apparent in inspiring a fellow airline passenger to use her artistic skill to make a sketch of Krsna and accept a portion of maha prasada. May we always desire to be an instrument of Lord Caitanya's and Srila Prabhupada's mercy and continually strive in that direction. Our happiness is to make others Krsna conscious and to inspire them chant to the Holy Name. What more can we aspire for. All glories to Lord Caitanya's and Lord Nityananda's mercy. Hare Krsna.

December 29 Minneapolis Purnendra Krsna's Home

Laksmi Devi is profusely bestowing Her mercy. We will use it for service of Her worshipable Lord Narayana. I'm sure, dear Lord, You have a plan and so I patiently await Your desire to manifest. May the acaryas bless us with their intelligence and may Srila Prabhupada engage us in Krsna's service. Praying to be a more alert, efficient, obedient puppet. Hare Krsna.

December 30 Minneapolis-Chicago

Much service so little time. Always remember Krsna then everything is smooth. Praying for that mercy. Srila Prabhupada what can we offer? Still we are trying. That's all. Hare Krsna.

December 31 Chicago

We have completed the calendar year 2012 of the Christian era. That is traditional, as for us devotees of Sri Krsna Caitanya Mahaprabhu our new year is Mahaprabhu's App. day. We are looking forward to this year as an opportunity to increase writing and hopefully a little less traveling. On the brink of my 40th year as an initiated disciple of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada we're increasing our prayer for protection from falling down into the material traps, the false attractions of this material energy. Maya in the form of the opposite sex can befool one and easily snare one into thinking one is safe from Her entrapments. History is replete with examples of Her victories over those in the sannyasa ashram. Begging Sri Sri Gaura Nitai to keep me fixed at Their lotus feet with kirtan and to Lord Nrsimhadev to destroy all illusions and entrapments of Maya. Their mercy is my only hope of survival and ultimate victory. Also to become more eager to reach out to the fallen conditioned souls of Kali Yuga and bring them to the chanting of the Holy

Name. May Srila Prabhupada's desire to show compassion on these souls flow more strongly in our daily activities and in our life. All glories to His Divine Grace. All glories to Sri Krsna Caitanya and Lord Nityananda and to all Their loving followers and to Krsna's Holy Name. Hare Krsna.

Sn memory of a very special devotee, disciple who was loved and appreciated by all. A person whose stay in this world was very short yet so filled with activities that changed the hearts and lives of many to Krsna Consciousness. Friendly, warm hearted, and always eager and ready to serve each and every person he came in contact with. Truly a great soul who ended his stay in a most exemplary devotional way free from all fear and absorbed in thoughts of the Supreme Lord. All glories to the glorious life of Janakinath Das Brahmachari. We will greatly miss his spiritually edifying association.

2013

January 1 Chicago-Disapp.-Srila Bhaktisiddhanta Sarasvati

Absorbed in the mood of trying to glorify this great paramahansa Vaisnava, my beloved parama guru His Divine Grace Srila Bhaktisiddhanta Sarasvati Goswami Maharaj. Speaking strongly, trying to help people understand the greatness of this special soul and how we must appreciate and take advantage of his special mercy. We beg forgiveness for any offense committed unintentionally and we pray that the Vaisnava and others benefitted by the mercy of His Divine Grace. All glories to those great souls who brought about Lord Caitanya's message to the western world. May the great souls be pleased by this tiny effort to serve in this way. Hare Krsna.

January 2 Chicago

Trying to simplify my material requirements yet Maya is keeping things complicated presenting many areas of concern. We would like to stop traveling for a few months and focus on writing and other related services. Deeply thanking Lord Krsna for giving so many service opportunities along with stable health. May Srila Prabhupada bless us with the intelligence to serve more and better. The coming year will be a year of many challenges; let us take full shelter of Srila Prabhupada's guidance and Sri Krsna's Holy Name. Hare Krsna.

January 3 Chicago

The more we take shelter of Krsna's Holy Names and chant with complete faith and determination the more Krsna's Name reveals its all encompassing mercy, shelter and joy. To come to the understanding that everything and more is found completely in Krsna's Holy Name. "Bhinna tvam nama naminoh". All glories, all glories, all glories to Krsna's Holy Name. When our society understand this fully and acts according then real happiness will quickly engulf the world. The valuable gem of the sparkling rays of Krsna's sweet smile. All glories to Srila Prabhupada for he has distributed widely Krsna's Holy Name and the means to achieve full shelter. Hare Krsna.

January 4 Chicago

Attachment to results is a feature of the mode of passion. But wanting to see persons eager to take to Krsna Consciousness is devotional. We are eager to preach and more eager to see others take it up. Kali Yuga is a vast ocean of faults. Devotees are struggling to preach yet the panacea for all problems is Harinam Sankirtan. Please give us more and inspire

us to give it out. Gaura Premanande!. Srila Prabhupada's success in spreading Krsna Consciousness is in the chanting of Krsna's Holy Name. Chant more and preach more about chanting. Very few can understand or even appreciate this powerful philosophy. All glories to Krsna's Holy Names eternally. Hare Krsna.

January 5 Chicago/Balaram's Home

A very nice and interested group of devotees and guests at this evening's program at Sri Guru's place. Srila Prabhupada's mercy! That many questions were asked indicated a good interest was generated. Desiring to preach in a way that is inspirational and free from material gain. Hare Krsna.

January 6 Chicago/Balaram's Home

The last Sunday feast program for a long while. The next 4 days we need to seriously focus on using time wisely, by avoiding getting sidetracked from what needs to be done before departing Chicago. Tomorrow, Ekadasi a day of hearing and chanting. Let it be so by the grace of Srila Prabhupada. Hare Krsna.

January 7 Chicago/Balaram's Home Ekadasi

36 rounds-when chanting I felt that's all I want to do. Then we were notified it was time for lunch prasadam. Our host was to be pleased. Serving Vaisnavas is our attempt to please Sri Krsna, otherwise how will we serve. I wanted to read more yet we did read some Caitanya Caritamrta. Begging for the enthusiasm to push on with renewed energy and spiritual inspiration. May Srila Prabhupada be pleased with our attempt to serve. Hare Krsna.

January 8 Chicago

Not much to write about as the focus now is winding up activity in Chicago by packing up everything. Eagerly awaiting the opportunity to enter into an enthusiastic kirtan lead by the best. Perhaps that desire is a little selfish as kirtan is absolute when glorification Sri Krsna takes place. My time in India must center around service free from the spirit of enjoyment. A plan is required. May Srila Prabhupada bless my efforts to serve via his expert guidance. Hare Krsna.

January 9 Chicago

Madhava Prabhu's chanting the Holy Name in kirtan is the perfection and fulfillment of all my desires, aspirations, emotions in Krsna consciousness. Thank you Srila Prabhupada for you have bestowed upon the world a gift so great and priceless we are overwhelmed with gratitude just to think of

its magnitude-Lord Caitanya's mercy.Out of gratefulness we want to reciprocate yet we can only fall short. All glories to Srila Prabhupada's lotus feet for Mother Earth has been so fully blessed. She is obviously feeling the pangs of your departure and so are we your devotees. With love and gratitude. Jai Gauranga! Hare Krsna.

January 10 Chicago

Srila Prabhupada's picture is a mood of deep absorption with great humility on the lively, lovely form of Lord Sri Krsna. Some say Srila Prabhupada's inner mood is that of a Cowherd Boy, that is very intimate. As Srila Prabhupada commented when asked about his eternal form: "If I told you, you would faint. Undoubtly, Srila Prabhupada is a prominent and intimate associate of Sri Krsna in Sri Vrndaban Dham. We are praying to understand more of our identity although as Srila Bhaktisiddhanta Saraswati would say: your identity is "trnad api sunicena"... This identity is needed just to begin to offer service to the Lord. Sri Krsna happily accepts our service when it is done with a desire to please Him. As Lord Brahma said: "My dear Lord some people say that they know You, let them think that way as far as we are concerned we know nothing about You". We want only to please You and You are pleased very easily by sincere service yet we are so fallen, unable to do even that. Our only hope is to pray for Your mercy. That is our success. Thank you Krsna. Hare Krsna.

January 12 London-BV/Manor

Due to international travel we neglected to write yesterday's diary entry. Now were back on the other side of the world. By the sweet arrangement of the Lord we encountered a kirtan weekend with HH Sivaram Maharaja and Madhava Prabhu held at the Manor. By the mercy of these great souls the Holy Name is sung powerfully in continuous glorification of Sri Nam Prabhu. Tomorrow another 10 hr. day of kirtan. Praying to be blessed with Vaisnavas Seva through kirtan. May Srila Prabhupada's desire to bring everyone to the feet of the Holy Name be fulfilled. All glories to Sri Gauranga Mahaprabhu and Sri Nityananda Nataraja. Their lotus feet are everything. Hare Krsna.

January 13 London-BV/Manor

All glories to and all attention on Sri Krsna's Holy Name. We worship His name as the epitome of all forms of glorification of Sri Krsna, it the best of all spiritual activities. We worship those who bring us the mercy of kirtan as the best of all Vaisnavas and we are happy that Srila Prabhupada made the Holy Name his way of spreading Krsna consciousness to all

corners of the globe. Param vijayate Sri Krsna sankirtanam. Gauranga Mahaprabhu Ki-jay. Hare Krsna.

January 14 London-BV/Manor-Jiva Goswami Dis.-Makar Sankranti

Much service backed up. Reading, chanting, rest, work etc. We are not moving around for a while. We want to focus on a few needed services. Sannyasa means to travel and preach but an ISKCON sannyasi has other obligations that require a fixed environment. We are convinced that we need to read more and organize around hearing and chanting. A time to go inward so we can go outward more intelligently in Sri Krsna's service with clarity. Imitating Srila Prabhupada is not possible and any attempt is simply false pride. Following in his footsteps is the path of auspiciousness. Srila Prabhupada prepared his mission in advanced while staying in Vrndavan for many years. Our life has been mostly "the mission" we must prepare to execute in a parallel fashion. All glories to Srila Jiva Goswami on his glorious disapp day. His commentaries on sastra are sastra. Hare Krsna.

January 15 London-BV/Manor

Nothing comes-just chant always;

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /

Hare Rama Hare Rama Rama Rama Hare Hare.

Always be fixed in Lord Krsna's service. All glories to Srila Prabhupada.

January 16 London BV Manor

Attended the full morning program, this is an unusual occurrence. Perhaps I should try for this everyday. It is 10.30pm at the moment regulation is off as sleep is far away. It's not to be forced nor do I want it to be. So each day is different. It is said; strive for regulation but don't be attached to it. Be attached to Krsna and His service. Lost, my feet are slipping, trying to locate the path of auspiciousness. Only by the mercy of my beloved Guru Srila Prabhupada that I have hope although I'm a hopeless case. May the saints of the past and present push me towards Bhakti. Hare Krsna.

January 17 London-BV/Manor

O Lord again I am feeling eager for kirtan and more opportunities to preach. At times we speak otherwise, reasoning about other services and this is true yet how can one live without preaching and kirtan. Please direct my mind and actions to the lotus feet of Srila Prabhupada's instructions for executing the duties of a sannyasi. Hare Krsna.

January 18 London-BV/Manor

Preaching with natural enthusiasm or rather spontaneous attraction by giving as many conditioned souls the benefit of hearing about Sri Krsna and serving Him is, one with and also different from, the eternal mood of spontaneous raganuga bhakti. Same; as an indication of love of Krsna by fulfilling His desire to benefit all by His message, different; the missionary spirit to spread Krsna consciousness. This is what Srila Prabhupada taught as an expression of raganuga bhakti at the same time not denying the natural awakening of one internal mood by adopting the sadhana of spontaneous devotion. What is the indication of that sadhana? Constant remembrance of Sri Krsna by chanting always His Holy Names. A determined focus on one's goal in life. This sankalpa is tantamount to achieving the goal of love of Sri Krsna which is natural and spontaneous. Hare krsna.

January 19 London-BV/Manor

Caitanya Caritamrta classes on the weekends is a special feature of Bhaktivedanta Manor. I find it a source for inspired teaching as Gauranga Mahaprabhu His philosophy, life, devotees, lilas etc. are the direct manifestation of mercy on our practice of bhakti and most inspirational for preaching. Today we spoke on Mahaprabhu's acceptance of a heart rendering petition spoken to Him, to accept an invitation to associate with the Mayavadi sannyasis of Benares headed by Prakasananda Maharaja. By agreeing to go Mahaprabhu would be violating the Vaisnava etiquette of association which is restricted with Mayavadis. Mahaprabhu was thinking to use this opportunity to convert them, all 60,000, into Vaisnavas. Tomorrow the same theme continues. Praying to speak something beneficial to the Vaisnavas and pleasing to Srila Prabhupada, Sri Sri Radha Gokulananda, Sita Rama Laksman Hanuman and of naturally Sri Panca Tattva headed by Nitai Gauranga. Hare Krsna.

January 20 London-BV/Manor

Dear Srila Prabhupada please divert my attention away from anything that impedes, interferes, obstructs, obfuscates, blurs, maims, damages or destroys my ability to always remember the lotus feet of Sri Krsna and Sri Rama. My mind appears as a different entity acting independently of its own best interest and thinking otherwise. The Holy Name, holy association, and absorption in service to the Vaisnavas and to the best of all Vaisnavas, your good self. Jai! Sri Sri Radha Madhava. Hare Krsna.

January 21 London-BV/Manor

I need to search out the cause of this developed mood of light but seemingly noticeable dissatisfaction. An offense, a contrary attitude, false austerity-something. With sincere and humble petition praying to my

beloved spiritual master to awaken within me the necessary spirit of devotion that appears to be dimmed. While writing something has surfaced perhaps it is worth further deliberation. May the Holy Name of Sri Krsna be very merciful. All glories to Sri Namacarya Srila Haridas Thakur. Hare Krsna.

January 22 London-BV/Manor

As we make spiritual advancement one can easily become proud and then-although unaware that pride has entered-we may act and speak that may be offensive to others. This is very dangerous and is very hard to detect. Therefore as Lord Caitanya told the leper Vasudeva at Kurma Ksetra;that by always chanting the Hare Krsna maha mantra pride will go far away.Srila Prabhupada I am begging shelter at your lotus feet as the means to always chant Sri Krsna's names.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare /
Hare Rama Hare Rama Rama Rama Hare Hare.

January 23 London-BV/Manor

By satisfying Lord Krsna everyone is satisfied.Prajapati Daksawasht able to understand that Lord Siva was absorbed in meditation on the Lord's lotus feet and spoke offensively. Always thinking of Sri Krsna is the panacea for all problems, the success of all endeavors and the goal of life. Chanting His Holy Name is the easiest and wisest way to keep concentration on Sri Krsna especially in this dark Age of Kali. Srila Prabhupada you have performed miracles and gradually it will be known that you are the wisest and most profound of all spiritual preceptors. We gratefully take shelter at your lotus feet chanting Sri Krsna's pure Holy Names. Hare Krsna.

January 24 London-BV/Manor

$5+5=10$, $2+2=4$ Krsna + everything = Vrndavan

Always remember Sri Krsna and you are in Vrndavan. Always chant Hare Krsna and be happy. A simple formula but applying it correctly requires great purity and fixed determination. A trip to Radhadesh. Many plans never fructified. Lord Krsna is the ultimate sanctioner of all activity. Srila Prabhupada's mercy is the elixir that gives assurance. Praying to become a better servant of His Divine Grace so as to qualify to be known a disciple. Hare Krsna.

January 25 London-BV/Manor–Belgium/Sri Radhadesh

My first visit ever to Sri Sri Radha Gopinath Mandir in Belgium known as the place of Radha-Radhadesh. Previously many plans were made all unable to bring me here. By the mercy of the devotees who arranged my

visit I am able to come and for Radhadesh mellows. A weekend of kirtan. There are many challenges along with the nectar of the Holy Name. It is said success is the presence of Lord Krsna not absence of challenge. Careful control of mind and speech is the focus that makes one receptive to the sound of Sri Krsna's Name. All glories to the assembly of Vaisnavas- the Holy Name is the reason for this sanga. May Srila Prabhupada be pleased with our feeble attempt to glorify the Holy Names. Hare Krsna.

January 26 Belgium/Radhadesh Kirtan Mela

Gaura Premanande! All glories to Sri Harinam Sankirtan. Srila Prabhupada is the deliverer of the greatest gift-Sri Harinam Sankirtan. Lord Catianya's garland of love to the world strung on the thread of Guru's mercy and placed upon the fortunate souls of the world. May it ring throughout the world, as it is the only hope for saving the world's frustrated population. May we be empowered to deliver this great and rare gift. Sri Harinam Prabhu Ki-jay. Hare Krsna.

January 27 Belgium/Radhadesh

Sweet devotees, wonderful kirtan, powerful kirtans. Mellows of the Holy Name. 14 hrs straight. The Holy Name resounds in the hearts and mind of the devotees and throughout the world. Srila Prabhupada's mercy. Hare Krsna.

January 28 Belgium/Radhadesh-London-BV/Manor

Return to London. Sincerely praying to Srila Prabhupada to guide me in using time in the best Krsna conscious way. We are creatures of habit and habit is changed by creating an alternative one. Lord Krsna spoke to Lord Brahma, perseverance in practice, proper conduct, scriptural direction. May we seriously chant Sri Krsna's Holy Name with devotion. Hare Krsna.

January 29 London-BV/Manor

Planning to push as to get caught up on letters, writings and general services. By Lord Krsna's and Srila Prabhupada's merciful guidance and by always remembering Sri Krsna in his name we are always victorious. Triumphant. Spiritual warfare-Maya is not the enemy but because there are demons she is facilitating them. By taking shelter of Krsna's holy names and are always protected and elevated. Our prayer to dear Sri Sri Radha Gokulananda is to always remember Your lotus like form with great love and attachment. All glories to Sri Krsna sankirtan. Jay Jay Sri Radheeee Shyam. Hare Krsna.

January 30 London-BV/Manor

Again we are moving away from reading and into a day of active service. And that is fine and desirable as there is much service with letter writing. But neglecting to read may cause one to lose the taste for serving. Tomorrow we will shift to reading and other services. Today in class we spoke on demons and their influence within the world, it seemed well received. Tomorrow we will endeavor to speak about Lord Krsna the Supreme Personality of Godhead and His all encompassing influence over all that exists. How to make it interesting that is yet to be thought about. I find when a sincere prayer is offered at the lotus feet of Srila Prabhupada then only the class flows nicely. We are fully dependent on Srila Prabhupada knowing it is his mercy that directs and enthuses. May we use our remaining 2 weeks in London in the best possible way with the proper mood of service with devotion. Hare Krsna.

January 31 London-BV/Manor

Emails comes to gmails, praying to avoid females and focusing on the Supreme male-Purusottama Krsna. His Holy name is our only hope freeing one from being a dope or a mope and even has the blessing of the pope, famous for it's cleansing, superior to any soap. Srila Prabhupada lengthy purport, tomorrow's Srimad Bhagavatam class gets right to the essence. Sri Krsna Sankritan. It reigns supreme never to be overthrown by the elements of Kali's Age. I pray to impart this knowledge to all who listen. Begging to become a sold out servant of Sri Krsna's Holy Name. Sri Krsna sankirtan Ki-jay. Sri Caitanya Mahaprabhu Ki-jay. Hare Krsna.

February 1 London-BV/Manor

Sri Krsna's Holy Name, keeping me fully connected. That's my life, my existence. Want to learn how to sing and play instruments. A teacher is needed, to help this preacher. Srila Prabhupada the greatest of all those who are great. Hare Krsna.

February 2 London-BV/Manor

May Krsna bless you with love for Himself. The ultimate blessing. Love of Krsna. "That is love". May Srila Prabhupada guide you in achieving the goal of all activities-love for Krsna. May love for Krsna be the motivation of all activities and all plans. "Love for Krsna" what an achievement. rare but available by the mercy of Sri Caitanya Mahaprabhu.

February 3 London-BV/Manor

Nityananda, Gauranga. Hare Krsna. All glories to Srila Prabhupada. Tomorrow is another day to serve the Divine Couple. Sri Sri Radha Gokulananda. Jai ho! Hare Krsna.

February 4 London-BV/Manor

Through careful control of the mind and senses this allows one to easily think of Sri Krsna. The tongue is the most voracious and difficult to control. One must practice silence by always speaking truthfully, beneficially and glorify the Lord. When it happens that I can remember this sacred principle then all success is easily available. Generally we talk unnecessarily which leads to offensive speech. Reading Srila Prabhupada's books directs one with speaking properly, beneficially. The mind is a rascal and must be tamed by the power of devotion. Hare Krsna

February 5 London-BV/Manor

3 weeks at London's Bhaktivedanta Manor one more before we embark onto India, which is always a difficult route to travel. Sannyas life always faces great challenges in this Kali Yuga with so many difficulties that come with the age and traveling seems to bring them to the forefront. Only, and we rightly say only, by Lord Caitanya and Lord Nityananda's mercy are we able to continue. The Holy Name is our shelter, sword and comforter. Descending from Goloka it sweeps away all ineptitudes and difficulties and paves the devotee road with auspiciousness and closure of success in service. Taking shelter of Their mercy through the perfect transparency of Srila Prabhupada affords one direct contact. Daily we are finding success simply by remembering Their kind mercy upon the wretched souls in this age of darkness. We are struggling to balance the more stable existence of not traveling with the need and strong desire to continue to reach out to the conditioned souls through classes, seminars, personal interactions and Harinam Sankirtan. Always fearful of becoming too comfortable I pray to use time wisely in the service of preaching Krsna consciousness and to be able to see how to improve and increase more and more. All glories to Krsna's Holy Name, the strength of the strong. Hare Krsna.

February 6 London-BV/Manor Ekadasi

Editing my diary, now at the July 2009. Practically all the entries are expressions of struggling to serve, to be proper Vaisnava and glorifications of Srila Prabhupada. Through those times of trial and prayer we received much mercy from Sri Krsna and Srila Prabhupada. This is evident as they are the most kind and inclined to show compassion to the conditioned souls. Being at the Manor has allowed a loose form of regulation but regulation nonetheless. Lord

Krsna has given me time for regeneration,recuperation and reorganization. Things are getting done by the mercy of Srila Prabhupada who is the pillar of Lord Nityananda full mercy. My struggle is mostly focused on improving interpersonal exchanges,through practicing the qualities of a Vaisnava in the association of other devotees. Today,Ekadasi we received the special mercy of Srimati Radharani and chanted 40 rounds as an offering to Her sweet lotus feet. That is my focus,my happiness. Chant, preach and be a servant of the mission of Sri Sri Gaura Nitai. Nitai Gaura Premanande!. Hari Hari Bol! Hare Krsna.

February 7 London-BV/Manor

Today we began writing once again. It is a service we want to do more. Good writings come by a way of inspiration as the words are filled with the appropriate feelings as well as meaning.It is said by Srila Prabhupada-and we are certain it is coming from scripture-that the duty of a sannyasa is to contribute to the literary field of devotional writings. Praying to Srila Prabhupada to continue to build these inspirations to write daily. All glories to Srila Prabhupada for he has continued the philosophy of sanatan dharma powerfully through his writing. The pen is the mightest of all. Hare Krsna.

February 8 London-BV/Manor

The passing away of a dedicated Vaisnava. Quite beautiful, very auspicious. Srila Prabhuapda loving kindness on one who dedicated his life in steady devotional service. We were fortunate to be with Jiva Pati Prabhu as he departed. Our sincere prayers that he has attained to the loving service of Sri Sri Radha Gokulananda in the spiritual realm. The happiness we felt upon his departure is indicative of the special mercy of Srila Prabhupada. O how fortunate we are to have met His Divine Grace and have accepted the shelter of his sweetly powerful loving lotus feet. All glories to Jiva Pati Prabhu your dedicated service to Sri Sri Radha Gokulananda will always be remembered. Hare Krsna.

February 9 London-BV/Manor

Gaura Premanande! That's what it is all about.Calling out for the mercy of Gaur Prem and coupling it to chanting Hare Krsna.Srila Prabhupada is genius.All glories to the sacred sound of Sri Krsna's Name.Hare Krsna.

February 10 London-BV/Manor

On separation of a Vaisnava-His Grace Jiva Pati Prabhu departed from association with the devotees from BV/Manor. Him and his service are greatly missed. How to properly honor him and glorify his wonderful

departure? Vaisnavas live eternally in service to Lord Krsna. Separation enhances our attachment to and appreciation for the departed one. May we always remember Srila Prabhupada and never be separated through following carefully his instructions. Praying to be able to speak as needed. Hare Krsna.

February 11 London-BV/Manor

Two days before my departure to India. What have I gained this past month that will be assimilated in practice and devotion. My eagerness to view the beautiful sweet petit ever-merciful forms of Sri Sri Radha Gokulananda has significantly reach a greater height in darshan. The ever mysterious Lord Krsna has shown His Gokulananda mood that is more understood and very greatly appreciated. Various deities of Radha Krsna display a specific element of the mood of the Divine. How subtle it may differ is indicative through a simple darshan but manifests more and more into a clear potrait of the divinities loving glance. Gokulananda is so sweet imbued with element of humble love. Graced by Sri Radha's presence He takes on Her mood in Her association. May Sri Sri Radha Gokulananda be merciful to me and inspire eagerness for Their most sweet darshan. Falling at Their louts feet I am grateful to Them to allow me a longer than normal stay at Their lotus feet. Srila Prabhupada has given us Sri Krsna in such a sweet mood. All glories to Their mercy upon the population of London. Hare Krsna.

February 12 London-BV/Manor

Amidst all change which is a feature of the external energy is the constant-rememberance of Krsna. We want that and to always chant Hare Krsna and remember Sri Krsna with love. Blessed by Srila Prabhupada we have understood that spiritual love is about loving only Sri Krsna. That is most wanted. Very few have realized pure love and so what is our ability?-Srila Prabhupada's mercy and our strong desire. All glories to Sri Krsna's Holy Name our very life and our way of offering love to the Divine Couple. Just chant! Hare Krsna.

February 13 London-BV/Manor

On to India praying to come up to the merit of the association. Many senior God-brothers other senior devotees. The concern is how best to serve but foremost is to be absorbed in Sri Krsna's Holy Name. I am eagerly anticipating standing before Sri Sri Radha Gopinath in Chowpatty and offering my gratitude and humble obeisances to Their loviness and immense stock of mercy. I am low, always prone to sense enjoyment, eager for respect and not able to appreciate the good qualities of others. But somehow I am attached to the instructions of my

beloved Guru, Srila Prabhupada and grateful I have come to his lotus feet the ornament of pure loving devotion. Nṛsiṅha Tīrtha Prabhū will accompany me on this 5 week journey to the Holy Land. May Lord Kṛṣṇa inspire me to see how best to serve his spiritual needs. Deeply grateful for the chanting of Sri Kṛṣṇa's Name as we take shelter of Sri Sri Rādhā Gopināth Rādhā Kūṇjavihārī and Sri Sri Rādhā Mādhava. Hare Kṛṣṇa.

February 14 Mumbai/ Sri Sri Rādhā Gopināth Temp. Vasant Pāncamī

Met a few devotees on my arrival today. It has been one year since my last visit. Generally I come and depart around the same time each year only lately my visits are shorter than previous years. Preaching is increasing. We not just hanging out. On previous visits we had more free time, the increase in preaching is desirable. Absence makes the heart grow in a more loving way. Separation enhances the sweetness of the meeting. That is the way of human nature. My prayer remains the same. How best can I serve the devotees and others. One month preaching in London but not as many classes as usual. Writing is a desire and a need, presently it remains optional. Next 3 weeks are here in the land of Dharma. How best to serve? Thank you Srila Prabhupada. Hare Kṛṣṇa.

February 15 Mumbai/ Sri Sri Rādhā Gopināth Mandir-Kīrtan Mela

All glories to the devotees of the Lord headed by HH Lokanāth Swāmī Maharāja who have a sweet and very deep and spontaneous attraction for the mellows of Kīrtan. Lord Caitanya Mahāprabhu has delivered this precious, supremely merciful gift of Sri Harinām Sankīrtan to the entire universe. It is filled with His prema and the prema of Nityānanda's dance. It is beautiful, exact, a natural expression of love. As Sri Kṛṣṇa is smiling, holding His Venu and playing so beautifully a song of love to all souls waiting for us to receive and respond. Our response

Hare Kṛṣṇa Hare Kṛṣṇa Kṛṣṇa Kṛṣṇa Hare Hare /

Hare Rāma Hare Rāma Rāma Rāma Hare Hare

completes the reciprocation. A dance and a song and a offering to the Supremely attractive Lord of Vṛndāvan. May we sing and dance with love along with the prayer to bring everyone into that dance of love. All glories, all glories to Sri Kṛṣṇa Caitanya Mahāprabhu and all glories to Sri Nityānanda Rāma who are both the sun and moon rising simultaneously in order to chant and dance in great happiness and inspire the entire world to follow. May we always remain at Their lotus feet in love for Sri Pañca Tattva and for each other. Gaura Premanandē! Gaura Premanandē! Hari Hari Bol. Hare Kṛṣṇa.

February 16 Mumbai/ Sri Sri Rādhā Gopināth Mandir-Kīrtan Mela

Sri Krsna is love, and love of Sri Krsna is the only goal worth living for. We need it and desire it badly. How to open our hearts to His love? The perfect love. The end of all sufferings. Silra Prabhupada the greatest mystics bringing it into this world from Goloka by the power of his devotion. We worship the lover and the love. Krsna I am Yours. Hare Krsna.

February 17 Mumbai/Sri Sri Radha Gopinath Mandir-Kirtan Mela-Sri Advaita Acarya App.

It becomes obvious that the whole world can be united and happy if everyone takes to the Sankirtan of the Holy Names of Sri Krsna. That is the exclusivity of unity. One mantra-Hare Krsna, one activity-chanting Hare Krsna, one goal to love and serve Sri Krsna. The culmination of perfection within all activities. So easy but they won't or just can't do it. So we will continue to spread the glories of Sri Krsna's Names. All glories to Sri Nam Prabhu and to its expert Sri Caitanya, its distributor Sri Nityananda, its personal deliverer Srila Prabhupada. May we always serve them with love and determination. Jay Srila Prabhupada. Gaura Premanande. Hari Hari Bol. Hare Krsna.

February 18 Mumbai/Sri Sri Radha Gopinath Mandir

Many times it takes someone to tell you or to reveal what you already know. The spreading of Krsna Consciousness is being orchestrated by Sri Caitanya Mahaprabhu. His plan is perfect, our role is to try and join in as His obedient assistant. That takes intelligence. By careful observation ideas come. History also contains how people react and interact. Getting a person to buy the diamond means first getting them into the store or to have the traveling salesman pique their interest. Relating to the person means to relate to their interests. Did Srila Prabhupada pound philosophy into his newly arrived students? It is less than that today as the market is full with "we are the only way". Doesn't work with the intelligentsia. In like a needle means to find the way in and that is what preaching is all about. How to connect with the person, group, to make your voice heard. To preach as Srila Prabhupada said means to tax your brain. That taxing is necessary especially in this age of anything goes. May the leaders of our movement understand and endorse the principle of unity and diversity in the area of preaching. Srila Prabhupada showed the perfect example. Hare Krsna.

February 19 Mumbai/Sri Sri Radha Gopinath-Disapp. Madhvacarya

Somehow by the mercy of Lord's devotees and my own innate desire a reawakening for the taste to read and study Srimad Bhagavatam has surfaced. It is like finding your life after losing it. The same experience

occurs with the kirtan of the Holy Name. Only with Srimad Bhagavatam is it less obvious. I have so many services I want to complete and some I want to start yet just to get through the days regime requires upward mobility. Schedules change and continue to change. Keeping early japa or keeping it as the day's initial duty has keep me sane through the continuous change of schedules. As Srila Prabhupada told his servant when he spilled the sandalwood oil:"you will be intelligent when you are eighty" This is undoubtedly my case that is if time allows. Taking shelter of Sri Krsna's Holy Name and the mercy of Srila Prabhupada and his followers I happily execute devotional service. Hare Krsna.

February 20 Mumbai/ Sri Radha Gopinath-Dis.Ramanujacarya

These diary statements are the last activity of the day's services. Occasionally because of late night I am not driven to become more philosophical or even have the effort to become very thoughtful. Perhaps an earlier time would be more conducive to writing. The advantage of the last thing on the day's is its steady regulation and this is very much wanted. Being at Sri Sri Radha Gopinath Mandir means participating in a very steady and spiritually powerful morning program. The Guru puja kirtan are always highly enthusiastic lead by the best of kirtaneers resulting in much exuberant dancing. Mangala arati is so sweet, so devotionally sung and always filled with devotees. Japa period is long enough for chanting mostly all of one's rounds. The overall atmosphere is permeated with goodness that one could unconsciously slip into a relaxed state. In any case. My stay here is ending in a day, I pray I can be of some service to the assembly of Vaisnavas. Srila Prabhupada is undoubtedly pleased with HH Radhanath Swami Maharaja. All glories to his deep devotion and expertise in serving Srila Prabhupada's instructions. Hare Krsna.

February 21 Mumbai/Sri Sri Radha Gopinath Mandir- Ekadasi

We are very sad and sorry to hear that many people died in a series of bomb blasts that hit Hyderabad today. Senseless mindless cowardice, malevolent violence. We totally condemn such activity as the viciousness of Kali Yuga's degraded mentality. We pray that devotees are protected along with all others as Lord Nrsingadeva is very eager to protect those that serve and seek His shelter and remember Him with loving devotion. But the vicious mentality will continue as long as people reject God conscious. There is only one solution to all problems whatever or where ever there be, the full shelter of the Lord in devotional service. As Kali continues his evil schemes so Sri Sri Gaur Nitai is spreading Their mercy, a great polarization is occurring. We want to save as many souls as possible and become fully absorb in chanting Sri Nam-Krsna Nam.

May Srila Prabhupada be glorified as that person who brought the perfect medicine in this sick age of Kali. All glories to His Divine Grace Srila Prabhupada. Hare Krsna.

February 22 Mumbai/Sri Sri Radha Gopinath Mandir-Pune

Tomorrow is the most auspicious and divine celebration of the most amazing, most munificent manifestation of Sri Balaram Himself-Sri Nityananda Rama. May we with complete love, energy and joy worship and honor His divine pastimes and merciful mood of devotion. All glories to Srila Prabhupada the full embodiment of Nitai's mercy who has brought the world the Personality and pastimes of Sri Sri Gaura Nitai. Hey Nitai! I am very fallen therefore You are my sole object of devotion. Please be merciful to me and give me full devotion at your sweet lotus feet. Jai Nitai Gauranga. Hare Krsna.

February 23 Pune Nityananda App. and Temple Opening

Spectacular! A glorious victory-Sri Krsna Sankirtanam. A majestic, fully opulent, wonderfully artistic, intricately designated huge mandir of Sri Sri Gaura Nitai, Sri Sri Radha Vrndaban Candra, Sri Jagannath Sri Baladeva Subhadra Devi. India although presently headlong into Western lifestyle is still getting powerful dosages of its great spiritual heritage. All glories to the devotees of Pune headed by His Grace Radhe Syam Prabhu. Srila Prabhupada is smiling in great transcendental happiness adding a feature of victory to the already hilly decorated Mandir of Lord Caitanya's spiritual conquest. All glories to Sri Sri Radha Vrndaban Candra who mercifully allowed me the service of touching His transcendently lovely heart which is filled with love for all living entities headed by Sri Radha. My life has been fully blessed. Thank you Bhakti Vidya Purna Maharaja for being such a powerful emissary of Vrndaban Candra's mercy. Jai Nitai! Hare Krsna.

February 24 Pune

May Sri Sri Radha Vrndaban Candra remain always in my mind and heart and may the mercy of Srila Haridas Thakur accelerate the quality of my chanting, may Laksmi Nrshinga allow me to serve Them although I am very awkward and unqualified and may Srila Prabhupada continue to guide me despite my rebellious nature. Obeisances to all the devotees of Pune yatra. Their service is glorious. Hare Krsna.

February 26 Sridham/Mayapur

Gauranga! Hey Gauranga!-Gauranga. Please bring me to Your lotus feet in kirtan as I strongly desiring this. It seems I am involved in another of ISKCON's strategies to move the society forward. What can I contribute,

what will I learn. For me its about learning how to contribute and not be complacent and going on in the same way. Innovation and determination to assist in spreading Srila Prabhupada's movement of Sri Harinam Sankirtan. All glories to the assembly of Vaisnavas. Hare Krsna.

February 27 Sridham/Mayapur

Dear Srila Prabhupada, I feel the need to ask your help for direction on how I can balance my services and sadhana and to understand priority by the art of managing time. Thank you Srila Prabhupada. You are my only shelter. Hare Krsna.

February 28 Sridham/Mayapur

"Tat te nukampam su samiksamana". Mercy for correction, needed and accepted graciously. We are prone to error, that is evident. Praying to always be engaged in devotional service with love with gratitude. All glories to Srila Prabhupada. Hare Krsna.

March 1 Sridham/Mayapur

The Holy Name is becoming our only focus. Chant, chant, always chant Krsna's Holy Names. Srila Prabhupada has given the world the greatest treasure. So mercifully available yet the people of the world are like blind owls. Owls see in the dark but these owls can't see anything beneficial although they are decorated with huge eyes. May the world wake up to chanting Krsna's Name. It's happening, but not fast enough. All glories to Sri Krsna Sankirtan. Chant! Hare Krsna.

March 2 Sridham/Mayapur- Srila Bhaktisiddhanta's App. Day

Humility, the skin over the fruit of love of God. The skin protects the fruit so humility preserves and enhances our bhakti. Humility inspires service yet reminds us of our real position. Unless we fully understand we are totally insignificant our service may cause to feel it is important what we are doing. We come, we go still the world goes on with or without us. If we can serve the devotees and please them that is our happiness. Don't look for anything else just to serve the Vaisnavas and always always chant the Holy Name. May Srila Prabhupada be pleased with our insignificant effort to serve. Hare Krsna.

March 3 Sridham Mayapur

"Sarve sukhentu bavanti"-let everyone become happy. This is Krsna consciousness. Blessing and best wishes for a full life in devotion to Sri Krsna for Raghupati Raghava and his very good wife to be Radhika dasi. All blessings showered upon them. Initially Srila Prabhupada made arrangements for the marriage of his fledgling disciples. He wanted first-

class ideal Krsna conscious householders to be recognizable force to spread Krsna consciousness and become perfect examples of the grhastha ashram. Praying for the blessing of Srila Prabhupada and others coming in the line to bestow their mercy on these two sincere devotees. All glories to Srila Prabhupada-as he was and wanted us to become,the example of becoming a well-wisher to all. Hare Krsna.

March 4 Sridham/Mayapur

Seniality doesn't afflict devotees provided they always remember Sri Krsna. We have defeated all the infirmities and deficiencies of old age. Old age is more than just a physical calculation of years gone by,it is also a state of mind that causes one to suffer due to forgetfulness of Lord Krsna. Lord Krsna is Nava Yauvana and His abode Goloka Vrndavan exhibits this quality when one is fully absorbed in service to the sweet youthful playful boy of Sri Vrndavan. May the mercy of Sri Krsna remembrance always be on the track of my mind.Begging to become a better and a more effective distributor of Srila Prabhupada's and Gaura Nitai's mercy. By worshipping Srila Haridasa Thakur one receives the blessing of Gauranga Mahaprabhu.They are very very kind. Hare Krsna.

March 5 Sridham/Mayapur

We have much service to perform and there is always more on the way. Why is reading Srila Prabhupada's books the service that normally is pushed aside.Maybe we think it is not necessary as we have read sufficiently over the years or not as important as our other services. Srila Bhaktisiddhanta Sarasvati Maharaja has concluded that Hari Nam is incomplete without Hari Katha. Reading supports Hari Katha and strengthens the mind towards devotional service and awakens our attraction to hear about and serve Sri Sri Radha Krsna. May we strongly renew our reading and studying of Srila Prabhupada's books and eagerly seek out and associate with those who have a strong taste for chanting Hari Nam. Gaur Prem! Hare Krsna.

March 6 Sridham/Mayapur

Wonderful opportunity as we were asked to lead the Gaur arati. All glories to Sri Krsna Caitanya Mahaprabhu,all glories to Sri Panca Tattva. All glories to His Divine Grace our mercy manifestation imbided with pure compassion. Srila Prabhupada Ki-jay. Hare Krsna.

March 7 Sridham/Mayapur

I write this diary entry as my final service of the day. I feel it is not the best possible time to do any serious writing but it makes an easy routine keeping the entries recorded each day. Today I am getting a little

glimpse of the another service I am trying to accept. Krsna help! It nice to have many services but hearing and chanting ends up being reduced to the minimum. What needs to be done should be and what doesn't, well, keeping my head at the lotus feet of Srila Prabhupada and always taking shelter of Krsna's Holy Names. Hare Krsna.

March 8 Sridham/Mayapur Ekadasi

The material world is a very unnatural and extremely dangerous place. Living entities are always in competition with each other. On all levels of society the struggle to obtain and enjoy the property of the Lord plays itself out in different degrees of competition at times resorting to extreme hatred and cruel violence. This realm of existence is not our home and we can never make it our place of livelihood. Those whose consciousness are consumed by illusion can't understand how to live as they struggle, they guard, they fight. Our home the spiritual world is our natural existence filled with opportunities to express our natural love for the Lord and with each other. We can only be happy there as the atmosphere is love focused on service and devotion to the Supreme Lord Sri Krsna. Why do we want to stay in this horrible place, it's only foolish ignorance. We dwell here only so as to prepare our consciousness for the atmosphere of the divine and to gather others to take along. Act in the present, live in the spiritual. Always chant Hare Krsna. Srila Prabhupada has shown the way-wake up! Chant Hare Krsna.

March 9 Sridham/Mayapur

All glories to Sri Nrsimha Bhagavan. May He give us more of His service. We are blessed by His mercy. May we always try to serve Srila Prabhupada by preaching the message of Srimad Bhagavatam and Sri Caitanya Caritamrita. Hare Krsna.

March 10 Sridham/Mayapur Maha Siva Ratri

By the mercy of Lord Sri Krsna we received the wonderful service of worshipping and honoring Lord Siva on Maha Sivaratri. Each year devotees organize a wonderful day of offerings and puja and each year it is becoming bigger and better. We pray to Lord Siva to destroy our false ego as He is in charge of the mode of ignorance. We want to increase our service and devotion to Lord Sri Krsna, and Lord Siva known as Vaisnavanam Sambhu can assist in our service being accepted. May we always honor with love Sivaji and the amazing service he performs. His nature is mysterious yet spiritually perfect. All glories to Srila Prabhupada who has raise many souls from Siva worship to Visnu, Krsna worship by his pure devotion. All glories to Vaisnavanam Sambhu. May he be pleased with our service to Sri Krsna Caitanya Mahaprabhu. Hare Krsna.

March 11 Sridham/Mayapur

Praying for the full shelter of Krsna's holy Names and Srila Prabhupada's guidance. Being in Sri Mayapur Dham means to take advantage of the mercy. Praying to give mercy and to be eager to take mercy only to give it. Gradually sinking into the modes of passion and ignorance, desperately seeking shelter at your lotus feet. Please save this ignorant fool from his rascal mind. Hare Krsna.

March 12 Sridham/Mayapur-Disapp. Jagannath Das Babaji, Rasikananda, Tamal Krsna Goswami

The Holy Name has descended in a powerful way engulfing all the three worlds in the sound of itself along with the echo of the dull living beings. May it continue to extend its mercy to all places and all people. It is sometimes said that people are thinking when will Sri Caitanya Mahaprabh come to deliver me. We want to help fulfill that desire. May we renew our determination to spread the glories of Nam katha. Srila Prabhupada Ki-jay. Hare Krsna.

March 13 Sridham/Mayapur

Kirtan mela is described as an event for heralding the glories of Lord Caitanya. Every moment of each day should be dedicated to this. Of course it is called sankirtan yajna and it is an austerity but through continuous chanting in the mood of serving the Holy Name we will achieve the mood of absorption in Krsna's Name. All glories to Yuga Dharma Sri Harinam sankirtan. May Srila Prabhupada bless all the devotees with attraction to chanting Sri Nam Prabhu. Gaur Premanande! Hari Hari Bol. Hare Krsna.

March 14 Sridham/Mayapur

Praying to be able to please the devotees as tomorrow we are acting on behalf of Srila Prabhupada by serving as initiating Guru bringing more souls into the family of ISKCON. May Lord Nrshingadeva favor us by removing all obstacles. May Srila Prabhupada inspire us to speak in the most devotional way manner citing Guru and sastra. May Gaur Nitai accept these initiates into the culture of Sri Harinam Sankirtan. Gaur Premanande! Hari Hari Bol. Hare Krsna.

March 15 Sridham/Mayapur

May all living beings chant the Holy Names of Sri Krsna and feel love within their hearts and may all enmity and envy disappear and all differences dissolve into the fire of Harinam Sankirtan. Let everyone understand love of God is the only source of everything auspicious. May

Srila Prabhupada be satisfied that his movement of Krsna consciousness is capturing the attention of all and purifying many. All glories to Sri Nam Prabhu. May Srila Haridas Thakur bless us to always chant Hare Krsna. Gaur Premanande! Hari Hari Bol. Hare Krsna.

March 16 Sridham/Mayapur-Mumbai- Sri Radha Gopinath Mandir

Gaur Premanande! Leaving the Holy Dham of Sri Mayapur means sadness. All glories to Srila Prabhupada. Hare Krsna.

March 17 Mumbai-Sri Sri Radha Gopinath Mandir

Grateful to HH Radhanath Maharaja for sharing the Sunday feast lecture and kirtan. We're looking towards reading Srila Prabhupada's books and others. Preaching means reading as then there is good inspiration for speaking. We take shelter of Srila Prabhupada mercy for preaching Krsna consciousness. I feel I need a course in time management and a push towards hearing and chanting Krsna consciousness philosophy. Whatever you emphasis that becomes. Much emphasis on chanting but svarupa siddhi must be accompanied by Hari Katha. Hare Krsna.

March 18 Mumbai-Sri Sri Radha Gopinath Mandir

Returning to London. Sweet yet short. Then there is Jagannath Puri Ratha Yatra in July. Reading Caitanya Caritamrta and studying verses as life is becoming more full. Expanding time as many services are on the table. Greatest happiness is kirtan, greatest satisfaction pleasing devotees, greatest time spent giving a Srimad Bhagavatam class, greatest experience darshan of Sri Sri Radha Gopinath and Their associates, greatest focus is to execute Srila Prabhupada's order with enthusiasm, greatest service is to chant Hare Krsna. Gaur Prem!

March 19 Mumbai-Sri Sri Radha Gopinath Mandir-London

Whatever Lord Krsna arranges let us be satisfied. Satisfaction allows the ideal to surface. Dissatisfaction cause inertia. Shouldn't find fault with my assistances although they require some training. Guru must train one's assistances to be more surrendered and able to serve nicely. Dear Srila Prabhupada all glories to you whose life in spreading Krsna consciousness was just one austerity after another. "Vyavasatmika buddhi ekeha kuru nandana". Drdha vrata firm determination. Complaining is for the karmis. All glories to Srila Prabhupada who taught us the art of taking shelter of Sri Krsna at every moment. May we meditate on Him only. Hare Krsna.

March 20 London-Harivamsa's Home

The world of death is happening every moment. When it appears near to one's door then we pay attention. The father of a devotee from BV/Manor was mangled by a train in India. Tonight the family in London had a kirtan in his honor. We personally didn't know him and hardly knew his son. Yet we took the opportunity to remind others and ourselves of the temporary nature of all that lives. Time does its service we are his objects of service. Remembering the temporary nature of this world is necessary to successfully practice Krsna consciousness. It is extremely beneficial as it forces us to embrace the rare and priceless nature of devotional service and causes one to chant Hare Krsna. May we always chant Hare Krsna and increase our love for chanting and for Sri Krsna the beloved object of all activities. Thank you Srila Prabhupada. Hare Krsna.

March 21 London-Harivamsa's Home

Help! save me from personal servants. The misery is worst than all other miseries combined. What to do? Be tolerant? OK that's easy. Let him continue to be at best second class. Your mercy dear Lord can carry me through all difficulties. A beggar is at your feet. Srila Prabhupada tolerated more than we will ever encounter. We must look to him for inspiration. Courage, not allowing anger to enter. All glories of the Holy Name the only savior in this dark age of personal servants. Hare Krsna.

March 23 London-Harivamsa's Ekadasi

Due to a severe case of inertia, excessive tiredness yesterday's entry was skipped. Becoming re-climatized after returning from India each year is always the struggle each year. Nothing seems to work except the time element. Only because of early chanting am I able to continue on. Struggling to engage the mind and senses fully in Krsna, that is the goal. Tomorrow we offer Caitanya Caritamrita class at the Manor. May Sri Krsna's Holy Name reveal its glories so I can speak something beneficial. May I find full shelter in Krsna's Name and in Sri Caitanya Caritamrita. The temple is nice, crowded with a congregation of enthusiastic persons endowed with much spiritual energy. I am happy to be able to serve on behalf of HH Radhanath Swami. Due to some inattention I committed an offense to the deity of Lord Caitanya. I humbly pray for forgiveness and beg to never be so inattentive. May Srila Prabhupada provide me with the intelligence I need to serve nicely, devotedly. Hare Krsna.

March 24 London-Harivamsa's

Praying that HH Sivaram Maharaja is able to recover completely and again resume his powerful service to Srila Prabhupada and Sri Sri Radha Shyamasundar. May he continue to inspire us by his devotion and expert guidance. May HH Radhanath Maharaja regain his health. Hare Krsna.

March 26 London-Harivamsa's

Skipped another day. It appears my desire to write daily is diminishing, mostly because of tiredness. Tomorrow we honor the appearance of Lord Sri Caitanya Mahaprabhu. Gaur Purnima. The most auspicious holy day of the year for the Gaudiya Vaisnava. Many others are gaining appreciation for this most wonderfully magnanimous personality incarnated to set in motion the worldwide chanting of Krsna's Holy Name. Sri Mahamantra. Begging,praying to be able to give myself fully in honoring and glorifying Sri Gaursundar.He is the best of the best of the best. Fully devoted to His lotus feet and to Sri Nityananda chanting His Holy Names in great happiness.Jai Sacinandana Gaur Hari. Hare Krsna.

March 27 London-Sri Gaur Purnima

May the glorious son of Mother Sacidevi be ever resplendent in our hearts and in our minds. May He inspire us to chant His Holy Name and always cause us to want to give this chanting to others.His divine appearance brings auspiciousness for the inhabitants of the entire planet Earth. His pastimes are an ocean of sweet transcendental nectar imbued with the deep principles of Vaisnava philosophy and culture.Jai Sacinandana! Jai Nityananda Ram! All glories to Srila Prabhupada. Hare Krsna.

March 28 London-Harivamsa's

Fear vs Love. A child disciple may contain both,an adult,love is the remedy. Receptively to love is sometimes present and sometimes not. Reasoning,logical explanation,philosophy. One must be grateful for the service of others.Thank you,Srila Prabhupada for giving up the ideal dwelling of Sri Vrndaban Dham to save us. Hare Krsna.

March 29 London-Manchester Retreat

A four day retreat,out in the boonies. The smell of horse manuer is quite strong. Ours is a building away from everything. 100 devotees-kids, women, the elderly,all coming to get away from Maya and hear and chant about Sri Krsna. A lively group,they like to laugh,nothing artificial they are wanting to have fun with Lord Krsna.What to present?- the skies, the limit.Make it simple but straight. Holy Name and the illusion of material happiness.Tell stories that will keep the attention. An opportunity to inspire others. Praying my health endures as the cold and the accomodations present a challenge to health. No cell, no net, I am happy. May Srila Prabhu'pada guide us to preach in the best possible way. Gaura Premanande! Hare Krsna.

March 30 Manchester Retreat

It is essential for one's spiritual growth to reflect and carefully analyze where one has to focus in order to move forward by purifying finer attachments. These are gradually destroyed in the course of execution one's devotional service. Atyahara also means over collecting. Keep things simple and in that way focus more on hearing and chanting and serving. I pray to be lead more on the path of external renunciation. My concern is understanding how to use all things in Lord Krsna's and Srila Prabhupada's service. I pray for guidance. Hare Krsna.

March 31 Manchester Retreat

Gaura Nitai are very merciful, They are constantly engaged in kirtan and inspiring others to join Them. The devotees here are very enthusiastic to perform kirtan and that alone is their success. As kirtan is the yuga dharma, Srila Prabhupada's books are the guide to everything spiritual and philosophical and worship of the Deity is perfecting the external vision. May we always chant Hare Krsna and remember His beautiful forms of Jagannath Baladeva and Subhadra, Sri Sri Gaura Nitai and Sri Sri Radha Madhava. Eager for the day when I can just chant Hare Krsna and read Caitanya Caritamrta and Srimad Bhagavatam. Hare Krsna.

April 1 Manchester Temple

We should not mistakenly think that things around us will get better. We must get better and that means accepting all situations, trials, victories as the mercy of the Lord. Come to the mindset that all service is great mercy and to always give our best is a victory for the soul over the body mind and senses. There is so much suffering in the world. If we can lessen it by Lord Krsna's mercy then that is strongly desired. Learning the philosophy means living the philosophy. Living the philosophy means giving happiness to all no matter who as Krsna is the only friend of all living entities. "Suhrdam sarva dehinam". We can make Him smile by giving what He wants to give. Humility doesn't necessary mean to think less of yourself but to think of yourself less. It is a fight. Srila Prabhupada is our commander. The enemy is personal interest. Hare Krsna.

April 2 Manchester

The behavior of a Vaisnava is his character which ornaments his advancement. Character can also indicate those things that can be used in Sri Krsna's service. Nice group of devotees; simple, humble, enthusiastic, generous, eager for Krsna consciousness. I am not eager to add more places for regular visits yet how can I avoid coming back. More quantity and quality. Don't allow quantity to spoil quality. Sleep is approaching. Must end. On the road, another debut-New Castle. Take

shelter of Sri Krsna's Name and always chant Hare Krsna. Srila Prabhupada you are the only shelter how to stay tightly at your lotus feet. Please guide us. Hare Krsna.

April 3 Manchester- New Castle

A new place, a simple temple. Close quarters with the residents. An extra inconvenience. Aside the devotees are eager, enthusiastic kirtaneers. Both the men and women exhibit high energy. Lord Caitanya with Panca Tattva. Exact same deities as Leichester, crafted by the artist Taralaksi. Amazing talent, she is of the best artists in ISKCON. Srila Prabhupada would comment that Lord Caitanya has brought His devotees with Him to spread the movement. May Lord Caitanya inspire us in His service of preaching to the conditional souls. Gaur Premanande! Hari Hari Bol. Hare Krsna.

April 4 New Castle

The devotees are very enthusiastic to preform kirtan. A outstanding quality that brings happiness and drives away boredom. Again we have fell into the pit of not reading Srila Prabhupada's books. Must read daily. Physical excercise and reading Srila Prabhupada's books are always being omitted. Perhaps that is why I am ill. Oh well, perfection in practice the way to go. Perfection in consciousness is always available. Chant Hare Krsna. Hare Krsna.

April 5 New Castle

Cold weather wearies. Praying to become a little purified as tomorrow brings us the glorious Ekadasi day. May Srila Prabhupada bless us with more and more hearing and chanting the glories of Sri Caitanya Mahaprabhu. Hare Krsna.

April 6 New Castle Ekadasi

By the blessings of Srimati Radharani we completed 40 rounds. Actually that's not much. Generally we are lazy when it comes to japa. Kirtan we are enthusiastic. Japa is an austerity yet is always very satisfying. Visited by a one young girl. She wanted to meet me on Wed. yet she came this evening. She's very unhappy it's obvious but she tries to hide it. We pray sincerely to Srila Prabhupada to bless her with proper devotee association who are able to guide her. May Lord Nrshingadeva give protection. He is extremely merciful. We sliced off a day on this trip and will return to London a day early. All success to the devotees of New Castle, may they reach out and help many in Krsna consciousness. May Lord Nrshingadeva give all protection. Thank you. Hare Krsna.

April 7 New Castle-London-Sundarananda's Home

Very often we are feeling that we are fixed in Krsna consciousness and that is wanted. To be able to chant Krsna's Name always, no matter how one feels or doesn't feel. Begging, praying and remembering to always be in the consciousness as receiving mercy. We are fallen, very fallen. How often we remind ourselves what we did or will do. It is all external not the activity of a humble soul. Praying, begging to become always dependent on Srila Prabhupada's mercy. We have much service we want to perform and that is wanted yet we must be cognizant that Lord Krsna doesn't need our service, yet He kindly accepts our devotion. Therefore whatever I can do or not do depends on what pleases Lord Krsna and Srila Prabhupada. Hare Krsna.

April 8 London-Sundarananda's Home

We took a look, the potential is immense, the material available, the opportunity waiting. A world less tapped into, the souls we refer to as criminals. Acknowledged, they acted badly. But most criminals are outside the jails. We refer to them by different labels; Govt. leaders, men of business, entrepreneurs. Nobody is free only different degrees of confinement. The soul willing confines to a life of illusion. Many of those inside prisons are moving towards real freedom-Krsna consciousness. Our good fortune is we can assist, guided by His Divine Grace and lead by his transcendental books and heart penetrating message. Let us

continue to now move steadily in that direction and open up and reveal more of what exists. Sincere souls reaching out for Krsna consciousness. Hare Krsna.

April 9 London-Sundarananda's Home

A wandering mind overly attached towards completing many things. Japa requires fixidity. The names are coming, the mind is going. Where-everywhere. Why? Because that just what it likes to do. Surfing the gamut of topics. Some devotional some not. Beating the mind with shoes and a broomstick. Force it to hear. It wants to but still it follows its cancala nature. Much service its always available and more is automaticall coming. Unlimited opportunities. Hearing and chanting nicely gives good function to the mind and happiness to the soul. Sri Radha's lotus feet are impossible to attain still we want to put our mind there. Lord Krsna does so. He has the best taste. The body is a burden with no respite. Just a false dream. More hearing and chanting especially Srila Prabhupada's Caitanya Caritamrta. Everything given just take it. Why concern yourself with what others are doing. Lord Krsna is the shelter for all, Srila Prabhupada the means. Hare Krsna.

April 10 London-Sundarananda's Home

Srimati Radharani's lotus feet-Oh what meditation. I am not qualified even to think of Her what to speak of Her divine feet which are fully worshipped by Sri Krsna Himself. Dear Sriji, please allow me to worship You although I am fully incapable and always below Your devotees. Your feet are the path of perfection. May Srila Prabhupada tolerate all my inabilities and correct me accordingly. His feet along with Srimati's Radharani's are my meditation. Jay Nitai Gauranga. Hare Krsna.

April 11 London-Sundarananda's Home

Prayer! Praying to remember that in all circumstances I am dependent on the mercy of Sri Krsna coming through Srila Prabhupada and the association of senior Vaisnavas. Everything is the property of the Supreme Lord. We are visitors to this place and users of the paraphernalia available not the proprietors or enjoyers. Acting as a humble servant is natural and the way to enjoyment. Conditioned nature runs deep and is always re-enforced by our surroundings. Constant remembrance of Sri Krsna and a desire to hear about Him is freedom. Bondage is the result of whatever we create. The body is limited and time has its effects. Chanting with rapt attention the way to satisfaction. Satisfaciton is a rarity. Chanting provides the way to everything desirable. May Srila Haridas Thakur bless us with the desire to chant Hare Krsna. Gauranga Mahaprabhu Ki-jay. Hare Krsna.

April 12 London-Sundarananada's Home

Siva Ram Maharaja's association very uplifting, presently he is in the hospital for recovery. We sincerely offer our prayers for his speedy recovery. May he be back serving Sri Sri Radha Syamasundar. That we humbly submit. Time and tide moves along taking along everything in its path. Only Krsna and Krsna consciousness can save us nothing and no one else. All glories to Srila Prabhupada.

April 13 London-Sundarananda's Home

New group, mixed with a few elderly Britishers. Simple folk, initially I felt that was no need to preach to them. Lord Krsna showed me they were serious enough. One cannot always judge by appearance. I pray I can maintain a simple diet. Health will become stronger and the mind easier to control. Preaching should be with the mood to please Srila Prabhupada and Lord Krsna. Hare Krsna.

April 14 London-Sundarananda's Home

Stepping back from time to time asking ourselves what are we trying to accomplish. To awaken our full love for Krsna is the only goal yet we must pay attention to establish shorter ranged objectives that lead to love of Krsna. How to preach Krsna consciousness in a way that is most effective and inspires us to want to increase unlimitedly. By reading Tirtha's Prabhu book we are directly ushered into the disturbed minds and lives of those souls locked away in the hell of prison life. We want to reach them. It is Lord Caitanya's desire to bring Krsna consciousness to all even those who are seen as a disturbance to society and require to be isolated from everyone else. You cannot call yourself a preacher until you develop genuine feelings of concern, compassion for your audience. When we reflect back on our own lives of where would we be if it wasn't for Srila Prabhupada entrance into our confused lives, then immense feelings of gratitude based on our discovered good fortune awaken. Then we can only think how much we want to give that same mercy to others. Anyone who is not on the path of Krsna consciousness is unfortunate. Desiring to assist Srila Prabhupada in the mood of that great Christian saint St. Francis of Assisi who only wanted to be an instrument of the Lord's mercy. We humbly beg to always keep in mind the importance and the needed enthusiasm to spread Lord Caitanya's mercy more and more. We are truly grateful. All glories to Sri Krsna Sankirtan. Hare Krsna.

April 15 London-Sundarananda's Home

May it continue-Sri Ramayana.Medicine for the restless mind, stimulation for the intelligence,nourishment for the soul. Sri Ram's lila so wonderful. Blessed by Srila Prabhupada's mercy. The glories of the Supreme Lord Sri Ramacandra. May we continue on,reading more of Srila Prabhupada's mercy flowing from his pure devotees. Sita Ram Laksmana Hanuman Ki-jay.Jay Sri Rama! Hare Krsna.

April 16 London-Sundarananda's Home

Oh'Gauranga! My dear Lord. Oh'storehouse of unlimited kind mercy. We cannot imagine life without You. If You hadn't come to rescue us from the hell of material existence a hell that destroys all meanings to the soul's existence then we dread to imagine our fate. With gratitude we want to make our life pleasing to You in every activity.Oh Nityananda, the remembrance of You brings peace to the mind and joy to the heart. You brothers are the greatest benediction that has be fallen mankind. In serving Your mission we humbly offer our obeisances to Your pure representative His Divine Grace Srila Prabhupada knowing that by his kind mercy we have received Your service and darsan. Praying to become a constant chanter of the Holy Name of Sri Krsna along with becoming a larger dispenser of Your mercy. All glories unto You. Srila Prabhupada Ki-jay. Hare Krsna.

April 17 London-Sundarananda's Home

All glories to Srila Radhanath Swami Maharaja as he has shown the "lords" who is the real Lord. A huge step up from economics. Srila Prabhupada is pleased. Hari Bol. Hare Krsna.

April 18 London-Sundarananda's Home

Blessed by the mercy of Sri Sri Sita Rama Laksmana and the mighty Hanuman. With my head placed at the feet of His divine merciful Srila Prabhupada I will with enthusiasm born of happiness due to my reading of Sri Ramayana narrate Sri Ramacandra's pastimes and glories. Begging to be successful in all respects. Hare Krsna.

April 19 London-Sundarananda's Sri Ramacandra's App.

I offer my most humble and extremely grateful respects with obeisances to the most merciful magnanimous and highly righteous Supreme Lord Sri Ramacandra along with His pure and most chaste wife Sitadevi.To His fearless and extremely devoted brother Sri Laksman along with His powerful and fully dedicated assistant Sri Hanumanji. May They be pleased and allow me to continue to have the glorious opportunity to speak Their pastimes and extol Their supremely virtuous characters. I conclude with humble obeisances to the greatest preacher of Sanatan

dharma in this fallen age of Kali. Jay Sri Sita Ram Laksman Hanuman.
Hare Rama.

April 20 London-Croatia/Zagreb-Vlado and Subhadara's Home

The Ramayana along with awakening our natural love and admiration for Sri Ramacandra teaches us many important lessons on life. Foremost is the value of accepting virtue based spiritual principles over immediate and fleeting gain derived from the so-called attractions of sensuality that the world may offer. Spiritual over material, love over lust, regard over exploitation, courage over cowardice, Truth over illusion, long ranged happiness over immediate gratification. Dedication to vows over consorting with the mind's fleeting fantasies, service over derived personal interest. May we always remember the many lessons on life taught to us by this great scripture and worship Sita Ram Laksman and Hanuman in our heart of hearts. As we appreciate the gift of this great treasure trove of knowledge we are reminded of the profuse gifts given to us by His Divine Grace Srila Prabhupada. We offer him our humble obeisances with gratitude. Sita Rama Laksman Hanuman Ki-jay. Jai! Sri Rama. Hare Krsna.

April 21 Croatia/Zagreb-Karlovac-New Santipur

Jai! Sri Ram. Return to New Santipur. Feeling different about being here. I hope I will be able to do my service nicely. I am fully depending on the mercy of the devotees and Srila Prabhupada. All glories to Srimati Radharani whose name has suddenly and happily appeared on my heart, mind and tongue. May She bless us with pure devotion to Her lotus feet. Hare Krsna.

April 22 Croatia/Karlovac-New Santipur Ekadasi

We have been given a glimpse of Hanuman's sadness as he hears the story of Sri Ram. Our hearts are stunned by the grief born of love that so much imbues Ram's lila. Oh Rama, I take full shelter of Your loving compassion desiring to keep it on my head and wear it as my every expression and act in life. All glories to You and to your wonderful pastimes and to your eternal divine loving associates. May we always remember the chastity and love of Sita and the love between You and this best of all ladies. Our hearts again fully open with gratitude for our beloved spiritual master and savior of the world Srila Prabhupada. His gifts of bhakti to the people of the world are as numerous as the celestial stars. All glories to that bright moon among men. Jai Srila Prabhupada! Jai Sri Ram! Hare Krsna.

April 23 Croatia/Karlovac-New Santipur

The power of Krsna's Holy Name. A jailhouse rock relived. The inmates out did us. They reminded us of the value of Caitanya's mercy and how readily available it is. Singing loudly 8 inmates and one guard became a spiritual powerhouse by loudly chanting the mahamantra. We were stunned in happiness. Dear Srila Prabhupada I want to regain that determination to be an instrument of your mercy. You can lift up anyone and make him into a devotee. Please help us to rid ourselves of our anarthas, wrong thinking and destroy our laziness and lethargy. All glories to the Holy Name. We were witness of its transformative power in many wonderful ways. Hare Krsna.

April 24 Croatia/Karlovac-New Santipur

I am completely satisfied I only desire to spread Krsna Caitanya's mercy to the fallen people of this Age. If I were to ask for one benediction I would utter the same request as my beloved spiritual master His Divine Grace A.C. Bhaktivedanta Swami Prabhupada uttered when he arrived in Boston Harbor in Sept 1965. "Please dear Lord if You so desire make my words suitable for their hearing. Let them become Your devotee". I pray in the same way. If You so desire empower my words with the astra of Your mercy and power of convicibility. Let them take to chanting Hare Krsna and surrender to Your lotus feet. Thank You for allowing this prayer to be uttered. Hare Krsna.

April 25 Croatia/Karlovac-New Santipur-Balaram's Rasa Yatra

A man will tend to view everything through his perception. But perception is influenced by desire and activity. We set up a value system based on likes and dislikes somethings ignoring the advice of others who are friends and well-wishers. Lord Balarama is the original spiritual master from where all others gurus emanate and are spiritually empowered. Dear Dauji, please guide us so we can give valuable guidance to others. Your mercy is Krsna's full mercy of strength of devotion. Srila Prabhupada is Your perfect representative always glorifying You in all aspects of Your service. You act as servitor Godhead. May we remember You always for guidance and for spiritual strength. All glories to Sri Krsna Balaram. Hare Krsna.

April 26 Croatia/Karlovac-New Santipur

A day of recovery as health went way down. It is now evening and we are not yet back to normal health. The holy name sung in kirtan by great souls with enthusiastic devotion is the panacea for all ills, anamolies. When the river Yamuna came before Lord Balarama after he threatened to bifcate Her into tiny streams Yamuna appeared in her shadow form known as Kanti an expansion of Goddess Laksmi. Balaram is mercy

personified and His pastimes are for the benefit of the world. All glories to Sri Nityananda the most merciful form of the all-merciful Balaram. May we remember Him always. Nitai Gaur Premanande! Hare Krsna.

April 27 Croatia/Karlovac-New Santipur

"Sri Krsna Caitanya Prabhu Nityananda Sri Advaita Gadadhara Srivasadi Gaura Bhakta Vrnda".

The lotus feet of Sri Gauracandra are my object of mediation.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare.

These pure names are my means for service and the service itself. They purify everything. Srila Prabhupada is where we find inspiration and the knowledge needed for serving. My ever-well-wisher. All glories unto him. Hare Krsna.

April 28 Croatia/Karlovac – Slovenia/Ljubljana

"Jay Sri Krsna Caitanya Prabhu Nityananda Sri Advaita Gadadhara Srivasadi Gaura Bhakta Vrnda".

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare.

All glories to Srila Prabhupada.

April 29 Slovenia/Ljubljana

Intelligence is starving for Srila Prabhupada's books. Lectures are regular, books not at all. Preacher means reader. Lord Krsna spoke to Lord Brahma that "perfection is attained by slow degrees by theistic conduct following scripture injunctions and perseverance in practice. Tomorrow we will be tested in all three areas. May we declare victory for Lord Caitanya. His mercy is the complete yet in this Age of Kali nothing less than Gauranga's mercy will suffice. Srila Prabhupada is distributing and petitioning all those capable. Preach, preach, preach. All glories to the holy name the best way to preach in this age of Kali. Harinam Prabhu Ki-jay. Hare Krsna.

April 30 Slovenia/Ljubljana

It is time to resume regular daily exercise. If health declines it will effect my service with respects to travel. The reoccurring thought of feeling overwhelmed with ideas and plans for service. In any case there is no time to waste. A serious devotee sees each moment as an opportunity for service and is wise on how best to serve. Hopefully I will be able to open to Sri Krsna's and Srila Prabhupada's mercy as they guide and correct this stumbling bhakta. Sri Krsna's name remains my only real

shelter as I feel most at home here. All glories to Srimati Radharani as She teaches us on how to best serve. Jai Sri Radhe. Hare Krsna.

May 1 Slovenia/Ljubljana

More time available time for services outside of direct preaching. It will continue for another day and a half. Ksatriya dharma means protection, administration, welfare. Plans are developing to create a force for protecting Lord Krsna's temples, His devotees, the deities and cows. Good solid topics for discussing with a desired outcome of ksatriya training and education. Physical defense is just one part. Protection and organization decorated with the qualities of leadership. I look forward to the upcoming meeting. Many qualified devotees will attend others may attend to fulfill their own interests. With Srila Prabhupada's instructions as a guide it will progress properly. The time is ripe as society in general is showing some big cracks. May victory attend the devotees. Hare Krsna.

May 2 Slovenia/Ljubljana

Moving on, I am eager to attend our meeting on ksatriya dharma. It may prove to be a landmark event. The leadership is qualified and the time is ripe to develop a system of training and education for ksatriya devotee candidates and for the temples. We return here in a week for the disciple's conference. This will present a challenge to present quality as we want to focus on assisting and inspiring devotees to go deep into the philosophy of Bhagavat dharma. Srimad Bhagavatam is the focus other books by Srila Prabhupada will be referred to. Without a strong philosophical basis in practice and a focus on prema bhakti we will simply struggle with the modes of nature. Read, read, read, speak, speak, speak, trying to satisfy Lord Nityananda's representative in all you do in devotional service. Jai! Srila Prabhupada. Hare Krsna.

May 3 Ljubljana – Italy/Prabhupada Desh

My prayer is that we can move forward together to support and inspire each other by developing a workable plan for providing protection and leadership to the temples. Srila Prabhupada's temple, Sri Sri Gaura Nitai's abode. May a step forward in developing varnasrama manifest. May I help in bringing about cooperation and community with all the participants. Jai! Srila Prabhupada! Hare Krsna.

May 4 Italy/Prabhupada Desh

Interesting presentation on ksatriya dharma. Murari Caitanya Prabhu has carefully studied and expertly practiced duties of a ksatriya focusing on protection. We are seeing how badly this training and selection of varna is needed in order for our devotees to find a solid place in devotional

service. Ksatriya as leaders, as protectors, as dispensers of the resources of material nature. We pray the gathering will result in a step towards greater attendance and a variety of participation. This can be the beginning of establishing an ongoing programs of development and training. A plan for a varnasrama college would be a milestone in fulfilling Srila Prabhupada's desire for varnasrama in ISKCON. Praying to become a more meaningful and useful player in bringing this forward. All glories to the assembled Vaisnavas. Hare Krsna.

May 5 Italy/Prabhupada Desh Ekadasi

36 rounds Srimati Radharani's krpa, no doubt. Ksatriya dharma, Vaisnava sanga. Caitanya Caritamrita needs to be reopened and read. Much service to do. Sri Krsna's holy name is keeping me focused and prasadam is keeping me moving . Praying for the mercy of kirtan rasa. That's where my heart dwells. Srila Prabhupada's mercy can never be measured and never fully understood. We are making an attempt to appreciate and taking on more and more service. All glories to Lord Caitanya's mission captain-His Divine Grace. Hare Krsna.

Consumption of sweets have reduced significantly. Health was the reason. Some is needed at least it appears so. Renunciation must be guided by spiritual principles. The false ego always looks for an opportunity to cash in on everything. Complete dependance on Srila Prabhupada's mercy and his mission of harinam sankirtan. Chanting Hare Krsna is everything and service to the devotees becomes a great privilege and wonderful opportunity. Praying to remember Lord Krsna more and more and be free from the egoistic idea that I am the doer. This week will present some tests. Praying to be able to act in according with the desire of Srila Prabhupada and Sri Gauranga Mahaprabhu. Jai! Nitai. Hare Krsna.

Entanglement comes when the living being who is a pure soul meant to render loving service to Sri Krsna the Lord of all worlds becomes deviated from his position as eternal servant and tries to enjoy either subtly or grossly the objects of the senses displayed in this world. He the soul can neither enjoy or renounce what is not his, just as a person trying to eat becomes sick and vows never to eat again. Happiness is found through devotional service with full sense employment guided by His great and pure devotee His Divine Grace Srila Prabhupada the delineator of the pure knowledge employed it in the service of

Vrajendranandana Krsna. All glories to Krsna's Holy Name the purifier of all the worlds. Hare Krsna.

A program in Sisak, mostly ladies, very nice group. I pray we were able to make a difference. One Mataji's son a former book distributor turned drug addict, needs the devotees' mercy. He has been humbled and obviously repentant. May Sri Nityananda Prabhu give him the mercy of the Holy Name may Gauranga Mahaprabhu engage him in service and may Srila Prabhupada become prominent in his life. All glories to this transcendental trio the best of the best carriers and distributors of the topmost mercy of Sri Krsna. We pray that mother Kirtida Radhika finds the happiness she is looking for along with service to the Vaisnavas. May she become Krsna conscious. Hare Krsna.

All glories to Sri Radha who has mercifully manifested Herself in a simple sweet mood of loyal follower of Her eternal master Sri Krsna. He appeared in a most merciful and beautiful form as Sri Gaurasundara exhibiting Her sentiments endowed with a gorgeous color of molten gold. Sri Radha has advented herself to show that there is no greater mercy than Herself. All glories to Sri Vrndavanesvari Radhikarani. May we always remember to offer all our services at Her lotus feet in full transcendental happiness. Srila Prabhupada has given us the mercy of Sri Panca Tattva the full and complete mercy of the Lord along with all his beautiful forms. Jal! Gadadhara Pandit.

Krsna help! Please keep my restless mind focused on your lotus feet and away from sense objects which are pots of poison decorated with an attractive label. Srila Prabhupada there is a principle of worship that when we are in kirtan generally the harmonium is not used to back up or fill in. I am able to follow that instruction although initially when it was introduced I found it a little difficult to follow. Your words are our life and very existence. May we always do what is pleasing to you. Praying to be a more transparent media of your mercy. Hare Krsna.

Wonderfully inspiring classes by Vraja Krsna Prabhu and Bhuta Bhavana prabhu. My desire to read Srila Prabhupada's books is fully aroused by

Bhuta Bhavana Prabhu. Praying to act on that desire and please Srila Prabhupada. Your books Srila Prabhupada are the bright light destroying worldwide ignorance and illusion. Praying to become a dedicated servant of the sastras. Hare Krsna.

May 13 Slovenia/Ljubljana – Akshaya Tritiya

Although we just spoken on and heard about the need to read, understand and apply Srila Prabhupada's books, we haven't been able to seriously take that step. Many services and all very important. We are begging to become more connected with and absorbed in this great transcendental knowledge. The mature fruit of Vedic mysticism. Only by reducing sleep will we be able to complete our services. May we seriously see how to accomplish this amidst this topsy-turvy ever-increasing lifestyle. Wouldn't ever think of doing something different, just becoming more efficient in our duties. All glories to transcendental knowledge. Hare Krsna

We are remembering May 14th 2012. Not in a happy way, but in a way to honor eight wonderful Vaiṣṇavas who by Lord Krsna's inconceivable arrangement or you may call it permission, left their bodies in a plane crash near the Holy abode Muktinath. We are feeling happy that Lord Krsna was there to bring them to His lotus feet. We are praying to always remember their association and sincere devotional service. Yes, it is sad but also in our heart we know that they have achieved by their loving service to Sri Krsna a destination far beyond their material world in association with the Lord of all Lords, Sri Krsna Bhagavan. May Srila Prabhupada bless you to your final destination. Hare Krsna.

Feeling exhausted by happy knowing we are making an effort to deliver Lord Caitanya and Nitai's mercy to the outcasts of society. We could say "another successful prison program". We were warmly welcomed by the administration and there were many good questions after the lecture. Many books went into their hands, we hope they are inspired to read. To preach means to develop compassion in order to actually preach. Srila Prabhupada is an embodiment of Gaur Nitai's deep compassion. We, in our stumbling way are attempting to humbly follow. We are praying to be more able to give the mercy. The world is in a very pathetic and precarious state. At any time disaster will rise. People are lost to themselves and those who are believers in God generally do not understand how to approach and serve Him. Preaching is an endless and thankless endeavor, still we are grateful for the opportunity. Tomorrow another prison. Your mercy, Nitai, is the success of our endeavor. Hare Krsna.

Dear Lord, please drag my restless mind into the sweet pastimes of Your unlimited activities. The residing place of those who have found that Your *lilas* are the only nourishment for the conditioned souls who are desperately seeking the nectar of nectars. Oh Lord, please remind this lazy person of where there is only happiness and the place that once one arrives he never wants to leave. *Satām prasaṅgān mama vīrya-saṁvido bhavanti hṛt-karṇa-rasāyanāḥ kathāḥ*. Thank you, Srila Prabhupada, for benefitting the world with *divya jnana* and *divya lila*. Gauranga Nityananda! I was satisfied with the response to the public program in Varaždin. Mostly devotees, a few guests. May Sri Krsna be pleased. May someone become Krsna mobilized. May someone take up chanting Hare Krsna. May Srila Prabhupada continue to bless us with more and greater ability to reach others with this message of Sri Harinam. All glories to Sri Krsna's Holy Names. We pray to wax better attention. Hare Krsna!

May 19 Slovenia/Lendava-Kisore and Kisori Priya's Home

Dear Lord Caitanya Mahaprabhu, Your mercy flows down to those who present themselves as a humble servant of Your servant. We are feeling a strong urge to somehow reach people with this message of Krsna consciousness. Mostly it appears that generally amongst devotees, particularly those who are *grhasthas*, that they don't change much. Although they are eager to hear and chant, they spend much of their time maintaining the *grha*. How to reach them and inspire them to take responsibility to spread Lord Krsna's message. Srila Prabhupada, we are lazy and not pure in our action. Perhaps it is a culture difference that creates a barrier. In any case, we are eager to bring the message to others. Tomorrow, by Your mercy, we again enter into a prison. May they become eager for our message. The message that is the savior of all. Please, chant Hare Krsna! Hare Krsna!

May 20 Slovenia/Lendava – Croatia/Karlovac-New Santipur

It's a blessing to receive a receptive audience in a jail. Good questions, happy to chant, a preacher's delight. We are happy and know that Gauranga Mahaprabhu and Nitai Prabhu are greatly satisfied when the Jagais and Madhais are receiving Their mercy. We want to do more for reaching more souls with the rare treasure of Bhakti. Praying to be able to

find time to read and reflect on this pure philosophy. Planning tomorrow will be a day of hearing and chanting the glories of Nam and Lila. All glories to Mother Ekadasi, She is appearing as the day begins. May Srila Prabhupada be pleased with our tiny effort to serve the message of Nam Sankirtan. Gaur Premanande Hari Hari bol! How can I improve the quality of my service to You, dear Lord, Srila Prabhupada. Guide this arrogant fool away from all his useless thoughts and phantasies. Fix me in chanting Krsna's Holy Names and firmly detach me from the subtle allurements of Maya. Help me to understand the difference between devotional service and the personal cravings of the restless mind. Because I am fooled by Maya in believing affection is compassion and think that I am advanced. Affection for the opposite sex for enjoyment appears dead. Still Maya unleashes her subtleties into the form of misplaced affection. Real affection is for the soul and real medicine is knowledge of Sri Krsna and devotional service. By reading Srila Prabhupada's books carefully, we can overcome all the residues of material affection and become fixed in service with genuine compassion. Hare Krsna!

May 22 Croatia/New Santipur-Karlovac

Any desire, big or small, to enjoy sensual pleasure will result in arousing more dangerous material desires. Control of the tongue means to accept whatever mercy comes by way of natural arrangement and not endeavoring to find enjoyment by creating one's own ideas. The intelligence is our friend being nourished by Supersoul. The unsteady mind and its flickering fantasies can only be ruled out by a determined effort in devotion to the Supreme. That devotion must be constant and fixed on chanting Hare Krsna. One must be able to see the futility of all endeavors for sensual pleasure through knowledge of one's eternal position as servitor of the Supreme in the mood of separation. This mood of separation gives one determination and patience to remain fixed in service. May we be blessed with fixed determination in the service of Gaur Nitai and Srila Prabhupada, and always shun any and all mental phantasies for sensual pursuit. The nectar of Your activities and Your names destroys all desires for material happiness and awakens one to highest pleasure through the process of continual hearing. All glories to Gaur Nitai's mercy. May we fully pursue Their lotus feet and keep them in the throne of our hearts as Namacarya Srila Haridasa Thakura has perfectly demonstrated. Hare Krsna!

Moving around a lot, it's becoming difficult to keep the focus. Praying New Vraja Dham will pick me up and fix me in devotional service. Too many possessions for a traveler-Atyahara. Integrity-The dictionary describes as 'moral soundness' or 'unscrupulous behavior' within the concept of a desired action, 'wholesomeness'. Spiritual life requires that one manifest the symptoms and activity of a devotee in every and all circumstance. Devotion solely caused by situation is undesirable. Lord Ramacandra scrupulously followed *ksatriya* principles and dharma at the expense of losing His beloved Sitadevi. Know the principles and follow them, Training is required, *Ksatriyas* manage leading and are protectors. In any case, leading is mandatory. Fighters for krsna must be guided by Dahrmic principle. That must is the essence of the training. Protecting is required. Gurus are the brahmanas with the integrity to train and guide. May Srila Prabhupada guide us on how we must begin, develop and end up. *Ksatriya-dharma* in ISKCON where martial arts are a part but a very extended part. Hare Krsna!

May 28 Hungary/New Vraja Dham

Offences are easy to commit when we are not very careful in dealing with Vaisnavas. Never minimize any devotee or do anything that will cause another confusion or distress. Humility is that quality which opens up the heart of the Lord. If we are not truly humble, we will knowingly and many times unknowingly cause offences. If we want to chant the Holy Name, we must be *trinad api sunicena taror iva sahisnuna amanina manadena*. Practice humility and always serve devotees with care and respect. It's

easy to commit offences, it requires constant control of the mind and senses focused on the form of Lord Krsna and His Name. Please, devotees, forgive this fool for all his improper behavior, and Srila Prabhupada, please kick out any negativity from my mind towards any devotee. Let the Honeybee reign and the fly die.

Shaking the jail, Jailhouse rock #2. Ladies letting loose to the Holy Name. All inspired one guard and her 20 employees of the jail. Her surname in English means “servant”. She served everyone nicely. The Holy Name is everything and more. Lord Krsna appears to shake us, wake us and take us to make us into His eternal servants once again. Please, Srila Prabhupada, give us the determination to happily accept any and all austerities that come by way of preaching Krsna consciousness, even travel. Hare Krsna!

Always remember Sri Krsna and never forget Him. We are endeavoring in that way. Still, the mind is feeling tense. Association with senior devotees purifies and uplifts. Praying to be of some service. All glories to Krsna’s Holy Names. May we find ourselves absorbed in chanting and hearing. After much changing due to travel and programs, we are finding it a little more difficult to practice renunciation. That is required to stay steady in mind and activity. I'm a soul whose intentions are good, Oh Lord, please don't let me be misunderstood. A line from a song from days gone by from a group called "Animals". Says a lot. What one does will be criticized and misunderstood by some. That is just the way the world works or should we say the conditioned mind. Criticism is good when done as feedback to improve. That is accepted. Let us move forward together to serve Srila Prabhupada and put our individual motivations aside. In every case the Lord must be the object of service, for His pleasure and to fulfill the desire of His pure servant, His Divine Grace Srila Prabhupada. Jai Srila Prabhupada!

40 years to date a motorcycle gang attacks the New Vrindaban community. 4 devotees wounded by buck shot. One died years later as a result. I am thinking after scrutinizing my activities that I want to and need to preform that a secretary-assistant would be needed. Should I actively pursue finding someone or if Lord Krsna permits someone will appear. It really depends where I am and what I am engaged in. Someone part-time perhaps. Yet I have mixed feelings on getting an assistant. Dear Lord, whatever You think is good for my service bring it on and what is not let it leave. It's time to rest, tomorrow we visit a prison, a first timer. Srila Prabhupada's mercy. Hare Krsna!

Another interesting and inspiring program. The place is a small town called Glina, away from the general mainstream. Five inmates, one guard attended. The officials informed the general body of inmates only 1 hour before the program. Still, those who came were very interested and responded with interest. One of the inmates helped our devotees many years ago when on sankirtan our van broke down. He remembered Mohan Prabhu and the devotees remembered him and feeling enthusiastic he inspired the other inmates. The mood was like old friends meeting together. Books went out and a plan to return was enacted. By Lord Caitanya and Lord Nityananda's mercy, Krsna's magic is found in jails. Oh Lord, by Your mercy, lead these fellows to Your Holy Name and devotee association. May Srila Prabhupada grant us more such opportunities and may the seed of Bhakti grow into a tree of loving devotees. Gaur Premanande, Hari Haribol! Hare Krsna!

No doubt we are greatly feeling your absence from our lives. Please, dance with us once again and display your sweet oceanic smile. I begin then stop. Daily reading of scripture is an essential part of my daily sadhana. Each morning it is the mercy of japa that sustains, inspires and protects me against Maya. But I must read as this greatly fortifies the quality of japa. Aside from the spiritual strength it engenders it is essential for quality preaching. Preacher means reader along with supplying knowledge of Sri Krsna and devotional service. And naturally we please Srila Prabhupada by carrying out this important instruction. The knowledge itself, without the benefit of devotee association, has made many Jagais and Madhais into smiling devotees, attached to Krsna. Mostly, I would like to resume reading Caitanya-caritamrta as we are moving systematically

through completing 6 chapters of Antya-lila. Reduce computer, increase reading books. All glories to transcendental knowledge. Hare Krsna!

We really want to chant always, but because we are not able to balance our other activities, which give support to chanting, our mind lapses into forgetfulness. Bhaktivinoda Thakura prays, “When, Oh when, will that day be mine. Aparadha guchi suddha nama ruci.” All glories to Krsna’s Holy Name. And to inspire others in chanting causes us to receive Gauranga Mahaprabhu’s mercy which adds quality to our japa. Oh’sun-like Srila Prabhupada, please shine the beam of knowledge on our heart and mind and transform us into a pure lover of Sri Krsna! When, Oh when, will I truly love Sri Krsna and be free from all that doesn’t foster and serve that love. Hare Krsna!

I pray that whatever is blocking my love for You, dear Krsna, be removed by Your mercy. I’m not looking for ecstasy, as that is not the desire of a true devotee. We want to only please you—that’s all. May we inspire the devotees in Krsna-katha. May Srila Prabhupada be present when I attempt to spread Sri Krsna and Gaur-lila. Hare Krsna!

True and genuine humility, how does it manifest, what are its characteristics, how to achieve it. Gopala Capala becomes a great Vaisnava being directed by Srivas Thakur to Purusottama Acarya and took initiation becoming Devakinandana Prabhu. Directed by his guru to meet and serve Vaisnavas he wrote amazing prayers in glorification of the Vaisnavas. We pray to be blessed with the desire to achieve a spark of his humility and love towards Gauranga Mahaprabhu’s devotees. I offer a prayer with the hope of achieving the platform of the servant of the servant of Vaisnavas. May Srila Prabhupada teach me real humility and surrender. I also pray for the intelligence to choose the best possible topic for my talk on Devotee Care. Without Your mercy, Oh Krsna, all my efforts are futile and my desires remain impure. People give me a lot of things I shouldn't eat. Just taste and leave the rest. Tomorrow will speak on detachment. That is what I need to speak on and what people need to hear. Srila Prabhupada has summarized it as attachment to Krsna in full detachment from everything material. June 23 Croatia-Pula Temple

Krsna's words on devotional service spoken to Sri Uddhava as mentioned in Srimad Bhagavatam 11th Canto clearly help us to see what is Bhakti mixed with karma, Bhakti mixed with jnana and pure Bhakti. The subtitles of the lesser processes are hard to detect and more difficult to remove once they are accepted as Bhakti or part of Bhakti. Exclusive focus on devotional service with a desire to please the Lord requires the careful recognition of traces of karma and jnana floating within and there removal. Lord Krsna does say if you cannot focus your mind on Me in devotion, then offer the results of all activities to Him as an act of devotion. In this way detachments leads one to acting purely for the pleasure of the Lord. By the grace of Sri Caitanya Mahaprabhu coming down through the disciplic

succession of great acaryas and distributed freely with the wisdom of time, place and situation. His Divine Grace Srila Prabhupada is offering this most difficult process of Suddha Bhakti in an easier format executable by all sincere souls. After reading the words of Sri Krsna in the 11th Canto, I am able to connect my attachments to elements of karma and jnana that may without careful understanding appear to be features of pure Bhakti. By giving up wrong activity and replacing it with acts of pure Bhakti, all mixed desires become purified. By giving up the lesser and acting only for Lord Krsna, the same result occurs. In either case, as a conscious effort develops it becomes easier and more natural is to purify all the elements by constantly chanting Sri Krsna's Holy Names.

Beginning July 1st, we want to recreate a format for these diary entries. My feelings towards Sri Krsna in the sweet mellows of Bhakti will take over the topics. Hopefully by expressing whatever little attachment I have for Him will grow into something more wonderful with feelings and love. I am completely lost and feel myself sinking down into a pit of despair. Hopefully my trip to Jagannatha Puri will offer the change I need to open my heart and life more to His service. I need to read more, especially Srīmad Bhagavatam and Caitanya Caritamṛta. This is all I want and need to read. But somehow my day pulls me away towards other service. Fine! No problem, still reading Srila Prabhupada's book must be a daily affair. Schedule it or it will not happen. That is a fact. Praying to find some balance. But really to only balance that works is the constant chanting of Krsna's Holy Names. That's balance, success and devotion. Praying to remember. Hare Krsna!

Well, I planned to visit the jail today. Before leaving for the program, I sincerely prayed to remove any obstacles. I didn't at all expect that I would not be allowed inside due to some organization slip-up on the jail's part. Did Lord Nrsinghadev who removes all obstacles answer my prayer. Was my prayer not sincere? Actually, I can only conclude after careful evaluation of the program and its results that for some unknown reason not being let in was allowed or even arranged by the Lord. The program was a success and the devotees who normally do not preach got to. Man proposes, God disposes. The Supreme Lord is perfect and His mercy is also perfect, at times we fail to see the hand of the Lord in everything. May Srila Prabhupada bless these devotees to preach in Pula jail and inspire these inmates more. Patita Pavana Gauranga Mahaprabhu Ki-jay Hare Krsna!

June 28 Croatia/Pula

Cooperation-the means to achieve difficult goals. Wherever it exists things are done easily, naturally. Where it is absent there is only failure. Cooperate around Srila Prabhupada's instructions around preaching and especially with interpersonal relations. A topic that must be spoken about often. Srila Prabhupada tried his best to cooperate with his Godbrothers, but mostly they couldn't understand or appreciate what he was saying and doing. So he carried out his spiritual master's instructions, always inviting them to come and work cooperatively. May the spirit of cooperation, which is the foundation of all successful endeavors, be manifested everywhere through Srila Prabhupada's ISKCON. All glories to those who understand it and practice it. Jai! Srila Prabhupada. Hare Krsna!

June 29 Croatia/Pula Ratha-yatra Rijeka

Gaur-premanande! May we love for Lord Jagannatha blossom and may Srila Prabhupada give us constant remembrance of Him and His Holy Name. On the road and feeling Your mercy. Hare Krsna!

June 30 Croatia/Rijeka

The Rijeka congregation has great potential. More than 50 devotee guests came for the Sunday Feast program. The topic Vaisnava Seva is what I would determine as most important as it directly relates to everything we do. One devotee asked for an explanation of friendship in the different modes and what is transcendental friendship. The question

is one that I cannot remember receiving before. My answer was seemingly based on the characteristic of each mode which applies to friendship. The bhajans, kirtans of Ojasvi Prabhu keep the spiritual energy strongly up. His love for and expertise for kirtan creates an absorbing sankirtan mood. Five devotees came all the way from Munich, Germany, to attend yesterday's Ratha-yatra. Croatia has so many devotees yet lacks group cooperation. A lot of individuals doing their thing, which is nice but grhasthas mostly need community and the support it offers both spiritually and materially. Tomorrow we prepare for our trip to India. Another major test as the environmental conditions are austere. May Srila Prabhupada bless us the proper mood of service and tolerance for enduring all difficulties. Today's, diary entry concludes on topics and activities centered around my general ideas and realizations. Tomorrow I pray I can offer something worth reading that is devoted to Sri Krsna and His many different forms. All glories to His lotus feet, which are the only desired goal in life. Hare Krsna.

A change of focus

July 1 Croatia/Rijeka-Zagreb-Vlado and Subhadra's Home

Dear Krsna, although You are not so easily approached, still I will write to You. Perhaps You will read this. In any case, I offer this to Your lotus feet. Today I am reminded of that beautiful bhajan Sri Nama-kirtana, composed by the greatly powerful devotee Srila Bhaktivinoda Thakura. Your names are so transcendently wonderful. Manohara, one who enchants our minds. Our mind is always running towards sense objects and that's all that it does. But when we think of Your Sweet transcendental form playing on Your flute, offering Your love by calling us to worship Your lotus feet with devotion, our nasty mind becomes attracted and enchanted. If we could always think of that form, so beautifully smiling accompanied on Your left side by Srimati Radharani enhancing Your beauty. We are badly in need of You and sometimes we remember that and that gives us hope to continue on despite how lost we may feel. We know by hearing and chanting Your transcendental pastimes, our love and Your will becomes focused, But sadly we are always doing something else. So please remind us as You so powerfully spoke to Sri Uddhava about the exclusiveness of Your presence. Everything else is simply a pale disappointment. We are about to visit the Holy land of India and receive some very powerful Krsna conscious association. I pray I can become more attached to You by associating with and serving these devotees. Begging to be transformed into Your unalloyed loving servant. Hare Krsna! Jay Srila Prabhupada!

July 2 Travel to India

Dear Lord Sri Krsna, please accept my most humble obeisances in the dust of the feet of those devotees that are fully absorbed in loving service to You by preaching Your glories to the fallen conditioned souls. Although I am planning to hear and chant Your glories and pastimes, it doesn't go beyond that stage. When will I become madly absorbed in Your transcendental names, forms, qualities and pastimes? My unchaste mind seeks shelter elsewhere, forgetting the treasure house of Your amazing deeds. I am on my way to Your most Holy abode Jagannatha Puri. Where all desires will be fulfilled perfectly and completely. I pray that I am lead by proper intellect to hanker for absorption in the transcendental lilas surrounded by the most powerful and undefeatable philosophy. I am spiritually lame and hopelessly lost in a world of mental speculation. Please, send the mercy of our beloved spiritual guide, my eternal master Srila Prabhupada to drag me to the shore of Krsna-katha, Gaur-katha. Always hopeful but rarely successful. Your useless aspiring to be useful servant of Your servants. Hare Krsna!

July 3 Mumbai/Sri Sri Radha Gopinatha Mandir Ekadasi

Dear Srimati Radharani, please allow me the privilege of offering my worthless obeisances and existence in the dust of Your lotus feet following in the line of those who have made Your service their life. It wasn't at all possible by any conceivable means to complete my vow of 36 rounds on the Ekadasi. Because You are kind to Your devotees You made our effort natural and simple. With a grateful heart I thank You for today's mercy. You are the goal of my chanting and the means to chant.. Your motherly affection is reaching us in many ways. As just by remembering You Lord Sri Krsna becomes merciful to us. We want to serve and assist You in Your pastimes? We hope to be purified by chanting Your Holy Name, which is the Name Supreme in the Mahamantra. Please, glance our way if only to purify us. Your pure servant, our greatly powerful and fully merciful Srila Prabhupada, has sung one song in which he says only when Srimati Radharani becomes pleased with you is your life successful. "Radharani sukhi habe". All glories to those who keep Your name close to their heart. Jay Jay Sri Radhe.... Syam! Hare Krsna!

July 4 Mumbai/Sri Sri Radha Gopinatha Mandir

Dear Lord Caitanya Mahaprabhu, the holy city of Puri has reached higher up with spiritual perfection due to You placing Your two divine lotus feet there along with the performance of Your sweetly powerful and spiritually divine lilas. We are about to gather some of Your mercy by worshiping Lord Jagannatha and His Powerful Brother Balabhadra and His most glorious and auspicious Sister Subhadra Devi, as they give the world Their rare yet very purifying darsan. We pray we can be worthy recipients of the

available mercy and surrender our hearts, in the mood of loving service to the Lord and His devotees. Begging, praying for the enthusiasm to serve, to please the Vaisnavas. The most holy association of Your purely empowered devotee HH Radhanatha Maharaja will be our ticket to Your mercy. May Maharaja's health remain strong throughout, and may Srila Prabhupada bless us with enthusiastic devotion. Hare Krsna

July 5 Orissa/Bhuvaneshvara

Dear Lord Siva, my obeisances in the dust of Your powerful very compassionate lotus feet. All glories to You who has brought countless souls to the lotus feet of Sri Sri Radha Syamasundara and Sri Jagannatha Dev. I have by your mercy entered into the holy city of Sri Bhuvaneshvara, one of the many holy abodes that honor Your presence and glories. Our beloved spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada has added a glorious temple to Your abode where Sri Sri Gaur Nitai, Sri Sri Krsna Balarama and Sri Jagannath Dev, Sri Balabhadra and Subhadra Maharani are giving Their merciful darsan inspiring many souls to chant the glories of their Lords. Due to limited time we must move to the holy city of Sri Puri-dhama, yet are remembering You and how many places here are dedicated to Your glorious pastimes. Please accept our most humble obeisances and allow us to continue remembering You and serving You as You inspire us to dance for the pleasure from Lord Krsna and His devotees. Please, bless us to always chant Sri Krsna's Sri Rama's names as You are always chanting Sri Rama's glories. Mahadeva Panca Mukhi Ki-jay! Subhadra Devi Ki-jay! Gaur Premanande! Hari Haribol! Hare Krsna!

July 6 Jagannath Puri

Dear Lord Jagannatha, by Your mercy we arrived at Your home here on this planet earth-Sri Jagannatha Puri. We pray we can serve You and Your dham in a way that You are happy to put Your sweet gaze on us. We are low, very low, but You are especially merciful to us pilgrims. Please allow us the chance to serve where we can offer something with love. You are Prem Raja and You are distributing that love all over the Universe as Gauranga Mahaprabhu. We take shelter of our beloved spiritual master and eternal father, Srila Prabhupada, by his mercy we have been supremely blessed by the association of one of his intimate associates, Srila Radhanath Swami Maharaj. May we offer some service to his lotus feet. Jaya Jagannatha. Hare Krsna!

July 7 Jagannath Puri

Dear Srila Prabhupada, I am finding great happiness in listening to HH Radhanath Swami narrate the many wonderful pastimes. May we become

more and more absorbed in the sweet mercy of Lord Jagannath's pastimes. We are finding some hope that it is possible to reach Jagannatha Puri. May we develop a strong desire to go on hearing. Gaur Premanande Hari Haribol! Hare Krsna!

July 8 Jagannath Puri-Gadadhar Pandit/Bhaktivinode Thakur Disp.

Dear Lord Jagannatha, Your glories are being broadcast throughout the world because You are Jagan-Natha, the Lord of the Universe. By the strong desire of Your pure devotee, His Divine Grace Srila Prabhupada, Your transcendental form, which is supremely auspicious merely to witness along with the transcendental forms of Your powerful and most wonderful Sri Baladeva, accompanied by sweet and very merciful Subhadra, Your Divine Sister, the world is joyful. In two days, on a most auspicious tithi of the disapp.of Svarupa Damodara Goswami and Sivananda Sena Your chariot along with Baladeva's and Subhadra's will roll down Grand Road in Puri. We will be there to receive Your merciful darsan and try our best to serve You as You immensely bless all of us. I am very fortunate to have this opportunity by the grace of HH Radhanatha Swami Maharaja and his large entourage of friends and disciples. Please, give us love for You so our hearts will be free from anything else and so we can serve You more and better. All glories to Lord Jagannatha, Lord Balarama and Subhadra-devi."Om Nilacala nivesaya nityaya paramatmane Balabhadra,Subhadra bhah Jagannathaya te namaha" All glories to Sri Ratha-yatra! Hare Krsna!

July 9 Jagannath Puri

Dear Lord Jagannatha, Baladeva, Subhadra, having received the mercy of Your prasadam, which us fully capable of delivering one from material existence and awakening ecstatic love for You,we are fully blessed. Tomorrow the blessings continue as we will offer love for You by serving Your appearance during the Cart Festival. Please, bless us to adopt the mood of Sri Caitanya Mahaprabhu's followers, who were always ready to serve Sri Harinam Sankirtan. Our beloved spiritual master, His Divine Grace, A.C: Bhaktivedanta Swami Prabhupada, wanted to bring Your Ratha Yatra mercy to the whole world. He has been supremely successful. And we are most fortunate to be able to take part in this most intimate lila expressing the topmost mood of Your love for the residents of Sri Vrndavan-dham. May we be blessed by a fraction of their love for You. Gaur Premanande! Hare Krsna!

July 10 Jagannath Puri Ratha-yatra

Dearest Lord Jagannatha, Lord Balaram, Subhadra-devi, we have been sufficiently blessed by Your appearance. The city of Jagannatha known as

Puri-dham is Your home in this material world, although it is not at all a part of this world. You reign supreme and You invite us to participate in Your intimate lilas, although we are so spiritually deprived. Our body is devastated but the soul is nourished. Tomorrow You will again invite us to resume and complete this most intimate lila. May we have the strength to fully take part. Some day perhaps soon as predicted by Srila Prabhupada we will be allowed to visit You all year around. That would be specially wonderful. Thank You from our heart. Hare Krsna!

July 11 Jagannath Puri

Dear Srila Haridasa Thakura, all glories unto Your lotus feet which You so mercifully offer to us. Service to You and Lord Krsna's Holy Name is our focus. Chanting nam japa is proven and broadcast as Your service to Sri Caitanya Mahaprabhu. By Your perfect example we are imbibing deeper the true meaning of the reason for the descent of Lord Krsna in His Holy Name. You have so mercifully appeared to this fool to show Your special mercy. Labeled as a social outcast You are showing special kindness by delivering the Jagais and Madhais. Please teach us what it means to make chanting Krsna's Holy Names the only focus of our life, our sadhana our service. You are designated as the Namacarya, the greatest of all teachers of chanting of Sri Krsna's name. Even Mayadevi Herself offers You Her respects and obeisances and desires to become Your siksa. Please accept our most fallen pranams in the dust of Your lotus feet. And please allow us to continue to render personal service. All glories to You. All glories to Your great service. All glories to our beloved spiritual master Srila Prabhupada who spread the glories of Nam Sankirtan all over the world. Hare Krsna!

July 12 Jagannath Puri-Orissa/Bhuvanesvara

Dear Lord Balaram, I am so happy to have received Your direct mercy on this day. You and Your greatly worshipable Sister Subhadra have allowed this lowly person to ascend to the carts and receive Your loving blessing. Your younger Brother, the Supreme Lord of the Universe, offered His special mercy by teaching me that my devotion is not up to par. Having neglected to offer Him suitable prayers befitting His Supreme Position as the All Lovable Object of all living entities. After ascending His cart, which is a great form of mercy, He taught me that which I need to learn. If You love me, then You must act that way. Thank you, Srila Prabhupada, your words help to understand our relationship with Jagannath and inspires us with hope and a strong desire to please Him by loving service. I know only two things, that Lord Krsna's name is everything and that service to His devotees is the way to Jagannath's heart. We are happy to have visited Karunaniddhi Prabhu and Mother Mangala Devi at

Karunaniddhi's village home. I hope they were pleased. All glories to Sri Jagannath, Baladev and Subhadra. May we remember Them always and chant Their Holy Names.

July 13 Orissa/Bhuvanesvara-Delhi

Dear Lord Sri Krsna, You are the only goal of the Vedas, although the Vedic literatures prescribe various means to elevate oneself towards You, they are only mentioned because of the great variegatedness of the types of living beings and their connections with the modes of material nature. Only devotional service to You freed from any mixture of fruitive results, mental and philosophical speculation and mystic yoga can reach the true and only goal of life. When I look at myself and reflect on all my activities, I can see elements of these other processes mixed in with devotional service to Your lotus feet. The only remedy I foresee is to become more and more atuned to hearing Your glories and preaching them to all others. When hearing about You becomes less than my mind tends to look for solace with other thoughts and words. Praying to become fixed in Your lotus feet by chanting more Your Names, serving Your devotees, hearing Your unlimited glories and cultivating the qualities that inspire these activities. May Srila Prabhupada bless us with a strong desire to attain only loving devotional service to You. I am so far away, but I am feeling hopeful. You are the perfect mystic. All glories to pure devotional service to You, which is very very rare but greatly desirable. Hare Krsna!

July 14 Delhi-Jaipur

Dear Krsna and Balaram You are so lovely to see. Actually I can not see but I am feeling something. It is truly a nectar drink for the eyes, arena of peace for the mind, causing the heart to open. If I may humbly request, please benedict this thirsty soul with the water of Your darsan in the form of a photo. That would be very nice. Praying to find the place in my devotional life when I can always chant Your Names and visualize Your amazing darsan. Begging to become a true beggar of Your darsan. All glories to His Divine Grace, who placed You at the center of the temple in Vrndavan and offered the first arati on Your installation day. Sri Sri Krsna Balaram Ki-jay! Hare Krsna!

July 15 Jaipur

Dear Gopinathaji, obeisances, obeisances, krores of obeisances at Your sweetly divine lotus feet. With much gratitude we have received Your merciful darsan. The playfully broad smile on Your lotus face conquers the

pride of millions of Cupids. Please keep Your darsan in our mind and may it enter our hearts. Sri Sri Radha Damodara Oh how enchanting mesmerizing is Your lotus face. Like bees attracted to honey, our two eyes are fully embracing Your transcendental form. May remembrance of You always be with us. Let us become fortunate and throw away the curse of Maya that continues to pledge our existence. Oh how wretched we have become by not fully appreciating the mercy given. Thank you, Srila Prabhupada, for providing the opportunity to associate with Jagannath Sharan Prabhu and his wonderful wife Mother Vrinda Sundari. May we serve them in the same way. All glories to Krsna's Name, which is our constant shelter, dear and faithful companion. May Srila Haridas Thakur be pleased with our service and award us with Nama Ruci. Jai Jaipur Dham! Hare Krsna!

July 16 Jaipur-Kolkata

Dear Srila Prabhupada, you are the greatest in all learning and the best in imparting knowledge to your followers and disciples. We know from you and the previous acaryas that the subtle contaminations that can result from the execution of devotional service such as false pride, envy and desire for fame are very difficult anarthas to overcome. We fervently pray to always be careful in our association with others, especially advanced Vaisnavas. Please inspire us to imbibe those qualities of humility, pridelessness and selfless service. We are able to perform austerities and that is nice, but don't let us become proud or insensitive to others because of our devotional austerities. Praying to become a humble servant of the servant of the servant and to always remember any success that results from devotional activities as simply your mercy, all credit belongs to you. We only want to love Lord Krsna. Help us to develop that love and the attitude conducive to achieving it. Free us from all personal pride and envy. All glories to your disciples, my Godbrothers, who are spreading Krsna consciousness everywhere. Hare Krsna!

July 17 Kolkata

Dear Lord Jagannath, residing in Kolkata I am greatly blessed by You, Your Brother Baladeva and Sister Subhadra. Please give me the benediction to serve You by speaking about Your glories and unlimited mercy. Our Srila Prabhupada appeared in this great city. It has become great by his appearance. Today we received the rare fortune to visit Gurumaharaja's birth place and witness the place where His Divine Grace appeared and played as a boy. By Your mercy, Lord, this place will become a frequented tirtha where people from all over the world will come and take blessings and learn about Krsna consciousness. All glories to His

Divine Grace. We are praying to become a better and more surrendered servant. Hare Krsna!

July 18 Kolkata-Mumbai/Radha-Gopinath (Return Ratha Yatra)

Dear Lord Jagannathadeva we are overwhelmed with happiness remembering Your mercy today as we stood fanning You before Your return. I cannot recall receiving so much mercy and love from You. Of course, it really depends on how much we are able to receive each time. Today was very special. I hope I can keep Your transcendental form always in my mind and in my heart. All glories to Your love for Your devotees, it is immeasurable and flows like a raging river. Tulsi Maharani has stunned me by making Her residence my room this evening. She emanates much devotion and is supremely beautiful. May I endlessly sing Her glories “Vrndev Maharani namo namaha”. Thank you Srila Bhakti Charu Maharaj, for your spiritually uplifting association. Thank you Srila Prabhupada for bringing this lowly fellow to Your lotus feet. I can find everything there. Hare Krsna!

July 19 Mumbai/Sri Sri Radha Gopinath Mandir Ekadasi

Dear Srila Prabhupada, at times we feel certain that what we do and how we do it is fine. But one who carefully studies the essence of devotional service knows that to please Sri Krsna the mindset is devotion. You have taught us to act sincerely and always remember Lord Krsna. At times we understand that it is so easy and natural, and yet at other times it appears so difficult and confusing. I have at least understood to a large degree how chanting of Sri Krsna's Names is most important, that realization is wonderful. The difficulty is how to understand our relationship with each and every devotee and with the non-devotees. That is the fine art of Bhakti. Humility requires constant practice and reflection. That is an ongoing process. We need to be more focused on what our service is and avoid following the mind when it wanders down the path of mental speculation with judgmental thoughts. Praying to develop the art of Devotion. All glories to Ekadasi, truly the Mother of Devotion, as stated by Srila Bhaktivinoda Thakura. Every day just chant. Hare Krsna!

July 20 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Radha Gopinatha, tomorrow we will honor You by remembering how You came into our life. Although I was not so much a part of the history, still I feel a strong connection as Your mercy coming through Your devotees has preserved and sustained me throughout the last twenty years. You are all-attractive and You exhibit Your most attractive nature for all of us to witness. We are praying to become more and more attracted to You so we can completely destroy whatever attraction we have left for

Your Maya, a most formidable giant. I pray I can serve in some way. Please, keep Your lotus feet visible in my mind, perhaps some day it will enter my heart. May Srila Prabhupada be patient with this hard-to-tame rascal. Hare Krsna!

July 21 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Gopinath, today we celebrated Your appearance. It began when You descended here 25 years ago on July 17th. I pray I can please You somehow. Please, destroy my lusty desires and give us Your lotus feet which are the reservoir of all auspiciousness. May Your mercy flow and purify my wretched existence. Oh Gopinatha, You are present in our lives by the kindness of His Divine Grace Srila Prabhupada. He is an ocean of mercy. Hare Krsna!

July 22 Mumbai/Sri Sri Radha Gopinath Mandir Guru Purnima

Dear Lord Krsna, we offer our fallen and prostrated obeisances into the dust of the lotus feet of Your pure devotees who have surrendered their lives in order to show mercy to the conditioned souls of Kali-yuga. His Divine Grace Srila Prabhupada has saved us from gliding down to hell. We are reading Your words to Your dear disciple Sri Uddhava as stated in the 11th Canto of Srimad-Bhagavatam wherein You describe the eighteen siddhis and the means for attaining them. You conclude with caution that to seek these powers separate from devotional service or to perform devotional service as the goal to attain one or more of them leads one away from Your lotus feet. Through unalloyed devotional service to You one automatically attains the benefits these powers bring as You are known as Yogesvara, the Master and Creator of all mysticism. We pray we do not even look at them with the feeling of attraction. Please, help us to attain pure devotional service to You as Supersoul who guides us from within the heart. And please, free us from any negativity towards any living being by seeing You as their well-wisher and eternal master. If we desire any mystic power then let it be the ability to bring others to Your lotus feet. Praying to remember You more. Signed the mental speculator- Candramauli Swami. Hare Krsna!

July 23 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Srila Prabhupada, thank you for giving us the deep, nectarean, philosophical and highly instructive activities of Sri Caitanya Mahaprabhu. Caitanya-caritamrita rules the spiritual literary world. Devotional service is the way out of all suffering and inebrieties. The pastimes of Mahaprabhu and His associates easily pull one away from Maya and into the deep ocean of spiritual bliss. I look forward with great eagerness to the day when Mahaprabhu's lilas will be a regular daily affair. We cannot endure in the

cyber world of service for any length of time. We take shelter of your mercy and pray to be a worthy recipient of all you have offered to us. All glories to your amazing pastimes. Mother Bhumi is feeling great unhappiness since your departure. My most humble obeisances at your lotus feet. Hare Krsna.

July 24 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Lord, Sri Caitanya Mahaprabhu, obeisances in the dust of Your lotus feet. This fallen person, not fit to be called a servant, begs for Your mercy to always appreciate Vaisnavas, never dwelling on their faults or shortcomings and being grateful to have the association of Your devotees and the Sankirtan movement. Ramacandra Puri found fault in You where there wasn't any, yet You accepted him as Your well-wisher. You are the supreme teacher of religious principles, always acting to maintain the standard of Vaisnava etiquette and behavior, yet pleasing Your devotees as the Supreme Lord. We desire to serve You more, better and learn more from You serving Your mission in the sannyasa order in this difficult age of Kali. Your supreme mercy upon us is our connection with Your eternal servant and well-wisher His Divine Grace Srila Prabhupada, the disseminator of Your Sankirtana mission world-wide. We have a lot to learn in order to come to standard of pure devotional service. Your presence enlightens us with happiness, knowledge and with great hope. All glories to Your transcendently mysterious activities that satisfy our heart for spiritual knowledge and Sankirtana ecstasy. All glories to Your Nityananda, the disseminator and perfect example of devotional ecstasy who dances mercifully enlivening the Vaisnava world. Sri Sri Nitai. Gauracandra Ki-jay. Hare Krsna.

July 26 London/Bharat and Nisha's Home

Travel from India and, as it is often overlooked, yesterday's diary entry was omitted. Oh Srimati Radharani, dearest of Lord Syam, we have been reading about Your glories and unlimited lovely spiritual qualities extolled by Your confidential assistant Sri Prabhodananda Sarasvati, the great and glorious uncle of Sri Gopala Bhatta Goswami. His devotion to Lord Sri Caitanya is so deep that only those equal to him can understand a portion his love and great attachment. This love is his internal mood as one of Your intimate and confidential assistants. He is most glorious and it becomes evident as he extolls Your unlimited lovely qualities and unsurpassable devotion to Sri Syam. How can this low insignificant fool who is always full of material hankerings begin to serve those who are Your servants. Still, You are so glorious beyond words that it is unthinkable not to hear Your glories and appreciate Your unlimited spiritual attributes. You are an ocean of kindness, spiritual grace and unlimited beauty. Your

lotus feet are never reached by those who look toward the material world for even a drop of happiness. You are the Best of those who are the best. Your love for Syam causes one's mind to spin in bewilderment. Please, allow me shelter into dust of Your lotus feet by always remembering them. By some unforeseen good fortune I have been blessed by You to enter into spiritual life on the day of Your appearance. This is most wonderful and very dear to me. I only want that I can somehow please You by pleasing those who are dear to You. Oh magnanimous daughter of King Vrsabhanu, please allow me to remember and sing Your glories, although I am most unqualified. Jay Jay Sri Radhe..... Syam! Hare Krsna.

July 27 London/Bharat and Nisha's Home

Dear Srila Prabhupada, please bestow your blessing upon this newly married couple. Srimat Raghupati Raghava Prabhu and Srimati Rasesvari. May they be guided by your powerful words and merciful blessings and be ideal in their practice of Krsna consciousness and service to one another. Gaura Premanande! Hari Haribol! Hare Krsna

July 28 London-Switzerland/Zurich

Dear Srila Prabhupada, we feel somewhat relieved of the difficulties of travel when we reflect on what you did to travel and spread Krsna consciousness worldwide. Truly an act in phenomenal proportions at such an advanced age. Many times you were unnecessarily harassed and detained by the barking dogs of border immigration. Once you were confined for almost two weeks to a detention facility until your papers were accepted. We are approaching that same age and we don't know how much longer we will be able to travel. Please bless us that no matter what happens, we can remain fixed in our service to you and Sri Gopijana Vallabha. All glories to Lord Caitanya's mercy on the fallen souls of Kali Yuga. Hare Krsna.

July 29 Zurich-Swiss Camp

Dear Srila Prabhupada, I hope you were satisfied by our humble attempt to present a seminar on you titled The Founder-Acarya. We will endeavor to go deep into the text of the presentation and make a strong effort to help devotees understand how dear you are and what is that process of endearment. May your glories inspire others to search out the glories and pastimes of Sri Krsna. And uplift this struggling fool to your lotus feet in full devotional surrender. Gaur Premanande! Hare Krsna.

July 30 Swiss Camp

This is something I wrote awhile ago. I included it as today's prayer.

“Dear Lord Nityananda and Lord Caitanya, some may think I am an advanced devotee, even pure. People think different things. Others don’t think like that. Sometimes I think like that and other times I understand myself as very fallen. Sometimes I think I have no attraction for anything material and other time I can see how much I am attracted. What people think of me and what I think of myself actually has very little value and perhaps truth. It is how You, dear Lord see, that is truth in my conditional state. Your love is all that matters and if I ever become liberated, Your love will be there unconditionally. But I know I can cause You greater happiness in Your love for me if I become as You want me, purified in existence in my natural normal state of pure love for You. Oh Lord, I don’t know how best to serve You, but I am trying to preach Your message, but I am not so good, but I will always keep trying. I have much ‘but’, I am greatly missing the love that attracts Your heart. Hopefully someday it will come. Hoping, praying! Your patience inspires us to try harder”. Hare Krsna!

July 31 Swiss Camp

Dear Srila Prabhupada we are feeling the effects of your powerful presence in our lives and the mercy you brought. How fully you focused on introducing and transporting Sri Krsna into the lives of everyone who came in contact with you. It is not a small miracle what you gave and how you gave it, with such surety, power and sweetness. Bhagavan Sri Krsna, the Supreme Personality of Godhead, the Original and very attractive Personality who is the source of everything and the best friend and intimate Deity of every living being. Only because of you are we fully and eternally blessed, and gifted with perfection of existence. May our activities be such that they reflect a deep mood of gratitude coming from our heart, our life’s activities. All glories unto you, Srila Prabhupada. We pray to become that person you want us to be. Thank you. Hare Krsna!

August 1 Swiss Camp

Dear Sri Sri Gaura Nitai by Your merciful presence in the mood of ecstatic chanting and dancing we get inspiration to join You. Feeling Your encouragement I dance remembering Your lotus feet that inspire us to become joyful in the dance. My body is old and I fear my dancing will become less. But You are the great mystic and can make lame men dance madly for Lord Krsna. All glories to Sri Sankirtan, the siromani of Bhakti. Gaur Premanande! Hari Haribol. Hare Krsna!

August 2 Swiss Camp Ekadasi

Dear Nityananda and Gauranga, all glories to You and millions of dandavats at Your lotus feet. You are famous for showing mercy to Jagai and Madhai. I am quite similar in nature. Please, save me from the deep

pit of material sense enjoyment that continues to offer enticements in various ways. Give me absorption in Your Holy Name and service to Your devotees. If you are merciful, then my beloved spiritual master, His Divine Grace Srila Prabhupada, will get the credit of delivering this useless fallen soul. He is Your mercy manifestation and always eager to distribute Your mercy to each and everyone. Being merciful to me, he will be glorified. Just one drop of the pure Holy Name can drown the world in complete happiness. Begging for the mercy of Nam Prabhu. Hare Krsna!

August 3 Swiss Camp-Croatia/Zagreb

Dearest Radha of Krsna, -Your lotus feet- please allow me to keep them always within my vision. Those who worship and serve You are the best of all devotees. Because you are expert at pleasing Lord Krsna and causing Him to become maddened by Your supreme love, the whole Vaisnavas world falls unto dust of Your lotus feet in total amazement. May I some day attain the shelter of the devotees who have been blessed by your sweet glance of compassion and gratitude. As Prabhodananda Sarasvati has said, there is no taste for anything other than to serve You in the groves of Sri Vrndavan Dham. Make all my service an offering to You for the pleasure of Your Madan. Although I am overwhelmed by attraction for the mundane, I pray that by thoughts of You and service to my beloved Srila Prabhupada I can attain his shelter. As Srila Prabhupada wrote upon arriving in America; "only when Srimati Radharani is pleased with you does your life become successful. Jay Jay Sri Radhe... Syam! Hare Krsna.

August 4 Croatia/Karlovac

Dear Srila Prabhupada, today we did a little harder work (service). That is rare. Consequently, as I am writing this I am feeling the need to take rest. Therefore, with gratitude and a desire to read your books more, I offer you my most humble obeisances, praying to become a little better in reaching and preaching Krsna consciousness. All glories to Krsna's Holy Name. Hare Krsna.

August 6 Croatia/New Santipur-Karlovac

Hey Gauranga! Hey Nitai! :save this fallen souls from falling deep into the ocean of dissatisfaction. Give me the shelter of Krsna's Holy Name and the chance to serve Your mission of compassion. I am weak not able to peak, and always grumpy on these roads that are bumpy. Always praying to keep Your lotus feet and my beloved Guru Srila Prabhupada mission foremost. I fall at Your merciful feet and beg for the Holy Name. Hare Krsna.

August 7 Croatia/New Santipur-Karlovac

Dear Lord, in serving You if we forget You or forget Your Holy Name, we feel that something valuable is missing, although we are trying to please. Please, show us special mercy so we will never forget to remember You. You are the perfect mystic and can change a fool into a scholar. You are all-powerful and very compassionate. We are meager in hearing and chanting Your glories. Please, remind us of Your presence in the form of Sri Sri Radha Madhava, Sri Panca Tattva and Krsna's Holy Name, and may we please His Divine Grace in everything we do. Hare Krsna.

August 8 Croatia/New Santipur-Karlovac

Dearest to Krsna, Sri Radha, all obeisances and all devotion at Your lotus feet. The great acaryas, such as Sri Prabhodananda Sarasvati, continues glorifying Your exalted devotion and Your merciful existence. As I read their glorification of Your Radha's form, qualities and amorous pastimes, I can only marvel at their unfathomable love and their attachment in service to Your loving associates, the milk maids of Braj. Will this tiny insignificant materially attached fool ever understand their love for You and Your amazing qualities. You are happy simply to hear them praying that some day by the grace of my spiritual master Srila Prabhupada, who is no other than Your eternal associate to bless me with genuine devotion to Srimati Radharani. I pray to have the desire to attain the service of Your servants. Chanting the Holy Name, I will aspire to receive a kind glance from Your lotus eyes. All glories to Srimati Radharani, the best of the lovers of Vrajendranandana Krsna. Hare Krsna.

August 9 Croatia/New Santipur-Karlovac

Oh'Nitai Gauracandra I have taken shelter at Your merciful lotus feet and I want to glorify Your presence in my life. Please guide me how I can serve You nicely with devotion. Always desiring to serve Your personal presence at New Santipur and not seeking any personal gain by such service. You are very kind to come and reside here and I am grateful for the opportunity to serve. Please focus my attention fully at Your lotus feet and may we always engage in Your mission of harinam sankirtan. You have made my spiritual master appear in order to fulfill Your desire of a world in glorification of Sri Krsna Nam. All glories to the Senapati Bhakta A.C: Bhaktivedanta Swami Prabhupada, Your most confidential servant. Jai! Sri Sri Gaura Nitai. Hare Krsna.

August 10 Croatia/New Santipur-Karlovac

Jai! Sri Sri Nitai Gauracandra! Please allow this fool to offer You some service and please keep Your lotus feet on my head. Grant me eagerness to chant Sri Krsna's Name. You are the best of the residents of Croatia

and the world. By Your mercy I am here and by Your mercy I can continue to serve, although unqualified. Nitai Gauracandra has always been the way we refer to You in Your form of Gaura Nitai. Perhaps it was prophetic that I came to Your lotus feet. Please inspire me to increase devotion and quality in Your service. Srila Prabhupada is so kind and I am unable to understand that kindness and how best to serve. Mukham karoti vacalam... All glories to Sri Krsna's Holy Name, as it can and is changing the Jagais and Madhais of the world to pure lovers of Sri Vrindavan Candra. Nitai's lotus feet are as cool as millions of moons. We're burning in the flames of lusty desires and searching for the fire brigade of sadhu sanga with Nam ruci. Gaur Premanande! Hari Haribol. Hare Krsna.

August 11 Croatia/New Santipur-Karlovac-Zagreb

Dear Srila Prabhupada, all glories unto you. Full dandavats at your divine merciful lotus feet. By your mercy we were able to speak about an important subject. The need and value of Vaisnava cooperation. I pray someone benefited. Love is service, love is co-operation. May all my faults be eradicated by the power and mercy of the Holy Name and may happiness appear by the grace of the Vaisnavas. All glories to You, dear Srila Prabhupada, we have met our captain by our good fortune. May we serve the devotees and chant the Holy Name. Hare Krsna.

August 12 Croatia/Zagreb-Vlado and Subhadra's Home

Dear Lord Caitanya, O most magnanimous and munificent personality of supreme devotion and compassion. We are completely blessed and benefited in the greatest way possible by your appearance in this world and in our lives. Your's and Nitai's greatness can never be understood or measured. What would be our fate if You hadn't appeared in this Age. We dread to even imagine. As Lord Krsna, You spoke Gita and made conditions for surrender. But now You have completely removed all conditions and are simply offering a very joyful process of purification and devotion. All glories to chanting. Nam yoga/ Nam kirtan. Nam is the power of everything in existence. Because we are so fallen and mis-directed due to attachment to following our speculative mind, we are unable to take full and complete advantage of the greatest gift of mercy. Please, push us forward onto Your lotus feet in service of Your mission along with the constant and acceptable glorification of You and Your Nam and Form. Begging for the shelter of Krsna Nam and thank You for Your kindness and complete compassion. Sri Sri Nitai Gaura Candra ki jay! Hare Krsna.

August 13 Zagreb-Vlado/Subhadra's-Slovenia-Murali Manohara's

Dear Srila Prabhupada, all glories to your divine lotus feet which moved very swiftly over the earth's surface, blessing her with ecstatic symptoms

of love. We are finding it increasingly difficult to travel. It is not the travel, it is constant change of everything. As we grow older, it becomes more of a physical burden along with canceling out any hope of routine life. We have been doing this service for over two decades and no doubt we will continue. Please, bless us with the ability to accept and adjust accordingly and to accept it as blessing from Lord Krsna, although we don't feel that way. Praying to become able to continue with a strong mood of reaching out to suffering conditioned souls. Your mercy is our success. All glories to you, whose devotion is the sustainer of our existence. Jai! Srila Prabhupada! Hare Krsna!

August 14 Slovenian Camp

Dear Sri Sri Gaur Nita, obeisances in the dust of Your sweet, merciful lotus feet. All glories to Your love for Your devotees. A love that can not be described or compared. Today I had the immense good fortune to completely absorb my mind in Your lila. How You cared for Your devotees, the family of Bhavananda Raya. You care for each devotee in a very personal and loving way, that is Your nature. Please, care for the writer of this diary by reminding me and inspiring me to daily read about Your activities. We need this badly and due to foolishness we forget where true happiness and love reside, at Your feet absorbed in Your pastimes and in chanting Your's and Krsna's Holy Name.

Sri Krsna Caitanya Prabhu Nityananda Sri Advaita Gadadhara Srivasa Adi Gaur Bhakta Vrnda.

Dear Lord Nityananda, obeisances to Your mercy upon us, which is the sole cause of our dancing. We only pray to dance solely as an offering to You and Lord Gauranga. Because You are Gaur Nitai, who are known and famous for being Nataraj we are able to dance. Therefore, please, continue to inspire us in that way and to always glorify your pure devotee and spiritual master of the world, A.C. Bhaktivedanta Swami Prabhupada. Because of him the world is dancing to Nitai Gauranga Hari Haribol. Gaur Premanande! Hari Haribol. Hare Krsna.

August 16 Slovenian Camp Harinam in Zagreb

Dear Sri Sri Nitai Gauracandra, with great humility and sincere apology, we offer out prostrated obeisances at the feet of Your dancing lotus feet. We are unhappy to hear we are not taking care of You properly. And this is causing us some distress. We pray it won't happen again and we can increase bhakti in our service to You. Because we are acting like

neophytes, we cannot understand Your transcendental pastimes and the responsibility we have been given because of Your kind mercy of appearing in our lives. Please, allow us to serve You more and better. We also are very grateful for allowing us to take part in Your mission of spreading Your mercy to the conditioned souls. Tonight, more than hundred devotees gathered for Maha-harinam in Zagreb. Your mercy was greatly present as the devotees chanted and danced for three hours. Many onlookers became participants in the kirtan. Please, let us continue this way to spread glories of Your Holy Name, the only panacea for the anomalies of life in Kali Yuga. “Kali yuga pavana kali bhaya nasana, sri sacinandana nama re”. We take full shelter of Your Name in sadhana and in preaching. All glories eternally to the Holy Name of Sri Krsna, of which You are the inaugurator and His Divine Grace Srila Prabhupada is the merciful distributor serving as the perfect representative of Sri Nityananda Prabhu. Jai! Srila Prabhupada. Gaur Premanande! Hari Haribol! Hare Krsna!

August 17 Slovenian Camp

Dearest Holy Name of Sri Krsna, You have descended from Goloka Dham and entered the hearts of Your pure devotees who are distributing You to us. We beg the favor that we can seriously, sincerely absorb our minds and life in You. Our efforts are only successful by Your mercy, so please do not abandon us, going elsewhere. We are eager and in desperation. Due to our fallen nature, we beg for the mercy of Your Senapati Bhakta Srila Prabhupada, Your dearest distributor of Your mercy. “Yena Kena Prakarena Manah Krishna Nivesayat”. Jai! Sri Sri Gaur Nitai! Hare Krsna!

August 18 Slovenian Camp-Ljubljana Temple

Dear Srila Prabhupada, all glories unto you. Please, allow me to offer my fallen obeisances at your lotus feet. You once said that if one takes shelter at your lotus feet, you will kick out all obstacles in their spiritual practice. That is why I have come. Some obstacles have appeared and because they are not taken seriously enough, they are gaining strength. So before they become too formidable, I come begging your special mercy. Please, kick them out. I have faith by your mercy they will be removed. Thank you. Praying to continue to serve in the best way possible. All glories to Sri Panca Tattva. Gaur Premanande! Hari Haribol! Hare Krsna!

August 19 Slovenia/Ljubljana-Switzerland-Madhava's Home

Dear Lord Balaram, O Supreme Personality of Servitor Godhead, millions of obeisances unto You. You are very very dear to all Vaisnavas and

others, and especially dear to us. Tomorrow we will attempt to worship Your lotus feet and honor Your appearance in this world. Your names, form, pastimes and unlimited qualities are far beyond any human understanding or explanation. Please, inspire us with love for You. We fear that we may fall into the disastrous pit of empty words because of not appreciating You and Your unlimited pastimes of knowledge and mercy. Begging to become a better servitor by serving at the lotus feet of Srila Prabhupada, our beloved merciful guru maharaja. Allow me to be an inspiration for all. Jay Baladeva! Hare Krsna.

August 20 Switzerland/Zurich Temple-Balarama Jayanti

Dear Supreme Personality of Godhead Sri Balaramji, thank You for allowing me to speak about You. It's obvious I am so unqualified to do the seva, yet You are very merciful whether as Baladeva or Nitai. I wanted to continue with glorifying your qualities and activities but time didn't allow. Although I am so small and You are so great, I am always eager to see You, offer You prayers and glorify all Your activities. Please, give divya, bala and tejas and love for You. No doubt, You are so wonderful that all the Vedas personified cannot even describe a fragment of Your glory. What to speak of us who are less than a fig. Your whitish transcendental body is so beautiful full of spiritual rasa. Your powerfully sweet smile fully satisfies our mind and heart. Thank You for Your mercy. Please, allow continuous service at Your lotus feet and to those who love You exclusively. All glories unto You eternally. Jai! Balarama. Hare Krsna!

August 21 Switzerland-Madhava Prabhu's Home

Dear Srila Haridas Thakur, glories to Your chanting the Holy Names of Krsna, as You purify the three worlds by the power of your spiritual determination. We want to chant more, yet there is the need for other service. When will the day come when I will have the sweet taste of Krsna's Name always on my tongue. An impossible task for such a fallen soul. Yet, I know that Sri Nam Prabhu is the most merciful to those who show others mercy. Begging at the feet of the Holy Name to become the true recipient of Kirtan Ras. By associating with Madhava Prabhu we are more fixed in chanting. By the grace of Sri Nam Prabhu we are becoming charged-up to preach more on behalf of Srila Prabhupada. May the Holy Name be kind upon this insignificant and useless beggar. Sri Harinam Sankirtan Ki-jay! Hare Krsna!

August 22 Switzerland-Madhava Prabhu's Home

Dear Lord Krsna's Holy Name obeisances from the depth of our heart. You having kindly appeared and are readily purifying all nasty and lusty moods, please continue to resonate deep within our heart and steady our mind at

Your lotus feet. By the merciful association of Madhava Prabhu and his good wife Sri Radhika Mataji, we are becoming uplifted in the mood of Kirtan Ras. The glory and extreme benefit of the blessing of such association is indescribable. We are a debtor to the Vaisnavas for their kind mercy. May Sri Sri Nitai Gauracandra give me shelter at Their lotus feet. Sri Harinam Prabhu Ki-jay. Srila Prabhupada Ki-jay. Gaur premanande! Hari Haribol. Hare Krsna.

August 23 Switzerland-Madhava Prabhu's Home-Zurich/Temple

Dear Srila Prabhupada, all glories unto your precious and divine lotus feet. We offer you whatever we have in life and virtually life itself. By carefully reading your instructions, we can easily understand everything clearly. One thing we are becoming more clear upon is that whatever difficulties we encounter in our service is an opportunity to take shelter of Sri Krsna and His powerful Holy Name. It is natural for the conditioned soul to want to avoid difficulty and challenges, but that consciousness in itself is the source of causing difficulty. Lord Krsna says in Gita, try to see Me in everything and everything within Me. Srila Prabhupada, you told us, when bombs were dropping on Calcutta, you were seeing that Lord Krsna has come in the form of a bomb. This is pure spiritual vision. We pray that we can remember to take shelter of Sri Krsna in happiness, distress or in between. That is our success. All glories to Sri Krsna's Holy Name, which you made easily available to the entire world. Hare Krsna.

August 24 Switzerland/Zurich Temple

Dear Srila Prabhupada, all glories to your mercy upon us fallen conditioned souls. Please, allow this stumbling disciple to offer you my humble and grateful obeisances. Many persons had the great fortune to come into your association. Some even had greater fortune to take your shelter and become your initiated disciples. Yet many of them could not continue and fell from the glorious path of Bhakti. Some went so far as to again take up their old bad habits. But although they did and are doing still, the power of your mercy will eventually save them. We pray for their return to your lotus feet. Of course, they will suffer separation from you and Sri Krsna but that suffering hopefully will burn away all impurities and material sins. We are grateful to still be under the great umbrella of Gauranga's mercy in which you are shading the world with, covering them, protecting them from the horrible torrents of Maya's scorching flames. Please keep me under that umbrella eternally, may we help you in your service of giving shade to the suffering souls. Some of them we call my disciples, which are sent by you so I can serve you by serving them. O Srila Prabhupada, we are so unqualified and we experience this clearly, but we have hope that by your mercy, Gauranga's mercy, we can rise above the difficulties of

material nature and become fixed in devotion to you and Gaur Nitai. Praying for all these souls who came in contact with you and somehow again became lost. All glories unto your sweet cooling lotus feet. Hare Krsna.

P.S. Please, bless Bhakta Jerry, today is anniversary of his demise. He tried hard but the demon of drugs swallowed him up. Best wishes to Bhakta Jerry on his way back to you, Srila Prabhupada!

August 25 Switzerland/Zurich Temple

Jai Jagannath, Baladev, Subhadra! Your presence here is the bright ornament of this ornamental mandir. You give life, happiness, ras and love to Your devotee. You are the object of our vision and the catalyst of our eagerness to serve. Please, give Your darsan always. May my mind be filled with thoughts of You, while my heart chants Your Holy Name. This world is no better than an insect always moving filled with disturbances. Thank You for inspiring our dance, we wanted to dance only for Your pleasure. Someday in the realm of time we hope to be able to dance for You without tiredness. This would be a great source of happiness which we can offer You in devotion. All glories to Jagannath, Baladev and Subhadra! All glories to New Jagannath Puri! All glories to His Divine Grace Srila Prabhupada, by his mercy we are able to have Your darshan and serve You. Hare Krsna.

August 26 Switzerland/Zurich-London/Nisha and Bharat's Home

All glories to Lord Balaram. By His kind mercy we are able to keep His transcendental form in our mind and on my heart. Srila Prabhupada is His confidential representative and His pastimes in Vrndavan are the greatest source of happiness. Sincerely grateful for His darsan. Jai Baladeva, Jai Balai, Jai Dauji. Sri Krsna Balaram Ki-jay! Hare Krsna.

August 27 London/Nisha and Bharat's Home

Dear Krsna, how can such a fool as me even dare to begin a letter directly to You. Anyway, I offer my humble obeisances to You and all of Your pure devotees associates headed by my Guru Maharaj, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. All glories unto his lotus feet. Tomorrow, we will celebrate Your divine transcendental birth into the world of the temporary. You say in Bhag-gita, anyone who can understand Your birth and activities as divyam will reach Your abode at the end of life. I will attempt, by Your mercy and by Srila Prabhupada and the great acarya's mercy, to try and describe You. This is like a blind dwarf trying to touch the moon. Please excuse my pretentiousness and ignorance, but I am happy to try to do this service while praying to remember to remember You.

Please bless me with Your divine empowerment. All glories to Your birth amongst us mortals. Hare Krsna.

August 28 London/BV Manor Sri Janmastami

Dear Sri Radha Gokulananda, All glories to all worshippers of Sri Sri Radha Gokulananda. You have given us the special mercy of hearing and chanting Your janma and karma on this most auspicious day of the celebration of Your appearance. All glories to Srila Prabhupada, who is teaching us how to serve You nicely. Hare Krsna.

August 29 London/Srila Prabhupada's Vyasa Puja-Nisha/Bharat's

Dear Srila Prabhupada, please allow this arrogant person to become humbled by offering his obeisances in the dust of your divine lotus feet. All glories to your mercy upon the conditioned souls. Thank you for this day, a special day for us devotees to come together and offer you honor and glorification-your Vyasa-puja. We heard many wonderful expressions of love in glorification of your presence in our lives. I want this mood to continue so at least for the next month daily read more from the God-family about you and how you powerfully changed the lives of so many. You gave them the path back to Lord Krsna and the knowledge of how to traverse it. Your instructions are our very life and means of success. To think always of Lord Krsna's lotus feet is the perfection of all activities! Please, empower us to become perfect in remembrance. That is our humble but eager request. All glories to your books, which are changing countless souls into devotees of Sri Krsna. As you said by distributing your books, we are doing the best preaching. These books are perfection and culmination of all knowledge. Please, remind us of the great impact by reading them, as this completes the process of sravanam, kirtanam. All glories to your devotees, my god-brothers and god-sisters, who are so deeply fixed in you and in your mercy with great appreciation and love. Praying to cause you to smile through my service to Lord Caitanya's mission. Hare Krsna. "Gurudeva krpa bindu diya"...

August 30 London/Nisha and Bharat's Home

Dear Srila Prabhupada, all glories to your lotus feet. Thank you again. To glorify you gives us great pleasure and knowledge of Krsna consciousness. I eagerly look forward each time. Hare Krsna!

August 31 London/Nisha and Bharat's Home

Dearest Radha Gokulananda, heartfelt obeisances at Your Divine lotus feet. All glories to Your special son and pure devotee, our Guru maharaj Srila Prabhupada! Tonight I was so happy to get a small glimpse of Your sweet transcendental form. These evening darshans capture my vision

completely, totally. But now I understand that only if Srimati Radharani becomes merciful towards me that I have a chance to receive Your mercy. I am lost and don't know how to serve. I can only practice begging at Your lotus feet, like a cataka bird waiting for the cloud to burst forth with its water. Actually, there is little hope that I will ever be Krsna conscious. Too materially contaminated, too fallen, just lost. But I will never give up trying and begging for the mercy of pure Krsna consciousness. Hare Krsna.

September 1 London/Nisha and Bharat's Home

Dear devotees, all glories to the Holy Name of Sri Krsna. May we always be eager to chant. May Srila Prabhupada be pleased with our endeavor and bless us with Prema Bhakti. Hare Krsna.

September 2 London/Nisha and Bharat's Home

Dear mind, if I offer you my obeisances, surely it will cause you to become even prouder than you are now. Therefore, I address you as my occasional friend. Hopefully, it you will become a more frequent one. If you could remember to always chant Hare Krsna, then our relationship will be great, full of happiness and free from bewilderment. I know you have been with me for countless millennia, but still you should not take advantage of that and forget our real needs. So, I am asking nicely, just always remember Sri Krsna and rid us entirely, permanently of all your mental speculations which causes us to get fatigued and miss out on real fun. Krsna is your real mother, father, friend and lover. So please, take this advice which is coming from our eternal well-wisher A.C. Bhaktivedanta Swami Prabhupada. Place Sri Krsna in your mind and never let Him leave. Hare Krsna.

September 3 London/Nisha and Bharat's Home

Dear Lord Siva, obeisances with great respect and love. All glories to You, the greatest of Vaisnavas, most powerful of all controllers of Lord Krsna and Lord Rama. A great honor, joy and privilege to be able to speak a little of Your unlimited glories. Your deeds are sung throughout the three worlds and beyond. You are very dear to Lord Rama, having His intimate association on numerous occasions. You chased after Krsna in the form of a woman, Mohini Murti, yet You are glorified and feel great happiness being captivated by His powerful Yoga Maya potency. I am blessed having received a name which describes Your great qualities towards the conditioned souls. By the grace of Srila Prabhupada, we have gained the opportunity to know and worship You. Please, offer us knowledge of Your greatest and our duty to show compassion for the fallen conditioned souls. All glories unto You. Om Namah Sivaya. Hare Krsna.

September 4 London/Nisha and Bharat's Home

Dear devotees, please accept my humble obeisances. All glories to Srila Prabhupada! Please, come together as one unit in service to Krsna. You are all more competent and spiritually qualified. I am learning from you and I hope to learn more. Teach us how to never take credit for any service done. The conditioned soul wants to be recognized, honored, glorified and even worshiped. Those elements simply divert our attention away from Sri Krsna and away from the mood of humble service. May I be blessed with the qualities as listed in Siksastaka Prayers verse #3 Humility, tolerance, pridelessness, respect towards others and to always chant Krsna's Holy Name and eagerly and regularly talk about and glorify one who is worthy of glorification, His Divine Grace Srila Prabhupada. We are eternally blessed by his presence in our lives. Hare Krsna!

September 5 London/Nisha and Bharat's Home-Slovenia/Ljubljana

Dear Srila Prabhupada, all glories unto your lotus feet. They have touched Mother Bhumi and since you left her, she is not feeling happy. Today is the anniversary day of my receiving your merciful shelter. According to the solar calendar, today is the 40th anniversary of my good fortune. The actual date according to the lunar calendar is Radhastami, which is arriving soon. In both understandings, I am very happy and extremely grateful to have had the rare and good fortune to meet you and become your disciple. Thank you, Gurudeva. I am unlimitedly blessed, though I could and should do more to achieve the level of purity that is worthy of becoming your disciple. Hare Krsna.

September 6 Slovenia/Ljubljana

Dear Sri Panca Tattva, all glories to Your appearance in the world, a world practically devoid of the glorification of the name of Sri Krsna. We are overjoyed that You have come to give us the process of Nam Sankirtan. Only now we are feeling some spiritual starvation, unable to fully take advantage of Your valuable gift. Please, again push us into the sweet warming effulgence of Your enthusiastic chanting of Sri Krsna's names. It is often said that our beloved guru maharaj Srila Prabhupada was successful in spreading Krsna consciousness due to emphasizing and demonstrating the process of Hari Nam Sankirtan. All glories to the pure example, when at the advanced age of 72 he danced and chanted the entire route of the Jaganath Ratha Yatra in San Francisco. We are insignificant in our attempt to practice Nam Kirtan. His Divine Grace is our inspiration. Begging to revive activities of Nam Yajna chanting Sri Krsna's Holy Names in happiness. Gaur Premanande! Hari Hari Bol. Hare Krsna.

Dear Sri Radhe, all glories to Your sweet lotus feet. Please, give us shelter within their vicinity. I am affected by the foolish thought of trying to enjoy this material world. It is certainly foolish,worse. Please, bring us to Your service in service to Your devotees.We am convinced that only Your merciful glance can destroy all traces of worldly desires. Please, save us from the witch of false fascination and correct all our waywardness and allow us to chant Your Nam with loving devotion. Jai Sri Radhe! You are the Best of the best.His Divine Grace A.C. Bhaktivedanta Swami Prabhupada is Your eternal assistant. Hare Krsna.

Dear Sri Radha, all obeisances with love at Your Divine lotus feet. We are sincerely begging for service to You. I offer a prayer of forgiveness for attempting to speak about You,Your mercy and glories. I can only fall short of the proper glorification. You are so great. It is impossible to offer suitable words and yet so kind and merciful. It is impossible not to try. When we think about love in Krsna consciousness,actual love,we must place You as the center,as the source.HH Radhanath Swami Maharaj has many times said, whatever love we have in our heart is only a drop of the totality of love in existence which is emanating from Your heart of unlimited love. Please, teach us how to express love in such a way that our wonderful spiritual master and savior of the world, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada will be greatly pleased and shower his mercy.Srimati Radharani,I am Yours.Hare Krsna.

September 9 Slovenia/Lendava-Kisore Krsna's Home

Dear Srila Prabhupada, all glories to your mercy upon the fallen conditioned souls, of which I am one. Srila Prabhupada, it is enjoined that if a sannyasi becomes dependent on others, he becomes fallen. If someone comes forward to offer service, then a sannyasi can give, but it is for their benefit. He is not needy in any way. Although it may appear that way. Please, Srila Prabhupada, destroy completely any artificial dependence that has arisen due to whatever the cause and place me fully under your mercy and Lord Krsna's care. It becomes very troublesome when we depend on others.To regain Lord Krsna's mercy we pray for complete and total dependence only on your mercy. This doesn't mean I will refuse others' request for service or offer others service,for myself I need nothing. That makes surrender complete. Signed;an insignificant servant of the servant of the servant. Hare Krsna.

September 10 Slovenia/Lendava-Kisore Krsna's Home

Dear Srila Prabhupada, all glories to you, by your mercy all knowledge and its application are readily available. Please, force us to take more

advantage. I seem to be in a period of struggle which is more than I usually encounter. It is to be expected, as there are ups and the routine trials that test our determination, tolerance, sense and mind control. So many ways and reasons to become distracted. Looking forward to a better material arrangement may pacify the restless mind, but it doesn't help us in purifying our heart. Each moment is a chance to go closer to or farther from Lord Krsna. I am not very adept at all the angles of success that are available. I only know and really strongly believe that to remember Sri Krsna always is the success we are striving for and the most perfect way to practice Krsna consciousness. I pray for that determination. Here is nice materially yet we look forward to moving on. Staying in devotees' home is always an inconvenience for the host and for us as it requires an effort to ensure that I can balance my time between services and giving quality time to the hosting devotees. I want to give up this program of house living and get back to the temple. All glories to your soft sweet lotus feet. Hare Krsna.

September 11 Slovenia/Lendava

Dear Srila Prabhupada, I offer you everything. I want to include my heart also. Tonight sitting alone, I am feeling totally useless. For some it's a reason to give up or change. But this has caused me to think about how to become a better servant. I can only hope and pray for the merciful association of my dear Godbrothers. Without them I experience unhappiness. Fortunately, the opportunity is coming with Sri Radhastami in New Vraja Dham, Hungary. Great association along with the pure tirtha of Sri Sri Radha Syamasundara. Praying to be able to take full advantage of the association. In order to achieve this, your merciful guidance is very much needed. Please, allow me to be the servant of the servant of your servants. With much hope. Hare Krsna.

September 12 Slovenia/Lendava-Hungary/New Vraja Dham

Hey Radhe! Hey Krsna! May Gokula Taruni, the beautiful young girl of Sri Vrindavan Dham allow this poor fellow some service. Lost in an ocean of mental mish-mash never happy in any condition, always seeing faults, no real direction in life, falsely proud and oblivious of others' needs, always thinking about how to arrange the material energy to facilitate increased sensual enjoyments. Now old and worn out with no energy, he is begging for Radharani's kṛpā. Dear Krsna Mayi, please give me the service of Your servants' servant. Mostly fix my mind and heart on chanting Your Holy Names with love. One who is given much, much is expected. Srila Prabhupada has given us everything and more-Sri Krsna and the key to the door of His Holy Dham. Jay Sri Sri Radha Syamasundara! Jay Sri New Vraja Dham! Gaur Premanande! Hari Haribol! Hare Krsna!

September 13 Hungary/New Vraja Dham Sri Radhastami

Dear Srimati Radharani, glories, glories, glories unto You! We are fully and completely blessed by Your appearance in our lives. Thank You for allowing and empowering this unqualified person to speak about You. Your mercy is so sweet-so complete. In a spirit of true love tomorrow we again will focus on You. Please shower Your mercy to this blind dwarf. Oh, Govindanandini, place Your lotus feet in our heart so that we will know what is real love and how to please You. Oh, attractor of One who attracts all. Your service is our life, happiness and perfection. All glories unto You, all glories unto You! Oh, beloved of Syam. Radharani Ki-jay! Maharani Ki-jay! Varsane-vali Ki-jay jay jay! Jay Sri Radhe! Hare Krsna.

September 14 Hungary/New Vraja Dham

Dearest to Lord Krsna, Sri Radha, glories unto Your mercy. Your lotus feet are the epitome of perfect love. We want to remember Your lotus feet always. May we become blessed with remembrance of You along with loving service to You. All glories to HH Siva Ram Swami Maharaj, by his pure desire to glorify You and Syam, a great Vaisnava community has manifested and it is attracting many others. All glories to New Vraja Dham. May it expand more and more as the perfect place for the practice of Bhakti. The spiritual world manifest. Jay Sri Radhe Syam! Hare Krsna.

September 15 Hungary/New Vraja Dham-Ukraine Fest. Ekadasi

Dear Srimati Radharani, dearest to Krsna, embodiment of full love and compassion. I am feeling Your mercy still. This is most humbling yet greatly needed. Trying to serve, but not able to. I depend on Your mercy as it is being distributed by His Divine Grace Srila Prabhupada. It is a great mystery how Your mercy keeps the devotee connected with Lord Krsna's service. All glories to those lotus feet that are rarely seen and beyond any level of appreciation. Sri Radhastami Ki-jay! Hare Krsna.

September 16 Ukraine Festival

Praying to develop genuine humility. Dear Lord Krsna, all glories to You in Your powerfully transcendental form as the Holy Name. Please allow me to take full shelter and chant from the heart, in love. In the association of such exalted Vaisnavas, there is unlimited mercy. And without a humble attitude of service to the Vaisnavas, it will not manifest. Begging for a drop of genuine Vaisnava humility and appreciation. May Srila Prabhupada guide me at every step. Hare Krsna.

September 17 Ukraine Festival-Srila Bhaktivinode Thakur App.

Dearest Sri Krsna Caitanya and Nityananda Rama, all glories to Your Sankirtan movement, which like a huge tidal wave drawing everything and everyone in the ecstasy of love for Sri Krsna. Jai! Srila Prabhupada. Hare Krsna

September 18 Ukraine Festival-Srila Haridasa Thakur Disapp.

Dear Srila Prabhupada, all glories to your sweet lotus feet, can't be beat, always desiring to meet, coming down many a street, fully replete with mercy complete, magnificently neat, relieves the material heat, Maya's defeat, most complete, your two swan-like lotus feet. The best of all treats, delightfully sweet. Jai! Srila Prabhupada. May we always remember you with love and gratitude. Hare Krsna

September 19 Ukraine Festival

Dear Srila Prabhupada, all glories to your appearance in this darkened Age of Kali. You are the bright light which is capable of bringing in the Krsna Sun. We are eager to endlessly glorify you and those who perfected their lives situated at your lotus feet. We are very fallen, and there is no limit to my false pride and to my ostentatious behavior. We pray to please you somehow and be able to associate with those who are fully devoted to your lotus feet. A drop of genuine humility for me would create a world of improvement. We know you can give whatever we lack due to my clumsy endeavors to serve. Begging for the qualities of a true devotee. All glories to your lotus feet. Hare Krsna.

September 20 Ukraine Festival

Dear Srila Haridasa Thakur, full dandavats eternally at your lotus feet. We cannot imagine the debt of my good fortune having come in contact with service to you. May we realize that benediction through loving service to you. You tolerated beatings in 22 market places and continued to chant the Holy Names all the while feeling compassion for your torturers. That is one of the many reasons why Lord Caitanya Mahaprabhu titled you Crest Jewel of all the Devotees. Praying to become a servant worthy of your service. All glories to Sri Krsna's Holy Names, which are always on your tongue. Gaur Premananda! Hari Haribol! Hare Krsna.

September 21 Ukraine Festival

Dear Srila Prabhupada, glories, glories unto you. Thank you for a wonderful festival. Ukrainian devotees are very sweet, deeply attracted to the practice of devotional service. Gaur Premananda! Hare Krsna.

September 22 Ukraine Festival-Kiev Temple

Dear Sri Sri Gaur Nitai of Kiev, all glories to Your mercy upon the souls in this materially important city. Please, forgive us for not taking the time to come and take Your sweet darsan. There is no excuse, just ignorance and laziness. We are praying these two days here we will enthusiastically serve You and Your followers. Please, allow us that privilege. All glories to Sri Harinam Sankirtan and especially to our Senapati Bhakta, Srila Prabhupada being bereft of his mercy we are totally lost. Now we have hope that some day we will develop real humility and devotion. Being always impudent and careless, we fall into many relationship difficulties. We hope to become a better and more sincere servant of all, especially to my advanced Godbrothers, and a humble helper in spreading Your glories. Please guide us. Hare Krsna.

September 23 Ukraine/Kiev Temple

Dear Sri Sri Gaur Nitai of Kiev, glories to Your prominent transcendental forms, towering over all. Your devotees are like insects in comparison. Your mercy is comparable to Your mammoth stature as it inspires us to read Your wonderfully enlightening and supremely glorious pastimes. The glories of Sri Ramananda Raya, although a householder, exalts over the greatest of sannyasis. Please, bless us with a drop of that “dhira potency”, so we can become absorbed in hearing and chanting Your glories and inspiring others to do the same. “Mahaprabhu bhakta-ganera vairagya pradhana”. This element of vairagya is complete distaste and detachment from any sort of material sensual enjoyment while simultaneously seeking association of Sri Krsna Names and activities. All glories to the person who made it all happen and ever sits in the conductor seat. Jai! Srila Prabhupada. Gaur lila Ki-jay! Hare Krsna.

September 24 Ukraine/Kiev-Slovenia/Ljubljana

Dear Sri Sri Gaur Nitai, Srila Krsnadasa Kaviraja Goswami begins the 14th Chapter of Adi-lila by saying: "Things that are very difficult to do become easy to execute if one somehow or other simply remembers Lord Caitanya Mahāprabhu. But if one does not remember Him, even easy things become very difficult. To this Lord Caitanya Mahaprabhu I offer my respectful obeisances". O most difficult travel schedule You have proved the words of Your pure devotee. 14 hours of continuous travel with two flights at two difficult airports. Only because You gave us remembrance of You was the impossible made possible. Yet that is external as the real joy is remembering You. May Srila Prabhupada kick us with the constant remembrance of You. Sri Sri Panca Tattva Ki-jay Sri Sri Gaura Nitai Ki-jay! Gaur Premanande Hari Haribol! Hare Krsna.

September 25 Slovenia/Ljubljana

Dear Lord Sri Krsna, O Supreme Personality, O Lovable Darling of Sri Vrindavan Dham, Your abode in the spiritual world. You say it Yourself and we accept it as perfect knowledge. No one knows You and yet many love You. You make Yourself available through Your sacred Name, Sri Krsna, along with Your unlimited service. We are eager to hear about and know You more because You are the best of the best. May we remember You by practicing Krsna consciousness and by pleasing Your pure devotee Srila Prabhupada. Hare Krsna.

September 26 Slovenia/Ljubljana-Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, please accept my humble obeisances. All glories to Your Divine Grace. Our shelter in this struggle to become a pure lover of Sri Krsna teaches us there is no other means of success than Your Divine Grace powerful instructions. May we seek shelter in them only. Hare Krsna.

September 27 Croatia/Karlovac-New Santipur

Dear Sri Sri Nitai Gauracandra, all glories to Your mercy in our lives. Without it we are lost. We are pleased to know that our good fortune is Your presence, we must act for Your pleasure to be complete. Tomorrow we will begin a two-day festival. Praying to keep our attention on Your lotus feet which is the only shelter that opens the door to Sri Radha Krsna Seva-prema. All glories to the Holy Name of Krsna, when sung by sincere devotees who have tasted Your mercy. It is all we can ever aspire for. May we chant and dance in Your presence all weekend. Srila Prabhupada is our guide. Hare Krsna.

September 28 Croatia/Karlovac-New Santipur

Dear Nitai Gauracandra, thank You for a great day. All glories to Your presence within our life. May Srila Prabhupada be pleased. Hare Krsna

September 29 Croatia/Karlovac-New Santipur

Srila Prabhupada, beloved Guru and Saktavesa Avatar. May we always seek your mercy and guidance in every and all our endeavors to serve. Thank you for allowing this totally unqualified person to be your representative. My aspiration is to always please you. Hare Krsna.

September 30 Croatia/Karlovac-New Santipur Ekadasi

Dearest Srila Prabhupada, falling flat in the dust of your pure lotus feet, we offer this insignificant life in your service, the mission of Sri Caitanya Mahaprabhu. We're struggling to properly use time for devotional service, endeavoring to keep the body and mind nicely engaged while faced with the continuous challenges that come with constant change due

to traveling. We have many reasons for executing devotional service in the abode of Sri Sri Nitai Gauracandra, New Santipur. We hope it will be a pleasing offering. We have hope we will become fixed in body and with good intelligence so when travel resumes we'll focus in a determined way to give Sri Krsna, your mercy to whomever we meet. All glories to your mercy upon this very fallen soul. It is our only hope and all we truly need. You, Srila Prabhupada, are the greatest in all great categories of devotional practice. We happily take shelter of you. Thank you. Hare Krsna.

October 1 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories unto you, obeisances from my heart. Srila Prabhupada, we speak a lot to others about the necessity of reading daily your books, yet daily we don't always do it. There always seems to be some other service we choose to do. Time is available yet we lack proper planning. Our desire is to read daily Srimad Bhagavatam "nasta prayesv abhadresu nityam bhagavata-sevaya". Please, push in that way. Srimad Bhagavatam gives the satisfaction we are seeking and the spiritual shakti needed. All glories to your Caitanya-caritamrta, which is everything. Srimad-Bhagavatam is on equal footing. By connecting with powerful Vaisnava scriptures we will become the devotee you desire. Thank you from the heart. Hare Krsna.

October 2 Croatia/Karlovac-New Santipur

Dear, Nitai Gauracandra, all glories to Your presence in our lives despite the obvious fact that we fail to serve you properly, nicely. When you agreed on our request to move to the village setting, You accepted a decline in worship and perhaps for a given time that was unavoidable. Now we want to offer more and better service. Please, give us the intelligence and the desire on how to do so. We simply exist for Your pleasure, that is our desire in everything we do. Begging to become a better servant. Your guidance, Srila Prabhupada, is our success our victory. Hare Krsna.

October 3 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories to your sweet lotus feet. It was 13 years last month, that we began writing every evening before rest. We call it, the Daily Diary. It was initially inspired by you when you stated that a disciple should every day write a least a few lines expressing our realizations in devotional service. 13 years have passed and there have been many memorable and occasionally catastrophic events that we recorded. In editing the Diary looking back to earlier years, we note the constant theme of how unqualified we are beg thereby pleading for your mercy in order to do the service of travelling and acting as your representative. I have completed 9 years of editing and hope to finish the 10th year soon. But

what we now noticed is how as time moves us along the writings are more reflective of events and experiences rather than a sincere call for mercy. Perhaps after so much calling I am becoming fortunate to receive a drop of that mercy from the unlimited ocean of mercy. My sincere prayer, dear Gurudeva, is please destroy any pride born of receiving your mercy. Humility, pridelessness, concern and respect for others are necessary ornaments of a serious devotee along with Vaisnava seva and the taste for chanting Krsna's Holy Names. We pray as mercy seekers in all situations. Unable to perfectly control the mind, yet we have complete faith in the Holy Name and in your mercy. Begging to become a source of happiness to you. Hare Krsna.

October 4 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories to your literary contribution to the world of spiritual philosophical thought. Your books are revered within many outstanding categories of thought. You write as an artist paints a portrait, using words to glorify and help us understand and realize Lord Krsna. By describing Sri Krsna in different ways of Himself, you show the multifaceted, variegated sweetness and superiority of Lord Krsna's qualities. In writing about Sri Krsna you describe in many varieties of ways the beauty of His existence in a most natural way imbued with love for Him. You have taken the complete and perfect definition of Lord Krsna as all attractive in your literary expression with His qualities, names, forms and activities. About Sri Nam you wrote in S.B.2.1.12 purport that when chanting Hare Krsna, "one can synchronize all stipulated energies from all places". This to me speaks that when one is actually in contact with Sri Krsna in the form of His Name we are connected with all existence, as Sri Krsna is everything. This statement will inspire anyone to chant, knowing that Lord Krsna is everything. Chanting Hare Krsna is Sri Krsna fully in sound. Yet the Holy Name has an extra added feature, as it has been designated as the means to achieve spiritual realization and perfection. Thank you, dear Srila Prabhupada, for your books, and your spoken words, which are an added element of devotion as one can experience Lord Krsna through your words. A cherry on the top of the deliciously sweet cake. Please, keep me connected to the loving dealings of yours and with those who have a greater understanding and realization. Your books are conquering the world and kicking hard this rascal Kali. Thank you! Hare Krsna.

October 5 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories to your spiritually powerful books. They are purifying many souls in this disgusting, disgraceful, totally insane age of Kali. When we read, we can preach, talk about, being inspired to. When

we get away even for a day, we can get very far away and then there's nothing to say. The intelligence shuts down. Please, Srila Prabhupada, more than anything, we must read, read, read Srimad Bhagavatam and Caitanya Caritamrta as they are full of life, love. Please, save this drowning soul. You are our only shelter and that is our way towards perfection. Hare Krsna.

October 6 Croatia/Karlovac-New Santipur-Slovenia/Ljubljana

Dear Srila Prbhupada, all glories to your master craftsmanship in molding a worldwide movement from the scattered bits of clay strewn throughout the fragmented world. It is our great happiness, spiritual advantage that great souls have come and are available by their merciful association. All glories to HH Radhanath Maharaja, who can unite many different types of people to develop love and respect for one another along with a fixing a devotional attitude of service. May we develop these qualities as an offering to you. All glories to powerful Vaisnava association. Hare Krsna

October 8 Slovenia/Ljubljana-Croatia/Karlovac-New Santipur

Dear Pancatattva of Ljubljana, my full dandavat pranams in the dust of Your lotus feet. All glories to Your inconceivable mercy upon this fallen soul. We want to express our gratitude for allowing us and empowering us to speak Srimad Bhagavatam classes. Today and yesterday also I could strongly feel Your empowerment as it helped to increase my enthusiasm for speaking transcendental philosophy and the personal glorifications of Your divine lotus feet. The opportunity to preach is a great privilege. We are very grateful and happy. Now that we have returned to New Santipur, we will try to continue, but now preaching will be more through e-mailed letters. All glories to His Holiness Radhanath Maharaja, by whose association we received the inspiration to preach. We want to continue, therefore we are praying to Srila Prabhupada to positively inspire us in this atmosphere that has very few preaching opportunities. Yet Krsna consciousness is never checked by material circumstances nor is preaching Krsna consciousness. We can limit ourselves by not being careful in using time wisely, becoming complacent. I neglected to make an entry yesterday in the Diary. We must avoid circumstances that cause us to forget. Praying to use these next 2 months as an opportunity for increased service and a more balanced daily life of devotion. Hare Krsna.

October 9 Croatia/Karlovac-New Santipur

Dearest Lord Nrsimhadeva, Goddess Laksmi, all glories to Your unlimited kindness of this fallen and very needy soul. Your presence in my life is a boon that we have not been able to fully comprehend or appreciate. The mercy You have shown is equal to Lord Nityananda's. How are we

able to understand our great fortune. We can understand our service to You needs drastic attention. Being compassionate, You tolerate our many inabilities to serve properly and our repeated awkwardness. Please allow us the intelligence so we can develop the ability to serve You properly. Your mercy is great and is a source of happiness. Thank You for allowing us to improve in Your service today, we can understand it was Your merciful arrangement. We hope we can please Srila Prabhupada in our attempt to serve You. Praying that I can continue to serve Your lotus feet and that the Goddess of Fortune Laksmi is pleased. All glories to Your protection for Your devotees. With love. Hare Krsna.

October 10 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories unto you. We are here because of your mercy. We are satisfied with a little prasadam, scriptural reading and preaching by email. Of course, we are planning to begin and organize a morning program. We think it will start soon. It doesn't fully depend on me and we will continue to try to use every moment of the day to serve. There is much service yet we're happy simply by chanting Hare Krsna. That is due to hearing regularly your words which are my inspiration for chanting and for servicing. We do miss kirtan and there is a desire bring it about. That is lacking. Without the mercy of the Holy Name there is nothing to live for. We want and need more and more. Praying to become a better and more compassionate servitor of the Vaisnavas, which happens only when we hear your provacan daily. Keep us connected more and more. Sri Harinam Sankirtan Ki-jay! Gaur Premanande! Hari Haribol! Hare Krsna.

October 11 Croatia/Karlovac-New Santipur

Dear devotees of ISKCON, please accept my humble obeisances. All glories to our Divine Master, Founder Acarya of ISKCON, His Divine Grace Srila Prabhupada. Why are we sometimes discouraged in our endeavor to make progress in devotional service. Why do we fall pray to doubts and distractions spoken by the voices of the illusory energy. It is said that obstacles are those frightful things that appear when you take your mind off of the goal. So let us define the goal. Are there different goals? We conclude that there are short ranged goals that are achieved on the way to the only goal. This was stated by Srila Prabhupada when in 1975 in Atlanta Georgia when asked, What pleases you the most? Amidst an army of book distributors, Srila Prabhupada gave the answer that so wasn't obvious during that setting. "If you love Krsna". Srila Prabhupada got right to the essence, reminding everyone that full love of Sri Krsna is actually the only goal of every devotee in ISKCON." There are many short range goals which are necessary, to preach Krsna consciousness, temple opening, establishing harinam and book distribution everywhere etc. As

one endeavors to achieve their short range goals, we must keep focus on awakening love for Sri Krsna. This was illustrated when Dronacarya was teaching archery to the Yudhistira, Bhima and Arjuna. "Eye of the Bird." What then takes away our enthusiasm and determination to achieve the goal? Two things come to mind that have always destroyed any successful endeavor, laziness and an uncooperative spirit. Two great enemies to real spirituality. Always avoid laziness by cultivating enthusiasm through full engagement in devotional service along with developing the qualities of a Vaisnava as mentioned by Sri Caitanya Mahaprabhu in the third verse of Sri Siksastakam. These qualities help to awaken a cooperative mood in all activities. This prevents us from focusing on what we want and focusing what pleases Srila Prabhupada and Lord Krsna. Dear devotees, if we fight against laziness and individual separate interest, then the road toward love of God becomes clear. All glories to Sri Krsna's Holy Name, when chanted with attention and devotion, it destroys all the obstacles of self-realization. All glories to Harinam Sankirtan, all glories to Srimad-Bhagavatam. Hare Krsna.

October 12 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, my God-brothers have such deep love, wonderful personal memories, and great attachment and appreciation for you and all that you are and did. We yearn to have that also. How can we realize that all that we are and do, and will ever do is your mercy? Steeped in our own sense of self-importance we are prevented from seeing beyond our own activities and ideas. When you say to Lord Krsna, please give this chap Your mercy, Lord Krsna gives. We want to develop a more and deeper appreciation of what you have given us and the world. Although it is obvious, still we cannot fully comprehend all that you are, what you gave, and most important, are still giving. Begging to become a better and more conscious servant absorbed in thoughts of your divine lotus feet. Those feet that are the wealth of the fully intelligent. All glories to you, Srila Prabhupada, our divine beloved master. Hare Krsna.

October 13 Croatia/Karlovac-New Santipur Sri Ram Vijayhotsava

Dear Sita, Rama, Laksman and Hanuman, all glories to Your appearance in this world. We hope we were able to satisfy You with my humble attempt to honor and glorify Your pastimes. Jai! Sri Ramacandra! Hare Krsna.

October 14 Croatia/New Santipur-Karlovac

Jai! Gauranga Mahaprabhu! All glories to Your compassion on us jivas. Just by regular hearing with full faith the narrations of the pastimes of Gauranga Mahaprabhu one can easily obtain love of Sri Krsna. These are the words of Srila Krsnadas Kaviraj Goswami in Caitanya-caritamrita,

helping us to realize we only need to seriously hear. Full understanding is not within the reader's capacity or anyone else's. It is a great joy and powerful intellectual exercise just to go on hearing about Sri Caitanya Mahaprabhu, albeit any one of His pastimes. But His antya lilas are so deep in spiritual truth that it is said only three persons could understand-Mahaprabhu, Srimati Radharani and Madhavendra Puri. After reading Caitanya-caritamṛta we desire to again visit Srimad-Bhagavatam and continue with the study as presented as Bhurijana Prabhu, who has given us the first 4 Cantos. Hopefully, the next study section will be available soon. Srila Prabhupada is guiding us in the way that we become the full lover of Sri Kṛṣṇa. May we be receptive to his guidance. Hare Kṛṣṇa.

October 15 Croatia/Karlovac-New Santipur Ekadasi

Dear Srila Prabhupada, full obeisances from my heart. I am supremely grateful for all you have given and all you are. You are truly amazing and I experience it every day when I listen to you speak Kṛṣṇa consciousness philosophy and basic moral principles on how to live life properly. We do have a major problem. I can appreciate everything about devotional service, yet we ourselves as the doer and center of everything. My lack of regard for Lord Kṛṣṇa and His pleasure is causing us to be concerned. We need to understand better how to apply what you have given. It is an art, the art of love! My simple and sincere prayer is, please, guide me in the best way so we can serve you and Lord Kṛṣṇa and all others in the best possible way for their pleasure. Please kick away all these obstacles that we take shelter in. All glories to chanting Hare Kṛṣṇa. We humbly and sincerely beg forgiveness for spacing out and not being careful about eating. I will by your mercy follow Ekadasi again tomorrow. Thank you for not giving up on this fool. Hare Kṛṣṇa.

October 16 Croatia/Karlovac-New Santipur

Dear Srimati Radharani, falling flat into the dust of Your most precious lotus feet. Please allow this very fallen, nonsense person to say a few words. Words that I hope will be approved by Yourself. Your month Kartik commences in three days. This is a very special and most wonderful time of the year, as we honor Your Lal-Damodara. Actually it was You who supplied the rope that tied up Damodara when all else failed. So, we honor You, as the bond of Damodara, with Your pure love, and Damodara, whose charming activities give great pleasure to the heart. We pray we can spread the glories of Kartik, Your month. For the last few days we have received the good fortune to read to our heart and mind's satisfaction. It is very much welcome. This is in preparation of what I hope to speak. Please, bless us with your special mercy and direct our heart towards Your service and the service of Damodara Dula. Our beloved Guru and world

acarya Srila Prabhupada departed the world in this month of Kartik, Your month. Jay Sri Sri Radhe Syam! Hare Krsna!

October 17 Croatia/Karlovac-New Santipur

Dear Prasadham, my humble honors to You. You are Lord Krsna in the form we all love and look forward to meet, greet and eat, which can't be beat, a wonderful treat and always so sweet. We are unable to fully appreciate You nor comprehend how to serve You. Giving up eating is advancement as long as we remain fixed in Krsna's service. Giving up You is foolish as you are austerity and happiness combined. We want to respect You properly and only You can reveal that. We eagerly await Your mercy each day. Please allow me to serve You with love. Our Guru Maharaja, Srila Prabhupada, taught who You are and how to best serve You. He is expert. Hare Krsna!

October 18 Croatia/Karlovac-New Santipur

Dear Damodara, O Supreme Personality of sweet mischief! O Thief who steals the butter like hearts of His devotees! All glories to You as Sri Damodara, the best amongst the sweet baby-lilas. The Supreme independent personification of love. Tomorrow we begin chanting Your glorious pastimes of Makanchor. We have spoken it many times each year. But it is so wonderful and like You, ever fresh. I am eager to share this with others. Please send many souls as we look forward to the opportunity to reach more of the spiritually needy. Kartik, the best of all months, and Acyuta, the best of all Deities. May we invoke the presence of Srila Prabhupada, as he guides us in glorifying and singing about You. Sri Radha Damodara Ki-jay! Gaur Premanande! Hare Krsna!

October 19 Croatia/Karlovac-New Santipur

Dearest to Lord Krsna-Sri Radha, it is Your month. Because You are the Best, this month is the Best. All acts of devotion are meant to be offered to Your lotus feet. Svarup Damodara Goswami would not allow anything or anyone to approach Lord Caitanya without first being evaluated and scrutinized by You. You stand with Your hand held in the gesture of blessing. Others have said it is either a blessing or a sign meaning-stop. Do try and go further, Krsna is mine and you must approach with Bhakti as no one passes here without it. I have no Bhakti, only karma and some jnan. Bhakti-devi (You, Sri Radha) are far above, for a fool like me to serve and appreciate, but because You are merciful and have blessed me previously in so many ways I have hope, a lot of it. Please pray to Your beloved Lord Krsna that I can have a chance to serve Him. He is nice but You are nicer. All glories to Sri Sri Radha Shyamasundara of New Vraja Dham Hungary,

a spiritual oasis wherein Srila Prabhupada is fully, personally present. Hare Krsna!

October 20 Croatia/Karlovac-New Santipur

Dear mind, I call you dear because you are very close and have been for countless lives. Please give up any desire and hope for sense gratification either immediately or extended. Just relish the happiness of devotion to Kanai. Hear about Him and always serve Him. Be hundred percent dependent on Him and live in the simplest way possible. Always chant His names and make plans to serve His devotees. Eat only His prasadam just enough. Elderly in age means less. Read Caitanya Caritamrta and think of Lord Caitanya's and Lord Nityananda's mercy on the souls of the world. Pray to Srila Prabhupada for mercy and always remember his compassion and great personal sacrifice. Listen to him daily and repeat his words whenever you lecture. Never be unhappy and know that Krsna always gives protection, always. Use time wisely. Do you hear this, O restless one? Gottcha. Gaur Premanande! Hare Krsna!

October 21 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories to your vast spiritual knowledge and your sharp practical understanding. We take shelter of these principles you gave knowing it is the best part of your mercy. We have taken an austerity for Kartik month of not consuming any grains the entire month. It may be difficult or it may be quite easy. Easy because I don't miss or hanker for those tastes and difficult because we are unable, at least so far, to balance diet with other foods. Physical weakness could occur as an outcome of this austerity. Anyway, we place this before you and ask for your guidance as to whether we should continue. I feel we should as a vow is not be entered into whimsically or broken. In any case, please guide us as without your mercy what good is others and with your mercy what good is others. All glories to your lotus feet. Your fallen servant. Hare Krsna!

October 22 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, in meeting people of Croatia, we can see they are very nice. Simple, generally friendly, intelligent. From material perspective, they have many good qualities, generally. But you would say, all material qualities are simply 0. A lot of 0s is zero. With your mercy, we become the giver of the 1, placing Krsna in their lives as you have done in a miraculous way. Please, add this additional achievement to your list. Tomorrow we will get an opportunity to present Krsna consciousness to the public. Please, be there to guide me, correct me, and mostly inspire me to present what you would say. All glories to your lotus feet, which are so precious and

readily available. The greatest gift, the greatest mercy, so available. The only place we want to be. All glories unto you. Hare Krsna!

October 23 Croatia/Karlovac-New Santipur

Srila Prabhupada;Dearmost Gurudeva, all glories to your lotus feet, in which is my home and my life's mission. The devotees here in Karlovac are all very nice, sweet and like Krsna consciousness. But they all seem to have difficulty working and serving in a cooperative way. In Kali-yuga this atmosphere is very pervasive. How much time and energy will we devote in trying to improve the situation is questionable. Perhaps just being an example in all respects is the best form of communication. In any case, please guide us in how best to serve, and empower us to be an inspiration for others in cooperation and surrender. Our intellectual ability is your mercy. Thank you for hearing this prayer. Hare Krsna.

October 24 Croatia/Karlovac-New Santipur

Jay Sri Sri Radha Damodara! We are very happy that Your month has arrived, so we can continuously offer you our humble obeisances and serve You by chanting Your glorious pastimes and the superlative activities of the effulgent sadhus who are so gloriously honored this month. We want to give our words of appreciation to H.H. Kirtanananda Maharaja, who departed the world two years back on this day. May he be blessed with the special kind of mercy of Sri Sri Radha Vrndavan Candra. All glories to Their wonderful pastimes in Sri New Vrndavan. Thank you, Srila Prabhupada for giving us much remembrance of you. The mercy is incomparable. Srila Prabhupada Mahasaya Ki-jay! Hare Krsna.

October 25 Croatia/Karlovac-New Santipur

Dearmost Srila Prabhupada, glories to your coming into our lives. Where would we be if we hadn't met your good self. The answer is obvious, nowhere, lost. We have a great debt to pay for your priceless gift. The gift of eternal life with Lord Krsna, a debt we will always incur. Still, we can try to pay our dues. The ways are many, but what stands out is: give to others what you have been given. Preach Krsna consciousness. Thank you. Hare Krsna.

October 26 Croatia/Karlovac-New Santipur

To whomever will listen and we want to avoid complaining, as it does no good and it pollutes the natural tendency of the soul to love and serve. What do we want to say. What comes with great difficulty also goes with great difficulty. What comes easily goes in the same way. Austerity is meant to increase, not decrease our service. We have been at New Santipur for a month to the day. It is been a formidable challenge to adjust

to a regulated schedule after travelling for so long. Praying for the direction to reduce eating and sleeping at a minimum and service at maximum. Dear Lord, dear Srila Prabhupada, please guide us accordingly. Thank you. Hare Krsna.

October 27 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, feeling a little dry, although it is not a fry. Still cannot understand why, having a little sigh still going on by remembering Krsna, then it is a new high, and good-bye to the dry fry and then fly to your lotus feet that's where we meet, it is so sweet, for us a major treat, can't be beat. Praying to remember to not forget Krsna and to forget to remember Maya. Gauranga Prema, Nityananda Madness, Advaita Ecstasy, Gadadhara Sweet Bhakti, Srivasa great love and devotion.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

October 28 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, please accept our humble and most grateful pranams in the holy dust of your lotus feet. All glories to your mercy on your disciples. Today we learned of the glorious departure of a Godbrother, Pundarika Vidyanidhi. Leaving the body surrounded by many loving followers and esteemed Godbrothers, such as Indradyumna Swami and Radhanatha Swami, on the holy day of Bahulastami in Sri Vrndavan Dhama in the month of Kartik. Such mercy is due to your love and care for your devotees. We can only pray to receive such mercy, although unqualified. All glories to His Grace Pundarik Vidyanidhi Prabhu. And all glories to you, dear Srila Prabhupada, for saving so many suffering souls and giving them the rare opportunity to receive the highest destination, Sri Goloka Dhama. You are fully and completely empowered by Lord Caitanya Mahaprabhu. Hare Krsna.

October 29 Croatia/Karlovac-New Santipur

Dear Siva Ram Maharaj, please accept my most humble obeisances. All glories to Srila Prabhupada. Although we have just begun reading, what it contains is colossal in opening up the deeper levels of spiritual knowledge with finer and sweeter devotional sentiments. New Vraja Mahima is worthy of a position amongst the writings of the previous acaryas in our line coming from Sri Caitanya Mahaprabhu, along with its mammoth spiritual content is its stately artistic appearance. A feeling of profundity arises when holding the book in ones hand as we relish the deep philosophical knowledge profusely backed up with references from many of the writings of the previous acaryas. Writings that are the epitome of Bhakti-rasa. Thank you Maharaj for it has greatly increased our understanding of the

spiritual acumen of New Vraja Dham and fueled our eagerness to visit. Fortunately I will be in New Vraja Dham for Govardhan Puja, which takes place in five days. All glories to your service. You are undoubtedly an eternal resident of Sri Vrndavan Dham. How else could you so magnificently manifest the Dham in this world in such an amazing way. May you continue to bless everyone with your pure devotion. Hare Krsna.

October 30 Croatia/Karlovac-New Santipur Ekadasi

Dear Srimati Radharani, Your lotus feet are worshipable by all great saints, incarnations and Lord Krsna Himself. Your favor bestows innumerable spiritual benefits. Without Your special glance, how would it be possible for an insignificant jiva, who is always controlled by the externals, to complete a vow of chanting thirty eight rounds. This time we can honestly say we are pleased with the quality. Undoubtly this is Your mercy coming through our beloved spiritual master Srila Prabhupada. Kartik time is Your month, which undoubtedly is the best of all. Please give us the shade of Your lotus feet and teach us the intricacies of pure devotional service. Please, keep this fool always engaged in chanting Your mahamantra.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Jay Sri Sri Radhe Syam!

October 31 Croatia/Karlovac-New Santipur

Dear month of Kartik, Sri Damodara/ Sri Radha Kṛpā, all glories unto Your appearance each year. You have brought great spiritual merit to our lives as we offer our efforts to serve You, although we are unable. Soon You will offer the best of all-Sri Govardhan Puja Seva. We are very eager to serve You and all the Vaisnavas present. We will honor You in the best of all places in ISKCON Western world, New Vraja Dhama, where Giri Raj Govardhan Lal outstanding in His mercy lovingly accepts our service and gives everyone present much happiness. May we always honor Your month by singing Sri Damodarastakam and offer love in the form of lighted fires along with inspiring others to follow. Jay Sri Sri Radha Damodara! Jay Giri Govardhan! Jay Sri Krsna Caitanya Mahaprabhu! All glories to the great dancer Sri Nityananda Prabhu! All glories to greatest spiritual conductor His Divine grace A.C. Bhaktivedanta Swami Prabhupada! Gaur Premanande! Hare Krsna.

November 1 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories unto your lotus feet. Please accept my fallen and lowly obeisances. A mood of intolerance towards others along with expectations has influenced my mind. Demanding that others surrender more. It has its place, but my presentation was a little too

much. If we committed an offence, we beg forgiveness and pray those whom we spoke to will understand the motivation. We must positively encourage others and not push beyond a certain limit. Of course, it depends on the situation. The influence of expectations can cause one to preach beyond what is required. A preacher must know his audience. Begging for the intelligence to speak accordingly. Your words are always perfect because you have a genuine concern mixed with love. Praying to develop true Vaisnava compassion in every word and deed. All glories to the process of pure devotional service. Srimati Radharani Ki-jay! Bhaktidevi Ki-jay! Hare Krsna.

November 2 Croatia/Karlovac-New Santipur-Hungary/NVD

Servant of the servant. Jai! Giriraj Lal! Jai! Srila Prabhupada! Hare Krsna.

November 3 Hungary/New Vraja Dham

Dear Govardhan Lal, Giridhari Ki-jay! Best of the residents of Vrndavan. Best of the residents of New Vraja Dham. The devotees gave tons of sweets to You that we are certain You are satisfied. Their Bhakti overflowed and inundated the Dham with hundreds of different sweet preparations in huge quantity. The total weight came to 2.202 Kg of sweets in addition that came 1.500 plus Kg. of sugar. Because You love Your devotees greatly, You have kindly accepted all their offerings and gave the remnants as wonderful prasadam. Our hearts are happy our minds fully satisfied. May we continue honoring You with great feelings of devotion as tomorrow we present the Srimad Bhagavatam class. All glories to New Vraja Dham. We are certain Srila Prabhupada is pleased. Hare Krsna.

November 4 Hungary/NVD-Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, obeisances at your lotus feet eternally. We are very thankful to have the sweet opportunity to participate in Govardhan Puja Festival at New Vraja Dham. The devotees are extremely caring and very much absorbed in service to Sri Sri Radha Syamasundara and each other. May they always receive your full mercy and blessings and continue to make New Vraja Dham – Sri Vrndavan. As for this insignificant fool, we seek your mercy in the service of Sri Sri Nitai Gauracandra so They may always receive the worship and service They are entitled to. Please inspire your devotees. All glories to your Goloka lotus feet. Hare Krsna.

-We graciously thank His Grace Lila Suka Prabhu and Mother Vraja Bhakti for the kind and caring service. All the best to Vraja Bhakti on her birthday.

November 5 Croatia/Karlovac-New Santipur

Dear Mahaprasadam, all glories unto You for You are the spiritualized food of the Lord's delight. This delight is enhanced by the Lord when honored by the Brahminical class. You are never to be eaten, only honored and being non-different from the Lord are worthy of everyone worship. We have been blessed by this mercy as Giriraja has profusely showered His merciful remnants on this spiritually mal-nutritious jiva. We can only appreciate our good fortune and hope to share it with others. May we always be blessed by this great mercy as it is coming from your lips which works to relieve us from the pains separation from You. Srila Prabhupada has given us the process for transforming others to Krsna conscious and becoming Krsna conscious. Chant Hare Krsna incessantly and honor mahaprasadam. And for those who are continuously fortunate, they receive Jagannath Mahaprasadam-best of the best. Jai! Jagannatha, Jai! Baladeva, Jai! Subhadra! Hare Krsna!

November 6 Croatia/Karlovac-New Santipur-Prabhupada's Disapp.

A very sacred day. A day of remembrance with a heart filled with longing and gratitude. Appearance, disappearance, you, Srila Prabhupada, told us there is no difference. When great souls disappear, they reappear elsewhere and do the same. It becomes exceedingly sweet to remember you on this day, Srila Prabhupada. Yet we were feeling a little less happy in that there were no God-brothers present. We took solace in that others will benefit by this celebration. Still we cannot dismiss the feeling of being outside the sweet association of my Godbrothers and Godsisters which automatically brings your presence more and more. May all those who attended tonight develop a greater appreciation of you being inspired to serve and surrender. For most persons it's very slow. We pray your glorification will inspire them to serve and surrender. Hare Krsna.

November 7 Croatia/Karlovac-New Santipur

Dear Sri Krsna, all glories to You, the Best of all. Struggling to catch Your lotus feet because we are about to fall. Maya's branches are up, down, not small but very tall. Our mind wants it, pure devotion to You. Confusion results in trying to push something that cannot be pushed. We are looking for clarity in everything we do. Acting in a role of a Ksatriya will not be beneficial, although we know that is the need of the hour. Still everyone wants to do things their way! We pray that we can see and hear your desire in everything we say and do. Srila Prabhupada, your words are Lord Krsna's so please give us the ears to hear and the heart to accept and the intelligence to carry out. Preaching has many facets, which direction is the need of the time? Thank you. Hare Krsna.

November 8 Croatia/Karlovac-New Santipur

Jay Srila Prabhupada! All glories to you eternally! Your feet have blessed Mother Bhumi as Her grasses are standing straight up in ecstasy of your foot dust. Today reviewing and editing my daily writings of 1985-6 we experienced great satisfaction in reading words of your glorification. A steady stream of offerings purifying and further purifying our dusty consciousness. Although the words are very simple and many times redundant, still we found much satisfaction by reading them. Anything written or spoken about your glories is eternally fresh and very much appreciated. We have many more of such writing to review and we now look forward to recalling what was then so much a part of our daily worship. You are truly great. Very few can claim such distinction. Perfect in all Vaisnava qualities, learned in all spiritual knowledge and application along with clearly exposing Maya and Her subtle workings. We are remembering you with great happiness and satisfaction. May we use this down time to prepare for the next episode of preaching Krsna consciousness. Please empower us to become drdha-vratah. Hare Krsna.

November 9 Croatia/New Santipur-Slovenia/Ljubljana

Sri Panca Tattva Ki-jay-all glories! You have powerfully appeared here in the city of Ljubljana, country Slovenia, formerly part of the greater Yugoslavia. Dear Lords, we often remember You and now we are again in Your presence. Your mercy is the supreme. We often glorify Lord Nityananda as the highest abode of compassion. He is here along with Advaita, Gadadhara, Srivas and Sri Caitanya Mahaprabhu. Supreme mercy manifested to the utmost. May we become absorbed in chanting Your glories. We are spiritually mal-nutritious on the brink of starvation and death. You are the reservoir of thirst-quenching amrta, able to fully satisfy and completely draw one to Prema Bhakti. All glories to Sri Panca Tattva. May our brief stay be one of glorification of You, although always inadequate. Jay Sri Radhe... Syam. Hare Krsna.

November-10-Slovenia/Ljubljana-Dis. Gadadhar-Das, Dhanajaya Pandit, Srinivas Acarya

It appears as a long time since we danced and chanted in kirtan. Gauranga Mahaprabhu's mercy, nothing else. Fixed gaze on His lotus feet. He does everything. He is the object, subject and connection between. We are total insignificant. Dear Lord, recently we received pictures of our life before coming to Krsna consciousness. Some images have imprinted onto my psyche. Please kick them out as they are nothing only a life gone, more like a dream one we never want to return. We are moving towards you, not away, this is our fixed desire. Even if you neglect us or reject us, we are Yours only. We have long ago given up the world. We see the past as simply a bad dream. There is love and there is "love", Sri Krsna is Love.

Maya only appears that way. Praying to remember the sweet lotus feet of Srila Prabhupada. Hare Krsna.

November 11 Slovenia/Ljubljana

Dear Mind, I offer respects to your ability to somehow or other avoid what I want you to do. You are very crafty and like a little child always looking for the opportunity to do some mischief. You run away from the thoughts of Krsna stealthily embracing the inane the unforbidden and the imaginary. Will you ever learn the principle that what I want for you is always what you want for yourself? Please, always think of Krsna. I know you also agree, but still you do something else. You're cheating us both. So please, chant Krsna's Name, love and serve devotees and be eager to preach. In this way, four people will be satisfied: Lord Krsna, Srila Prabhupada, me and you. And don't try to enjoy separately, it will be a disaster. Glories to Bg. 6.5-6-7. Hare Krsna.

November 12 Slovenia/Ljubljana-Croatia/Karlovac-New Santipur

Dear Swamiji, you are back. How will you preach. Same as before. Much work on the computer, house cleaning, arranging, editing the typing, organizing. I love something that is organized. I love organization that where it is it is attractive. Organizing, downsizing, the Sannyas mood. Getting rid of things, reducing, throw it out. The old, the useless, the excess. Give away. Yet it's difficult to give things away as there are hardly any receivers. Still looking to get rid of it. Any of you are reading this and are in need of something, most probably we can help. The best is giving Krsna consciousness. This is the thing we like to give away the most because there is so much of it that it only keeps expanding as we give it out. The best bargain. The price, your time and a little faith. Nityananda Prabhu is going everywhere to give it out and Srila Prabhupada who knows the product well, can explain all its benefits in a way that you want it although you are not sure what it is. He's the best salesman. Come on. It's free and you like it. Chant Krsna's Nam always and be Happy. Haribol. Hare Krsna.

November 13 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, please allow us to offer our most fallen obeisances. We are very low and always prone to mental speculation. Dear Gurudev, there's an ongoing problem with devotees as they are unable to work co-operatively in service of Lord Krsna. This is an ongoing feature of most growing organizations. We seek your guidance in these matters, may your pleasure and Sri Krsna's be the goal of all our undertakings. Always dependent on your mercy. Hare Krsna.

November 14 Croatia/Karlovac-New Santipur

Dearest Srila Prabhupada, glorious is your love for your disciples, which comes in different forms to mold us, scold us, fold us into Lord Krsna's service. We are confronted with difficulties amongst devotees and it is to be expected given the circumstances. Whatever we can do or not do to improve our understanding of the situation and make a substantial effort to help. Please Gurudeva, we seek your mercy, as we know of no other way to direct our activities. Please, help us understand our faults and deficiencies and the means for correction. We will be instructing others this weekend in the subject, we desire to be equipped, more ideal in practice so our words will have potency. All glories to Sri Krsna, to His Holy Name, the panacea for all ills. Hare Krsna.

November 15 Croatia/New Santipur-Zagreb

Dear Srila Prabhupada, only by your mercy can any of us who are your dedicated followers achieve success in pleasing Lord Krsna. You reveal indirectly what we need to hear and to know. You communicate directly as your words are so much available for our successful execution of devotional service. This evening we received such direction, just what was needed. We desire to carry it out as an offering unto your lotus feet. Ultimately we want to spread Krsna consciousness. Through your merciful direction it is easily achieved. All glories to you. Hare Krsna.

November 16 Croatia/Zagreb

Dear Radha Syamasundara of Sri Vrndavan Dham, Your lotus feet are my focus in life. So sweet, spiritually complete, never in defeat, always upbeat. All glories to those who have love for You. Please include me on the list, although small we hope to always recall those sweet lotus feet. Actually, we're really lost and don't know what to do and how to do whatever we're trying to do. All I know is we pray for your shelter and guidance in our effort to serve. Sincerely praying never to be attracted to the temporary, no matter how nice. We're afraid of falling and still crawling like a child calling for his mother. All glories to our beloved Srila Prabhupada. This is where we receive Your mercy. May we practice loving him more. Dear Krsna, save me! Hare Krsna.

November 17 Croatia/Zagreb

Full day of preaching. Jai! Srila Prabhupada! Hare Krsna!

November 18 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories unto your divine feet for they have blessed Mother Bhumi bringing Her great joy. Now that you have removed your physical presence from Her surface, She is not the same as Kali-

yuga crude is encrusting her soil with difiling sin. At time we feel lost in understanding how to best preach when there are many possibilities available. Presently there is a some uncertainty and clarification is needed in order to move in a one-pointedly way. We pray for your guidance and intervention so as to increase our service to you, Lord Krsna and the Vaisnavas. We can appear to know what is correct but that is a risky game. Please, we beg for your intelligent guidance and merciful presence. We have full faith that what unfolds is your merciful decision. All glories to you. We open up our heart to allow your mercy to enter and destroy all of our misconceptions, mental speculations and false sentiments. Hare Krsna

November 19 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories unto you. You, like Krsna, carry the power to understand and destroy all difficulties and materialistic ideas. We are very grateful, as today while chanting japa we were able to see by way of the power of Krsna's Holy Name, what was our problem and how to go about solving it. The results has been quick. We have been made aware of this problem as being symptomatic of a larger anartha. At times we are very eager to speak and give our opinion and advice. Therefore more discrimination will be needed to be an effective instrument of your mercy. Praying to be better at discrimination, understanding and action. All glories to Sri Krsna's Holy Name. We want to chant always. Hare Krsna.

November 20 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, all glories to all of your activities. Your totally selfless service to the mission of Sri Caitanya Mahaprabhu can never be accurately described. The heart of such a pure soul remains mysterious to others. A glimpse into your oceanic compassion is occasionally revealed by the mercy of Sri Krsna, who is greatly pleased by your every act, word and gesture. It seems my desire to preach Krsna consciousness is compared to a boat on a turbulent ocean being tossed upwards and then back down. Today we were thinking, soon we will again be absorbed in giving Sri Krsna to others in whatever way is appropriate. Trying to go beyond the realm of dreaming and renew our enthusiasm to travel and preach. At the age of 66, travel brings thoughts of great inconvenience, health threats and sadhana upheavals. Perhaps you have a slightly or radically different plan for me. In any case, please reveal how we can remain fixed in our service to preach to the maximum degree. Being a disciple of your great self warrants maximum surrender. We pray we will please you and Lord Caitanya in our meager attempt to serve. Gaur Premanande, Hari Haribol! Hare Krsna.

November 21 Croatia/Karlovac-New Santipur

Dear Sri Sri Nitai Gauracandra, all glories to Your mercy on us fallen souls who are struggling to serve Your lotus feet. We are feeling relieved as today You were offered a change of garments after more than a month. I The lax is clearly seen with Your personal service along with our low level of devotion. We come again come to Your lotus feet, which are the panacea for all problems and the source of all happiness. Please, accept out humble obeisances and guide us in the matter of Harinama Sankirtan. Jai Jai Sri Radhe Syam! Hare Krsna.

November-22-Croatia/NewSantipur-Slovenia/Lendava-KisoreKrsna

Dear Srila Prabhupada, all glories to your Lotus Feet, which have blessed unlimited souls with Lord Krsna's mercy. Please place those feet on our head so we may again be revived with the spirit of determined devotional service. Make all our obstacles fly away like birds who have been released from a cage after being confined for years. When guided by your powerful mercy, we can only achieve success. We want to always remember to take shelter of that mercy and run with it. Dear Srila Prabhupada, whatever we have that is not pleasing, let it go, and whatever we need, please bring it on. Stranded in an ocean of mental gymnastics, praying for the shelter of your life-raft. All glories to you. May we always absorbed in your instructions and determined to perfectly carrying them out. All glories to Krsna's Holy Name. Hare Krsna

November 23 Slovenia/Lendava-Kisore Krsna's-Ljubljana

Dear Pancatattva, Panca-tattvatmakam krsnam bhakta-rupa-svarupakam bhaktavataram bhaktakhyam namami bhakta-saktikam. Sri Gauranga Mahaprabhu Ki-jay! Gaur Bhakta Vrnda Ki-jay! We are seeking shelter and service at Your lotus feet. Please, guide us so we can serve nicely carefully avoiding the unnecessary and allurements Maya. Praying to become a better and more surrendered servant in thought, word and action. Please fix our restless mind at your sweet lotus feet. We are in need of much mercy. Gaur Prem! Hare Krsna.

November 24 Slovenia/Ljubljana

Dear Srila Prabhupada, we have finished reading Caitanya Caritamrta, we are thinking what to read now. We have longed to re-read Nectar of Devotion so with your permission and mercy. Dear Gurudeva, how can we by your grace, inspire our disciples to regularly read your books? Some do, many don't. Everyone in our Society must know the basic principles and precepts that make up the practice and philosophy of Sambandha Jnan. Without reading your books those persons, although devotees are hovering on the fringe. Please, inspire us to inspire our disciples in reading, studying and distributing your books. All glories to your lotus feet

which are naturally achieved when we completely follow your instruction. Hare Krsna.

November 25 Slovenia/Ljubljana

Dear Srila Prabhupada, all glories to the transcendental knowledge imparted by you which effectively and completely eliminates any traces of material ignorance centered on the idea that this material world can fulfill desires bringing happiness and satisfaction. By your mercy, we can understand how this material world, material energy, operates to uproot all of one's plans for happiness. Down to the most insignificant material activity it all leads to unfulfilled desires and unhappiness. A prison house filled with prisoners thinking they are free and will find happiness in the prison. A totally mad proposal which goes on as modern life. Thank you for this rare knowledge. It fully encourages us in our attempt to love and serve the Supreme Lord Sri Krsna and all His personal expansions. All glories to the boat of transcendental knowledge which is carrying us across this dangerous ocean of material existence. You are the perfect captain and a resident of Paravyoma, the spiritual sky. Jai! Srila Prabhupada! Gaur Premanande! Hare Krsna.

November 26 Slovenia/Ljubljana

Dear Srila Prabhupada, obeisances in the dust of your lotus feet. No one will ever understand your supreme spiritual position. By entering deeply into the lives and hearts of your devotees you have awarded us greater knowledge of your exalted spiritual position. Your disciples love you completely. They long for your association as you have become to them as dear as Krsna, even more dear. We can only appreciate their love for you and pray that we will develop a small drop, if we are fortunate enough to get a small drop, then we can consider our life successful, fulfilling. Your book distribution marathon has arrived and we are encouraging others to take part. Allow this to be our focus as we would be blessed to be a part of the mission of Sri Krsna Sankirtan. We pray we will do something to inspire and also take part in book distribution. At times we experience the pains and limitations that appear as the body ages. Please, keep us engaged in your service constantly, with love. We have no other desire. Sri Krsna Sankirtan Ki-jay! Hare Krsna.

November 27 Slovenia/Ljubljana

Dear devotees of Sri Caitanya Mahaprabhu, all glories unto you for you are the best. One those who have been blessed by Nitai Gaur's mercy understand that this material world is simply a place of misery and suffering. We can only, I say only, survive and exist in this material world only by Caitanya Mahaprabhu's krpa. How is it possible otherwise. This

place is so hellish, always fraught with dangers and desires left unfulfilled. As I wrote back in the year 1964, 50 years ago, “Life is one let down after another.”, then it’s over, the curtain falls on the stage and the lights dim out. Only to rehearse and ready oneself for the next melodrama of frustrated desires. By Panca Tattva’s appearance on the stage of life, we have a chance to perform the activities of real life, where desires are always fulfilled in the most perfect and complete way. Therefore, with folded hands and a heart filled with gratitude, we humbly offer our obeisances to Sri Gauranga Mahaprabhu and all His eternal associates, who are filled with mercy and compassion for us struggling in Maya’s kingdom. Please, bless us to always remember Their lotus feet and engage in Their Sankirtan Mission. Sri Gauranga Mahaprabhu Ki-jay! Sri Panca Tattva Ki-jay! Nityananda Rama Ki-jay! Gaur Premanande Hari Haribol ! Hare Krsna.

November 28 Slovenia/Ljubljana

Dearest Srila Prabhupada, my humble obeisances in the cintamani dust sprinkled around your lotus feet. You are a virtual ocean of amazingly outstanding qualities. As Srila Krsnadasa Kaviraja extols, just a drop of the unlimited activities of Sri Krsna Caitanya Mahaprabhu, so also your qualities are uncountable. The more we hear about you, the more we uncover the unfathomable treasure that are your divine qualities. We are aware that you strongly desire that Krsna consciousness be spread throughout the world, but we are unable to gauge the intensity of that desire. It becomes so forceful that it impels all of your followers and disciples to want to do more and more. Your personal darsan ended 36 years ago, yet your desire to preach is only growing in the hearts of your devotees. We pray we can continue and become better and more pure instruments in your expert hands. We are covered with many unnecessary habits and unable to act properly. We want to tap deeper into your fathomless desire to spread Gauranga’s and Nitai’s mercy. Please, inspire us to preach more and more. Hare Krsna.

November 29 Slovenia/Ljubljana Ekadasi

Dear Mother Ekadasi, we address you thus knowing you are the best 2 days of each month. Srila Bhaktivinoda Thakura rightly glorified your supreme position – “Mother of Devotion”. You inspire us in the best and highest form of devotional service-Jap karo. Chanting Krsna’s Holy Names. Therefore, we eagerly await your appearance every two weeks. By your appearance and purity along with the compassionate blessings of Srimati Radharani, we were able to complete 39 rounds. We are grateful as you inspire us in the Yuga Dharma and purify our eating habits. Dearest to Visnu, all glories to you. Srila Prabhupada brought you into our liv

devotion. es. May we always remain at your lotus feet in great appreciation. Jai! Mother Ekadasi! Hare Krsna.

November 30 Slovenia/Ljubljana-Croatia/Karlovac-New Santipur

Dear Sri Nitai Gauracandra, obeisances at Your lotus feet. We pray Your worship will expand more and more and be a great source for Your pleasure. You are fully satisfied by Sri Harinam Sankirtan. May New Santipur grow and bring more and more devotees to Your lotus feet in Sri Harinam Sankirtan. All glories to Your mercy upon us fallen souls. We pray to become better servants. Please, guide us in how best to serve by preaching. Gaur Premanande Hari Haribol! Hare Krsna.

December 1 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, obeisance at your lotus feet. All glories to your everflowing compassion upon us, your disciples. By your mercy, a strong desire to preach is again awakening. Hopefully, prayerfully it will increase more and more. We pray for the intelligence how to arrange our life so as to maximum preaching along with eliminating the obstacles that impair and retard our effort. Utsahan niscayad dhairyat. With your mercy anything is possible. Gaur Premanande! Hari Haribol! Hare Krsna!

December 2 Croatia/Karlovac-New Santipur

Dear Sri Krsna, all glories eternally unto Your lotus feet. Please forgive us for addressing personally as we only want to say that we are completely and thoroughly finished with all material activities and all they have to offer. Still we remain most unfortunate because we don't have a drop of love for You, although we are endeavoring to bring it about. Our situation is quite hopeless. Recently we came to the understanding of how much devotion it takes to catch Your lotus feet, and observing the way we are going we will never come close only to perish like a riven cloud-finding no place anywhere. Yet we are always eager to chant Your Name and speak about You to others. If You will, please place Your glance in our direction and enlighten us in the ways of love and loving You. We cannot see any other meaning to existence. Glories to those who truly love You, serving You with all their heart. Our spiritual master is excellence personified. Hare Krsna.

December 3 Croatia/Karlovac-New Santipur

Dear Sri Nitai Gauracandra of New Santipur, all glories to Your merciful glance upon us mis-directed fallen souls. We are happy to have had Your captivating darshan for many months this year. A record! Now we must move on to our service of traveling, acting as Your representative to spread Krsna's Holy Name. We are unqualified in all respects. But we have secured a little bit of attraction to chanting Your glories. May it only

increase expotentially and overwhelm our ignorant mind filled with constant speculations. We sincerely pray that Your worship service will go on nicely, steadily and pleasingly. You are extremely merciful and kind and when we observe You are being served nicely, we are fully elated. Please, allow us to remember You and please you by joyfully accepting austerity to spread the mercy You brought from Goloka Dham.”Goloka prema dhana harinam sankirtan” Ki-jay! All glories to Srila Prabhupada! Hare Krsna.

Sri Nam Prabhu. All obeisances from all sides. We worship You only. You are, Krsna, Rama, Jehovah, Allah, Yaweh. The best of Divinity. Divinity proclaimed in sound. Truly a colossal display of compassion. You bring humility, tolerance, respect, compassion, love. Protection, happiness follow automatically. Please, deliver our minds away from the mundane, the frivolous, the useless, the coarse. You are sweetness and You bring peace and inspire knowledge to manifest and create intelligent performances. Yes, our Srila Prabhupada did so much to spread Krsna consciousness everywhere, but it began to grow and expand on making the glories of the Nam heard by many. Please, bless us with the desire to have Your constant association. That is our victory, our happiness, our love. Gaur Premanande! Hari Haribol! Hare Krsna.

December 5 London/Raghupati’s Home

To Partha Sarathi, the best of all chariot drivers, obeisances from the heart of this sadhaka, who is wanting to become more absorbed in glorifying Arjuna’s friend. You appear to us in order to guide us -the world- to your divine lotus feet. Teach us the principle of successful battlefield lore through complete surrender. Please, fill our mind with Your holy name and holy words and service to Your, pure holy devotee. Srila Prabhupada, we are in constant need of your mercy and the knowledge that is the essence of that mercy. Teach us battle and give us victory in the fight to attain pure love for you. All glories to your presence in this earth. Hare Krsna.

December 6 London/Raghupati’s Home

Dear Srila Prabhupada, all glories unto your lotus feet, which have traveled many many places throughout the globe bringing fulfillment and security, knowledge and devotion, strength and love. We need your shelter so we can be useful for others. We need to become your transparent medium, delivering you and what you brought. Today, we heard something we neglected to hear. “Don’t try to be great, try to be humble.” We need mercy to fulfill that desire. Humility is happiness and progress towards the gift of

Sri Krsna's lotus feet. All glories to the preaching of Lord Krsna's mercy. Hare Krsna.

December 7 London/Sundarananda's Home

Dear Radhanath Swami Maharaja, all glories to your divine appearance day. It is a great pleasure to have the opportunity to celebrate this glorious occasion in the association with many of your sincere disciples. We are blessed! We shared some events in your life with the devotees, experiencing great joy in extolling some of your unlimited qualities. We pray for the opportunity to receive your most purifying association and to offer some small service. Thank you for never giving up on me, although our case is quite hopeless. You have taught me the value of devotee seva and how to practice humility and pridelessness. We desire to become a better servant of His Divine Grace. Your mercy is helping immensely. All glories unto you on this holy occasion. May you continue to bless the world with your presence and words of wisdom. Hare Krsna!

December 8 London/Sundarananda's Home

Dear Krsna, please guide us. Srila Prabhupada, give us your shelter. How best to serve? Hare Krsna!

December 9 London/Raghupati's Home

Dear Lord Sri Krsna, all glories to Your merciful kindness upon this very worthless person. We do not see any value in what we try to do. You allow me to serve and assist somehow, in some way. Today we are very much in debt for Your mercy, as it helped us understand a little clearer what direction we must move. Hoping to learn completely, convincingly. Sense gratification destroys devotional service. You are so kind that we are feeling the mercy of Your loving kicks each time we move in that direction. Still, much more mercy is needed and a determined effort to carry it out. We take shelter of You with determination. May Srila Prabhupada somehow tolerate all our mistakes. Hare Krsna!

December 10 London/Raghupati's Home

Dearest Jagannath, Baladev and Subhadra Devi, all glories to Your beautiful transcendental forms which keep the eyes engaged, and make the heart happy, the mind spin. Situated in a place in India, Puri Dham, Your abode on this material realm, You purify everything. By the mercy of Your great devotee, Srila Prabhupada, You travel all over the globe blessing all who are fortunate to receive Your darshan and who hear of Your transcendental activities. Today we received Your special darshan, which carries the mind into realms of spiritual pleasure. You are love in separation and You attract us to Your lotus feet. Please, continue to give

mercy,that mercy,for we are needy and bereft of all culture and civility.
Jagannath, Baladev, Subhadra Maharani Ki-jay!

December 11 London/Raghupati's Home

Dear Lord Krsna, most merciful and loving to the devotees. We have heard that our dear Godbrother and great preacher HH Indradyumna Swami is overcome with ailment. We are not certain of the disease or the seriousness. But we want to offer a special prayer for his speedy recovery so he may continue to spread Lord Caitanya's mercy in a powerful way. Of course, we acknowledge and fully respect Your desire, therefore knowing that we pray that whatever you desire will come about. Our desire is to see him regain health. You are the perfect mystic and You always act perfectly. All glories for Your love for Your devotees. All glories to Indradyumna Swami Maharaja ! All glories to Srila Prabhupada! Hare Krsna!

December 12 London/BV Manor

Dear Tribhuvanatha Prabhu, please accept my most humble and respectful obeisances. All glories to Srila Prabhupada. All glories to your service to Srila Prabhupada. Although a short duration of time the world was greatly blessed by your presence. Yet time is credited by events not by duration. You did so much to spread Lord Caitanya's mission and you did it in a way that opened up many people's hearts to the treasure of Bhakti and to the appreciation of His Divine Grace. We know you are serving His Divine Grace somewhere, filled with love and ingenuity in bringing Lord Caitanya's message. All glories unto you. We regret not having had more of your association. In this way we are unfortunate. May your legacy live on in the hearts of devotees. All glories unto you. Hare Krsna.

December 13 London/BV Manor Gita Jayanti Ekadasi

Dear Srila Prabhupada, all glories to you. Sri Krsna spoke the Bhagavad-gita to Arjuna at a most critical time in his life. Similarly you are giving us that same, life giving knowledge, when we needed it the most. We feel enlivened to hear your words prompting us to daily read one chapter of Gita. Today is Gita Jayanti and we are happy to review along with learning verses from the 2nd chapter. We hope to do this review daily as we have previously learned 119 verses. Many are needing review and further digestion. All glories to this transcendental knowledge. Realization of just one verse is sufficient for self-realization. Hare Krsna.

December 14 London/BV Manor

Dear Srila Prabhupada, by your mercy once again we renewed interest in the Bhagavad-gita. Please, allow it to continue and expand more and more. Partha Sarathi Krsna is the stealer of the heart of the humble devotees. The Supreme Lord Krsna becomes His servant's Servant. A revolution in theology. The heart of God. We pray to remember His image as the expert charioteer, going deeper into His message of surrender. Hare Krsna.

December 15 London/BV Manor

Dear Lord Krsna, all glories to whatever You do, cause to happen or allow to happen. My humble prostrated obeisances. Thank You for that sweet taste of Your loving mercy, it gives hope although we have resigned ourselves to utter hopelessness. You are so great, as many great stalwart devotees can hardly reach You with pure love. We are the opposite, quite low, always distracted, very critical minded. If not verbally, mentally. Yet, we do not conceive of looking for anything else except the exclusive shelter of Your sweet lotus feet. What should we do or not do in order to get a place at Your lotus feet. We have given up desires for material pleasures and material comforts. The material world is tasteless, stale, without juice, toothless. A pile of stool along with rotting garbage. How can we get Your favor? It seems so difficult. Mostly impossible. We pray and hope to pray with complete sincerity. When Your pure devotee Srila Prabhupada recommends that there is great hope. To attain Your lotus feet eternally we would naturally give up our body. Yet that is not an option because as our spiritual score is quite low. My prayer is what should I do. Hoping against hope. Moving towards utter hopelessness. All glories to Your Holy Names. Hare Krsna.

December 16 London/BV Manor

Dear mind! My friend or somebody else, my interest is your interest. You should know this by now. How long will it take you to understand this established fact? Of course, we have been together for millions of lives and we sort of know each other, but in this life there has been a radical change in the direction we were going. Perhaps you are unaccustomed with the change and therefore find it difficult to adjust, especially with developing a humble mood and being sensitive to the needs of others. Anyway, we will continue to guide you, but please try to be more cooperative and if we forget what is right or needed, please give a signal. Recently we have begun some needed austerities in order to improve and normalize health. So don't be disturbed or envious, try to cooperate. Know, at the end we will benefit immensely. Our main concern is try not to bother us both with so many useless thoughts. Rather focus on Sri Krsna, His Name, His pastimes, and service to His devotees. At times we feel

happy with your performance, yet lately you are a bit too indulgent. Correct that and we both will be happy. All glories to Srila Prabhupada, who is your friend and our master eternally. Hare Krsna.

December 17 London/BV Manor

Dearest Radhanath Swami Maharaj, all glories to the unlimited kindness you shower on each and every person you meet. Today we were blessed in this way. My aspiration was to serve you and today you provided the opportunity. We are grateful. Please, inspire us to be increasingly dedicated in spreading Krsna consciousness and utilizing time wisely, in the best way possible. Our intelligence is many-branched, consequently we are unable to accomplish anything of value. Only with the combined blessings of you and Srila Prabhupada will we improve. Only then can we aspire to be a better servant. May good health accompany all your travels. Very grateful for your association. Hare Krsna.

December 18 London/BV Manor

Dearest Lord Krsna, Your mercy is our success, Your service our only activity, although we are unable to serve properly. You, along with Your pure devotee, are keeping us enthusiastically engaged in service. We pray to remember feeling grateful for the needed mercy. All glories to Your mercy which is the fulfillment of all desires. Srila Prabhupada's mercy is coming from You as He mercifully adds his. The combined mercy is a festival to behold. Gaur Premanande! Hari Haribol! Hare Krsna!

December 19 London/BV Manor

Dear Srila Prabhupada, all glories to your Divine lotus feet. Mother Earth feels great lamentation as they no longer caress Her surface. We all feel the loss of your departure, yet you have proved to us you are never gone from our lives. It is our desire that You give us the mercy of your ever-present self. We feel the need to pray for genuine humility. A fool becomes proud or takes for granted the gifts bestowed upon him. A learned soul becomes grateful and wants to show gratitude in all his actions and words. We have a lot to be grateful for, only we feel a need for senior devotee association. That is a special gift. Therefore, whenever that merciful opportunity appears, bless us with humility, a service attitude and appreciation. Very soon we will receive this mercy. Your guidance is our success bringing happiness. All glories to Sri Krsna's Holy Name, which can never be fully glorified. May we constantly chant and dance in the presence of Sri Nam Prabhu. Sri Krsna Sankirtan Ki-jay! Hare Krsna!

December 20 London/BV Manor

Dearest Lord Nityananda, all glories to Your transcendental lilas which charm the heart, spin the mind with amazement and captures the essence of Bhakti. We take great pleasure in chanting Your glories and hearing about Your inconceivable pastimes. You are an unlimited ocean of mercy. Lord Balaram come again, the best servitor of Lord Caitanya. By Your mercy, the whole world is dancing in great happiness. You indiscriminately distribute Lord Krsna's Name to anyone. Please, allow us to always remember Your lotus feet "Nitai pada kamala/koti candra susitala..." All glories to Your compassion on the fallen conditioned souls. Hare Krsna.

December 21 London/BV Manor- Bhaktisiddhanta Sarasvati Dis.

Dear Lord Caitanya Mahaprabhu "Patita pavana hetu tava avatara mo samo patita prabhu na paibe ara." Most magnanimous, compassionate, beauty personified, enchanter of His devotees. The greatest dancer, strict in following the religious principles of ashram. Give us a tight hold onto Your sweet lotus feet. Gaura Premananda! Jaya Srila Prabhupada! All glories to Srila Bhaktisiddhanta Saraswati Thakura on his Divine thirobhav. His teachings are the cutting edge that religious principles rest on. Jai Nrsingha Guru! Hare Krsna.

December 22 London/BV Manor-Gita Jayanti recitation Ekadasi

Dear Parthasarati Krsna, all glories to Your immortal words, as they entered into the heart of Sri Arjuna, causing him to act with great power and determination. Those words are now sustaining our spiritual life, as they eclipse the oration of the greatest philosophers and destroy all traces of mundane logic and reasoning. They uplift us with determination freeing us from the faults of material bondage. May we hear them, repeat them, live them continuously. You have re-incarnated into our beloved spiritual guide and master Srila Prabhupada, who is leading us unto the battlefield of life fully equipped with all weapons for victory over the forces of illusion. He is Your pure and perfect representative. May we hear from him as Arjuna heard from You, and acting with the same determination armed with pure knowledge. All glories to Sri Bhagavad-gita, the world has received a most precious, life-giving gift. Hare Krsna.

December 23 London/BV Manor and Krsna Kirtan's Home

Dear Srila Prabhupada, all glories to all the austerities you adopted, and personally encountered in order to bring Sri Krsna's, Lord Caitanya's mercy to the world. Please give us the intelligence to change by our preaching what is needed, to leave alone what's meant to be and to know the difference between. All glories to Sri Krsna Sankirtan! Hare Krsna!

December 24 London/Krsna Kirtan's Home

Dear Srila Prabhupada, all glories to you for by your strong desire to spread Krsna consciousness through distribution of books, you easily give “Back to Godhead” to these devotees who endeavor to satisfy you by distributing your books. All glories to your mercy on your disciples and for generations to come. His Grace Janakinath das has shown his dedication by distributing many of your books, way beyond what was expected. We know you are pleased. Please, bestow your mercy on him and inspire him to continue. We thank you for sending such a sincere devotee to our care. Your mercy flows in tsunami waves. Sri Krsna Sankirtan Ki-jay! Hare Krsna!

December 25 London/Krsna Kirtan’s Home Christmas

Dear Lord Jesus Christ, all glories to Your compassion on the wretched souls in the Kali Yuga. By Your mercy, we have come to Krsna consciousness and met a very great soul, my spiritual master, His Divine Grace, A.C. Bhaktivedanta Swami Prabhupada. Thank You for giving me opportunity to glorify You today. We experience great satisfaction in mind and heart speaking Your pastimes and glorious achievements. Your words give us great happiness. Please, allow us to learn more about You and Your merciful deeds. All glories to Isha, the Messiah, the empowered emissary of the Supreme Lord. Hare Krsna.

December 26 London/Krsna Kirtan’s Home

Dear Srila Prabhupada, full dandavats at your lotus feet with complete submission, filled with gratitude. Today we came into your presence at our Soho St. Temple. Your presence there is overpowering. You always seem very pleased with the devotion of the devotees here. It is one of our favorite temples to visit and to have the opportunity to speak. Please, continue to bless the devotees headed by His Grace Srīmad Jai Nitai Prabhu. He is intelligent, hard-working and very humble. May they continue to distribute your books in huge quantities. The people of London are very needy for this knowledge and lifestyle. All glories to the presiding Deities, which you personally established, Sri Sri Radha Londonisvara. They are sweet and merciful. My full attraction falls upon Lord Jagannath. His presence controls my vision and His older Brother produces a smile each time we glance in His direction. Sri Sri Gaur Nitai, although small in stature, are externally powerful. They inspire the devotees with mad kirtan. All glories to Their mercy on the inhabitants of London. Allow us to continue to come and offer some service, but mostly, help us to become a more effective instrument in preaching Gaurāṅgā’s mercy. That is my cherished desire. All glories to Your mercy upon all us fallen souls. Hare Krsna.

December 27 London/Krsna Kirtan’s Home

Dearest Radhanath Swami, all glories to your selfless service in spreading Lord Caitanya's mercy. Those who know you are attracted to you, those who hear about you are similarly attracted. Your lotus feet are most precious for they destroy the illusion of egoistic pursuits. We strongly desire to serve you in some way until we leave our body. You are an embodiment of the compassion and mercy of Lord Caitanya. You create harmony where there is confusion. You create humility where pride reigns. You create Vrndavan wherever you go. You are the friend of everyone because you are absorbed in serving Lord Krsna who is known as Dina-bandhu. All glories unto you for taking Srila Prabhupada's mission around the globe. We are not able to fully appreciate you yet we desire to assist you in selflessly serving all living entities. Srila Radhanath Swami Maharaj Ki-jay! Hare Krsna!

December 28 London/Krsna Kirtan's Home Ekadasi

Dear Nam Prabhu, all glories to Your mercy on this fallen soul. Today being the Ekadasi day, we were able by Sri Ji's mercy to take shelter of You. You are the best of all easily approachable manifestations of Lord Krsna's mercy as You give Yourself freely to anyone who has only an iota of faith. You are Gauranga's constant companion and serve Him by creating the atmosphere for the Yuga-dharma-Sri Nam Sankirtan. Please, allow me to remember You more and more. Gaur Premanande!

Dear Sri Sri Radha Gokulananda, all glories to Your appearance in London for it has transformed the lives of lacs of aimlessly wandering jivas. Especially this low and most fortunate beggar. We can understand how You are arranging all our needs so completely and perfectly. How could we be able to do anything, it is only Your merciful arrangement. All glories unto You in this year of Your 40th appearance in London. We are extremely blessed and fortunate. All glories to all Your wonderful devotees. They sustain and enliven us in many ways. Srila Prabhupada Ki-jay! Hare Krsna!

December 30 London-Travel-Chicago/Nitai Nataraj's Home

Dear Srila Prabhupada, with your mercy anything is possible, without your mercy nothing has value or meaning. Guide us in our Chicago effort to serve and surrender so that these two weeks will be a suitable offering of devotion. Praying to become a good instrument. Hare Krsna.

December 31 Chicago

Dear Nam Prabhu, all glories to You for You more than anyone are eternally worthy of full glorification. Now it is after mid-night and the New Year has begun. While we are writing, Madhava Prabhu is chanting Your glories in a way that inspires our mind and pulls the heart string of loving devotion to Sri Krsna. A very auspicious way to welcome and bless the upcoming Year. Please, O most merciful Nam, give this beggar complete shelter at Your lotus feet, by always chanting Your glories and the glories of Your perfectly pure devotee, His Divine Grace Srila Prabhupada. Jai Guru, Gauranga, Sri Nam Prabhu Ki-jay Hare Krsna!

2014

January 1 Chicago-Nitai Nataraj's Home

Dear Srila Prabhupada, all glories unto you, you gave the world the greatest gift-transcendental knowledge. The same knowledge Lord Sri Krsna spoke to His dear disciple and friend Arjuna on the battlefield of Kuruksetra. That same knowledge which is now spoken by you has transformed our lives in so many wonderful ways. As we listen to you explain the material horrors and inanities of material existence, we can see more and more the reality in the lives of people all around. We must include a portion of our own life as our material body gradually undergoes deterioration. What is amazing and simultaneously ridiculous is how people are madly chasing after the sufferings of this world thinking it happiness. Presently, as we write, the room in which we're staying on the wall are not one but two huge pictures of baby Krsna playing with butter pots. My mind is attracted thinking this is happiness, this is love, Krsna stealing butter. We long to be a part of the life of that sweet, wonderful son of the family of cowherds. Yet we lament although attracted we do not feel complete satisfaction at heart. With your mercy, Srila Prabhupada we hope to be finally and completely finished with all the features of material attraction and become fully immersed in chanting Sri Krsna's Holy Names, serving His devotees and loving that sweet boy of Sri Vrndavan Dham. Hare Krsna!

January 2 Chicago-Nitai Nataraj's Home

Dear Kisor Kisor, full dandvats with love at Your lotus feet. My 3-day stay at Nitai Nataraj's home has increased my desire to take darshan of Your lotus feet. We are eagerly awaiting the time when we will offer You our pranams standing before Your beautiful transcendental forms. The time in between will be burdensome. Please be merciful and allow us to serve You and Your devotees in some pleasing way. We are eager. Srila Prabhupada's vyasasana in Chicago is one of the best if not the best vyasasana in all of ISKCON. This most proper glorification of His Divine Grace is the glory of Chicago temple. To please You means to serve Your pure, loving representatives in the best way possible. We look forward to your darshan. Praying to become a worthy servant. All glories to Sri Sri Kisor Kisor, Jagannathdeva, Baladeva, Subhadra. Sri Sri Gaur Nitai Ki-jai! Hare Krsna!

January 3 Chicago Temple

Dear Kisor Kisor- all glories to Your lotus feet which destroy all the ills and difficulties of this horrible Age of Kali. My mind was able to receive a small glimpse of Your unlimited mercy in the form of Your sweet

darshan. Tomorrow we pray to receive more of Your mercy. We long for our eyes to see your powerfully sweet, transcendental form. We hanker for that. All glories to Your pure devotee Srila Prabhupada. When we think what we would be without his presence in my life we cringe out of fear and feel grateful. Praying to be free of all forms of fault finding or criticism. You are so sweet Krsna that we find no time for other activities that make up our daily life. Hare Krsna!

January 4 Chicago-Balaram Prabhu's Home

Dear Srila Prabhupada, thank you for a full day of service. We are grateful for the opportunity to act on your behalf. Hardships are simply decorations that make it all the more relishable. The time for resting has arrived. We pray you are pleased with our efforts. All glories to preaching on your behalf and to those devotees who assisted making it happen. Hare Krsna!

January 5 Chicago

Dear Srila Prabhupada, by your mercy we felt inspired to speak about book distribution which brought to mind the importance of reading your books. Please guide my restless mind to the lotus feet of Srimad Bhagavatam. This is our strong desire. Thank you Srila Prabhupada. Please allow us to serve you eternally with gratitude, with love. Hare Krsna!

January 6 Chicago

Dear Srila Prabhupada, allow us to hold tightly to your lotus feet, which are the only means for crossing this dangerous ocean of material existence. This ocean is vast in size and filled with many dangerous piranha fish, man-eating monsters. Your merciful lotus feet provide all protection from maya's waves of disturbance. We are weak and prone to mistakes. Praying for your causeless mercy and the intense desire to chant Sri Krsna's Holy Names. Glories to those who relish the activities of Krsna kirtan and Krsna katha. "Satam prasangan mama virya samvido." Hare Krsna!

January 7 Chicago

Dear Srila Prabhupada—all glories to your mercy upon your followers who are fixed upon your lotus feet. It is the duty of a disciple to seek guidance with service from his spiritual master. Dear Srila Prabhupada, we are feeling overwhelmed with responsibility with the time available. Please guide us and help us to intelligently understand how to serve in the best way possible. We have given up trying to be a hero we want only to serve

in the best way that is pleasing to you and Lord Krsna. All glories to your unlimitedly kind mercy upon the world. Hare Krsna!

January 8 Chicago

Dear Nam Prabhu, You are actually Mahaprabhu. We want to serve and associate with You. You are our Supreme, lovable, worshipping, , adorable, merciful Lord. All glories to those who have made You the goal of life and the goal of their activities. Jai Sri Nam, your pure devotee A.C. Bhaktivedanta Swami became successful because he preached your glories everywhere in a way that attracted everyone who heard. We pray we can chant and spread Your glories. Dear Sri Sri Nitai Navadvipa Candra-obeisances at your divine lotus feet. With great happiness we offer our profuse gratitude for allowing us to offer service at your lotus feet. Bathing You was the high point of the day. Your Name resounding throughout creates further auspiciousness during Your abhishek. We sincerely hope the name chosen was pleasing to You. We do feel good about the choice. Only due to Your kind mercy were we allowed to do the service. Feeling low, filled with gallons of false prestige, Your mercy is all we are made of. Please forgive any offenses we inadvertently may have committed to Your devoted followers. All glories to your mercy upon the world which has upon this fallen soul. Praying for true humility born of purified intelligence. All glories to Srila Prabhupada. Hare Krsna!

Dearest to Krsna-Srimati Radharani. All glories to your precious, wish-fulfilling lotus feet which are always sought after by the greatest of all sadhus and renowned saints. You are the best of Krsna's girlfriends and teach all others the rare art of pleasing Krsna with expertise and grace. Tomorrow is Ekadasi and a day of the month which we always dedicate to You by increasing the chanting of japa. Fully engaged in giving classes, please allow us to serve with utmost seriousness, attention, learning, with expertise. With your mercy and with the grace of our beloved Guru, His Divine Grace Srila Prabhupada we have the blessed opportunity for service. By Your mercy all success in devotional service is easily achieved. Jai! Sri Radhe."Radhe jaya jaya madhava dayite gokula taruni mandala mahite." Srimati Radharani Ki-jai. Hare Krsna!

January 12 Chicago

Dear Srila Prabhupada-obeisances at your lotus feet. We are so happy and very grateful to have had the opportunity to speak about you and your position as the greatest teacher of spiritual science. Consequently we were able to learn more about your transcendental position and our duty to you. Praying so we can carry out our service in a more exemplary manner. Thank you. All glories to you. O master of masters! Jai Srila Prabhupada! Hare Krsna!

January 14 London/Krsna Kirtan's Home

Dear Srila Prabhupada please accept my most humble obeisances at your lotus feet. Please give us intelligence and the determination to serve the devotees nicely, lovingly. Tomorrow our routine schedule will be upset. Praying to do the needful. All glories to sadhu sanga! Hare Krsna!

January 16 London-Travel-Mumbai/Sri Radha Gopinath Mandir

From one end of the globe to the other within 3 days. As we observed the diary entries for the 13th and 15th were omitted. At those dairy writing times we are recalling the struggle to keep the mind focused on Krsna's Holy Names as we were propelled upwards towards our destination dubbed as the flight plan. Now association will take to very serious mood as it evolves with seniors and God-brothers. With the great benediction of having the association of and personal service to Srila Haridas Thakur we are more equipped to nicely chant the Holy Names and be reminded of that most sublime meditation. All glories to his lotus feet, Namacarya Srila Haridas Thakur Ki-jay. Dear Srila Prabhupada we are bewildered as to why we agreed to give tomorrow's Srimad Bhagavatam class. Please transform our fledging attempt into success by your merciful presence. Lord Krsna and His cows. Gomata Ki-jai! Gopal Ki-jai! Govinda Ki-jai. Gaur Premanande Hari Hari bol! Hare Krsna!

January 17 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Srila Prabhupada, master of those who aspire for the supreme perfection of life. Humbly but with concern we have accepted the request

to speak Srimad Bhagavatam 10 Canto for the daily class. These verses are directly related to Krsna lila's in Sri Vrndaban Dham. The pure, sweet, direct lilas. What qualities do we have to justify speaking on such lofty subject matters. Yet we have impudently accepted the request because of a desire to speak about Krsna."Mukam karoti vacalam"...I am seeking your empowerment in this matter otherwise we are lost and therefore unable to serve this mixed audience adequately. Your mercy creates miracles. We are seeking that mercy with folded palms and humble obeisances. All glories to your lotus feet. Hare Krsna!

January 18 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Srila Prabhupada- with all humility I offer my obeisances at your wish-fulfilling lotus feet which are the cintamani that has appeared in this world designed to end our material sojourn. Dear Gurumaharaj there are services we would like to improve and ultimately perfect in our execution of devotion. Yet we are at a loss because continuous traveling throws the best plans astray. Perhaps we need to understand better what it means to travel effectively, that remains a concern. In our attempts to improve our devotional service while traveling we see very little improvement. Please guide us on how in these challenges we are to discriminate between what's important and changeable and what is not a concern. We take full shelter in utter helplessness at your lotus feet. Praying for more mercy. Hare Krsna!

Dear Srila Prabhupada, all glories to your presentation of Srimad Bhagavatam in which we are attempting to explain the teachings of the pastime of Vrtrasura for the students taking Bhaktivaibhava accreditation. We are stumbling along, please guide us on how best to present this sacred knowledge. At times we are overcome by the mood of self-assurance which causes mistakes and dilutes our presentation. By your mercy please kick out all obstacles that dilute, pollute the presentation of this most valuable and sacred literature. Thank you greatly. Hare Krsna!

“An inspiration on the current state of India’s developing consciousness”. India is trying to compete with the Western world in creating, developing and marketing a society that is Western in ideals, values and services. Presently it is being expressed artificially primarily because Indian culture, its people’s values are more personal and spiritual. India is trying to produce commerce which is primarily impersonal and without moral directives. It is contrary to India’s culture thereby it’s dysfunctional, completely dishonest, laced with cheating and a lack of sensitivity. By moving away from spiritual values and personal relationships India has at the same time become impotent in establishing the Western model of materialism. It is analogous to the Hindu who went to a Muslim’s home to satisfy his hunger and received only a very small portion of food, thereby having lost his caste and simultaneously was unable to fulfill his need for food. This is India’s present state of affairs specially within its cities and towns. This Krsna consciousness movement directed by Sri Krsna Caitanya Mahaprabhu is meant to restore India to its original state of pure spirituality as the way of life in all areas of society. Srila Prabhupada has saved the world and India has only to recognize it and take it up. Gaur Premanande Hari Hari bol! Hare Krsna!

January 22 Sridham/Mayapur

Dear Srila Prabhupada. all glories unto your lotus feet for they have mercifully walked into my life making it valuable, auspicious, meaningful. I dread to ponder my life if you hadn’t given us this great gift of pure devotional service to Sri Sri Radha Krsna, mercifully brought to this world by Sri Caitanya Mahaprabhu and Sri Nityananda Rama. We are grateful, thankful and eternally indebted to you. We desire to be better at showing our thankfulness but mostly we fall short of the responsibility of being your worthy disciple. We pray that whatever time we have left in this body we can give cent per cent to preaching in the way that is pleasing to you. Begging with a straw between my teeth to be able to receive the mercy you are giving and offer it to back to you and Gaur Nitai with genuine devotion. Please continue to guide, correct and chastise as you see fit. Thank you for being my spiritual master and the spiritual master of the world. All glories to your divine grace. Hare Krsna!

January 23 Sridham/Mayapur

Jai! Sri Panca Tattva- “Sri krsna caitanya prabhu nityananda sri advaita gadadhara srivasadi gaura bhakta vrnda.”

“Hey krsna karuna sindhu dina bandhu jagat pate gopesa gopika kanta radha kanta namostu te.”

O Dearest to all living entities Sri Krsna, we’re struggling to find regular

shelter at your lotus feet. Where to go, where to look, where to find. You are everywhere and yet not visible to us whose eyes still find some glimmer of attraction in this ephemeral world of the illusionary dance of Maya. Please place me always in the association of your devotees whose only activity is to hear and chant your glories. Your Holy Name sung with love and attentive devotion is the realm of the fulfilment of all spiritual desires. We hanker to hanker for that which fully opens our mind, heart and life energy. Glories to Srila Prabhupada who has demonstrated that spreading the message of the Holy Name is the perfection of all spiritual success and the fulfilment of all obligations. May Srila Prabhupada our beloved spiritual master bless us with the ornament of Nam ruci, Krsna katha and detachment from everything else. Aspiring with enthusiasm to hear and chant Your glories. Nitai Gaur Premanande Hari Hari bol! Hare Krsna!

January 24 Sridham/Mayapur

“Hey govinda, hey gopal, kesava madhava dina dayal.” Please be merciful and give us the intense eagerness to hear and chant about Your glories and the glories of Your pure devotees. Through teaching Bhaktivaibhava level of education we have awakened an increased attachment to hear and chant Your glories. We desire to read regularly Your pastimes in Bhagavatam, and will begin by reading the 10th Canto. Please allow this privilege amidst all my other services. All glories to You who are the cynosure of those who are blinded by the glare of Maya’s dance. Please open our eyes to Your glories more and more and to the glories of His Divine Grace Srila Prabhupada whose life is a pure, selfless sacrifice in devotion to You. Gaur Premanande Hari Hari Bol! Hare Krsna!

January 25 Sridham/Mayapur

Dear Srila Prabhupada, all glories unto your merciful lotus feet. Please accept my most fallen obeisances. Each day presents a challenge on health and overall physical stamina. We are feeling somewhat weary in our struggle to continue our service. Please eliminate any and all obstacles in our service to you and Sri Panca Tattva. You can kick out all blocks being fully and directly empowered by the Supreme Lord. We will present a class tomorrow on avoiding Vaisnava aparadha. Feeling like an offender we pray this opportunity will give the needed understanding in order to avoid this most dangerous and spiritually destructive mentally. Begging for your mercy. We remain your eternal servant. Hare Krsna!

January 26 Sridham/Mayapur

Dearest Holy Name of Krsna, Sri Mahamantra Ki-jay! You are the only shelter in this dark Age of Kali which as time goes by is becoming darker. Yet You only become more and more brighter. Please give us Your association in kirtan with others who have made You their worshipping deity. We are hankering for that holy association and eager to glorify You by fixing our entire attention on each and every syllable of Your holy existence. May we always remember You with great love. May Srila Prabhupada be pleased with our efforts to chant and may he bless our efforts to chant on tomorrow's Ekadasi vrata. Nitai Gaur Premanande Hari Hari Bol! Hare Krsna!

January 27 Sridham/Mayapur Ekadasi

All glory to the mercy of Srimati Radharani. Only by her kindness was 38 rounds of japa chanted today. We are surrendered to Her desire to always try to please Lord Krsna by chanting His Holy Names. Srimati Radharani is Prem guru and we are aspiring to reach prem japa, prem kirtan. May we remember to remember to chant Hare Krsna 24 hours. What other activity is so complete and completely satisfying. Sri Harinam Prabhu Ki-jay! Srila Prabhupada was a great lover of kirtan and in all aspects of his preaching he glorified and practiced Nam. Sri Nam Prabhu Ki-jay! Hare Krsna!

January 28 Sridham/Mayapur

Dear Srila Prabhupada, falling flat at your lotus feet is the way we can express our deep appreciation for all that you are and all that you gave and are giving. Thank you for allowing me the privilege to sing your Guru Puja this morning. It brings great pleasure in attempting to express our love for you. You are truly great in all definitions of the word. Especially grateful for the regular association of Sruti Kirti Prabhu your intimate servant and disciple who rendered much personal service to your lotus feet. We pray we won't act wrongly or commit any offenses. All glories to Srimad Bhagavatam which at present we are studying and discussing with a group of students striving for Bhaktivaibhava accreditation. My mind feels great happiness and satisfaction in learning from you the intricacies of Vaisnava philosophy and pure devotional service. All glories to Sri Krsna's Holy Name which you chanted and distributed worldwide. This is your greatest gift along with the association of devotees who represent many of your good qualities exhibited in various ways. Please keep us safely sheltered at your lotus feet always eager to serve, chant and study. Hare Krsna!

January 29 Sridham Mayapur

Dear Srila Prabhupada, all glories unto you. Your purports of Srimad Bhagavatam reveal the essence of pure devotional service in both mood and practice. Tonight we came across a statement we had read before but this time it hit harder. "For a brahmachari or a sannyasi to take pleasure in the singing of a woman is a subtle falldown." Now in ISKCON women are coming forward in all areas of service especially kirtan. Some, not all, are expert in music and the art of bhajan and sing with devotion. We're often exposed to this and it seems very pleasing and when offered with devotion we naturally accept it that way. We observe no trace of sensuality that we are exposed to or affected by. Still you write and if our understanding is to be taken absolutely that attraction is a subtle falldown. Please help us to fully understand and clarify as we desire to remain chaste and faithful to the order of sannyasa and the principles of chastity to your lotus feet. All glories to your pure devotional teachings. Nitai Gaura Premanande Hari Hari Bol! Hare Krsna!

January 30 Sridham Mayapur

Gaura Premanande! Departing from the Holy Dham. By Krsna's, Mahaprabhu's grace we return soon! Take the Dham wherever you go. It's transcendental, not part of the material world. Sri Caitanya Mahaprabhu manifests His abode on this plane of existence for our purification. Hearing and chanting His glories clears the path to the Dham within and without. "Sri krsna caitanya, prabhu nityananda, sri advaita, gadadhara, srivas adi gaura bhakta vrnda"!

Hare Krsna Hare Krsna Krsna Krsna Hare Hare

January 31 Kolkata

Dear Srila Prabhupada, all glories unto you. Your mercy carries your devotees, clearing out the obstacles on the path of preaching Krsna consciousness. We find ourselves struggling to maintain our aging body that only wants to rest. We have faith that despite the obstacles with health we can continue. Praying for your guidance and mercy, please give the enthusiasm needed to push on in whatever situation we are faced with. And to always remember Krsna's Holy Name and His Holy darshan. Jai! Sri Sri Radha Madhava Astasakhi Vrnda! Hare Krsna!

February 1 Goa

difficulties we encountered traveling to reach Your lotus feet was our pleasure knowing we would see You and serve Your lotus feet. Please make us worthy. All glories unto You. Hare Krsna!

February 2 Goa-Belgaum Ratha Yatra

All glories to Lord Jagannath, Lord Baladeva, Subhadra Devi. They charmed and inspired the hearts of many, Their servants, guests and others as They majestically rode on Their huge Rath. May They bless us with Their presence throughout this life and beyond. Their compassionate servant Srila Prabhupada, the spiritual master of all the worlds happily guides Their chariots and proclaims Their presence. All glories to His Divine Grace! He has mercifully brought Jagannatha Deva along with His powerful brother Baladeva and lovely sister Subhadra to all corners of the globe, doing what was never done before. May we continue to be inspired to serve as tomorrow the festival of love continues. All glories to the Monarch of Puri who is served by the whole world. February 3 Belgaum

Dear Sri Sri Radha Vinodji at the home of Nandanandana Prabhu. Please accept my humble and very fallen obeisances. All glories to Your transcendental form which inspires devotion even within this hard-hearted fool. By Your mercy the devotees in Belgaum have shown much care, attention and enthusiasm in serving. It's Your mercy, dear Lord, coming through them as Lord Jagannath paved the way for my darshan of You. The devotees kindness is giving much strength in our devotional service. Praying to be continuously mindful of Your mercy manifesting as the devotees, kindness, care and association. All glories to Srila Prabhupada! Hare Krsna!

February 4 Mumbai/Radha Gopinath Mandir-Vasant Pancami

Vivaha of Prem Kirtan and Rupa Manjari. Mataji is the wonderful daughter of Visvarupa Prabhu both disciples of HH Radhanath Maharaja. Very grand ceremony with much auspiciousness surrounding. May Srila Prabhupada bless the couple. May the Holy Name bless every aspect of their life. May Radhanath Swami Maharaj's health improve. May all living entities think about the welfare of others. May Gaur Nitai continue to inspire His devotees to spread Krsna's Holy Names. May I dance again with great happiness. Gaur Premanande! Hari Hari bol! Hare Krsna!

February 5 Mumbai/Sri Sri Radha Gopinath Mandir

Srila Prabhupada, all glories to your lotus feet. As a young man you played the part of Sri Advaita Acarya in a dramatic play. You brought tears to the eyes of the audience. Sri Advaita Acarya brought Lord Caitanya down to this world by his compassionate calling. Similarly your compassion has brought that same Lord Caitanya along with His intimate associates to the fallen souls of Kali yuga. You are in the true sense non-different from Sri Advaita Acarya. Therefore who is more compassionate and more merciful than you. We take shelter at your lotus feet begging to be of some assistance in your service to Gauranga Mahaprabhu and the Panca Tattva. Jai! Srila Prabhupada. Hare Krsna!

February 6 Mumbai/Radha Gopinath Mandir-Advaita Acarya App.

With gratitude and with great happiness we offer our prostrated obeisances to the Supreme Personality of Godhead Sri Advaita Acarya who is compassion personified. Playing the role of a devotee of God He prays for the conditioned souls to accept His master Sri Caitanya Mahaprabhu as their goal of life-the Supreme Lord Himself. He acts for their welfare, although the foolish conditioned souls cannot understand His mercy. He arranges for them to receive the Lord's mercy by petitioning Lord Krsna to appear in this world. Similarly His Divine Grace A.C. Bhaktivedanta Swami Prabhupada has accepted the full mood of Advaita Acarya and is giving the world Lord Caitanya's mercy-Sri Harinam Sankirtan. There is no other way, no other way, no other way. All glories to His Divine Grace. May we become an empowered instrument in his hands. Hare Krsna!

February 7 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Holy Name of Krsna-we fall flat at Your lotus feet, knowing by our experience there is nothing more merciful in our life than Your presence. Please allow us to take full shelter of You. You purify the most sinful and give ecstasy to those who are piously devout. You inspire Your devotees to arrange marathon chanting. You shower blessings of happiness on all the world. You are the only austerity and attaining Your lotus feet is the perfection of all austerities. May we serve You by bringing others to Your lotus feet. Sri Harinam Sankirtan. There is no other way. Hare Krsna!

February 8 Mumbai/Sri Sri Radha Gopinath Mandir

He Gauranga! He Nitai! Sri Holy Name of Krsna Ki-jay ho! Allow me to offer a prayer for the improvement of Radhanath Swami Maharaj's health. Dear Lord Sri Caitanya, if You so desire, please restore good health to Maharaja. And please purify my contaminated consciousness

with pure devotion to you. May Srila Prabhupada be pleased with our attempt to dance for the Lord's pleasure. Hare Krsna!

February 9 Mumbai/Ujjain

Dear Srila Prabhupada, all glories to your mercy on the fallen souls in this very bad Age of Kali. Please accept our humble obeisances at your merciful lotus feet. The association of senior, advanced God-brothers has come. We pray we can act intelligently, fixed in the mode of serving. It is a great opportunity for advancement and also an situation that can bring us down if we are not careful to avoid committing offenses. Your guidance and my remembrance of Sri Krsna is the full mercy. This age is very auspicious only because you came. Gaur Premanande! Hari bol! Hare Krsna!

February 10 Ujjain Kirtan Mela Festival Ekadasi

Dear Srimati Radharani, manifested in Your transcendental form as Sri Radha of Madan Mohan of Ujjain. All glories unto Your mercy and kindness upon the floundering living beings in Kali Yuga. Only by Your grace and expert arrangement was my vow of 38 rounds completed during this festival. All glories unto You. We humbly petition Your mercy once again as we have been requested to speak the glorious Bhagavat philosophy. The audience if of greatly learned devotees and revered God-brothers. Please give the devotional intelligence so we are able to rightly glorify the process of pure devotion and You as the creator and protector of pure devotional service. You reveal this knowledge to Your pure devotees by their bhakti for You. My beloved spiritual master is a master of all masters in the art of pure devotion, expert in philosophical understanding. May he bless us to speak with the right understanding. We thank you for your loving care. We want to chant Your glories eternally. Srila Prabhupada Ki-jai, Sri Sri Radha Madan Mohan Ki-jai. Jai Sri Radhe, Gaur Premanande! Hare Krsna!

February 11 Ujjain Kirtan Mela Festival

Late nite, every nite, obvious reason-kirtan mela, still we long for an early down and up, the ideal way to practice devotional life. Visiting Mayapur may bring the needed change although short. Tomorrow we honor Sri Nityananda's appearance day. We honor His lotus feet, as He is the giver of Gaur bhakti and Krsna Nam. He is the best. We love Him most dearly. All glories to Nitai. The root of the bhakti tree. All glories to Srila Prabhupada who fully carries the mercy of Lord Nityananda. Hare Krsna!

February 12 Ujjain Nityananda Trayodasi

Dearest most compassionate Sri Nityananda Prabhu. The dust of Your lotus feet are sought after by those who understand the goal of life and who are desperate to achieve it. Please continue to attract my mind by Your beauty filled with Your unlimited compassion. At times the mind is momentarily diverted to the external beauty of this world. We appreciate it's beauty as it is a reflection of the eternal beauty coming from You. At times it appears extraordinary attractive. We can appreciate yet we know the soul is always the most beautiful element although within the confines of the material energy being part of You. You are above all that so no one can really understand or experience Your transcendental beauty although we are strongly attracted. Please continue to attract us more and more so that we lose all attraction for anything in this world. All glories to your divine appearance in this world and in our life. By the mercy of His Divine Grace who is an embodiment of your compassionate nature we are truly blessed and happy. Dukhi has now become sukhi. Jai Nitai! Jai Gaura! Nityananda Trayodasi Ki-jai! Gaur Premanande! Hari bol! Hare Krsna!

February 13 Ujjain-Mumbai/Sri Sri Radha Gopinath Mandir

Dear Dad, I am remembering this day is your birthday. I am pleased to

offer my gratefulness with love for being such a great father. You showed me a life directed towards God and devotion. This is the perfection of fatherhood as you lived it and taught it to me. We especially remember you appearing to me in a dream at a time when I was unsure which way to direct my life. Having been at the Krsna temple, now returned to mother's house uncertain of where to go and what I should be doing. Your dream appearance revealed that returning to temple life was the auspicious way. I am thankful for your care. We sincerely pray that you are with our dear Lord serving Him with all your love. Wherever you may be we offer our humble obeisances and eternal gratitude. Hoping we will again meet. Thank you for bringing me to my eternal father, Srila Prabhupada. Hare Krsna!

February 14 Mumbai/Radha Gopinath-Narottam Das Thakur App.

Dear Devotees of Lord Caitanya. Please accept my humble obeisances. Mahaprabhu has instructed "Chant Hare Krsna and preach to the fallen souls". Develop your love for chanting by always chanting. In serving Vaisnavas your heart will become soft which increases devotion when chanting. Preach, you will always be enthusiastic in devotional service as this will greatly please Nitai Gaur and Sri Guru. May Srila Prabhupada inspire us with opportunities to preach Krsna consciousness, and may we accept these opportunities with full enthusiasm and hopefully catch up on back services. Gaur Premanande! Hari Bol! Hare Krsna!

February 15 Mumbai/Sri Sri Radha Gopinath

Dear Panca Tattva. All glories to your compassion on the fallen souls in this dark Age of Kali. Your kindness in offering the highest realm of pure devotion, Sri Krsna of Vrndavan Dham to those who seek after it is unprecedented. No one can measure, describe, understand or receive all of what You are offering. I feel most fortunate to be able to return to Your lotus feet at such an auspicious time when so many stalwart Vaisnavas will be in Sanga. Please give a place at Your lotus feet singing and dancing in kirtan. May Srila Prabhupada be pleased by such an auspicious gathering. Sri Sri Radha Madhava Astasakhi Vrnda Ki-jay! Jai! Prahlad Nrsinghadeva! Gaur Premanande! Hare Krsna!

February 16 Mumbai/ Sri Sri Radha Gopinath/Sridham Mayapur

Dear Sri Krsna Caitanya Mahaprabhu, supreme glory of Sri Mayapur Dham! Your mercy is so sweet and endearing. We are extremely grateful to You for sending Your devotees to assist us on our arrival at Sri Mayapur Dham. We pray to be of some meaningful service to the Vaisnavas wile here. Please guide us. February 17 Sridham Mayapur

Dear Srila Prabhupada. All glories unto you. We never tire of hearing about you and your devotional message that has created a worldwide spiritual revolution. As the people of the world enter deeper into the arena of Kali Yuga they are gradually being spiritually, morally, aesthetically and even materially eroded. But You have brought the medicine, the elixir of happiness and eternal life in ushering in the compassionate movement of Sri Caitanya Mahaprabhu. All glories to your powerful preaching of eternal religious principles. Tomorrow we will attempt to glorify your books and your compassion on those persons locked within the jails of the material world. We seek your guidance and blessings as we seek to give all credit for any success to you, rightly so. Please correct our faults fixing us at the lotus feet of Sri Caitanya Mahaprabhu in dedicated devotional service. We are poor and you are rich and very merciful. We want to please you and all the assembled Vaisnavas. Jail preaching Ki-jai! Gaur Prem. Hare Krsna!

February 18 Sridham Mayapur

Dear Srila Prabhupada. All glories unto you. You have saved me and now we are begging for you to save those who have come to your shelter through our preaching. We can see many are attached to material life and are not giving much time or energy to spiritual practice or devotee association. Their faith is tender. Please guide your devotees on how to nicely maintain Sri Sri Gaur Nitai in Karlovac-New Santipur. Whatever is your direction we will accept unconditionally. All glories to your lotus feet which we place on our head and in our heart. Hare Krsna!

February 19 Sridham Mayapur

Dear Srila Prabhupada. All glories to you in establishing a variety of ways to reach the conditioned souls with this life saving message. We have become fortunate to be able to preach to the most unfortunate, those inside the prison walls of the material jails. Today we presented to a large group of over 35 devotees a little about what has developed over the years. The response was very satisfying. By your mercy we are inspired to increase this preaching although very difficult still very satisfying. In our presentation today we inadvertently spoke something that was better left unsaid. For this we sincerely apologize

and hope to further rectify this digression. Please guide me! All glories to your lotus feet for allowing me to come out of the jail of material existence. Gaur Premanande Hari Hari Bol! Hare Krsna!

February 20 Sridham Mayapur-Srila Bhaktisiddhanta Saraswati

App Dear devotees of Lord Sri Caitanya Mahaprabhu. One who takes shelter of a truly great person also is great and most intelligent. Sri Krsna Caitanya has created many great souls one such great soul whose appearance day is today is our Param Guru Srila Bhaktisiddhanta Saraswati Goswami Maharaj. When we reflect on great personalities of the past, his lotus form appears in our minds. Innovative, powerful, yet extremely humble, knowledgeable in all sastras and expert in presenting that knowledge in a practical format. Some know him as a “Ray of Visnu,” a divinely empowered soul whose appearance in this world was directly orchestrated by the Supreme Lord Himself. We can only marvel and try to appreciate his contribution in spreading Gauranga Mahaprabhu’s mission. As our Srila Prabhupada would say, “What can I say! He is a Vaikuntha man.” We look forward to hearing more of his life and of his contribution to the worldwide sankirtan. Please accept our most humble obeisances at your lotus feet O Vaisnava Thakur. Srila Bhaktisiddhanta Saraswati Goswami Maharaj Ki-jay! Srila Prabhupada Ki-jay! Gaur Premanande! Hari Hari Bol! Hare Krsna!

February 21 Sridham Mayapur

February 22 Sridham Mayapur

Dear Srila Prabhupada-all glories to your ISKCON movement for as time moves on the fabric of devotee association is continuing to deepen in quality and quantity. Gurus have their disciples still the greater family mood appears to be becoming stronger. This we see especially in Sridham Mayapur. When this mood permeates outward in the greater society just as when the flood of Lord Caitanya’s sankirtana movement broke the dike of mundane religious practice and traveled to every town and village. So Vaisnava Sanga is growing luxuriantly at Sridham Mayapur. The GBC is creating many initiatives that are bringing about a transformation of consciousness through Vaisnava Sanga. May it continue until every devotee feels cared for being a part of this great Krsna Consciousness society. All glories to Srila Prabhupada the fertile seeds he has planted

are growing nicely into tall, shade-giving trees with much sweet fruit. All glories to the assembled Vaisnavas. Hare Krsna!

February 23 Sridham Mayapur

Dear Mataji, dear disciple of H.H Sivaram Swami Maharaj. Jai Nitai! Jai Gaur! Jai Gadai! Jai Acarya! Jai Pandit! Ekacakra Dham,not a part of the material world. Unlimited sweetness is the abode of Nitai's existence. Please give just a small drop of the ocean of Your mercy. Its sweet taste satisfies the mind and softens the heart.We don't know what to do or where to go but we do know that Lord Balaram has again appeared as Lord Nityananda making the mercy of love of God easily

available. Make us a honey bee at Your lotus feet and place Your sweet feet on our bee like mind. Attract us with love for You and give us the service of chanting Your names eternally while dancing to give You pleasure. We are happily residing in Your Holy abode- Janmasthan, Karmasthan. Srila Prabhupada is Your pure representative a veritable abode of compassion. May we serve You by pleasing him." Nitai pada kamala koti candra susitala yei chayayai jagat judaiya." February 28 Mayapur Dham-Maha Siva Ratri

Dear Nam Prabhu-obeisances, for your glories are extolled throughout the three worlds. We are happy and greatly inspired to welcome Your Divine presence by chanting for your glorification. We are eagerly awaiting the start of tomorrow's kirtan in order to dive deeply in Sri Harinam Sankirtan. What else has any value?

Hare Krsna Hare Krsna Krsna Krsna Hare Hare

Hare Rama Hare Rama Rama Rama Hare Hare.

Nitai Gaur Premanande! Hari Hari bol!

March 1 Sridham Mayapur

Krsna kirtan and Krsna katha are inseparable. In this Age of Kali the Yuga Dharma is exclusively Sri Harinam Sankirtan. We are very fallen that we must seriously take up a regulated diet of Krsna katha otherwise we will destroy our body dancing. Praying to reach a balance. Read read read. Srila Prabhupada is happy when we read his books and so are we. Krsna katha Krsna kirtan, Gaur Prem.-Hare Krsna!

March 2 Sridham Mayapur

Dear Panca Tattva I offer my respects and obeisances to all of Your devotees, big or small and in between. They are our objects of service and worship. If somehow we have acted wrongly please forgive our lack of tolerance and may those we may have offended be merciful. Praying to become more tolerant and a little bit humble. All glories to Srila Tamal Krsna Goswami Maharaj who disappeared on this day 12 years ago. By remembering him we are reminded of his strong quality of determination in executing devotional service. May B.B. Govinda's good mother who

passed from this world today be blessed by all the great stalwart devotees. May Srila Prabhupada be patient as we are slow to learn. Gaur Premanande Hari Bol! Jagannath das Babaji Maharaj Ki-jai. Rasikananda Prabhu Ki-jai! Sama veda bhakta vrnda. Hare Krsna!

March 3 Sridham Mayapur

Attended an European regional meeting on the request of a senior God-brother. I can away thinking I could have not gone. The nice part was being in association with senior God-brothers. We rarely find this opportunity. We pray that wherever we go we will exhibit ideal behavior by keeping our mind fixed on Krsna's Holy Name. Srila Prabhupada is an ocean of mercy. We must dive in to get the nectar. The state of mental vituperation gives way to an ocean of jiva doya. By preaching to the suffering humanity, the preacher also benefits. Hare Krsna!

March 4 Sridham Mayapur

O' Krsna! I am such a fallen soul! Those who profess greatness are the lowest. Pride is useless, dangerous and spiritually debilitating. The Holy Name descends down only to the meek and humble. The haughty spiritual practitioner is illusioned by his haughtiness. Others will see through it. They reject him as hopeless. Dear Lord my only hope for spiritual advancement is service to great souls. Susrusoh...Srimad Bhagavatam 1.2.16. Praying to become a humble servant of the Vaisnavas. May the Holy Name be merciful and remain on my tongue constantly. May Srila Prabhupada be pleased with my attempt to serve and to chant Krsna's Name. All glories to Nam Prabhu. Hare Krsna!

March 5 Sridham Mayapur

Dear Srila Prabhupada. Your knowledge of sastra with its clear conception of application to everything, in all categories is phenomenal. Each morning we hear you clearly apply spiritual understandings to uproot all illusions of the benefits of material goodness. Your words are like an explosion that simultaneously destroy everything mundane and materially motivated and establishes a clear conception of reality. Sri Krsna is the source of and purpose of everything. Your expert explanations shows how quasi spiritual practices are more harmful than material activities as they give a false sense of something superior and beneficial but are only another form of material sense gratification. Your description of Lord Krsna and our eternal relationship with Him is so pleasing and causes us to want Him more and more. To hear from you about Lord Krsna is undoubtedly the topmost spiritual activity as it provides knowledge, joy in separation and awakens a strong desire for perfection. Please continue to destroy our material attachments and help

us to understand more the power and purity of your words. All glories to your presentation of Srimad Bhagavatam, the king of education. Hare Krsna!

March 6 Sridham Mayapur

Dear Srila Prabhupada. All glories unto your divine lotus feet. Obeisances unto you again and again. The dust of your feet are cintamani particles of fulfilled desire that relieves the confusion and burning anxiety of material existence. We want to be absorbed in service with no other desire than to please you. Please teach us how best to associate with and serve our God-brothers and God-sisters. They are very dear to you and can also fulfill all our desires in devotional service. We pray for their mercy and association. All glories to HH Niranjana Swami who is so spiritually qualified while simultaneously exhibiting the quality of genuine humility free from any trace of pretentiousness. His association is desired by all. Gaur premanande Hari Hari bol! Hare Krsna!

March 8 Sridham Mayapur

Parikram today. Ruskies very enthusiastic. On to Rtudwipa. Campakhatti Jayadeva Goswami, Vidya Vacaspati. Sarvabhauma Bhatta. Arcanam reigns. 6 seasons are practically manifested. HH Jayapataka Maharaj, the twins, many others. Feeling tired-OK take rest-very soon. Sridham Mayapur-how can we leave here? We must preach and in that way we are never leaving. Srila Prabhupada established an international city very near Mahaprabhu's Janmasthan, Karmasthan this is our focus our worship. The whole world will come to know of this place in 10 years. All glories to Srila Prabhupada. Hare Krsna!

March 9 Sridham Mayapur

Dear Srila Prabhupada. All glories to the great devotees you have created by your pure loving devotional service imbued with the topmost realizations in Krsna consciousness. One such great soul who we honored today on his appearance day is His Holiness Sripad Bhakti Tirtha Swami Maharaj. Many devotees spoke about him in various ways narrating their association and experiences with Maharaja. Everyone felt very much a part of the mood of love and compassion he exhibited during his brief stay in this world. Again in my heart and this time much greater we felt a strong desire for his personal association. Perhaps it is a bit selfish to desire in that way. Still the separation causes sadness at times, along with feelings the regret for not having a deeper sense appreciation and love. We pray that someday we will gain that association wherever it may be. Maharaj is an amazing personality filled with multifaceted qualities of service and compassion. May we again

become fortunate in his association. All glories all glories all glories to Srila Bhakti Tirtha Swami Maharaja! Gaur Premanande! Hari Bol! Hare Krsna!

March 10 Sridham Mayapur

All glories to Lord Jagannatha, Lord Baladeva, Subhadra Devi of Sri Rajapur-Simantadvipa. Enchantingly attractive, destroying any and all desire for material happiness. May they remain on the track of my mind. Dear Srila Prabhupada with your mercy miracles happen, please give us the intelligence to take shelter of your mercy as endeavor to properly represent you in the very prestigious assembly of Vaisnavas. All glories to your mercy upon your disciples. Hare Krsna!

March 11 Sridham Mayapur

Dearest Srila Prabhupada. All glories to your mercy upon this fledgling disciple. You are always performing miracles which is the list of your daily activities. Today, only by Lord Krsna's and your mercy were we able to speak something that was acceptable, beneficial. Each time we realize it is you whose eagerness to preach is immeasurable, inspiring us to give our utmost. Each time it increases the desire to speak more knowing you are there to guide and inspire us. With each occasion we experience less apprehension. Please inspire us to do more, as being a part of this grand lila of Mahaprabhu is overwhelming sweet. We are greatly fortunate and blessed. Never allow us to waste time in those activities that do not inspire, create or execute preaching. All glories to Srimad Bhagavatam the best of the best of the best. Srimad Bhagavatam-Amala Purana! .Jai! Sri Sri Radha Madhava Astasakhi. Hare Krsna!

March 12 Sridham Mayapur Ekadasi

Feeling happy to be a part of Lord Caitanya's pastime of delivering souls in Kali Yuga. Book distribution, prasada distribution, distributing Krsna's Holy Name. So pleasing yet so very very powerful. Lord Nityananda is the compassionate force acting through our Srila Prabhupada. We are both the witness and the actor. May we play our part with better ethos. All glories to Sri Panca Tattva. Gaur's love for the world. Our great great fortune-Gaura Prem. Hare Krsna!

March 13 Sridham Mayapur Disapp of Sri Madhavendra Puri

The root of the bhakti tree of Sri Caitanya Mahaprabhu. May he bless us with pure devotion to the lotus feet of Sri Sri Gaur Nitai. Today we had the great honor and extreme good fortune of visiting the ashram of Sri Bodhayana Maharaj of Sri Gaudiya Math. An illustrious disciple of Sri Bhakti Pramode Puri Maharaja-who is a very spiritually powerful disciple

of Srila Bhaktisiddhanta Saraswati Maharaja and a close God-brother of our dear Srila Prabhupada. Although I wanted to speak I didn't as there were many who were more qualified. I was happy to be there and honor a little prasada. All glories to Sri Bodhayana Maharaja may our relationship as two societies become a team- working to spread Gauranga' Mahaprabhu's message. Jai Srila Prabhupada. Hare Krsna!

March 14 Sridham Mayapur

Struggling with bad health. Sometimes less, others times more. Tomorrow we resume traveling. How to remain fixed in service? There is only one method-Smaranam-fixed on Sri Krsna's Holy Name and enhanced with thoughts of His most sweet lotus feet. We are helpless but we can receive help from the ocean of smaranam. Please mind do not waste time on the temporary nature of things, trying to improve them. They will never improve. Full attention of Nam smaranam. May Srila Prabhupada's words as well as his compassion for all of us be our constant remembrance."Satatam kirtayanto mam". Hare Krsna!

March 15 Sridham Mayapur-Kolkata Temple

No doubt we must be insane to leave Sri Mayapur Dham. One and only one, we say it again, only one reason not to stay. To take Mahaprabhu's teachings everywhere. Are we qualified? NO! Still He is requesting and empowering. It requires strong desire, determination and scriptural knowledge, and fairly good health. That's the concern. Praying for the enthusiasm to glorify Sri Gauranga Mahaprabhu on His Divine Appearance day, such a glorious event. He is the best of those who are great. What mercy. What compassion. What magnanimity. What power. All glories all glories to Sri Krsna Caitanya Mahaprabhu. Hey Gauranga. Hey Gauranga. Srila Prabhupada-an emissary of Gauranga's Bhakti. Hare Krsna!

March 16 Kolkata Temple Gaura Purnima

Dearest Gauranga Mahaprabhu. We cannot and will not ever be able in a million lifetimes of Lord Brahma express adequately our gratitude for Your profuse mercy on the fallen souls of this degraded Yuga. Kali's dance. You and You only along with Your weapons (associates) have brought a powerful and overpowering bright beam of spiritual grace that can completely dissipate the all-pervading darkness of this Age of Kali. That light brings peace, joy, knowledge and complete self-awareness. It is so brightly powerful that Kali can only run in complete embarrassment. Your self and Krsna's Holy Name two but actually only one. That oneness is devotion to You by chanting Krsna's Holy Name. The Mahamantra.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare
Hare Rama Hare Rama Rama Rama Hare Hare.

It is all that's needed and more. All glories to You, Mahaprabhu and Your Senapati Bhakti A.C. Bhaktivedanta Swami Prabhupada who is expert at practice and disseminating Your mercy all over the world. On this Day of Your Divine Appearance day in this world and in our lives we offer profusely our most grateful and humble obeisances. All glories to Your eternal lila. Sri Gauranga Mahaprabhu ki jay! Hare Krsna!

March 17 Kolkata Temple Pune

Health and travel, no uninformaty-the division is getting greater. Still I'm satisfied and tasting the nectar of preaching. Balance. By our effort we gain Sri Krsna and Srila Prabhupada's mercy, which is the deciding factor. Need to become a little better oriented. India is going toooooo West, becoming a pest, formerly it was the best. Now specially under duress she may succumb to the stress and become worse than the West. We pray for her free from all jest. Gauranga is the only hope. The lines are clearly visible. Please help us to make a difference. Hare Krsna!

March 18 Pune

All glories to Sri Sri Radha Vrndavan Candra of Pune. Lord Krsna defies anyone to match His natural sweetness. Madhura-Srimati Radharani is the only competition worthy. Jagannath completely captivates one's mind His big brother Baladeva invites everyone in to be charmed. Gaur Nitai exhibit mercy with Their captivating smiles. Why would anyone look elsewhere? May they along with His Divine Grace empower this fool with intelligence to preach to the corporates. All glories to Krsna's Holy Name. Nothing is more merciful or will there ever be. Hare Krsna!

March 19 Pune

Thank you dear Srila Prabhupada for the opportunity to preach to the corporate people. We would love to expand this type of preaching. How much we can do all depends on your mercy. All glories to your words which when repeated have the power to convince and transform persons towards Krsna. Hare Krsna!

March 20 Pune

Your transcendental gifts are numerous. The topmost and most outstanding, illustrious in itself is the mercy of Sri Krsna's Holy Names the Hare Krsna Mahamantra. It is protecting, sustaining, inspiring, purifying in all features of existence. It is

our life,soul, love, our everything.The greatest gift that has ever been bestowed on the world. March 25 Mumbai/Sri Sri Radha Gopinath Mandir

Health is wealth, we spend wealth to keep and regain health. Hope this meets you in the best of health, Your ever well-wisher, A.C.

Bhaktivedanta Swami. So many ideas, opinions, methods. Sri Krsna says "I am the healing herb". Everything depends on Him. Directly or indirectly. Praying to understand your plan. We only want to preach and teach and also dance and chant. Eating is mostly done to give support to all the above. What works is what You desire. Perhaps travel must completely stop, at least for an extended period. In any case we only want to do your will. All glories to pure devotional service. Live it-preach it-teach it. Jai Srimati Bhaktidevi. Hare Krsna!

March 26 Mumbai Sri Sri Radha Gopinath

Krsna purifies via suffering, another feature of His all good mercy. Let us accept it in that way. Health as Kali Yuga progresses or rather digresses and age increases, it's all downhill. We may stop rolling for a bit but the direction doesn't change. Make plans, depend on Krsna, not on the plans. What is the art of always depending on Krsna. Remembering Him with love and gratitude. Ekadasi vrata appearing on the horizon. O mind please obey and rejoice. Srila Prabhupada's smiling countenance confirms that reading Srimad Bhagavatam is very satisfying. Praying to become full aware of the need to read Srimad Bhagavatam and chant Hare Krsna. All glories to Namacarya Srila Haridas Thakur. Hare Krsna!

March 27 Mumbai/Sri Sri Radha Gopinath Mandir Ekadasi

Again a strong inspiration has come. His Grace Suresvara Prabhu presented one of the key lessons of the Founder Acarya seminar. We cannot imagine any topic more important as this: Keeping Srila Prabhupada in the center of everything. With many taking the position of Guru within ISKCON, followers tend to focus only on their Guru. We understand that we as Gurus in ISKCON are primarily transparent via media to His Divine Grace. That is our worth, our power, our success.

May we become empowered to speak more on Srila Prabhupada and his mission. Praying for guidance. Hare Krsna!

March 28 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Lord. The great devas pray that simply by remembering Your transcendental lotus feet one can cross over this great ocean of birth and death thereby achieving Your full mercy. This is validated by all great saints and sages who have achieved perfection in this way. They are so kind that they have left the boat for us to cross over. Your lotus feet are so attractive that we cannot imagine anything within in the three worlds to compare. May my mind continuously visualize those lotus feet and with great eagerness and love vibrate Your Holy Names. That is my aspiration and goal. All glories to my beloved spiritual master, His Divine Grace Srila Prabhupada he is the captain of our ship which is taking us across this fierce ocean of birth and death. We are sailing on the boat of your lotus feet by his merciful direction and always chanting.

A visit to the Wada farm, Govardhana Eco Village. The making of an ideal Krsna conscious community and retreat center along with expanding village preaching. HH Radhanath Maharaja writes in his book "The Journey Home" that when allowed to enter India he would do something for the benefit of the country. His words are law for he is reviving real Vedic culture and stemming the tide of Western materialism by bringing Sri Caitanya Mahaprabhu to all parts of the country. May he continue to expand Sri Gauranga Mahaprabhu's movement more and more and receive all the health and resources needed to do this highest welfare work in India and beyond Her borders. All glories to his pure service to Srila Prabhupada. We pray to be able to assist in some small way. Gaur Premanande! Govardhana Eco Village Ki-jai. Hare Krsna!

March 30 Mumbai/Sri Sri Radha Gopinath Mandir

Dear Srila Prabhupada-Please allow us to offer you all respects and obeisances. Your mercy is the walking stick in our effort to bring others to Lord Krsna's feet. Today by your mercy we were confronted with challenging philosophical ideas regarding the actual goal of spiritual life. By your mercy in the form of your vakya we were successful in representing you. Your eagerness to communicate pure devotional principles in opposition of all other philosophies was manifested in our presentation. It was you who helped us to remember what is the ultimate

principle in contrast to all lesser principles and goals. We are very fallen and honeycombed with false ego yet repeating your words qualifies us as your representative. Only because you are giving us all knowledge and pushing us to be your representative do we feel enthusiastic. Soon my stay in India will end. The main challenge we face with the Western mentality is the acceptance of material comforts as important. Essentially renouncing of anything material is foreign to the Western mindset. Praying to become a better instrument in your plans to spread Gauranga Mahaprabhu's merciful sankirtana yajna all over the world. Please correct my faults and guide us more and more in remembering Krsna's lotus feet along with the chanting of Hare Krsna. Thank you for hearing this prayer. Jai! Srila Prabhupada.

March 31 Mumbai/Sri Sri Radha Gopinath Mandir

Dearest Srila Prabhupada-The dust of your lotus feet is so spiritually valuable that even one particle can purify this entire planet. We feel very happy to offer our full dandavats face down in that dust. Always a rare blessing. Srila Prabhupada, a very special book appears every year. This is the offering of love and appreciation for you by many of your disciples, my God-brothers and God-sisters. We have been reading them each day for the last 8 months. We become astounded and overwhelmed to read these words of devotion permeated with dedication, love and appreciation. We are humbled by the power of their devotion and overjoyed to know of such amazing devotees, many of them we never met or even heard of. We want to take the dust of their feet in order to learn what is real devotion to you. We hope that by reading their love-laced words to you some of those qualities will rub off onto us. We are very fallen but we know that your coming into our life has brought us to Sri Krsna. We pray to satisfy you as one God-sister wrote, by trying to love Sri Krsna more and more. All glories to our God-family which is extending all over the world with disciples of your disciples. Praying to please you always. Hare Krsna!

April 1 Mumbai-Travel-London/Sundarananda's Home

Praying to be of some use in preaching Lord Caitanya's message. May the quality of humility be the object of cultivation, may the mood of determination be in line with those who are fully engaged in devotional service. May we develop true compassion for those who are in need of Lord Krsna's mercy. May Srila Prabhupada continue to shower his mercy by guiding us in devotional service. May Gaur Nitai inspire us in eagerness for kirtan and may Srimati Radharani allow us to offer Her our heart-felt prayers and full obeisances. Hare Krsna! Jai! Sri Radhe!

Life's final exam. It's about the culmination for all we lived for. Getting ready for the exam is life's mission. Live right in order to leave right, meaning no more to return. Everyone is attached to their body. We are meant for being attached and attracted to Sri Krsna. The door to real life. Detachment from all that is temporary is the key, opening the door is love for Sri Krsna. We have the key. The concern will be used properly. That is our prayer. Your good health won't exempt you from giving up the body. May we look towards Sri Krsna with devotion to Him as our only work, goal and happiness. They say 4 score and 10 and then the curtain begins it's closing. Time is closing its doors on the sentient world. Please always remember to remember to chant-

We're eager for kirtan. Two days on the computer and we are feeling it's awkwardness. No doubt it's devotional service but we flourish in variety. May the Holy Name continue to resound in all our activities. All glories to Sri Krsna's Name sung by those devotees who have developed a relish for chanting. Thank you Srila Prabhupada, as this is your greatest gift bestowed upon the world. Sri Krsna's Holy Name sung and chanted everywhere. What need is there for any other activity. Gaur Prema! Dear Srila Prabhupada. Obeisances at your precious lotus feet. Praying to become a more sincere and dedicated devotee. For years we have been endeavoring to come to steadiness in devotional service when focusing in transmitting your words into the lives of others. We realize it depends on how much we are accepting your words into our mind and heart. Lately we have been finding an added relish in hearing your lectures and conversations although done in the past this time we are more deeply understanding and appreciating what you are giving and have given. We could listen all day without tiring. This time we are experiencing a greater understanding of the depth of your devotion and knowledge. It is unfathomable like a great ocean, endless and deep as one could never exhaust what you gave even in a lifetime of Lord Brahma. We desire to go on relishing and learning more and more thereby preaching with renewed enthusiasm. All glories to you eternally, our good fortune in meeting your lotus feet is incalculable and incomparable. I only hope others will recognize and take advantage.

Pleasing you by their service and surrender. All glories to your Srimad Bhagavatam. The crown jewel (siromani) of all transcendental literature. Hare Krsna!

Dear Lord Krsna. All glories unto You. Your love for those who are fully devoted to Your service is without limitation. You are so nice, most unfortunate are those who don't know You, those who have heard about You and remain attracted to worldly pleasures are insane. Material things attracts those who are adverse to You and facilitates those who are attracted to You. Please increase my attraction for You and the chanting of Your Holy Names. Jai! Srila Prabhupada. Taking care of disciples at times is correcting naughty children. It appears to be impossible. Because it is a duty of the spiritual master it is an accepted with honor. How to deal in each situation requires a much time, energy and a lot of mercy coming from Srila Prabhupada and Lord Krsna. We pray to become better at giving Srila Prabhupada's mercy to his grandchildren. What can we do but pray and endeavor. One should be attached only to service and to Lord Krsna. The results are beyond our capacity. Tomorrow is Ramnavami. Praying to be able to speak intelligently with devotion. All glories to Lord Sri Ramacandra, the best husband ever. Jai Sri Ram! Dear Sita Ram, Lakshman, Hanuman. Obeisances with full devotional love at the dust of Your divine lotus feet. How can we express our great fortune in having the blessed opportunity to speak about Your glories replete with many spiritually edifying messages. Along with the blessing of our good fortune we have been greatly uplifted by such intimate contact with You. It is not written anywhere that the Supreme Lord has displayed such powerful activities in destroying irreligion and irreligious persons along with exhibiting the ideal character of righteousness in all

areas of life. Lord Sri Ramacandra is the Best of those who are best. We pray we can stay in contact with your lilas more now that life in this body is gradually but certainly reaching its climax. Please ride on the track of my mind and continue to display Dharma exemplar. Jai Sita, Ram, Lakshman, Hanuman! Jai Ramanavami! Jai Ayodhya Dham! Hare Krsna!

Rocky road, carrying a load. Travel was difficult, tired, no digestion. Struggling to chant, a day to recant. Begging for more mercy, Sri Krsna is taking care, yet we're not always fully aware. Back to Croatia a feeling of inertia. Tomorrow starts the preaching then we can lessen the beseeching and concentrate on reaching those who are eager to hear to learn. Srila Prabhupada said this world is liken to hard wood. Somehow try and carve out Lord Krsna. We are attached to chanting. Pray to increase and making material tendencies decrease. May Lord Nityananda bless this poor soul. All glories to His mercy. Hare Krsna!

Return to the village. Sri Sri Gaura Nitai's abode. We have acquired the preaching fever. Hope it stays alive. Some internal work is needed. Reading is at a low level. Feeling separation from the pages of Srimad Bhagavatam. The perfect Siddhanta . Early japa is the focus. Chanting with attachment for pleasing Lord Krsna. The mercy that is constantly available. Dear Srila Prabhupada keep me at the lotus feet of the field of enthusiastic preaching. All glories to Srimad Bhagavatam and Sri Krsna's Holy Names. Jay Sri Sri Radhe.... Syam!

It is said by one great American statesman "that the life of man is 3 score and 10-70 years. Kali Yuga has made that duration untenable. Many never make it that far. Time imperceptibly passes as one is always moving closer to the end of the present body. Yet human life is both very rare and very valuable. We understand rarity mostly by scriptural evidence and knowledge of the vast numbers of other species of life. Valuable, as it is, it's the means for accepting the boat that can cross over this samsara of material existence. How best to use our remaining

time and energy? We somehow settle upon the supreme spiritual edict-to somehow always “yena tene prakarena manah Krsne nivesayet”remember Sri Krsna. Always with fixed attention to Him begging for the desire to remember to remember His lotus feet and the instructions of our beloved and most powerfully pure spiritual master His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. Somehow preach Krsna consciousness as much as we can and effectively as possible given the situation. Praying to become a better instrument of loving devotional service that is inspiring to others. All glories to Srila Prabhupada. Hare Krsna!

April 18 Croatia/Karlovac New Santipur

The test of sincerity is remaining fixed in executing devotional service despite the changing moods of the ever-flickering mind. The mind's tendency when engaged in devotional service is to look for something different, something new or exciting. As long as we endeavor to remember Krsna's Holy Name, His lotus feet, we are peaceful in mind and steady in our execution of devotional service. May we become more and more attached to the shelter of Srila Prabhupada's lotus feet. This will reveal all the knowledge needed for all times and places. All glories to those great souls who have made the Holy Name their very life and soul. Hare Krsna!

This material world is designed to attract and capture the living entities with an endless variety of forms. The eyes-form, the nose-smell, the ear-sweet sound, the skin-touch. The tongue-varieties of tasty items. By holding tight to the mercy coming from Srila Prabhupada and always chanting Krsna's Holy Names, we are saved-freed. Lord Caitanya's movement is fully saturated with much nectarean sweetness emanating from a large variety of activities. Why even consider Maya's attraction. Mahaprabhu and Sri Nityananda have defeated Maya with the happiness of devotional service to Themselves. We pray to be here when the Temple of Vedic Planetarium makes it's advent. So glorious and spiritually powerful. The opportunity of a Millenium. All glories to Gaur Nitai. There is no one better. Gaur premanande Hari bol! Hare Krsna!

April 20 Croatia/Karlovac New Santipur

Began the editing of my daily diary from Sept 2000 to the end of 2002. These entries are about the state of spiritual affairs at Sri Sri Kisor Kisore Mandir, Chicago. It appears our prayers have brought about some success. As the temple is moving forward nicely, steadily. Leadership is the main element of growth which brings the needed inspiration.

Presently we are concerned with what will be the situation with Sri Sri Nitai Gauracandra here in New Santipur. Our full time cook and pujari His Grace Mayapur Candra Prabhu will depart soon. Presently there is no one available to replace him. In this dilemma to provide steady worship to Their Lordships, we pray with full heart-felt conviction. Dear Lord please reveal Your plan. We are eager for You to stay and receive the best possible worship and along with that kirtan and preaching must increase otherwise how else can we offer pleasing worship. You are here to inspire us in the Yuga dharma of chanting the Holy Names and hearing about Your amazing pastimes of devotion. Dear Sri Sri Nitai Gauracandra please guide us on how best to serve and please You. All glories to Srila Prabhupada as my God-brother Gauri das Pandit wrote in his Vyasa Puja offering, “Those persons who have you as their Guru are the most fortunate persons in creation.” We want to realize this more each day. Thank you, Srila Prabhupada, we only want to please you by our service. Hare Krsna!

April 21 Croatia/Karlovac New Santipur-Abhiram Thakur’s Disapp.

Many of Sri Caitanya Mahaprabhu’s devotees and associates possessed great spiritual power. One such devotee of Lord Nityananda is Abhiram Thakur. He easily lifted a tree that would require a 100 men to lift and held it like a flute. If you were fortunate to be hit with his whip, Jaya Mangala, Krsna prema was yours. Lord Krsna’s friend Sridama is Abhiram’s identity. May he bless us with a drop of loving devotion to Sri Nityananda Rama. Sri Sri Nitai Gauracandra are sweetly beautiful. Their beauty was commented on by my God-brother Arcita Prabhu. Thank you for this most important reminder. Srila Prabhupada we are begging for your kind glance, as we are unable to continue without it. Jai! Srila Prabhupada. Gaur Premanande Hari Hari Bol! Hare Krsna!

April 22 Croatia/Karlovac New Santipur

The Holy Name solves problems, answers all questions, makes life joyous. How could one live without Krsna’s Holy Name. That answers the question. Without Krsna’s Name there’s no life, flapping at best. Let’s decrease the flappers and make them happy clappers. Preaching and preparing for it, that is our life’s main activity. Today we strongly felt we could just keep a few needed possessions and just travel and preach. No big bag to carry around. I thought about this many times in the past. Pleasing Srila Prabhupada is the perfection of life. All glories to his lotus feet which are most rare and supremely safe from all attacks of Maya. Hare Krsna!

April 23 Croatia/Karlovac New Santipur

Take full shelter of Srila Haridas Thakur and he will teach you chanting Hare Krsna and more. What is that more that's in store, as the process of chanting leads to the eternal shore, inspiring you to want to explore, the realm that leads to Radha Krsna's door. Sri Vrndaban Dham the pinnacle of love. Once you're there you fly like a beautiful dove. Thinking always how to give to the divine couple far above. Everyone flies on Krsna's Name, as that's the only game and lasting fame. Srila Prabhupada is already there, waiting for you with a comfortable chair, so you can take darshan of the Divine pair, free from all materialistic fanfare. All glories to Krsna's Holy Name, the Mahamantra is none other than Radha Krsna-the same. Gaur Premanande! Jai Sri Krsna Caitanya Mahaprabhu. Hare Krsna!

April 24 Croatia/Karlovac New Santipur

We are extremely grateful and sufficiently blessed to have had the opportunity to preach to 6 very receptive inmates at the jail in Glina. They took the books we offered along with mantra cards. May the seed of bhakti grow and flower into a beautiful plant. Without Your mercy, Dear Krsna, all else is useless. Jai! Srila Prabhupada. Hare Krsna!

April 25 Croatia/Karlovac New Santipur Ekadasi

40 rounds, starting slow, it took considerable time to get the mercy of the flow. Mind likes to think of many thoughts, ideas, plans. The scriptures and acaryas caution us on the nature of the mind, restlessness is its main characteristic. We are making plans. The best plan is to plan to always chant Krsna's Holy Names! Always! That is most beneficial then add preaching as our offering to Sri Caitanya's mission and for the pleasure of Srila Prabhupada. Tomorrow, kirtan 3 hours at Zagreb temple. May Gaura Nitai inspire me with the mood of dancing for Their pleasure. Hare Krsna!

April 26 Croatia/Karlovac New Santipur

Love seeks to please. That is its main quality. Love is never selfish although one may appear to act with self interest it is done as a way of accepting love or inspiring love to awaken. Krsna loves Radharani the most and when Krsna hears Her name chanted or glorified He is most pleased. Similarly Radharani finds her love awakened or increased when Krsna is glorified. The chanter glorifies that Person who is directing his glorification to the one that they love. That is a sweet feature of chanting the Mahamantra. May we chant to please Radha and Krsna. Jai! Sri Sri Kisor Kisor. She Who is best is mentioned last. Dear Lord Krsna please teach and guide us how we can love you more. We are lame, always lost.

All glories to Srimati Radharani's love for you. All glories to your love for Srila Prabhupada. Jai! Nitai Gauracandra. Hare Krsna!

April 27 Croatia/Karlovac New Santipur

By Sri Sri Nitai Gauracandra's kind mercy we are very happy because They have accepted our worship in the form of Their abhishek. We sincerely pray they are pleased. We pray for Them to inspire devotees to come together and chant and dance for Their pleasure. All glories to His Divine Grace A.C. Bhaktivedanta Swami Founder Acarya of the International Society for Krsna consciousness! His lotus feet has caused Mother earth to feel greatly happy. Sadly she regrets his departure. Hare Krsna!

April 28 Croatia/Karlovac New Santipur

Most dear Srila Prabhupada. Full dandavat at your lotus feet. My mind and heart is attracted to you and to the service you so liberally gave. We seek your blessings, desiring to always be mindful of your guidance and instructions on how to best use every waking moment in devotional service. We want to please you. Please guide us of how best to serve especially when interacting with and working together with devotees and with the general populace. Thank you for hearing our prayer. Hare Krsna!

April 29 Croatia/Karlovac New Santipur

When our desires are fulfilled in the execution of devotional service we remember you, dear Lord and chant Your Holy Name. When reverses occur we remember you, dear Lord and chant Your Holy Name. "Akama sarva kamo va moksa kama udara dhih". In any and all cases, situations, gain, loss, happiness, distress and everything in between Your Holy Name is everything and all that we aspire for. The rest is extra.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/
Hare Rama Hare Rama Rama Rama Hare Hare.

Thank you immensely Srila Prabhupada. The greatest gift, -Krsna's Holy Name along with the association of great souls. Hare Krsna!

April 30 Croatia/Karlovac New Santipur

Behind in letters, e-mails, reading, rest, diet, services, only thing, only great thing "asti hy eko maha gunah kirtanad eva krsnasya". That is my life and my strength. Dear Lord without Your Holy Name and the association of Your devotees we are completely, absolutely lost in the vicious whirlpool of material complexities. We are grateful beyond

definition. Dandavats at the lotus feet of Your Holy Name. Jai! Srila Prabhupada. Hare Krsna!

May 1 Croatia/Karlovac New Santipur

In reading and editing my diary from the years 2001-02 we noticed we are still today struggling with the same challenge. Time for reading, balancing travel with all other services. Although now everything is much more manageable probably because we stay longer when visiting and are more adept in the technique of using time. Still reading and studying dwindles down to almost nil at times. Yes it's the Holy Name and its mercy that is my lifeline, my everything and Srila Prabhupada's causless mercy. Tomorrow we begin a one month travel and preaching excursion. The test of tolerance yet the test is mostly to always remember Krsna's Name, His lotus feet. All glories to Srila Prabhupada on whose dependence we become empowered to speak. Hare Krsna!

May 2 Croatia/Karlovac New Santipur-England/Manchester

I am a servant and we are trying to serve. Your mercy Dear Lord is the success in all endeavors. We must please You and along with many small concerns we accept chanting the Holy Name as the way to please You. Your Holy Name is the essence of everything desirable and the goal of all sacrifice. The feature of true knowledge and the only shelter. Please give the tolerance we need in order to serve the devotees nicely. Persons are considered great by how much they are able to tolerate in provoking situations. All glories to Srila Prabhupada he tolerated so much in order to spread Krsna consciousness, especially the neophyte nature of his fledgling siksas. Hare Krsna!

May 3 England/Manchester Retreat

Feels good to return to the fire of preaching. Here particularly requires serious focus with sensitivity to the audience. We got a mix, regular devotees, Indian congregation and some very newcomers. Looking to take it to the next level. There is a need for change in their way of understanding along with a need to increase devotional service. That is wanted. Praying to become a better instrument for Your mercy. We are able to see You through absorption in devotional service. That is the only way. All glories to Srila Prabhupada. Hare Krsna!

May 4 England/Manchester Retreat

Enthusiasm not always easy to acquire, a prerequisite prior, for make the process a live wire, then one will never tire, able to go higher, leaving behind the world of mire, we desire for seeking out those scriptures which are never a liar. Very pleasing to be with devotees who have developed a

taste for hearing and chanting Krsna's Holy Name. All glories to the devotees. Srila Prabhupada is pleased. Hare Krsna!

May 5 England/Manchester Retreat-London/Bharat's Home

We are happy and have been uplifted to have been a part of the retreat. The devotees are nice, they appreciate the philosophy and mostly everyone is very eager for kirtan. For the next few days we will prepare for the upcoming weekend and write letters to the inmates. Trying to discover the balance between sadhana and service. Srila Prabhupada's mercy makes the difference. Hare Krsna!

May 6 London/Bharat's Home

A day of physical, spiritual rejuvenation. A necessary part of a traveling preacher's life. Srila Prabhupada was able to do something one would undoubtedly call a miracle. To steadily travel and preach day after day, year after year. He managed his health but only after the 3rd heart attack in 1967. We are feeling the pains of traveling at the age of 66+. Lord Krsna is giving much mercy assisting us in service. It is really overwhelming how He is assisting us in our service. One can never fully calculate. We pray to become a better instrument for His mercy. May Srila Prabhupada guide us when giving tomorrow's class. Dear Srila Prabhupada we have fully realized it is your mercy that is inspiring our efforts in giving class. Please continue to inspire us in that way, especially tomorrow. Hare Krsna!

May 7 London/Bharat's Home

Hey Gauranga! Hey Nitai! Please give me shelter at your sweet lotus feet. Maya tries to attract my attention but I'm not attracted to illusion for Your attractive mercy is greater, sweeter and it's reality. Maya is out, she left with a parting cloud, trying to keep the body from going out, we can only shout Hare Krsna that is the only route. Srila Prabhupada is our captain expert in sailing us easily across Maya's ocean. Provided we follow him. That is our desired goal which leads to one's final role of servant of the servant of the servant-eternally. Thanking all those who helped along the way. Gaur Premanande. Hare Krsna!

May 8 London/Bharat's Home

Dear Krsna help me to remember You more. Who knows You? That is described by You "mam tu veda na kascana". No one actually knows You. That we can say is an eternal truth. But we can love You and everything about You which is natural. Service to You is simply wonderful. Srila Prabhupada made the phrase popular. "Simply wonderful"-that is You. That is Krsna consciousness. Sri Kalacandra

Krsna a beautiful blackish moon. All glories to your lotus feet, we never want to leave. Jai! Sri Sri Gandhavika Giridhari. Hare Krsna!

May 9 London-Croatia/Zagreb- Disciples Meeting

Dear Srila Prabhupada, all glories to your compassion upon the fallen souls in Kali Yuga of which we are topping the list. Beseeching your mercy to inspire direction and knowledge in how best to present 3 classes on "Spiritual growth, physical care and outreach. Please bless me with what is needed. We throw ourselves at your lotus feet eager for the necessary guidance. All glories unto you for we are lost in the whirlpool of material life and cannot get out. Throw us the rope of your mercy. Gaur Premanande! Hari Hari bol. Hare Krsna!

May 10 Croatia/Zagreb- Disciples Meeting Ekadasi

Wonderful programs. All due to the mercy of Sri Sri Gaur Nitai coming through His Divine Grace. Everyone is enlivened by the kirtans of Krsna's Holy Name. Srimati Radharani's maha krpa smiling on our effort. Jai Sri Sri Radha Kunjavihari. Hare Krsna!

May 11 Croatia/Zagreb- Disciples Meeting

With utter humility we ask forgiveness if we committed any offenses this evening. Thank you, Srila Prabhupada. The opportunity to preach is your special mercy. Praying we will please you. Hare Krsna!

May 12 Croatia/Zagreb- Karlovac-Slovenia/Ljubljana

Srimad Jayananda Prabhu Ki-jay. All glories to his amazing service and his pure mood of devotion. May we find time to read. All glories to Srila Prabhupada. Hare Krsna! Jai Nrshingadeva!

May 13 Slovenia/Ljubljana Nrshingha Caturdasi

Lord Nrshinghadeva, very very kind, very very merciful. His pastime of killing the powerful demon Hiranyakasipu causes great joy in the hearts and minds of His unalloyed devotees. We learn from His lila about the intimacy of love between the Lord and His pure devotee. How the Supreme Lord acts to protect His devotee. We want to be like Prahlad Maharaj completely fearless and equipped with pure devotion unto His lotus feet. All glories to Srila Prabhupada for he has given us the knowledge and shelter of Lord Nrshinghadeva. Hare Krsna!

May 14 Slovenia/Ljubljana

Tonight we were able to read Srimad Bhagavatam for a considerable length of time. It was like meeting an old friend once again. Devaki and Vasudeva experienced the appearance of the Supreme Lord Visnu in the

confines of their prison cell. Lord Krsna responds by narrating His appearances of having them for the third time as His parents. Vatsalya rasa overshadows the fact that Lord Krsna appeared as their son causing them to fear for His safety while simultaneously knowing He is the Supreme Lord. When the Supreme Lord appears His energies also appears with Him to carry out His will. Everything is orchestrated to fulfill His desires. That's the message, to align ourselves with His will thereby being carried into the perfect plan of the Lord. Please Srila Prabhupada continue to move us according to that perfect plan. Your guidance is our success. Hare Krsna!

May 15 Slovenia/Ljubljana

Please allow it to continue and to improve-early japa. The big key to spiritual development and service efficiency. Everything, yes, everything, say it again, everything, is perfectly described as Krsna's Holy Name. The greatest gift by the greatest person of the 20th century. Jai Srila Prabhupada. Gaura Premanande. Hari Hari bol. Hare Krsna!

May 16 Slovenia/Ljubljana-Hungary-New Vraja Dham

My body is gradually progressing towards its end. My devotion is like a seed that hasn't sprouted. My mind makes a wild horse look like a pet pony. My intelligence is always scheming to present myself as a devotee while contemplating how to gain in every situation. O Lord Nityananda Your reputation of being the epitome of mercy and tolerance surpasses all those who have all these qualities combined. It is my ardent prayer to find complete shelter in thoughts of You and to remember Your great qualities and mercy upon me and upon all others. We are suffering due to a lack of real devotion. Devotional service in Kali Yuga is continuously blocked by numerous obstacles equipped with mass weapons of distraction. Once there was hope but now hardly any. Please send Your devotees as their association is my only hope of spiritual progress. Perhaps we will get that needed mercy this weekend. All glories to Srila Prabhupada. Please bless me with your special mercy. We are truly needy. Hare Krsna!

May 17 Hungary/New Vraja Dham

When there is offenseless chanting of the Holy Name then Sri Krsna Caitanya Mahaprabhu is personally present. May we fully, with great eagerness take shelter of His sweet lotus feet and chant and dance our way back to Goloka. Srila Prabhupada will greet each of us as we arrive at Sri Krsna's abode. His mercy gave the process along with the mercy of achieving perfection."Golokera dhana harinam sankirtana." Hare

Krsna!

May 18 Hungary/New Vraja Dham

Madhava Prabhu preformed kirtan for 5 continuous hours. Same melody-amazing. The kirtan ended at 12.30 AM. More than a 100 devotees were there to the end. Srila Prabhupada thank you for the instructions we should naturally be aware of. We surrender our body in your service. It is my duty to keep it fit for your service. Hare Krsna!

May 19 Hungary/New Vraja Dham

Returning to “normal.” The daily routine resumes. Krsna consciousness is always fresh as it is coming from Krsna, for Krsna. Theocentric not egocentric. What do we require-service! Maintaining the body comes easily when one is fully absorbed in service. Lord Krsna provides, always. With another week being here we want to focus on some literally projects mostly on the forthcoming inmate book. There’s always been a little less attentiveness to planning and scheduling. That is natural. Travel reigns supreme and is usually all time consuming along with arranging. Prayer is our only hope of success in our attempts to serve and surrender. Dear Srila Prabhupada your mercy is Sri Krsna’s mercy. That is our sustenance. To access that is our greatest gain. Thank you. Hare Krsna!

May 20 Hungary/New Vraja Dham

The Deity form of the Lord is the most suitable and the most accessible worship for the conditioned soul. The eye of Bhakti reveals the Lord to the devotees worshippers. Those bereft of Bhakti cannot see or even understand. The Name is the Lord’s form in transcendental sound. The name Krsna automatically reveals the form Krsna. Through Srila Prabhupada’s kind mercy we can chant.

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare.

Gaur premanande!

May 21 Hungary/New Vraja Dham

Lift me up as we’re begining to sink, into a deep dark drink, starting to stink, due to being without the spiritual link. Krsna Help! Keep us always in remembrance of Your lotus feet and serving Your lotus like devotees. Jai Srila Prabhupada. Hare Krsna!

May 22 Hungary/New Vraja Dham

Sri Sri Radha Syamasundara are New Vraja Dham. As the Holy Dham is an expansion of Krsna, the Holy places personified are features of His transcendental qualities by which Radharani delights. Her love expands

the bliss of Sri Vrndaban and Sri Krsna delights when Radharani is present. All glories to the spiritually magnanimous divine couple. May remembering Them grace the pathways of my mind. May we serve Srila Prabhupada as he leads us towards Their lotus feet. Hare Krsna!

May 23 Hungary/New Vraja Dham

As today was an opportunity for preaching, even mindedness waxes. A welcomed rendezvous. Krsna's Holy name is again resonating. It's all mercy-the cause-serving the Lord and His devotees. May we never forget our eternal position. Pride and illusion run far away as service becomes our only focus. Yet we must be wary as the mind is never ever to be trusted. Filled with plans of deception it is always trying to assert its dominance. Dear Srila Prabhupada your instructions guide us through the flood waters of the shifting mental currents carrying away the boat of our devotional service and concentration on Krsna's Holy Name. Your presence in our life is our constant reminder of the direction to be accepted. O' mind surrender your waywardness at the lotus feet of His Divine Grace and be renewed, fully purified. Jai! Srila Prabhupada. Hare Krsna!

May 24 Hungary/New Vraja Dham

We took to some serious reading of the Garuda Purana. Spoken by Lord Visnu to Lord Brahma and Lord Siva. This Garuda Purana is meant for those in the mode of goodness. It ranks just below the Padma Purana in philosophical knowledge. Because we do not always behave according to proper etiquette applied in such circumstances we may unknowingly diminish the effects of the execution of devotional service. As pure devotional service is always free from the modes it is not in the least affected by the activities of the modes. In the case of the mode of goodness it is to be cultivated as a bridge reaching to pure goodness. Activities in the moods of passion and ignorance are to be strictly avoided. One acting on the transcendental platform is never affected by the modes. All activities reach perfection through careful and steady cultivation along with proper Vaisnava behavior and correct application of spiritual principles. One who is wise learns from all situations and exchanges with others. Praying to become steady in the execution of devotional service. All glories to Srila Prabhupada. The supreme master of the art of pure bhakti. Hare Krsna!

May 25 Hungary/New Vraja Dham

Puspavana- a place of Radha and Krsna's flower picking lilas. We tried to speak and there were a few guests in the audience. Devotees were eager to hear. We needed to clarify the process for understanding. So

sweet, we could not, and so hot that we were on the spot. We prayed the Lord understood our dilemma and forgave our impudence. Recently we received a decal of the hair combing lila (Kusum Sarovara). Now we are reading and speaking about it. We want to hear it again and again although we lack the adhikara. Radha Krsna lilas so wonderfully sweet and filled with heart enchanting transcendental mellows of love and deep philosophical truths. That realm beyond all existing realms. So far beyond our understanding yet irresistible to the mind and heart. All this by the mercy of Sri Govardhan Lal. He is full of transcendental tricks. Please keep us fixed on Your transcendental form. May Srila Prabhupada guide us accordingly. Jai Jai Sri Radhe Syam! Gaur Prem!

May 26 Hungary/New Vraja Dham

His Grace Brahmananda Prabhu has quoted Srila Prabhupada who said that the most important verse in the Bhagavad Gita is 4.9. "One who knows the transcendental nature of My appearance and activities returns to My abode after death." The Bhagavatam mentions Lord Krsna's disappearance. Was He killed? Not possible. But those who doubt Lord Krsna transcendental nature they think He is like us and so Sri Krsna keeps them faithless. He fulfills your desires. He is the Supreme magician and He makes things appear different than they actually are. Bhakti is the only road to knowledge and that knowledge reveals all B.G.5.17. The Krsna sun lights up everything. It has become obvious the material body is deteriorating. Praying to use the remaining time in this body in the best possible way. Please Lord Shyamasundara open up the door to Your pastimes the door to eternal life, eternal love. All glories to that person who has saved the world-Srila Prabhupada Ki-jay. Hare Krsna!

May 27 Hungary New Vraja Dham Croatia-New Santipur

The more we realize and act on the platform of helplessness then we are able to receive the Lord's help. We want to serve yet we are so unqualified and incapable of rendering any significant service. We can try but it won't fly unless we hold our arms up high letting out a cry, "Krsna! I'm yours". "Mukam karoti vacalam panghum langhayate girim yat krpa tamaham vande sri gurun dina tarinam". Prabhupada's krpa is Krsna's krpa. Please engage me in service as you wish. Hare Krsna!

May 28 Croatia-New Santipur-Slovenia/Ljubljana

Our desire to hear and also chant Sri Krsna's pastimes is increasing like a tsunami wave. Unlimited nectar. Lord Krsna is mostly known as all-attractive. His pastimes and His beauty are foremost. May Gauranga Mahaprabhu bless us with an ever-increasing attraction for Lord Krsna's

lila. All glories to the best of all actors whose stage shows are the only reality. Thank you, Srila Prabhupada for an ocean of loving, attracting, devotion that has sprung from your heart as an avalanche upon our mountain-like dull minds. Sri Krsna's pastimes Ki-jay. Hare Krsna!

May 29 Slovenia/Ljubljana

Dear Srila Prabhupada. Hundreds of obeisances on the dust of your lotus feet. We are cursed by a mind that sees reality within the limits of its own perception. Yet we know what we experience in relation to what actually is is so insignificant it is unnoticeable. Praying to become a real devotee of your lotus feet receiving your mercy as the Adhikari to understand more of the Lord and His divine lilas. As Lord Krsna boldly killed the cruel demon Kamsa may all my illusions be destroyed and constant remembrance, with love, emerge as the triumphant flag-Jaya Pataka, Jai! Sri Krsna Jai! Sri Baladeva. Glories to Your killing the demon Kamsa and all his cohorts. You who are always victorious over the elements of evil. Please free me from the evil that attacks my mind and thereby make me Your true devotee. Jai! Kamsari Krsna. Hare Krsna!

May 30 Slovenia/Ljubljana Kirtan Festival

Dear Srila Prabhupada. The mind is very restless and attracted to sense objects. We are powerless in trying to keep it fixed on Sri Krsna. Please give the needed determination and intelligence to make Lord Krsna's Holy Name and His lotus feet the object of our meditation. We are growing old and the symptoms are starting to arise and we lack the strength to do the needful. Your mercy is our only hope of success. Praying for a drop or two. Hare Krsna!

May 31 Slovenia/Ljubljana Kirtan Festival

Sri Harinam Sankirtan Ki-jai! Let it spread more and more and more and very soon engulf the entire world! Sri Krsna's Holy Name has descended as the Religion of the Age. It is complete, perfect and always fresh. May we please Srila Prabhupada with our performance of Harinam Sankirtan. All glories to those devotees who have made chanting Hare Krsna their life and very means of existence. Gaur premanande! Hari Hari bol! Hare Krsna!

June 1 Slovenia/Ljubljana Kirtan Festival

Gaur Prem with it you'll never be the same, the change comes through the Name, it beats all kinds of fame, causing everything to appear lame, so don't be ashamed, just always chant Sri Krsna's Name. Thank you Srila Prabhupada. We can never ever begin to repay your gift of Sri Krsna's mercy. Yet we must make the effort as a token of our eternal

gratitude. All glories to Sri Krsna Sankirtan. Hare Krsna!

June 2 Slovenia/Ljubljana Kirtan Festival

Time moves along gathering everyone and everything in its path, pushing towards dissolution. The body will soon be finished. We don't at all see any sign of improvement. Stuck in the whirlpool of spiritual inertia we are losing hope of ever making it to pure devotional service. We are finished with everything in this world with all its Mayic distractions. Yet we continue to be pushed back into the fantasy of ephemeral happiness by courting the false notion of being advanced and therefore carefree with words and ways. Not realizing the value of each moment we pretend to practice the real path of bhakti which deludes us into thinking the future it will be better. Trust no future however planned. Dear Lord Your Holy Name is my only hope and only shelter. The mercy of the devotees is our impetus for chanting. How can we find the path of undivided devotion? Is it available to a proud fool? Our hope for improvement are gradually fading with the deterioration of the body. We sincerely and desperately seek the shelter of You, Your Name, and the path of pure devotion. Please kick away the dog of Maya with the stick of your strong mercy. On our own we are bound to fail. Jai! Srila Prabhupada. Hare Krsna!

June 3 Slovenia/Ljubljana-Croatia-Karlovac-New Santipur

Bhakti the pure essence of the soul's existence. The various acaryas of the Brahma Madhva Gaudiya Sampradaya sometimes are seen to place specific emphasis on different practices within the expansive science of Bhakti. Yet the pure chanting of Krsna's Holy Name is agreed upon by all as the means and the end for attaining pure devotional service. Other activities within Bhakti are necessary enhancements and indispensable supports of Suddha Nam. For certain practitioners these corollary activities such as knowledge and the application of scriptural evidence, accepting vows, offering meaningful prayers of supplication and devotion, worshipping Krsna's form as the manifest entity-puja. Hearing and speaking about Krsna's qualities and activities are equally relishable functions within the practice of bhakti that give rise to Suddha Nam and individual realization of one's position in relation to Krsna. Yet Sri Nam reigns supreme as the essence and culmination of pure bhakti. All glories to those who teach and perfectly practice this pure chanting of Krsna's Holy Name. Lord Nityananda the marketeer of Lord Krsna's Name worldwide is making His voice heard via A.C. Bhaktivedanta Swami Prabhupada the functional representative of Nam Guru. All glories to Srila Prabhupada and all glories to Srila Haridas Thakur the Supreme Deity of Nam bhajan and Nam pracar. Hare Krsna!

June 4 Croatia/Karlovac-New Santipur

What foolishness it is to live with the thought that “one day things will get better, easier.” We can state with assuredly that when the day comes when we return to Sri Krsna in the spiritual world then this hope will undoubtedly manifest into reality. This world as long as we are surrounded by a material body and all the afflictions comes with 3 klesas forcing a determined effort to maintain and increase our devotional life. The pain of dry mechanical service is most unbearable pain. Although appearing to be genuine it lulls one into a false complacency of success. Praying to pray to have a drop of devotion that the genuine devotees of the Lord always feel. Presently we’re burning in the fire of our own ignorance and thinking, “I am fine!” What hypocrisy. May Sri Sri Krsna Balarama destroy the Kamsa mentality that pervades. May Srila Prabhupada lift us up and give us full shelter at his lotus feet. I can only pray. Hare Krsna!

June 5 Croatia/Karlovac-New Santipur

Time-Imperceptible, Inexhaustible, Insurmountable, Indefeatable, Interminable, Indomitable, Irretrievable, Precious, All-Powerful, Lord Krsna Himself. How valuable is this human life? It provides a rare facility to achieve complete perfection. Don’t waste a moment with activities that are not directly or indirectly in pursuance of life’s real goal. No one wants it to end yet everyone knows it will. Life in the present body is so dear to the conditioned soul that he will risk everything to preserve and sustain it. For those who wait time is slow, for those who worry time is painful, for those who rejoice time is rapid, for those who love time is eternal. Love of Sri Krsna is the reason for every moment of time. Live in the moment, live in thought of Him, live eternally in pure bliss. Thank you Srila Prabhupada what you gave and are continually giving has no price. It is a gem of priceless value. We are eternally grateful. Hare Krsna!

June 6 Croatia/Karlovac-New Santipur

The process of learning means or rather leads to the process of change. Change is accepted to bring one forward towards the goal of life-loving Krsna! Detachment from all that is contrary to spiritual progress is real renunciation. Chanting the Holy Name is the process that includes everything required. Association with devotees inspires the determination to chant purely. Attachment to Srila Prabhupada’s instructions comprises the entire needed process of bhakti. His guidance and instructions is our only means of success. Hare Krsna!

June 7 Croatia/Karlovac-New Santipur

Srila Prabhupada: Do what I am doing. Try to spread the glories of Sri

Vrindaban Dham in the shape of this Harinam Sankirtan mission of Gauranga Mahaprabhu. His mercy is gigantic, colossal, stupendous, unmatched and so easily available. May Gaur Nitai give the merciful empowerment in order to become a more effective and greater instrument for Their mercy. And may They purify the movement so collectively we will become a powerful spiritual force for the entire world. All glories to Lord Jagannath, Lord Balarama, Subhadra devi. All glories to Sri Sri Gaur Nitai. Jai Srila Prabhupada. Hare Krsna!

June 8 Croatia/Karlovac-New Santipur

Truly it was a great occasion, the opportunity to glorify one of His Divine Grace's very dear and spiritually elevated son. His Divine Grace Srila Bhaktitirtha Swami Maharaj. In this event there were many wonderful moments. For me was to once again hear you speak on how to 'Die Before Dying.' Having been personally present at the time of your deliverance of the talk we now experienced much more by hearing it again. The art of dying depends on the art of living. Life's final exam. We pray we are equipped to pass the test. It is Srila Prabhupada's mercy that is the cause of success. We need to learn perfectly the art of retrieving that mercy, full, perfectly. Maharaj, as a God-brother who benefitted greatly by your personal presence I want to say I hope we can again be together. With love and gratitude. Hare Krsna!

June 9 Croatia/Karlovac-New Santipur Nirjala Ekadasi

With 6 ½ hours left of Nirjala Ekadasi we are feeling grateful having accepted the austerity. We, an ordinary jiva, is unable to accept or perform this austerity. It is only by the mercy of the Supreme Lord are we even desirous to accept this vrata. My chanting of 51 rounds started off very inattentive due to tiredness. Praying at the feet of Srila Haridas Thakur to extend his chanting mercy to this most fallen soul. This is our humble prayer. Hare Krsna!

June 10 Croatia/Karlovac-New Santipur

The expressions of love are as unlimited as love itself. The expressions are the element that embodies the emotion called love. Without love, there is no life. We recall a popular song in the 1960's that went, "I don't care what they say, I won't stay in a world without love." Material world means lust but there is something that resembles love that is found only when there is no desire for personal gain either subtle or gross. God is love, God is Krsna, Krsna is love. The science of everything, love being the perfect expression of the Godhead's mercy. Factually God's is only love although He expresses His love through different means. Sri Krsna is all-attractive, loving Him means simply hearing about Him with the desire

to serve Him. Love is service and as Srila Prabhupada said, “To love means to cooperate.” Praying to direct whatever love we have in our heart to Him and to all other living beings through service. Life means to give and receive love, for those who love, life is eternal. Hare Krsna!

June 11 Croatia/Karlovac-New Santipur-London/Krsna Kirtan's Home

Only by the mercy of the Supreme Lord are we able to continue to travel. Mostly it is unsettling and only little service is performed. We want to be more efficient in my execution of our service yet beyond that we strongly desire to always remember the lotus feet of the Lord and His Holy Name. We hope our time spent with Marko, the gentleman we spoke with on the airplane, was beneficial with moving his faith towards Sri Krsna. Praying he becomes Krsna conscious. Srila Prabhupada's mercy no doubt. Hare Krsna!

June 12 London/Krsna Kirtan's Home

Early japa-how early? Our goal is to complete 16 good rounds before breakfast. Continuous chanting is the result of chanting early rounds as it sets the foundation. Prayer is an expression of sincerity. Mercy is that which descends completing the effort. All glories to Srila Prabhupada's mercy on the suffering souls of Martya loka. May they recognize their own good fortune. Hare Krsna!

June 13 London/Krsna Kirtan's Home

Yes, Sri Krsna's Holy Names. Chant them with all your energy and all the time. The benefits are far beyond compare. It is the best of the best. Even if you're unqualified you'll become happy in time, an elevating chime, free from the lime. It's prime, you'll dance on a dime, it makes everything else look like mime. All glories to Krsna's Holy Name. All glories to the carrier of the mercy of the Holy Name to the West, Srila Prabhupada the best. Hare Krsna!

All glories to the Lord of the Universe, Lord Jagannatha deva. His merciful appearance to the Londonites produces great happiness and purification for all. May that same Lord place His merciful glance on this fellow and free him from any tendency for material enjoyment. Lord Jagannath is an unlimited ocean of mercy and the most lovable person in existence. By His mercy so many wonderful devotees came together to serve and associate. He who is Gaura, He who is Krsna is He who is Jagannath. Thank you Srila Prabhupada. Hare Krsna!

The need to read, must be brought up to speed, the Holy Creed is the best way to perform a deed, and to be freed, from mental impede. Sri Krsna's given you the lead through His pure devotee indeed. He never makes a blunder that will cause you wonder or wander in the material thunder or to be thrown asunder forever to blunder and be a victim of Maya's plunder. Take shelter of Bhagavatam and make progress towards the Holy Dham. Thank you Srila Prabhupada for leaving us much powerful transcendental knowledge it is the highest degree the topmost university. Talks of Sri Krsna's pastimes that are part of our Srimad Bhagavatam classes awaken a strong attraction to want to explore the nectar more. O when will that day be mine, offenses ceasing, the taste for Krsna's lila only increasing. May that day come soon by Your mercy, dear Krsna. Without it life is virtually an empty shell decorated nicely outside but longing to be filled within. Thank you Srila Prabhupada for the numerous gifts of Krsna consciousness especially the Lord's transcendental pastimes and His Holy Name. Gaur Premanande! Hari Hari bol. Hare Krsna!

June 18 London-Travel-Chicago/Nitai Nataraj's Home

The elasticity of life's adaptability in the ever changing situations is made possible by the mercy of the Lord as it is with all things desirable and necessary for a traveling monk. Yet from an opposite perspective this stretching and returning to "normality" becomes more difficult as years are being added to the deteriorating material body. Fortunately we were granted the desires of our previous requests entered as the last two days of this diary. Reading! I have sufficient time to read, which we know is most necessary. Tomorrow, class at the temple. May Srila Prabhupada be glorified. Hare Krsna!

Jai! Sri Sri Kisore Kisor. All glories to Their sweet lotus feet. Kisore steals the show, Srimati Radharani is very lady-like, a dutiful, loving consort. She is very sweet. Kisore is more sweeter. Their sweetness attracts the mind of this foolish person. Thank you for your sweet darshan. Today while gazing at your lotus feet we felt absorbed in your sweet presence. Tomorrow on to Pittsburgh. We must become a little better organized. That is very much needed. Early japa is the foundation which facilitates good organization. Your causeless mercy Srila Prabhupada is lifting up the Chicago devotees. May it uplift me while we're here and beyond. Hare Krsna!

June 20 Chicago-Pittsburgh/Vanamali Gopal's Home

While on the move, gotten stay in the groove, not easy but is when remembrance of Krsna is constant and with love, then life fits like a glove, being guided from above. Maya still there to shove us back to the land without love. Srila Prabhupada if we ever was able to receive your merciful favor please bestow it. The next couple of days will be a test of our sincerity of service. Bilvamangal Thakur prays my dear Lord Krsna with Your mercy what is the use of others and without Your mercy what is the use of others. All praise to the cataka birds' quality of fixation on a goal. Hare Krsna!

June 21 Pittsburgh-New Vrndavan-Pittsburgh

Went to jail to visit Tirtha Prabhu, probably one of the most memorable exchanges. A special soul. Who else could be so fixed in the practice of Krsna consciousness after undergoing so many difficult trials and even be rejected by many. We offer our humble obeisances at his feet. We hope we can continue to be of some service. May His Divine Grace be inclined to show him more mercy. Hare Krsna!

June 22 Pittsburgh-Charlotte N.C. Ekadasi

Breaking into a new area. Haven't been in this area since the bygone Sankirtan days of the 80s. Nice group, some initiated, they like to dance! Srila Prabhupada is very kind by allowing this unqualified person to accept the responsibility of preaching. There are a few rough areas that need the polishing of serious reflection. Avoid being victimized by improper conduct. Praying to become a more effective instrument. Tomorrow is another test in adjusting to this situation. Begging to become a better beggar. Hare Krsna!

June 23 Charlotte N.C.-Chicago

Visited with inmate Jason Matthews. We meet for 4 hrs. in the chapel at

Broad River Jail. He seriously trying his utmost to practice Krsna consciousness. Jail means harassment and constant distraction. He needs your mercy Srila Prabhupada, we offer our prayers. Give him what he needs to practice and become more fixed in devotional service. Such a sincere person deserves the mercy of the Guru Parampara. We are happy and very satisfied to meet such a dedicated practitioner. May he be blessed by the Parampara's best. Jai! Bhakta Jason, Jai! Srila Prabhupada. Hare Krsna!

He Krsna karuna sindhu, You are a great ocean of mercy. We are slowly drowning in the great ocean of material nescience. Please transfer me to the ocean of happiness that is available through constant remembrance of Your lotus feet. Dina bandhu You are everyone's friend especially those who are poor in heart. We are devoid of any real bhakti therefore we are amongst those who are severely afflicted by the poverty of devotion to You. Please drop some of the currency of bhakti into my account destroying allowing me to roll in the wealth of love for You. O Srila Prabhupada my heart is disturbed when we learn that there is much criticism of your ISKCON. How do we overcome our differences and be the well-wishers of each other in service to You. Please guide us. Hare Krsna!

June 25 Chicago

Krsna's temple must be always kept spotlessly clean. Cleanliness is Godliness. The temple is compared to the heart and to keep the heart clean means constant diligence by remembering Krsna always. Unfortunately there are places where dirt resides supreme, along with its wayward companion disrepair. An unpleasant sight that causes the eyes to turn away and the mind to balk. Srila Prabhupada would say, "Our temples should be revolutionary clean. If you can't clean go home and live with your Mother she will teach you." Perhaps someday someone will arrange for the needed improvement. Praying to the Goddess Suci to enact her pastimes full force upon the Chicago temple. Home of Sri Sri Kisor Kisor. Hare Krsna!

Gauranga! Very fortunate to have had the association of Srila Radhanath Swami Maharaj. Today we talked took lunch together. By the grace of Srila Prabhupada things become auspicious and the ordinary becomes extraordinary. We feel grateful along with feeling exhausted from a full day of activities. Program at Linda's (Govardhana Lila's) home. We were pleasantly surprised to see many new people in attendance. At the end they asked many good questions. Curiously enough all the questions came from the women. We spoke on about the Age of Kali its symptoms and Lord Krsna's special mercy. His Holy Name, chanted with sincerity. Praying they will become more serious in their chanting and for others let them begin. To make the unfortunate fortunate. Chant Chant Chant. Some may say-no time-OK then remain unfortunate. By Gauranga's mercy we search for ways to inspire them to chant. The Name is the only Game, better than any fame, when chanting the name you'll never be the same, relinquishing all shame your heart will feel tame and gradually, your life, the Lord will frame, bringing you to His domain. That is Srila Prabhupada's mercy greatest gift to the whole world. All glories to the person who brought Mahaprabhu's mercy, Srila Prabhupada his name, devotion to Krsna the winning game. Jai! Yesterday during the Ratha Yatra festival we displayed our mantra meditation booth, teaching people to chant japa. The response was overwhelming huge. 2000 sets of beads were purchased by newcomers. Last Sunday at Chicago Ratha Yatra we distributed 1200 sets of beads. In the US there appears to be an upsurge of interest in Krsna consciousness. The effects of mass book distribution has created an active interest. The American scene is changing for the better. Alternately the social and political situation is slowly eroding taking with it the hope of a better life. Preaching in America is increasing. We are slowly being appreciated and accepted. Let us be inspired to increase more and more. Dear Lord Caitanya please empower us more and more to be an instrument of Your mercy. May Srila Prabhupada's ISKCON cover the globe. Gaur Premanande Hari bol! Hare Krsna!

"Radhe jaya jaya madhava dayite gokula taruni mandala mahite." All love and surrender at Her sweetly divine lotus feet. May She bless us with a slight glance of Her's and Krsna love-filled eyes. My dried old heart has managed to sprout a few stranes of desire for Her association, Her service. We are lame and never able to act correctly, always proud and frivolous in behavior. These moments of devotion are rare and we wish to extend them to perfection. We only desire to stay in this material world to be a carrier of Their mercy and the mercy of our beloved spiritual master, no other reason. So let us carry on along with full remembrance of Her sweet lotus feet and the pure desire to attain them.

Jai Jai Sri Radhe Shyam!

August 1 Croatia/Karlovac-New Santipur

Health is becoming more of a concern. Five weeks spent in the USA gave much opportunity for preaching and travel. Now the pace is less yet it has become more of a concern for health and maintenance. With your guidance and mercy, we are able to serve under the banner of, "I hope this meets you in the best of health. Signed A.C. Bhaktivedanta Swami." All glories to His Divine Grace. Hare Krsna!

August 2 Croatia/Karlovac-New Santipur-Rijeka

While looking for balance then why not look for Sri Krsna instead. Both are difficult to find. The advantage of looking for Sri Krsna is that He is to be found in many places, through many ways. In any case both when found leave soon thereafter. Therefore it's best to look for Lord Krsna for that is the perfection of balance even when unbalanced. Keep looking for Lord Krsna and one day it may become perfect. "When O when will that day be mine, offenses ceasing, the taste for the Name increasing, when O when will that day be mine?" With the mercy of Srila Prabhupada the impossible becomes easy. Hare Krsna!

August 3 Croatia/Rijeka-Pula

Dear Lord Krsna, full dandavats with utmost submission. Undoubtedly we are attracted to the myriad forms of this world causing much unhappiness. Seeing Maya and knowing it is Maya yet we are still attracted. Dear Lord just a drop of Your transcendental qualities, pastimes and beautiful forms can easily obliterate any and all attraction for these mundane illusionary forms. Please completely attract our mind and heart to You and nothing else. With Srila Prabhupada's mercy the impossible becomes routine. Sincerely praying for His and Your mercy. Hare Krsna!

August 4 Croatia/Pula-Harinam Tour

Change- the only constant. Where we are is not where we want to be. Aspiring to change for the better, to become fully Krsna conscious. Read read read increases our speed for change. We'll keep changing until we reach the final destination-Sri Vrndavan Dham. Who will make it? Those who are evolving towards perfection. This year America was ripe for preaching. After returning to Europe change was in reverse. Were trying to shift into 1st gear. Life challenges never cease may they therefore bring increase towards the mood of always remembering Sri Krsna, always rejecting the allurements of Maya. Taking full shelter of Srila Prabhupada's mercy which is empowered to kick out any forms of Maya we seek shelter of Lord Krsna's Holy Name. Hare Krsna!

August 5 Croatia/Pula-Harinam Tour

European bus party approximately 30 young Vaisnavas. They joined us for 3 days and very much inspired us with their singing kirtan, dancing and sweet association. May they be victorious as they move on to Slovenia Camp. All glories to the youth of ISKCON who are the powerful future of Lord Caitanya's sankirtan movement. Jai ! Srila Prabhupada. Hare Krsna!

August 6 Croatia/Pula-Harinam Tour

Harinam sankirtan Ki-jai! Today 16 devotees chanted and danced to a 3 hr kirtan led by Vraja Krsna Prabhu through the entertainment square of Porgac (or Pazano). May onlookers become participants as they smilingly danced with the devotees. From old to very young were visibly happy, waving, smiling, and dancing as they witnessed an ecstatic display of Gauranga's mercy. Alongside book distribution went on successfully. Flood the world with transcendental literature and the tumultuous chanting of Hare Krsna! May Srila Prabhupada continue to inspire our events to spread the mercy of Sri Krsna Sankirtan.

Note: a personal prayer for the husband of Mother Seva Kunj. May he develop the desire to chant Lord Krsna's Holy Name. All glories to Mahaprabhu's unlimited mercy! Hare Krsna!

August 7 Croatia/Pula-Harinam Tour Ekadasi

38 rounds of japa! Gauranga! Hey Gauranga! Nitai! Hey Nitai! Please bestow your mercy on this fallen soul. All glories to Sri Krsna's Holy Name. The Harinam is extremely attractive for many. August 8 Croatia/Pula-Harinam Tour

Wonderful opportunity to chant and dance and inspire others in the same way. No need for any other preaching; the book of preaching is the Holy Name- transforming the entire world. May Srila Prabhupada be pleased with our small effort. Hare Krsna!

August 9 Croatia/Pula-Harinam Tour

across the ocean of material miseries by the boat of service to the Supreme Lord. The best Captain the mightiest of ships. Hare Krsna!

August 11 Croatia/Pula-Harinam Tour-Rijeka

Tonight we ended our 8 day Harinam Tour. By Srila Prabhupada's strong desire laced with his pure loving devotion we distributed 100s of books and inspired many more with the chanting of the Holy Name of Lord Sri Krsna. We will dearly miss the association of many wonderful devotees. Vraja Krsna, Harinamananda, Visnujana, Namacarya, Mahatma, Dharma Vatsala, Tridasa Raya, Prema Murti, Seva Kunj, Mahima Mayi, Kisor Vallabha, Yamuna, Damaje, Janakinath, Satyavati Suta, Jaya Radhe, Nirgata, and many others who joined in for a day or two. Their enthusiastic association and wonderful service mood was very edifying. May they all receive the mercy and blessings of His Divine Grace. All glories to Sri Harinam Sankirtan. All glories to assembled devotees. Hare Krsna! Special mention of the Gurukula bus tour out of Europe. They gave everyone of us the initial enthusiasm as we began the tour. Grateful and happy for their participation.

Sri Sri Radha Madan Mohan. All glories unto Your sweet lotus feet. Please give us full shelter. The mind has become a big full-fledged rascal, rejecting all supervision and wanting only enjoyment. Real enjoyment is to serve You with love. Please give us Your shelter if You so desire. Without Your shelter we find no purpose in anything. Srila Prabhupada please pick us up and place us at Madan's sweet lotus feet.

Hare Krsna!

August 18 Germany/Abentheuer Srila Prabhupada's App

Dear Srila Prabhupada. We are renewed in memory of our very great fortune received because of your merciful presence on this planet and in our life. One can never repay the gift of eternal life that you have offered to us. It is only by causeless mercy coming from you and your love for Sri Krsna that has saved us from the horrors of Kali Yuga. Praying to remember your mercy on this fallen soul by always meditating on how to serve you more, serve you better. On this glorious day of your appearance we bow down with complete humility, gratitude and love. All glories unto you, Srila Prabhupada. Hare Krsna!

August 19 Germany/Abentheuer-Croatia-Karlovac-New Santipur

Service with love=devotional service. Love of God. We strongly desire to perform all activities, speak all words in the mood of loving service. Feeling weak, struggling to chant, mostly controlled by the mind. Unable to know what to do. We seek Your guidance in developing and perfecting love. "Mukam karoti vacalam pangum langhayate girim yat krpa tam aham vande sri gurum dina tarinam." That is the only hope. Hare Krsna!

August 20 Croatia/Karlovac-New Santipur Ekadasi

Don't know what to write, mind is tight, close to fright, ready to fight- with what?-my mind! ? It can easily remember Lord Krsna yet it still feels unsatisfied. We need something more, but what, we don't know. Probably causeless mercy. We have never been proficient at begging probably most liking being too proud. Boils down to being worn out from travel. R&R is the way? Gaura Premananda are the best words we know aside from the Mahamantra. Good night. May Srila Prabhupada bless me with enthusiasm for serving and especially loving Sri Krsna. Hare Krsna!

August 21 Croatia/Karlovac-New Santipur

We write our diary entries as the last activity of the day. Many of these expressions are mixed with the mood of “let’s say something so we can go for rest.” That’s not at all the purpose of these writings. They are meant to invoke ideas, reflections, remembrances and create realizations and evaluate experiences along with a host of other reasons. This evening is different as we’re not eager “to just get it done,” we hope to maintain this attitude throughout. Today is Maha Dvadasi with fasting for yesterday’s Ekadasi. Days like these rarely appear in the yearly calendar. Yesterday we completed our japa vrata of 40 rounds. Today mercy came in the shape of active service and reading through e-mails. We’re realizing that within the past few weeks the quality of hearing, chanting, reading all require a significant upgrade to be accepted as satisfactory. While trying to water the Bhakti tree’s root we have been distracted by mixing in service with gross inattention caused by a tired mind. Today’s realization of my descent into a lower quality of sadhana was like awaking from a restful sleep. Balance is a concern in putting quality into activity. We’ve been at this point before yet we somehow again slip into inattention. In any case balance has real merit only when we can always remember Lord Krsna. We are not on Raganuga platform yet we seek to move away from the rigidity that Vaidhi Bhakti can foster. A blend of both keeps good spiritual health. My presently designed schedule seems most satisfying and progressive. New Santipur on weekdays, on weekends, travel and preach. The challenge is to maintain strong Krsna consciousness and a service attitude while going back and forth between the two. Always remember Sri Krsna by always planning service to Him. And being aware that all in this world is temporary fully subject to the influence of time. And whatever we have or are is best used only in service to Srila Prabhupada and Lord Caitanya. Knowledge must lead one to love as love is the only goal. Love for Radha Krsna in Sri Vrndavan Dham. Begging to become a true lover of the Divine Couple Sri Sri Radha Vrndaban Candra. Hare Krsna!

August 22 Croatia/Karlovac-New Santipur

Nava Vraja Mahima by H.H. Sivaram Swami is a classical in Vaisnava Devotional Literature; expounding the glories of three Dhams-Vrndavan Aprakat, Vrndavan Prakat and its present manifestation New Vraja Dham Sri Sri Radha Shyamasundara. Gathering valuable gems of transcendental, historical devotional sastras blended with the writings of present and previous acaryas entwined with explanations and commentaries by Maharaj. A virtual ocean of spiritual knowledge and loving devotion to the Divine Couple and Their transcendental

activities. We are eager to read more and more. Yet we are savoring these readings in small but regular increments. These readings have opened up a strong desire to hear about the glories of Sri Vrndavan Dham and awakened a desire to aspire for those realms and the realms Sri Vrndaban Krsna. Presently have lost our taste for any other books. Of course for preaching we must try and reach our designated audience and therefore prepare accordingly. Recalling Rupa Goswami verse, "If you're attached to family, society, and love, then don't put your glance upon that beautiful Cowherd Boy who is standing in His 3-fold bending form playing on His flute near Yamuna river. Dear Srila Prabhupada by your words and compassion for us struggling with the modes of nature we can once again regain real and spontaneous attraction for Sri Sri Radha Vrndaban Candra. All glories to those devotees who are fully situated in the mellows of Vraja. Hare Krsna.

August 23 Croatia-New Santipur-Zagreb Temple

The evening class was more philosophically oriented as we focused on the basics as enunciated in Bhagavad Gita Chap.13 verses 8-12. At one point we went off in describing bogus Gurus who came to America to find some followers and gain some false prestige. The diversion was good only we carried it on too long. Tomorrow we present part 2 and 3. It will be difficult to cover all 19 items in 2 sessions. Srila Prabhupada help me choose those items that are most needed. Thank you, Srila Prabhupada, we are grateful for the encouragement. All glories unto you. Hare Krsna!

August 24 Croatia/Zagreb Temple

Dear Mother Savitri, may the Supreme Lord Sri Caitanya Mahaprabhu along with His amazing brother Nityananda shower you with Their mercy. All glories to your service to the devotees. Our prayer is you remain with us for many more years, happy in Krsna consciousness. All glories to your Guru Maharaj H.H Sridhar Swami Maharaj. Jai Srila Prabhupada. Hare Krsna!

August 25 Croatia/Zagreb-New Santipur-Karlovac

It's time to hit the hay, yet before we end the day we are regulated to say, something that will stay in our heart and mind causing us to feel gay-happy. Without preaching we are reaching for something that is beseeching transforming us into one who is always leeching. So better continue with the teaching and preaching and be free from forced beseeching. Tomorrow we will try to alleviate some sorrow from those whose lives are confined to bargain and borrow. Prison preaching Ki-jay. Gauranga Mahaprabhu's mercy on those who are always considered the

most fallen. May we be blessed to offer the best. Jai! Srila Prabhupada. Hare Krsna!

August 26 Croatia/Zagreb-New Santipur-Karlovac

By reading and hearing more about Lord Krsna's pastimes in Sri Vrndaban Dham we naturally increase our attraction for Him in this mood. The acaryas have given this formula, Srila Prabhupada writes about it; attraction to Lord Krsna is natural, as natural as breathing is connected with life. Why are we attracted, why sometimes and why not at other times. The heart remains governed by the restless mind that thinks it knows everything. The mind, force it to hear, read and talk about Krsna's lilas. The way to loving perfection. The heart's longing, the mind's unknown treasure. Hare Krsna!

August 27 Croatia/Karlovac- New Santipur

The longest day, rose at 2.30-no breaks-full engagement, a lot was accomplished. Yes, there is always feelings of satisfaction. But what counts is the quality of consciousness. Keep always focused on Sri Krsna and His Holy Name. Big weekend upcoming with 6 classes in 3 days-1-3-2. Will the mind, our topic of discussion obey our intelligence and devote everything. By the mercy of Srila Prabhupada we are victorious. Jai Gurudeva! Jai Srila Prabhupada. Gaur Premanande! Hare Krsna!

August 28 Croatia/Karlovac-New Santipur

There burns a strong desire to jump into the fire of preaching. Tomorrow it will commence. Praying to become completely focused in full concentration with full dedication to inspire the subject matter with utmost attention. It is not as important as what you say as to why you say it. We must ideally follow the philosophy we are spreading. Words are empowered by the actions they represent. May Srila Prabhupada cast his merciful glance upon this struggling soul. We feel pleased when we see others moving forward in their practice of Krsna Consciousness. We are pleased when we assist them. Glories to preaching Krsna consciousness. May we relinquish any and all personal motivations. Hare Krsna!

August 29 Croatia/Karlovac-New Santipur

May my mind filled with thoughts other than ones of Sri Krsna and His service be again reinstated in its original pure, natural activity of love for this restless Cowherd Boy of Sri Vrndavan Dham. O mind, please obey the ways of love towards Sri Krsna and service to His devotees. May all contrary expressions be understood as attempts to come to the ideal of

always serving Lord Krsna and His pure devotee Srila Prabhupada with love. Love finds pleasure in itself and expands as it gives. Praying to be free from any personal pleasure in our attempt to serve with love. Straightforwardness is the norm, crookedness is for those with enmity and mean mindedness. May my mind be everyone's friend as it seeks to serve. To do good to others is something more than an occasional. For great souls it is their full mindset. Hare Krsna!

August 30 Slovenia/Ljubljana

Srila Prabhupada uvaca. "Gauranga Mahaprabhu's mercy is not possible to measure or understand." This evenings 2 ½ hr Harinam through the city of Ljubljana showed us a drop of that mercy. Sri Prabhodananda Saraswati's attachment to Mahaprabhu is a little indication of His mercy. May we be also affected by that attachment. Srila Prabhupada is His pure and perfect representative. Hey Gauranga! Hey Nitai! We are chasing after the shelter of Your lotus feet. Please wait! Hare Krsna!

August 31 Slovenia/Ljubljana

"The seminar on "The-Mind" seemed to be well received. When we again made this presentation after many years the importance of this topic was not always completely understood. Yes, we all have a mind and it is not always where we would like it to be. Keeping it at the lotus feet of the Lord is factually the only hope of ever controlling it-the only favorable place.

O mind please always remember to chant;

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare.

The glories to the Holy Name can only be underestimated.

September 1 Slovenia/Ljubljana

When you receive the mercy of Srimati Radharani only then will your devotional service be successful. Tomorrow, which comes each year at this time we are fortunate to have the opportunity to receive the service of honoring, worshipping and assisting Srimati Radharani on Her most glorious, auspicious for all, Holy appearance. May we keep our full attention and devotion on Her throughout the day and inspire others. She is Bhaktidevi, the personification of pure loving service to Sri Krsna the highest Bhakti platform in existence. There is nothing more spiritually elevated nor anyone more elevated. Today, according to the Solar calendar is the Appearance Day of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. All glories to his mercy on us conditioned souls struggling to serve. Jai Srila Prabhupada! Jai Radhe! Sri Panca Tattva Ki-

jai. Hare Krsna!

September 2 Slovenia/Ljubljana Sri Radhastami

Srimati Radharani! Your mercy is the summum bonum of mercy. Your pastimes are interesting, exciting, sweet and very mysterious. Your perfected love for Lord Krsna is unknowable by all including Lord Krsna. Please bless me to become Your follower and devotee. All glories on Your Divine appearance. The whole world is blessed by the dust of Your lotus feet. The greatest of the great sing Your glories. We humbly bow down to You. Jai Sri Radhe! Hare Krsna!

September 3 Slovenia/Ljubljana

Time the force of change, the reminder of death. Moving in one direction. Our plans never end. What's most important is to live each moment as it were our last. Placing the mind connected to the heart in the fire of remembering Sri Krsna by chanting His Holy Names! Always eager to serve and remember. Preparing our mind for departing the world if that is the will of Lord Krsna's. Are we influencing Krsna's will for us by our attitude and activities? I think yes. Remain eager to serve and ready to depart. Or become ready to leave by dying to the temporary and living in the eternal. Srila Prabhupada you gave us so much as a society and we have expanded each and every category in many other categories. At times we become overwhelmed as where to focus. Please keep us serving according to your plan for us. All glories to Sri Krsna's Holy Name. Hare Krsna!

September 4 Slovenia/Ljubljana- Hungary/New Vraja Dham

Radharani Ki-jai! Maharani Ki-jai! Varsanevali Ki-jai jai jai! By Your mercy Sriji we are again gathered to honor Your divine lotus feet which are worshipped by Sri Krsna exclusively-His complete happiness. That is Sri Krsna Caitanya Mahaprabhu. Gaur Premanande! May we please Srila Prabhupada by our efforts to honor, worship and adore Srimati Radharani. Hare Krsna!

September 5 Hungary/New Vraja Dham Ekadasi

Maintaining health a formidable challenge. Slowed down considerably today. We had no choice. Body is calling for increased attention. Travel brings suffering, yet we continue but with caution. Sri Sri Radha Shyamasundara's lotus feet is our desired resting place. Resting by spiritual activity. We have hopes that things will improve but they generally don't yet how else could we continue the pace. Hopelessness is only on the spiritual platform. That hopelessness is our desire that we will be fully Krsna Conscious. When that thought appears then by Lord

Krsna's arrangement we regain hope, otherwise hopeless. Tomorrow a day of great fortune. To honor Srimati Radharani once again in a grand way. Let us become fully attentive in our effort to serve. All glories to Her lotus feet. All glories to Syam and Syama. All glories to that person who made it all happen. Jai! Srila Prabhupada. Hare Krsna!

September 6 Hungary/New Vraja Dham

Jai Sri Radhe! Jai Sri Radhe Syam! Jai Giri Govardhan! Govardhan Lal Ki jai! Jai Srila Prabhupada. Siva Ram Swami Ki-jay-ho! Hare Krsna!

September 7 Hungary/New Vraja Dham Srila Bhaktivinode App.

Srila Bhaktivinode Thakur the father of the Krsna Consciousness movement in the Western world. He had the vision; members of all races dancing, chanting together Jai Sacinandana Jai Sacinandana. It has come to pass. No doubt he would be very pleased to see how people from Western countries are taking to Sri Caitanya Mahaprabhu's movement. His grandson the great A.C. Bhaktivedanta Swami Prabhupada took that vision and made it happen. We are blessed and we don't want to rest only desiring to bring the mercy to a higher level. Dear Srila Prabhupada we are praying to understand your desire as your instrument in spreading Lord Caitanya's mercy. Please guide us. Srila Bhaktivinode Thakur Avirbhav Tithi Ki-jai! Hare Krsna!

September 8 Hungary/New Vraja Dham Srila Haridas Thakur Disapp.

We both honor and pray to Namacarya Srila Haridas Thakur. He is the pinnacle of pure chanting and the Acarya of the Holy Name. His presence inspires us to purify our japa. Praying for his mercy brings auspiciousness into our chanting. May he be pleased by our humble service. May we think of more and better ways to serve his lotus feet. And may his pastimes be ever-fresh in our minds reminding us of needed values and virtues. All glories to his lotus feet. And to his intimate servant His Divine Grace A.C. Bhaktivedanta Swami Prabhupada who has taken the Thakur's mercy to every town and village worldwide. May our service to Him be accompanied by more and better quality chanting. Sri Nam Prabhu Ki-jay! Namacarya Srila Haridas Thakur Ki-jay! His glorious and most amazing disappearance from the world was heralded by Sri Caitanya Mahaprabhu. Gaura Premanande Hari Hari Bol! Jai Srila Prabhupada. Hare Krsna!

September 9 Hungary/New Vraja Dham Srila Prabhupada's Sannyas

A day of deep memory reflecting on the mercy of His Divine Grace. He accepted sannyas and because of it we

are benefited. Leaving everything worldly behind, a life dedicated for the service of all mankind. Dissemination and implementation of transcendental knowledge. The way of compassion accepting hardship for the purpose of spreading Lord Caitanya Mahaprabhu's mercy everywhere. The unfortunate have become fortunate because of one individual. A supreme act of charity. A mission of mercy. A love for the Supreme transformed and transferred to His parts and parcels. The heart of Bhakti. We are extremely blessed and eternally grateful. Srila Prabhupada may we genuinely develop just a drop of the compassion you carry within your heart for the fallen conditioned souls in this world. That drop is enough to sustain us for the rest of this life. All glories to your accepting the sannyasa order and coming to show love to us fallen souls. Jai Gurudeva. Jai Srila Prabhupada. Hare Krsna!

September 10 Hungary/New Vraja Dham

Please-dear mind-don't tell us what we should do. We know what we must always chant Krsna's Holy Name and try to serve His devotees. This is beneficial for both you and me. So please always chant Hare Krsna and if you insist on telling me what to do then please remind me to always chant Hare Krsna! Then our friendship will automatically increase without any separate endeavor. After carefully hearing from and comparing what has been heard we understand that His Divine Grace repeatedly emphasized the practice of Bhakti as always remembering Krsna by always chanting His Holy Names. "Harer nama harer nama harer nama eva kevalam kalau nasty eva nastya eva gatih anyatha." Sri Nam Prabhu Ki-jay. Hare Krsna!

September 11 Hungary/New Vraja Dham-Slovenia/Lendova

13 years ago on this day we witnessed the destruction of two large New York city buildings commonly called the "Twin Towers." A planned disaster marking USA history. Actually people are unaware of a more insidious enemy which is successfully destroying everyone's plans for happiness and longevity. The time factor imperceptibly eroding away the duration of the body's span of life. The catastrophic is the ignorance that prevails. Failing to understand the value of life and how time unimpededly steals away the duration of one's life moment after moment. The illusion of fulfilling life's plans for happiness in a death-like existence is all-encompassing. For one who fully takes shelter of the Lord the time factor appears differently as one who ushers in eternal life. Fully devoted to chanting Sri Krsna's Holy Names we can associate with the Lord by His sweet Name. Please Srila Prabhupada create within our mind and heart a throne so we can place Sri Krsna's Name there and live life truly as His eternal lover. All glories to Nam Prabhu, we pray for

His association, His mercy. Hare Krsna!

September 12 Slovenia/Lendova-Croatia/Bjelovar

Tolerating the situation, remembering Lord Krsna. Grateful for the opportunity to serve and to remember. Srila Prabhupada's mercy is great and powerful. As he said, "I can kick out all obstacles." Please make us receptive and worthy of your mercy. Hare Krsna!

September 13 Croatia/Bjelovar-Osijek

Travel like eating gravel, preaching is more enjoyable than leeching. Travel and preach, difficult, impossible to continue. Need to settle, slow down. No chance without Srila Prabhupada's mercy. Getting thirsty for the mercy. So much to read only a dream. Need a scheme to make it a regular theme and get on the winning team. No casualties in this life, that's my prayer. Dear Lord Nrsinghadeva please allow me to catch hold of Your lotus feet, the remover of all obstacles. Gaur Prem. Hare Krsna!

September 14 Croatia/Osijek-New Santipur-Karlovac

A very nice group of devotees that make up the Osijek congregation. Many new persons came, all appeared to be genuinely interested. Happy we came. The austerity of not traveling, looking forward. Time must be used in the best way possible. That depends on our quality of japa. The Holy Name paves the way creating the best of all circumstances out of every endeavor. May we also remember Lord Krsna's Lotus feet by always glorifying and remembering Sri Nam Prabhu. Gaur is most kind. He has inaugurated the chanting in every town and village. Jai! Sri Sri Nitai Gauracandra. Jai! Srila Prabhupada. Hare Krsna!

September 15 Croatia/Karlovac-New Santipur

Kamyavan-a forest containing precious gems of Krsna and many of the pastimes of His eternal associates. Many thousands of pure loving lilas saturated with various layers of spiritual humor. We long to visit this land of joyous antiquity. All these feelings have been aroused through contact with Nava Vraja Mahima. HH Sivaram Maharaj has offered a monumental package of spiritual adventure, taking his readers on a detailed journey to the land of pure love with sweet devotional emotions. Who is this author that has penned, researched and traveled to these holy places, and has inspired a replica of the original to gradually unfold in the area of the manifested world known to us as New Vraja Dham Hungary. The who question will be revealed to those who are fortunate. We offer our humble obeisances in the mood of gratitude to Nava Vraja Mahima and to the esteemed author whose devotion has

inspired Srila Prabhupada to bless his disciple with great knowledge, intelligence and powerful, devotional sentiment. In the dust of the lotus feet of great souls. Hare Krsna!

September 16 Croatia/Karlovac-New Santipur

Srila Prabhupada mentions: Contemplate Krsna, hearing about Him and serving Him constitutes spiritual perfection. Contemplate His amazing Vrndavan lilas which are so sweet, wonderful, filled with love and adventure. Make the mind pure and transcendence automatically manifests. The mind is spiritual but covered with layers of material dirt and grime. Remove the coverings and enter into Krsna's lilas. His pastimes are inconceivable to the ignorant, fantasy to the proud, a distraction to the materialistic welfare workers, a dream to the neophyte devotee. Hope filling to the aspiring sadhaka and a living reality to the pure in mind and heart. Yet simultaneously a wonderful mystery to all. We pray for the opportunity to factually visit Sri Vrndavan Dham before leaving this world. The desire tree of pure devotional service has been brought to this material realm by Lord Krsna's intimate friend and eternal associate A.C. Bhaktivedanta Swami Prabhupada. All glories to his lotus feet. Hare Krsna!

September 17 Croatia/Karlovac-New Santipur

Today was a day of added difficulty as the mind and body were subjected to the pains of time. Advanced age can be very debilitating. Yet finding solace by remembering His Divine Grace, my great spiritual master, guide and ever well-wisher. His life, his sacrifices, his preaching, his love for his spiritual master brought us a sense of gratefulness and a longing to offer more to his mission. A mission of the Supreme Lord, a mission of ultimate compassion. O beloved Srila Prabhupada your life is the supreme expression of sacrifice and loving devotion to Sri Krsna. All that we can say is that we want to do more, do better to bring this life-saving message of devotion of Sri Krsna to the conditioned souls who uselessly struggle and suffer due to ignorance, propounded greatly by the Age of Kali. We have a long way to go before we can truly become your worthy disciple. But we do have hope, a hope inspired by your loving, causeless mercy. Will we ever do better, do more? At this advanced age change is difficult, bordering on impossible. But your mercy has moved mountains and it is still alive and strong. Rising above the clouds of inertia and misdirection, seeking the sun of brighter knowledge and increased devotion. Let not a moment pass without remembrance of you and your gift of pure, loving devotion, complete and personally delivered by your life-giving hands. All glories to those who have full faith in and love for you. We are seeking your favor more and more. Hare Krsna!

Gauranga Mahaprabhu Ki-jay!

September 18 Croatia/Karlovac-New Santipur

We want to write this evening but our mind cannot come up with anything worth saying. We are feeling the merciful presence of Krsna's Holy Names and so we feel satisfied. Realistically it is Srila Prabhupada's mercy but we want to serve more than just accepting mercy. His mercy is always coming but as a great man is always magnanimous so at times he can become more so. Once again we offer a prayer of full surrender, praying to achieve perfection in the execution of devotional service. Success is only your mercy. All glories to Sri Krsna's Holy Name the panacea for all the contamination wrought by Kali's Age. Sri Krsna Sankirtan Ki-jay. Sri Mahamantra Ki-jay. Sri Nam Prabhu Ki-jay. Hare Krsna!

September 19 Croatia/Karlovac-New Santipur

Attentiveness in speaking, reading, service and most important in chanting. Seeing Sri Krsna in everything and seeing everything as coming from Him, through His Bahiranga Sakti. We desire to give up everything material, knowing from whom it has come and for whom it is meant to serve. The Art of Devotional Service, learning to love. Sri Krsna is naturally lovable. Learning how to please Him by loving service. An art taught by His Divine Grace Srila Prabhupada. Begging to become an expert student. Keeping focused on the Name and acting only in devotion. All glories to Srila Rupa Goswami the abhideya acarya of the science of pure devotional service as taught by Sri Krsna Caitanya Mahaprabhu. The art of Love/Loving. Hare Krsna!

September 20 Croatia/Karlovac-New Santipur

Associating with God-brothers who are firmly fixed and worthy of glorification by their service to Srila Prabhupada is as good as association with His Divine Grace. They carry Srila Prabhupada with them wherever they go and are always perfectly representing His Divine Grace and eager to glorify him. All glories to HH Indradyumna Swami and HG Badahari Prabhu. We are truly blessed by your wonderful Krsna consciousness. Praying for a chance to serve these special souls. Gaur Premanande. Hari Hari bol! Hare Krsna!

How is it at all possible to give up contact with material nature when we hear from scriptures and also personally experience that the mind is naturally attracted to sense objects and sense objects are constantly coming into the mind. Therefore when the mind is constantly focused on

and attracted only by Lord Krsna is it possible. Oh! Mind please understand that our happiness is never leaving Sri Krsna even for a moment. Always remember Him by thinking of His lotus feet and constantly chanting His Holy Names. By the grace of Srila Prabhupada the impossible becomes possible and what is normal becomes natural. Dear Srila Prabhupada please remove by attention and thoughts away from everything that doesn't foster Sri Krsna's service and His form of blissful knowledge. The myriad forms of this world are painted on and are without value or substance nothing more than a smoke screen. All glories to Raghunatha das Goswami whose prayer entitled, "Manah Siksa," is the activity and mood of one who understands reality from illusion. Gaur Premanande! Hare Krsna!

I'm just a soul whose intentions are good, O Lord please don't let me be misunderstood. A song perhaps more than just a song, my statement on daily life. It is the norm that misunderstandings occur. In this Age of Kali communications are often mixed with much mental disturbance. We will always be misunderstood that is the way of life. Lord Krsna (God) always fully understands each and every soul. He resides in everyone's heart as Supersoul (Antaryami). He knows everything perfectly, completely, in full. Our concern is to purify our life in such a way that our every thought, word and action is offered as a service to Lord Krsna and His part and parcels. In the association of the opposite sex-which we generally avoid yet service responsibilities cause it to occur- we must not be so eager to speak but to listen. Proper speech will follow careful listening and avoid divergent conversation. Whatever the degree of attachment for enjoyment in the association of the opposite sex let it be crushed by the mercy and power of Srila Prabhupada whose feet are my life and only shelter. All glories to the mood of gravity, the state of mind revered by saints and sages. Hare Krsna!

September 23 Croatia/Karlovac-New Santipur

O Lord of the Universe, Soul of the Universe, O Jagannatha Dev, You are happiness to all who see You and bliss to all those who serve You. You are so kind, friendly and available for Your devotee, yet You remain a great mystery. Your eyes are bumble bees absorbing the nectar Your devotees have for You. You are the best of those who dwell in Vrndaban and yet You are always separated from Vrndaban and eager to return to accept and reciprocate the love of Your pure devotees. You are very, very kind and merciful to those who are fallen and bereft of loving devotion as You appear in their midst riding Your grand chariot and liberating the entire universe. All glories to You and Your prasadam

which is sought after with great eagerness by those who understand what is of real value. Please, Dear Lord, I offer this prayer for those who have taken shelter of me as their spiritual guide. Please bless me with Your mercy and help them to advance in Your service. Srila Prabhupada without your mercy my prayers are simply dead words. Please give authority and sanction to these words to those who have accepted my shelter as your representative. All glories to ISKCON, your transcendental body. Hare Krsna!

September 24 Croatia/Karlovac-New Santipur

Prison program, 6 of us devotees, 2 inmates, one is a regular and fixed in Krsna consciousness by practicing chanting and reading. The other fairly new. Srila Bhaktisiddhanta Saraswati says and it is repeated by our Srila Prabhupada that our duty, our service is to preach, even if no one comes the four walls will hear. Today the response was good therefore we offer our effort to the great souls whose meditation is focused on giving Lord Krsna to all conditioned souls not considering who is fit or unfit. All glories to Sri Krsna's Holy Names the best way to preach to the conditioned souls in this dark Age of Kali. In closing we again offer our heart-felt prayers to Srila Prabhupada thanking him for this opportunity to preach on his behalf. Seeking his blessing so we will inspire those persons who have come to this lowly person for shelter. May they feel inspired in their chanting of Hare Krsna. Thank you. All glories to Srila Prabhupada. Hare Krsna!

September 25 Croatia/Karlovac-New Santipur

Dear Srila Prabhupada, to say thank you is really not enough. People use that phrase as part of a social etiquette and so the real meaning of appreciation towards another has been reduced by the element of conventionality. Still we say it, expressed with full meaning, by efforts to preach Krsna consciousness the benefit you gave to our life. Verbal appreciations are essential but without a life of dedication to your mission they are have little or no value. Tomorrow we embark on a 10 day preaching tour. Let it be only for your pleasure and inspired by your mercy. We want to put every ounce of time and thought in bringing about the best expressions of the philosophy and practices of Krsna consciousness, possible only by your mercy. Your mercy is everything. We are begging for a drop of it. There is so much power and potency in one drop of your mercy that whatever else remains we sprinkle it on those who have accepted us as your representative guide. Let them be enlivened and purified by your mercy. That is our humble prayer. Hare Krsna!

September 26 Croatia/Karlovac-Bosnia/Sarajevo

The devotees appear to like the seminar. The topic-Vaisnava Etiquette. We pray to be equipped to access the needed mercy to make it more and more interesting, more and more edifying. May everyone who has accepted Srila Prabhupada's shelter be blessed with enthusiasm for hearing and chanting the Lord's glories. All glories to Sri Harinam Sankirtan. Gaur Premanande! Hari Hari bol! Hare Krsna!

September 27 Bosnia/Sarajevo

Class, then a short lunch program and travel, a full day. Yet with some difficulty we found the needed time to complete our rounds. Tomorrow will be similar to today's schedule. Praying to speak the knowledge in a way that will inspire devotees to seriously practice these essential principles. We are fully dependent on the mercy of Srila Prabhupada in order to spread this knowledge effectively, convincingly. Dear Srila Prabhupada please remove any anartha that will cause the presentation to be anything less than perfect Krsna conscious philosophy in theory and in practice. Begging to become a better servitor of the Vaisnavas. That is the heart of Vaisnava Etiquette. Hare Krsna!

September 28 Bosnia/Sarajevo

We preach to reach so they can come up and become fixed in their practice of Krsna Consciousness. We want devotees to come forward and take on responsibility in spreading Krsna Consciousness. Community means many serving as one. Leadership is needed in order to make progress. That's what lacking here. Srila Prabhupada please guide this movement by helping the leaders to create more leaders. Leader means preacher, organizer, visionary. Strict in sadhana, fixed in service. May this area of the world known as Bosnia develop into something you will be proud of. We as preachers seek your guidance. Hare Krsna!

September 29 Bosnia/Sarajevo

Dear Srila Prabhupada. Obeisances at your divine feet. Those feet that gave Mother Bhumi unlimited happiness and changed the course of the world's history. On this day we feel especially happy to be able to offer you all that we have and all that we are in your service. Thank you for picking us out of this world of suffering and placing us as your representative: a position we are unqualified to be in yet very happy to serve in. Thank You for all the wonderful devotee association. Their offerings to me are in reality offerings to you. For you are worthy to receive their praise. All glories to your divine self. Please inspire us towards become a better instrument in spreading Krsna consciousness.

Hare Krsna!

September 30 Bosnia/Sarajevo

Today we discussed the topic of Vaisnava Etiquette for the 6th consecutive presentation. Each session we cover a certain area/aspect of the topic. How to preach, receive and honor guests. This topic is given foremost importance within Vedic culture etiquette. It is preaching in itself. A temple is known by how it receives and treats guests. Srila Prabhupada spoke about it often and showed by his personal example. May we learn this most important of Vaisnava culture and etiquette as a way to please and serve the Supreme Lord. All glories to the culture of love and devotion that encompasses the richness of interpersonal relations. Sri Caitanya Mahaprabhu showed ideal behavior in receiving and honoring His devotees when they came from Navadvipa to Jagannath Puri to attend the Ratha Yatra celebration. Vaisnava seva/Jiva doya/Nam ruci. Hare Krsna!

October 1 Bosnia/Sarajevo

By the mercy of the Holy Name we were blessed with enthusiasm to chant and eventually complete our rounds along with those remaining from previous days going back to September 27th. Even if it is difficult we never lose our determination and stay fixed with enthusiasm to chant. Happiness gained is not our goal. One reason for chanting is to develop a greater taste to chant. Chanting leads to more chanting. Dear Lord Your Holy Name is all we aspire for, it reveals the means to achieve success in devotional service. We chant to chant. Love to chant, chant to live. May we be blessed by Sri Krsna's Holy Name and Srila Prabhupada's mercy. All glories to Sri Nam Prabhu. Hare Krsna!

October 2 Bosnia/Sarajevo

Dear Srila Prabhupada whatever was offered as service during this past week here in Sarajevo, may it be a source of inspiration for change bringing about a more unified devotee yatra. We are happy by the mercy of Srila Prabhupada and Gaur Nitai having spoke on and learned more about Vaisnava Etiquette. All glories to Srila Sanatan Goswami the acarya of ideal Vaisnava behavior. May Srila Prabhupada be pleased with our humble efforts, and may he inspire this lowly person to preach effectively in Split. All glories to Sri Krsna's Holy Name. Hare Krsna!

October 3 Bosnia/Sarajevo-Croatia/Split

A most full and religiously interesting day. Venu Madhav Prabhu and his good wife Mother Nityananda Kari and this lowly person drove towards Split leaving Sarajevo just before 7 AM. One the way our host driver had

planned to stop at a place that was once a place of worship by a group of Islamic saints known as Dervish. With the assistance of a local guide we were shown the prayer room along with places of entombment of great saints. We manage to discuss some points of comparison and our guide was pleased to hear of the similarities in both of the practices and philosophy. We observe that generally very basic spiritual knowledge is glorified by these groups as esteemed esoteric knowledge. This became evident in our discussion of the goal of worship is self-realization or communion with God. A material phenomenon of the material energy in the form of a river emanates its source at this place. The water continuously flows from a cave that no one has ever been able to reach its source although one adventurer had gallantly attempted but consequently lost his life. After bidding a friendly farewell we headed to our destined goal Medjugorje. The place where the Virgin Mary had appeared to 6 children on June 24, 1981. Approaching the town we noticed it was filled with shops, hotels, restaurants, and places that sold souvenirs. There were many dozens of tour buses coming mostly from Italy and other local countries. We came upon an outdoor Catholic mass in progress as thousands of persons listened to the priest describe the worship of God in the Italian language. Nearby was a small church that was erected as a place of worship. We visited and offered our prayers to a beautiful murti of Mother Mary. Next we visited a 20 feet high sculpture of Lord Christ as he is poised on the cross. Legend has it that in the past this image of Jesus emanated a watery liquid that people collected considering it very sacred. We then decided to go to the essence and so we headed up a very steep mountain permeated with rocks. The top of this mountain is where the Virgin Mary made Her appearance to the six children. Hundreds of pilgrims were continuously coming down and going up. This is what we wanted to experience. The Holiest of all holy places at the Holy Place of Medjugorje. Swiftly I ascended the mountain seeing these rocks we scaled to be synonymous to overcoming our material desires. Not impeded by the terrain our party of three swiftly reached the summit. Mother Mary appearance place is graced by a memorial statue of Her surrounded by a Star of David to acknowledge the tradition by which Christianity originally flowed from. A little further up was a statue of Christ where pilgrims come to offer prayers. I wanted to spend some time and so we found a rock to sit upon and we chanted Gayatri and then the Mahamantra. Soon we felt the pressure of our time schedule and so we decided to descend down after being nourished by this Holy Tirtha. On our way down we came upon a man speaking in English to a group of pilgrims. He was describing important points in the history of Medjugorje although I appreciated and was nourished by his words, then I understood what he was saying culminated in that the goal of all

worship is to live happily on earth with God as our protector and supplier. Devotion mixed with worldly happiness. That is typical and normal as most worshippers today place God in their life as the One who is the supplier of what we lack in our attempt to be happy in this world. Continuing on we experienced that descending the Holy Hill was much more arduous than the ascent. Upon returning to our transport we honored a little prasadam and reached our ultimate destination about 4 PM. The evening program consisted of Part I of a seminar: "6 Questions by the Sages of Naimisaranya" by Srila Suta Goswami. which in essence is a discussion on the main topics covered by Srimad Bhagavatam. This evening we became aware that today is being the celebration day Dussehra, Lord Ramacandra's victory over the demon Ravana. We strongly felt that ascending Medjugorje Mountain was a victory over a desire to perform devotional service for some material gain. Our prayers to Our Lady and to Lord Christ is one of being their instrument for love and compassion in our attempts to spread Krsna consciousness. Please Srila Prabhupada overlook our foolishness by allowing us to be caring and tolerant toward others and more loving to Sri Krsna. Thank you dear Lord, for Your mercy today. Hare Krsna!

October 4 Croatia/Split Ekadasi

With much effort we were able to complete our Ekadasi vow of chanting 38 rounds. Maya appears to be moving in slowly but surely. We need to cry out for the mercy of Sri Sri Gaur Nitai, Srila Prabhupada and all the great Vaisnavas. "Please save this fool from sinking further into the depths of material existence. Place me under Your firm protection. May Lord Narahari burn away all my material contamination and keep me firmly at His powerful lotus feet. Krsna Help! Hare Krsna!"

October 5 Croatia/Split

Read, Read, Read- No doubt that is the need in order to catch up with the speed of the Holy Creed. Rejecting, neglecting the creed, will only cause one to get less from the bead, so don't dally with another need, and take the lead, by reading Gurudev's creed, and away you ride on a powerful steed that is without impede. Srimad Bhagavatam Ki-jay. Divine mercy is the need in helping to put our prayer into deed. Hare Krsna!

October 6 Croatia/Split-Karlovac-New Santipur

Love and love in separation, tasting the varieties and diverse flavors of both. Different but interdependent. Sweet and sweeter. Has any one area of thought or stream of academia delved into the mysteries and varieties of love as much as or as expertly as the Vaisnava tradition. Sages and saints of Lord Krsna's pastimes have deeply churned,

explained and revealed immense treasure troves of loving display never heard of or even imagined by any other area of organized religious thought. It is literally mind-boggling to hear and read about the love of Vrndavan with many of its seemingly unlimited varieties. An area of study and experience delineated by such great saints as Srila Rupa Goswami, Srila Jiva Goswami, Srila Viswanath Cakravarti Thakur, Srila Bhaktivinoda Thakur, and our Param Guru, His Divine Grace Srila Bhaktisiddhanta Saraswati Thakur and his illustrious disciple our beloved savior His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. Let us approach this vast ocean of love of Lord Sri Krsna by their guidance and learn the art of drowning and again surfacing in such love. All glories to the Vaisnava Acaryas. All glories to the object of everyone's love, Lord Sri Krsna of Vrndaban Dham. All glories to Prem Guru Herself Srimati Radharani and to Her display of love in this worldly realm as Sri Gauranga Mahaprabhu. A most magnanimous and most mysterious incarnation. Gaur Premanande. Hari Bol! Hare Krsna!

October 7 Croatia/Karlovac-New Santipur

We understand from the writings of the great souls the fundamental differences that make up the spiritual and material worlds. Two distinct, and separate realms of existence. Foremost in the difference is within the material realm, the emphasis is placed on one's own pleasure and the activities that one endeavors to bring it about. It is the realm of I, me and mine. In the spiritual realm the emphasis is solely on performing all activities for the pleasure of the Supreme Lord Sri Krsna. It is a realm of Thee, She and we. Krsna, Radha and the living entities conjointly serving each others happiness. It is the realm of true and lasting love in an unlimited varieties of expression. Krsna Consciousness, Srila Prabhupada's ISKCON is trying to create that environment in the mood of the spiritual realm. It is practically impossible. But possible when we see ourselves as beggars begging for the opportunity to serve and chant Krsna's Holy Names. Selfless service begins to develop by hearing of how the associates of Lord Krsna serve Him with love and always desire more service. We can only pray to desire that mood of perfection. We are praying for the desire to have that desire. We know that this world is simply a place of contrariness to the Lord that only leads to suffering. Begging for Srila Prabhupada's blessings for the enthusiasm to attain that consciousness that is pleasing to Sri Krsna and favorable for His service. With great concern we also beg our beloved spiritual master His Divine Grace to bestow his favor on those who have come to us for shelter. May they receive what they need to progress to the perfection of Krsna consciousness. All glories to Srila Prabhupada. Hare Krsna!

October 8 Croatia Karlovac-New Santipur

As I prepare to depart from the Balkans, I sense a future that will appear to be a radically different experience than what has happened in the past when I departed from here. This feeling is intuitive nothing more or less. What more can I learn, experience and contribute. The activities are the same but spiritual life is ever fresh and new. I want to do more to contribute to spreading Lord Caitanya's mission. Do more, learn more, surrender more, love more. Life is eternal, yet life in the body is temporary and very short. Seeing life eternal as a series of shorter versions in each physical sojourn allows one to act in the present and plan for the future, a future that culminates in the ever present association of Supreme. The beautiful cowherd of Sri Vrindavan Dham. At that point life resumes an awakening from a bad dream. Our prayer for now is to serve Him to our best capacity so he may be pleased with our sincere attempt despite how meager it may be. Holding tightly onto the lotus like instructions of His Divine Grace taking this opportunity to renew my determination to serve and surrender. May all of whom have accepted me as their Guru be blessed with Srila Prabhupad's mercy. Hare Krsna!

October 9 London-BV/Manor

"Reflecting on the day's events". Although a feature of inconvenience, the plane ride allowed Srila Prabhupad's powerfully words spoken on the beginning verses of the Second Canto of Srimad Bhagavatam to capture my full absorption for more than 2 hours. Five classes of how the foolish materialistic householder forever attached to his wife, and kids, forgets completely the goal of life and works hard simply to taste an insignificant drop of sense pleasure that bewilders his mind and leads him firmly on the path of illusion and continuous hardships. While this was playing on my mind it was being enacted by a fellow passenger and his family. The message of material attachment is so clear when we are equipped with the explanations by great saints such as His Divine Grace. I pray to pray like Queen Kunti who comparing her attachment to family wants that taken and replaced by a fervent attachment to Krsna's lotus feet. What hope do we have of achieving perfection in Krsna Consciousness other than the mercy of Lord Krsna Himself guiding us and purifying our material tendencies. Praying for firm attachment to the path of Bhakti. Hare Krsna!

October 10 London-BV/Manor

With great endeavor when something precious is gained although bringing one great happiness along with it comes the element of sadness

sometimes even distress. Gaining Krsna's association, His pure devotees lament that they will again lose it. A distress that overshadows the happiness of gaining. We at times can easily and naturally remember Sri Krsna and at other times remembrance is blocked. And the distress that comes from not remembering Sri Krsna causes one to try with renewed endeavor to remember Him. Whether easy or difficult, remembrance brings great satisfaction, peace and attraction. That remembrance that comes by greater endeavor is more sweet but the loss of Sri Krsna through failed remembrance is horrible. The eternal associates always remember Him and therefore their love is perfect. We are struggling to remember Him and sometimes we are overcome with forgetfulness failing to remember. Praying, please give me the ability to always remember to remember Sri Krsna and in that way life is successful. Does remembering Sri Krsna sometimes interfere with service to Krsna? Yes, it can, but still it is pleasing. But the highest is to serve Sri Krsna for His pleasure that is the perfection of remembrance as Sri Krsna remembers His dear devotees. Srila Prabhupada I am always overwhelmed by my desire to satisfy my false ego that I fail to properly serve and remember Sri Krsna. Please help me to always serve Him and His devotees in the best way possible. With love and attachment, all glories to the residents of Sri Vrindavan whose love for Lord Krsna is so strong that Lord Krsna always wants to feel the pleasure of their love for Him and not the pain of losing Him and so He acts. All glories to Sri Vrindavan Dham, the abode of pure love. Hare Krsna!

October 11 London-BV/Manor

Manchester England-12 hour kirtan. Very friendly yatra and devotees work very well together. Devotees came from many areas of the UK, especially New Castle. Although it is nearly 1.30 AM I am still feeling enlivened by the program. Praying that my attempt to offer the Srimad Bhagavatam class tomorrow will be acceptable. Dear Srila Prabhupada please bless your disciples who are under my shelter. They are sent by you so I will have the opportunity to serve you as your representative. Although I am not qualified with your mercy all success is achieved. Hare Krsna!

October 12 London-BV/Manor

O Lord! Dear Lord, Sri Krsna, O most lovable one, O most compassionate one! Please place Your powerful attractive glance upon this struggling soul whose mind is very restless and is always trying to find refuge in things and people. Draw Your attractive force towards my mind and keep it fixed on Your name, form, amazing qualities, and sweet pastimes. In my efforts to be focused only on You I meet defeat as the mind wants to

run after the forms of this world, not attached, but attracted! Without the mercy of my beloved spiritual master-who is always offering but I am always neglecting-how is it possible to reach the shade of your lotus feet away from the dangerous rocky coast of material attraction. All glories to Your form as Sri Damodar. His appearance in this month of Kartik acts to flood our mind and heart with spiritual happiness. May His transcendental form and pastimes transform ourselves into His loving devotee.

Hare Krsna, Hare Krsna, Krsna Krsna, Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare

Jai Sri Sri Radha Damodar!

October 13 London-BV/Manor

Keep good health or at least strive to increase the quality. Health is wealth or perhaps actual wealth is health. Maintain the body as it is the place where God resides with His friend. May Srila Prabhupada overlook our numerous faults and keep us close to Sri Krsna. Hare Krsna!

October 14 London-BV/Manor-Krsna Kirtan's Home

Imperial College-prestigious institution. A presentation, "Freedom in Captivity." The way out of suffering, yet one cannot avoid bodily discomforts. The mind is happy because it is away from the material realm. Students seemed receptive although history has shown Imperial College is a tough place to make change. One student who challenged in a respectable way and was quite difficult to convince yet he said he would like to learn more by reading the Bhag.Gita. May he be blessed with Srila Prabhupad's mercy! May Srila Prabhupada remember those who have come to him through me and bless their efforts to become Krsna Conscious. All glories to Sri Krsna's Holy Name. That which sustains is bless by the Name. Hare Krsna!

October 16 Mumbai-Sri Sri Radha Gopinath Mandir

As a reflection of an object has the appearance of the object reflected yet it cannot be called the object as it is simply a reflected image, which is without the essential substance of the object. So in this analogy we can understand that the outward characteristics of Krsna's pastimes with His beloved gopis and Their transcendental qualities are far different in quality than the interaction of boys and girls in this material realm. The reality is complete and filled with happiness for all whereas the reflected material image although apparently similar in appearance is without the substance of real happiness. Actually it is based on exploitation rather than love. O devotees, please don't become fooled by the material counterpart of Krsna's lilas with the gopis. Its only characteristic is its outward semblance and nothing else. May all my disciples be blessed to

take up the chanting of prescribed rounds with greater enthusiasm. Thank you, Srila Prabhupada. **Note:** October 15th was omitted due to journeying from London. Hare Krsna!

October 17 Mumbai-Sri Sri Radha Gopinath Mandir

One of the hottest times of the year. An adjustment that is not smooth. This helps us to remember that the material existence is fraught with continuous difficulties and many inconveniences. The solution to always remember Lord Krsna, and to understand that this is the essential nature of material existence with its temporary features which causes one to see dualities and seek betterment. In any state it is all meant to direct our attention to adjustment rather than taking shelter of Krsna. With continuous exposure to Srila Prabhupada's words we are edified and uplifted to the platform of transcendence away from the constant changing feature of material existence. Happiness and distress; it is all temporary and subject to mundane mis-interpretations. Take full shelter of chanting Krsna's Holy Name and understand Truth through the words of Srila Prabhupada and engage fully in the service of Sri Sri Radha Gopinath Sri Caitanya Mahaprabhu Sri Nityananda Rama. Jai Gopalji! Hare Krsna!

October 18 Mumbai-Sri Sri Radha Gopinath Mandir

The pastimes of Sri Krsna in Sri Vrindavan Dham are an unlimited, unfathomable, unexplainable, inexhaustible, ocean composed of pure love, decorated with varieties of ornamentation of enhancement, sweet with various favorable taste. That realm is hardly understandable or even attainable only by a few rare souls. Lord Caitanya brought that realm of love to the purview of the world by His ecstasy for Himself in Radha's mood. Studying Mahaprabhu's lilas as explained and described by the great acaryas is the only means to glimpse this divine realm and move forward with merit to aspire for Vraja's service. May the acaryas who have realized that pure realm of divine love along with my beloved spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada who is a eternal student of that divine realm bless me with a drop of this rare Bhakti. Gaur Prem, Radha Prem, divine love perfected. Hare Krsna! Sri Harinam Sankirtan Ki-jai!

October 19 Mumbai-Sri Sri Radha Gopinath Mandir Ekadasi

Hey Gauranga! The austerity of chanting extra rounds was tested by sickness and much fasting. We cannot control anything hopefully our minds by always remembering Sri Krsna. That is our victory! "Satatam kirtayanto mam". May Srila Prabhupada be pleased by our effort to serve and surrender more. Hare Krsna!

October 20 Hospet nearby Hampi

With a delay of a day we will now begin honoring this sacred area. The appearance place of Vrajarangji, Sri Hanuman. All glories to that powerful warrior who single handedly laid waste to the countless enemy soldiers of Ravana's army. The rescuer of Mother Sita and the glory of Ramacandra's army. May we honor his glorious appearance and heroic pastimes with great eagerness and attention. All glories to Srila Prabhupada who like Lord Ramacandra crossed the ocean to rescue the Goddess of Fortune, simultaneously amassing a great monkey army whose fighting is conquering the Ravana fortresses of today. May this monkey like writer learn the art of fighting for Truth from the example of Sri Hanumanji. Jai Sri Ram! Hare Krsna.

October 21 Hospet-Krsna Hotel nearby Hampi

Today lunch prasada with my senior godbrother Sesa Prabhu and Varaha Swami from Gaudiya Math. This offering is only two prayers. One, thank you Srila Prabhupada for sending me such a disciple. Mother Visnu Priya whose devotion to Sri Giriraj is deep as an ocean, her love for and attachment for Govardhan Dham is naturally a continuation of her previous life. May she be blessed with every opportunity to continue her loving service to Sri Govardhan Lal and Sri Radha Kund. And may all others who seek my guidance be blessed with the mercy of Kartik month. Let everyone be happy in devotional service to Sri Sri Radha Damodar. All glories to pure loving devotional service. Nothing less is acceptable. Jai Srila Prabhupada! Hare Krsna!

October 22 Hampi-Yatra/Day 1

We need to remember Sri Krsna more and detach ourselves from any idea of self-importance. The yatra ideally provides the environment to learn about Sri Hanuman and His glorious feats in selfless service to Sri Ramacandra Bhagavan. I pray to be in a mood of service and have no expectations. Srila Prabhupada demonstrated the service mood of Sri Hanuman by returning the Goddess of Fortune back to the Supreme Lord, the proprietor and enjoyer of everything. All glories to HH Radhanath Maharaja. Hare Krsna!

October 23 Hampi-Yatra/Day 2

Much Ram katha! Hanuman's service to Lord Rama. What can we learn along with the mercy that naturally flows from HH Radhanath Swami's yatra. The mode of selfless service with love! Love is the impetus for service. Aspire for the highest knowing that it is our success if the Lord is pleased everything else is achieved. Srila Prabhupada, this disturbed

monkey is never satisfied. Please feed him with the mercy of remembering always Ram, Krsna, Gaur Nitai, Nrsingha! Hare Krsna

October 24 Hampi-Yatra/Day 3 Govardhan Puja

All glories to Sri Hanuman who smashed Ravana's Ashoka Grove, burnt half his city, killed his sons, humiliated the demons, flew across the Indian ocean, found Mother Sita, saved Laksman by bringing the mountain with its healing herb and endlessly pleased Sri Ramacandra with his powerful loving service. We pray for his mercy so we can be empowered with unbreakable determination to serve Srila Prabhupada and Gaur Nitai by helping the conditioned souls to awake to their eternal nature as servants of the Supreme Lord. Jai Jai Sri Hanumanji! Jai Giri Govardhan! Hare Krsna.

October 25 Hampi-Yatra/Day 4

Ram Lila is amazing. The Supreme Lord Sri Rama orchestrates His worldly pastimes to attract, absorb and spiritually uplift our hearts, mind, intelligence and life. Spoken by a pure soul who lives only to serve His mission the lilas takes one to a spiritual dimension and destroys our attachments for anything in this drab world. Tomorrow begins the second half of the yatra which will commence in Udupi, where the expansion of the wind God orchestrated his pastimes as the great saint Sri Madhvacharya. All glories to Srila Prabhupada who is fulfilling the mission of all sampradayas. Hare Krsna!

October 26 Hampi-Yatra/Day 5 -Udupi

Holy place, great lunch, HH Radhanath Swami's association. An 8 hour car ride through the secondary roads to Udupi. Tomorrow we remember His Divine Grace and honor his mercy upon this planet. His Tirobhav becomes the focus. May I develop deeper appreciation. Aspiring to become a victim of and a vessel for mercy. Hare Krsna!

October 27 Udupi-Day 1

Disappearance of His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. Dearest Srila Prabhupada although you are no longer manifesting your physical form we are strongly feeling your presence. Each day without fail we listen to you speak that knowledge that is the purpose of life and the topmost of all. Your realizations are pure Vedic scripture, as it gives awareness of Sri Krsna and expertly directs one how to serve. Your books are filled with the highest expressions of your pure devotion for Lord Krsna expressed through the conclusions of all Vedic sastras. Your profound and emphatic statements glorifying the purpose and practice of chanting Krsna's Name leaves us with certainty that this

is the conclusion of all Vedic thought. You are non-different from a wish-fulfilling tree as it delivers its sweet fruits of prema bhakti. On this day of the anniversary of your departure from this world, we prayerfully desire to renew and revitalize our service to you, with the added prayer of; please help us accept your mercy more so we can please you more. Hare Krsna!

October 28 Udupi-Day 2

A day for rest, health recovery and additional japa along with a pleasant encounter with Tejiyas Prabhu. It's all the mercy of Srila Prabhupada as we are begging for protection and becoming fixed in devotion. Hare Krsna!

October 29 Udupi-Day 3

Malpe beach. Temple of Sri Baladeva, older brother of Lord Krsna. Beautiful dark color. Different. Came to Udupi by the grace of Srila Madhvacharya. His pastimes and qualities are amazing. One has to visit to receive the powerful mercy available. Tomorrow we are honored and privileged to offer some words. We feel completely unqualified to do justice to the subject of Srila Madhvacharya. Praying that my beloved spiritual master, eternal father will speak what he wants us to say in a way that is uplifting to everyone. All glories to Pajaka Ksetra the divine appearance site of Srila Madhvacharya. May his glories and life inspire us with knowledge of devotion. Srila Madhvacharya Ki-jai! Sri Pajaka Ksetra Ki-jai! Srila Prabhupada Ki-jai! Gaur premanande! Hare Krsna!

October 30 Udupi-Day 4

The glories of Srila Madhvacharya are a deep unfathomable ocean of incredible feats of devotional prowess enhanced with miraculous feats of physical power. His birth place Pajaka Ksetra blessed us with the service of speaking his glories and chanting japa. We soon depart keeping fresh our memory of the mercy we have received. Let's be inspired to share our good fortune by glorifying Sri Udupi Ksetra, Sri Pajaka Ksetra and Hampi. All glories to Srila Prabhupada! His mercy has caused a tidal wave of spiritual energy to descend upon all those who are fortunate to simply accept it. Hare Krsna!

October 31 Udupi

Udupi Krsna, Bal Krsna, so attractive, so much present in His Deity Form. A joyful darshan, fully satisfying only His mercy. I am very fallen and there are no limits to my false pride which is always seeking attention and adoration. My case at one time seemed to be hopeful, now not. My body or rather the body that I have received via Your material energy is

gradually becoming more unable to function. I am not afraid of death yet I feel I should do more to spread Lord Caitanya's mission. My disciples are all very neophyte. With a few exceptions mostly their involved in maintaining family life and unable to become fixed in devotional service. Dear Srila Prabhupada please give them your mercy as I offer them up for your service. Bless them with a strong desire to hear and chant Sri Krsna's name and glories. Bless them with intelligence to see the futility of all material endeavors. All glories to Sri Udupi Krsna. The moon among the stars. Hare Krsna!

November 1 Coimbatore-Health Clinic

Aside from the health care we are undertaking which will be for at least 3 weeks we are anticipating relief from the austerity of travel. May this endeavor allow me a renewed inspiration in my service to Srila Prabhupada. The place is nice with a mandir situated at it's center. All glories to Srila Prabhupada who is expert in balancing his health care with all of his many services. Gaur Premanandi! Hari Hari Bol! Hare Krsna!

November 2 Coimbatore-Health Clinic-Day 1

Getting adjusted to a slower pace. We're under the care of Lord Krsna in the form of a health system. Tomorrow we move in the direction which will be the norm- total body focus. Health is wealth. The body belongs to He who created it. We am just a proprietor taking care of Lord Krsna's property. Maximizing serving must be the goal and the focus. May Lord Dhanvantari glance His favorable glance upon this struggling jiva and grant him increased stamina for service. The service of Sri Sri Radha Gopinath of Sri Vrndavan Dham. Jai Srila Prabhupada! Hare Krsna!

November 3 Coimbatore-Gaur Kishore Das Babaji Disapp.- Ekadasi.

Hey Radhe, please bless me to remember with great joy Your ambrosial pastimes in evening sports with Your beloved Krsna. What else is there to aspire for that can fulfill our longings for spiritual happiness. Absorbed I find everything in You and Your service. May I, some fortunate day, become one of Your associates in Sri Vrndavan Dham to serve and please You eternally. Foolish I am, asking for such a lofty position but I am unable to see life's goal in any other way. May Gauranga Mahaprabhu engage me in spreading Your Holy Name and may my eternal guide and spiritual master, His Divine Grace A.C. Bhaktivedanta Swami Prabhupada's words direct me to your lotus feet. Hare Krsna!

November 4 Coimbatore-Ayurveda Clinic-Day 3

Feeling fortunate to have the association of Sivaram Maharaja, Niranjana Maharaja and Badri Narayan Swami along with many other wonderful Vaisnavas. I am feeling great unhappiness. The association of my God-brothers and other Vaisnavas is the only happiness we know. May they be merciful unto this fallen soul and again allow me into their wonderful association. All glories to Sadhu Satsang, the glory of Srila Prabhupad's ISKCON. Hare Krsna!

November 5 Coimbatore-Ayurveda Clinic-Day 4

Recently we received news that Urjasvat Prabhu departed. I recall him from my earlier days in Krsna Consciousness. A person who was attached to chanting kirtan and he was noted for that. A little on the heavy side in correcting others for their lack of enthusiasm but he was generally correct. We pray he received the mercy of Mahaprabhu and can continue to chant kirtan wherever he goes. All glories to His Grace Urjasvat Prabhu who loved kirtan. May Srila Prabhupada continue to use his service to spread Krsna Consciousness. Hare Krsna!

November 6 Coimbatore-Ayurveda Clinic-Day 5

Broke with my routine and accompanied HH Sivaram Maharaj to a public program. Surprisingly I was asked to speak and followed Maharaj's talk on the glories of Srimad Bhagavatam. The people who attended seemed extremely pious and very well behaved. By the mercy of Srila Prabhupada coming through HH Jayapataka Maharaj the preaching is nicely developing. HH Bhaktivinode Maharaj is also based here. All glories to Srimad Bhagavatam which we cannot glorify enough. An incarnation of Lord Krsna in literary form. Hare Krsna!

November 7 Coimbatore-Ayurveda Clinic-Day 6

Dear Srila Prabhupada please allow this fallen disciple to offer my most humble obeisances at your divine lotus feet. I have a prayer to offer that is a request. I am positive many senior Godbrothers have made similar prayers as it is most essential that our movement, your ISKCON remain united. We see that many major religions of the world have divided themselves over issues. Please allow us to remain united as one group although we may seriously disagree on certain important topics and issues. Therefore, our humble prayer is please make your desire known to all those GBC men who are at odds on the women's guru issue. As we have faith in you all will cooperate according to your decision. Although you have given us everything still there are those who cannot fully understand clearly. Your voice is strongly needed. You are always with us please help us to understand your desires which is the desire of Sri

Krsna. All glories to the devotees on the GBC they are trying to serve you in the best way possible. Hare Krsna!

November 8 Coimbatore-Ayurveda Clinic-Day 7

We have concluded the first of 3 phases of the treatment. Phase I- preparing the body- Phase II- intensive-Phase III rejuvenation. Praying that in the upcoming phase which is understood as the most difficult we will constantly remember the lotus feet of the Lord and His great devotee. Hare Krsna!

November 9 Coimbatore-Ayurveda Clinic-Day 8

Still kicking riding the waves of Ayurveda. No doubt it's good but we weren't ready for what came. We are generally slow learners but once we get it-it's gotten. OK. Day 2 of Intensive is upcoming. What's sad is that the devotees are leaving soon. Badri Narayan Maharaja departed today, Sivaram Maharaja, Niranjana Maharaja, Tejiyas Prabhu are all leaving in 2 days. Their association is keeping me up. Yet whatever the situation remember Sri Krsna with love and eagerness to serve. Praying to remember the words of Srila Prabhupada that are powerful astras that destroy illusion instantly. What happens to the body doesn't happen to you. Do you believe it, it's the Truth. Keeping the machine fit for service that's all. Hare Krsna!

November 10 Coimbatore-Ayurveda Clinic-Day 9

Hey Gauranga! Hey Nitai! Srila Prabhupada! Unable to properly swim in this immense ocean of oil, gradually sinking. The devotees that were undergoing treatment all departed today. Their association inspired me to be cheerful throughout this health ordeal. Seeking full shelter at the lotus feet of Srila Prabhupada begging for his mercy to understand deeply that what we are undergoing as a health treatment is meant to fortify physical stamina in my service as a traveling sannyasi. May we remember Krsna's lotus feet throughout. Hare Krsna!

November 11 Coimbatore-Ayurveda Clinic-Day 10

They say that health is wealth. Rightly so as we spend wealth to maintain and retrieve health. But like everything related to the physical body it is also temporary. Real health is to regain our lost, naturally healthy position as eternal servant of the Supreme. With that focus then we maintain our physical health in order to serve in the best way possible. In the case of a sannyasi travel is ongoing and one's body has to endure the rigors of travel. Srimad Bhagavatam states one should desire only a healthy life in order to pursue the real goal of life-self realization. So we continue with this vrata knowing it has benefits yet we are finding it difficult to remain

enthusiastic. May Dhanvantari the Lord of medicine be pleased with our endeavor to serve by our setting aside time to generate health. May Srila Prabhupada be pleased and inspire us to preach more and better. Hare Krsna!

November 12 Coimbatore-Ayurveda Clinic-Day 11

Preaching through the internet, it keeps me somewhat in the fire. Endeavoring to use time wisely as it's easy to pass time unproductively in this present situation. Much reading and some computer work. My japa appears to be improving at least since the time of arrival. Dear Srila Prabhupada guide me as you desire we are your puppet. Please make me dance to the melody of your instructive guidance in all situations, persons, places and states of existence. All glories to Krsna's Holy Name. It is inconceivable to even imagine that people can live from day to day without chanting Your Names. Most probably they are fixed in love for You or just oblivious to life's real happiness. All glories to those devotees whose chanting inspires others to chant. Hare Krsna!

November 13 Coimbatore-Ayurveda Clinic-Day 12

Signs of restlessness are appearing. Normally we are preaching, making plans for preaching, traveling to preach. Studying. When traveling we desire to stop, when stopped we desire to travel. **I want** is the problem. Lord Krsna has nicely arranged for this time for rejuvenation of health. It is my dutiful service to accept and benefit as much as possible from this treatment. This time is an opportunity to plan the upcoming days, this is already on my mind. Tomorrow we move to another location within the hospital. No doubt it will be a smaller room, by change may bring a renewal of desire to maximize my stay here. In any case we are learning or rather arranging for a better and more healthful diet when released. All glories to Lord Dhanvantari, the maintainer of health for His devotee. All glories to Sri Krsna's Holy Name the provider of eternal life of bliss and knowledge. All glories to Srila Prabhupada best within the category of ananya bhaktas. Hare Krsna!

November 14 Coimbatore-Ayurveda Clinic-Day 13

We have been shifted to a smaller cottage. It has advantages and like everything in life there are disadvantages. The doctors have extended my treatment for an additional 10 days. We're alright with that as this added treatment affords a better chance of a healthier outcome. Everything a devotee does is in the hands of the Lord. We are only trying to remember Him and comply with the health routine. In the previous cottage sleep was continuously interrupted. This place seems a little cooler so that may help. Praying to keep my focus on the lotus feet of the

Lord and do the needful. Everyday we pray Brahma Samhita prayers chanted by Svarupa Damodar Prabhu disciple of HH Radhanath Maharaja. We are experiencing great spiritual energy from hearing these beautifully spiritually saturated prayers of Lord Brahma. All glories to Srila Prabhupada whose mercy continuously flows engulfing the entire world with good fortune. Hare Krsna!

November 15 Coimbatore-Ayurveda Clinic-Day 14

We can recall when we first underwent a health vrata similar to this. It was December 2007-January 2008. A month at Tan May Goswami's Ayurvedic Clinic in Udupi. The austerity seemed greater with prasada, association and the intensity of the treatment was greater. Somehow we lasted although we can recall many more difficulties. Perhaps we were more inclined to austerity then. Now it is much more natural with the professionalism of these doctors and the concerned service of the staff. The atmosphere here is more sattvic. But now we feel eager to move on. We must constantly renew our reasons for coming and understand its long-term benefits. We need only to accept this as the best possible way to serve at this time. We feel we've becoming less tolerant than years gone-by. O'Lord whatever you send my way or allow to happen we accept gratefully. That's my desired prayer. Srila Prabhupada's difficulties in spreading Krsna Consciousness tower far above our puny ones which in reality are only inconveniences. Actually the only difficulty is we tend to forget the lotus feet of Sri Krsna. Hare Krsna!

November 16 Coimbatore-Ayurveda Clinic-Day 15

Whatever Lord Krsna sends or allows, a devotee accepts as an impetus for greater and more perfect remembrance of His lotus feet. Accepting this treatment is not at all difficult. But being limited in movement and greater restrictions on diet causes some restlessness. We are down to 2 days of the "intensive" and we feel curious to see and eager to enter into phase 3 "rebuilding." It is all about the body but it's about improving future travels. Dear Lord our foremost desire is to remember You more and to see how to improve and increase our service to Srila Prabhupada and to Your lotus feet. May the oil of massage enter deeply as to lubricate my enthusiasm for Your service. Hare Krsna!

November 17 Coimbatore-Ayurveda Clinic-Day 16

As the body is being treated for illness and toxins removed may also the Holy Name of Sri Krsna which is the ausadhi in this Age of dissension remove the barrels of toxins from my heart and mind and leave only an elixir of love of Sri Krsna. The real disease and the cause of numerous others is our forgetfulness of our position as Your eternal loving servant.

The Holy Name is the powerful medicine and service to and association with devotees is the formula for happy life. All glories to the great souls who have mastered the process and are teaching it to all others. Jai! Srila Prabhupada. Hare Krsna!

November 18 Coimbatore-Ayurveda Clinic-Day 17

Preparing for treatment rebuilding. Third and final phase. Synonymous with devotional life-practice-purification-devotion. Material life reflects the many varieties of ways and principles of activity the pure soul can have with Lord Krsna. Because prakrti comes from Purusa it has many of the same characteristics. The difference and a major one is everything here is temporary and ends in misery. Only by the grace [kindness] of the Lord's pure representative can we see, cleanse and remove ourselves from all that is miserable. Dear Srila Prabhupada the coverings of Maya have captured our sense of discrimination. Please kick out all that is an illusion and establish us on the clear and direct path back to Sri Krsna. We want to be with Sri Krsna and yet we want to sincerely carry out His message of reaching out to the fallen souls. Please show us the way of achieving both. Hare Krsna!

November 19 Coimbatore-Ayurveda Clinic-Day 18

Feeling restless, restrictions are becoming more difficult. We need to take shelter of Sri Krsna's name, form, pastimes. Tomorrow we'll go outdoors for the first time in 12 days. Some exercise, some air. Take shelter of Sri Krsna's Name and pray harder for Srila Prabhupada's mercy. Hare Krsna!

November 20 Coimbatore-Ayurveda Clinic-Day 19

Lesson-Unless a person has achieved the level of pure devotional service, they are still to some degree influenced by the four defects. Because the senses are imperfect we become illusioned, because we are illusioned we make mistakes, and when we make mistakes we sometimes try to cover them therefore cheating ourselves from improving. Humility hastens honesty, honesty hastens improvement, improvement means freeing oneself from all defects. The greatest fault or defect is to think you have none. That mentality causes one to become proud and false pride will lead to offenses and offenses cause one to lose the taste for service and when that proliferates it causes falldown. Srila Prabhupada I pray to always remember to remember how much we are dependent on your mercy and on the mercy of the Lord as it appears through various channels. Free us of any false sense of worth and free us into the chanting of Sri Krsna's holy name with dependence,

devotion and enthusiastic service. All glories to your mercy upon us.
Hare Krsna!

November 21 Coimbatore-Ayurveda Clinic-Day 20

Are we receiving any improvement from the treatment? Time will tell. Eating more simply, reading regularly, catching up on back computer work, preaching through internet, planning upcoming travel and programs along with meeting devotees from the local ISKCON temple and others. When the opportunity arises associating with HH Bhakti Vijnana Maharaj whose undergoing a similar treatment. Occasionally accepting the wonderful darshan of Lord Dhanvantari in the campus Mandir surrounded by nicely arranged forest scenery. Patience and chanting Hare Krsna are the main focus. Praying to Srila Prabhupada that we will maintain and increase our service once completed the treatment. Developing a deeper appreciation and attraction for hearing and learning Sri Brahma Samhita, which continuously chanted accompanies the treatment. All glories to Sri Krsna's Holy Name one cannot find a more merciful manifestation of Lord Krsna than Sri Krsna Caitanya Mahaprabhu whose only focus is chanting and distributing:

Hare Krsna Hare Krsna Krsna Krsna Hare Hare/

Hare Rama Hare Rama Rama Rama Hare Hare.

Gaur Premanande! Hari Hari Bol!

November 22 Coimbatore-Ayurveda Clinic-Day 21

The place where the Holy Name of Lord Krsna is not chanted is hell, no matter how materially nice it may appear. Wherever Your Holy Name is chanted, dearest Lord Krsna, that place is Vaikuntha and where it is chanted with deep reverence and love it transforms that place into the holiest of places. All glories to Your sacred, revered Name without which life is death and with it death is non-existent. The blessed feet of Sri Guru delivers the mercy of the Holy Name into the mind of the eager disciple who worships Sri Guru as good as the name itself. All glories to Srila Prabhupada. This hospital is tolerable only because of Guru's mercy and Sri Krsna's Holy Name. Hare Krsna!

November 23 Coimbatore-Ayurveda Clinic-Day 22

Jagannath Baladeva Subhadra Ki-jai ho!

Sri Sri Gaur Nitai Ki-jai ho! Gaur arati Ki-jai ho!

Nrsinghadeva arati Ki-jai ho!

Sama veta bhakta vrinda Ki-jai ho!

Sri Nam Prabhu Ki-jai ho!

Sri Sri Radha Gopinath Ki-jai ho!

Srila Prabhupad Ki-jai ho!

Grateful for the break from the clinic and the opportunity to speak at the Sri Jagannath Mandir. We hope we were able to add something to the life of the devotees. By the grace of Srila Prabhupada everything spiritual, beneficial is continuously unfolding. May HH Bhaktivinode Maharaja's leg heal quickly. We offer him our humble obeisances. Hare Krsna!

November 24 Coimbatore-Ayurveda Clinic-Day 23

Counting the days for being released from this maze which has covered my gaze and created a haze yet only a phase we must endure until we can dance up a craze in love of the One who create a path with many ways-Jai Sri Krsna. Jai! Srila Prabhupada! Health is wealth but not that it overshadows my spiritual zeal. Tomorrow the purge it will come like a surge hoping to avoid the merge of this inevitable durge. All glories to Lord Krsna's Holy Name, it is the only hope to become sane, never inane, free from blame, always the same as the one who is Named. Jai Sri Nam Prabhu! Gaur Premanande! Hari Hari Bol! Hare Krsna

November 25 Coimbatore-Ayurveda Clinic-Day 24

Success! That's what the doctor said. A day of rest in the bed. It's not over, pastures of clover is not a stopover. More to come, build up the "deha" body. Finished with the pottie waiting for the energy for greater synergy in our humble attempt to assist in distributing His mercy. That's what it's all about, no reason to pout, this body is just a big clout then it falls out. Until then get up travel keep on the road until it leads me to the place where travel unloads. Sri Krsna's lotus feet, everything else is not sweet, keeping the mind on the goal and in that way avoiding illusion's toll. There's nothing here to live for and nothing to lament for. Back home back to Godhead, everywhere else is dead head. Srila Prabhupada's mercy is the only way home. Hare Krsna!

November 26 Coimbatore-Ayurveda Clinic-Day 25

Janakinath Prabhu departed for Mumbai on his way to London to begin the Christmas book marathon. We sincerely wish him all success in distributing Srila Prabhupada's mercy to the conditioned souls and pray he excels in his Krsna Consciousness. We are grateful for his service here at the clinic. We are eager to depart still there are three days left for treatment. Ambivalence is the feeling yet mostly eager to return to the preaching arena. In any and all situations remember Sri Krsna's Holy Name, His sweetmost nature, His all attractive form and extraordinary pastimes. HH Sivaram Maharaja's "Nava Vraja Mahima" has fully attracted my interest. We have our plans and Lord Krsna has His. May Srila Prabhupada guide us more in realizing His plans. Glories to Sri Krsna's Holy Name! Hare Krsna

November 27 Coimbatore-Ayurveda Clinic-Day 26

The longer we stay the more we look forward to leaving. A privileged prisoner captivated by the need to care for the body. Plenty of time for reading, chanting and catching up on smaller services, e-mails are up to date. We long to get back into the forefront of preaching. Dear Lord, by remembering you through this vrata it becomes easier. Desiring to fully learn the art of loving remembrance which destroys the shackles of material time. Every soul that has made it out of the world has undergone great austerity and tolerated the onslaught of the material energy. Give me remembrance of this struggle and the shelter of Srila Prabhupada's lotus feet. Hare Krsna!

November 28 Coimbatore-Ayurveda Clinic-Day 27

Last full day-Hurrah! today will make my day too long a stay, little chance to pray to the children astray who only want to play therefore causing delay in meeting that sought after day when they can leave the world of decay and enter a life of eternal play with that Boy who is a brilliant ray of love causing much gay. Jai Sri Sri Radha Shyamsundar! Dear Srila Prabhupada a few of our female disciples who have dedicated their life and service to you need to settle their ashram. If you so desire please help them move more swiftly towards fulfilling that need. All glories to your mercy on us! We are feeling immense joy and get spiritual benefit daily listening to your Srimad Bhagavatam lectures. Priceless gems from the past that with time increase in value and merit. Hare Krsna!

November 29 Coimbatore-Ayurveda Clinic-Day 28

27 full days, plus two half days-28 days of health vrata. Carrying back 4 kgs of oils, medicines, it continues. Maintaining the body (stithi), pralaya will eventually come, that's in the hand of God. We do not lament nor eagerly welcome it. As sastra says we hope to become like a dekhi machine for husking wheat. Wherever you put it, it does the same. A devotee serves his best wherever he is placed, and always chants Sri Krsna's Holy Name. Dear Srila Prabhupada please bless these ladies who have come to your shelter and are in need of a stable material situation. Only by your mercy and power can we offer them the same guidance you are giving us. Please help them to become happy in your's and Sri Krsna's service. Thank you for hearing this humble prayer. Hare Krsna!

November 30 Coimbatore Mandir-Sri Sri Radha Gopinath Mandir

Begging to be of some service to the devotees. This is our life. To serve, appreciate, sacrifice, and love the devotees while simultaneously thinking

of ways to spread Krsna Consciousness. We are low, lazy, without any concern for others and prone to suffering. Srila Prabhupada please invest in me a drop of your oceanic qualities of compassion. Thank you. Hare Krsna!

December 1 Sri Radha Gopinath Mandir-Govardhan Eco Village

One month remaining at one place, the last three days, three different places. My dharma -seva dharma-is to travel. We keep traveling until we reach the end of our material sojourn-back to Godhead! Bhaktivinode Thakur prays; "aparadha guchi suddha nam ei ruci". When 'O when will that day be mine when my offenses ceasing the taste for the Holy Name increasing. When 'O when will that day be mine? When O when will I be able to end all traveling? When will I accept traveling and not traveling, as same. Better to say, when we are fully surrendered to the lotus feet of Srila Prabhupada and accept all inconveniences and difficulties with an open and grateful heart. Then traveling and staying will become one in loving service. Praying to become a more surrendered servant. Hare Krsna!

December 2 Govardhan Eco Village - Ekadasi

Days are hot, morning becomes quite cold. Quiet, ideal place for writing, study and resting away from the rigors of travel. HH Radhanath Maharaja has once again established through his surrendered and qualified devotees an ideal place to attract yoga practitioners from around the world to a setting suited to yoga along with the opportunity to hear about and learn Krsna Consciousness. A most incredibly successful project both in the view of the progressive materialists and the ISKCON devotees. All glories to his amazing service and his dedicated devotees. Always humble, never accepting credit he continues to spread Lord Caitanya's mission and message to people from all walks of life with his purity and expertise in visualizing more and newer ways of attracting the conditioned souls to Bhakti Yoga. We can only praise his powerful achievements and assist whenever possible. Despite or rather amidst this dynamic project Maharaja's health remains precarious. Still he perseveres with great intelligence and full devotion. That is obvious. From our side for whatever it is of worth and value we humbly but with great conviction offer prayers at the lotus feet of the Lord praying 'that if He so desires please improve Maharaj's health'. In the spirit of concern and as His Divine Grace has taught us we offer a prayer for his improved health and continuation in successfully bringing Krsna Consciousness to thousands of souls worldwide. Srila Prabhupada is duly glorified. Tathastu! Hare Krsna!

December 3 Govardhan Eco Village

Dear Srila Prabhupada, all glories to your compassion on the fallen souls of Kali Yuga of which we are included. But by your expert guidance we are understanding that the shelter of your lotus feet and chanting the Holy Name is the way out of my fallen condition. Please place your transcendental guidance on my mind always and in the lives of those who have come to You through my service to you. They are mostly neophyte but very sincere. Thank you. Hare Krsna

December 4 Govardhan Eco Village

Feeling the desire to preach, to speak and to reach, with a message that will teach, never to be impeached, nor causing one to leech, to benefit each, by the power of speech. Srila Prabhupada I am eager therefore I beseech, your mercy as my way to preach-more. Hare Krsna!

December 5 Govardhan Eco Village

If you haven't as yet visited Eco Village please place it on your travel agenda. A most ideal environment for spiritual practice along with much facility for rest and recuperation. Still in its growing stages it is attracting yoga people worldwide. Booking for rooms is well in advance. We are so fortunate to have the place as a rest after Ayurveda in Coimbatore. 2015 GBC meetings are scheduled to be held here. The word is spreading. All glories to H.H. Radhanath Swami Maharaj, by his pure selfless service to Srila Prabhupada's mission, continuous projects are starting and developing successfully. We pray Maharaja's health improves as our offered prayer to Sri Krsna. Praying to use this time as a springboard for increasing my service to Srila Prabhupada. Hare Krsna!

December 6 Govardhan Eco Village

After five weeks of focusing mainly on health we're feel the strong urge to resume active preaching. Preaching through the internet is good but personal contact is more effective and much more fulfilling and inspiring. We would like to open some newer areas perhaps the West coast and Hawaii will provide an opportunity. Preaching to the choir is necessary but moving into the areas where the materialists play and live would be a welcomed challenge. Difficult yes, no doubt but Srila Prabhupada wanted us to take a risk for Sri Krsna. By Lord Krsna's, Lord Caitanya's mercy the difficult becomes easy. Praying my disciples receive the mercy needed for their advancement. Please purify their mixed desires. All glories to Sri Krsna Sankirtan. Gaur premanande! Hare Krsna!

December 7 Govardhan Eco Village

We were feeling very happy while speaking the glories of HH Radhanath Maharaja. Two and a half hours wasn't enough time to complete our heartfelt appreciation and glorification of Maharaja. Today according to the solar calendar is his appearance day. Many thousands of devotees, disciples, friends and others will spend time today hearing about his achievements in spreading Krsna Consciousness. Today's program will include many accounts of devotees' experiences with many tributes to the astounding qualities that exemplify a pure devotee and his triumph in reaching countless persons with Lord Caitanya's mission and Srila Prabhupada's message. Praying to become an assistant in some small way and also please Srila Prabhupada by my mice like attempt to preach. Grateful to the devotees who arranged today's program. All glories to Sri Sri Radha Vrndavan Bihari the presiding Lord of Govardhan Eco Village. Hare Krsna!

December 9 Govardhan Eco Village

Dear Srila Prabhupada, please accept our most humble obeisances. All glories to your mercy upon your disciples. Tomorrow we are celebrating the Divine and supremely auspicious anniversary day of the disappearance of your greatly empowered Guru Maharaja, beloved to us as param guru and constant source of spiritual inspiration. We are very unqualified and that list of deficiencies is too numerous to count or even recall. Yet we're blessed with the honor to speak the glories of His Divine Grace to an assembly of respectable and venerable Vaisnavas.

Who am I? Only your most insignificant disciple. How will it be possible to accept such a noble task and do justice to all involved.

“Mukham karoti vacalam pangum langhayate girim
yat kripa tanaham vande sri gurum dina tarine”

Therefore, with folded hands and a mind eager for your mercy please empower me to speak on your behalf and on behalf of the disciplic succession. I offer my humble obeisances at your lotus feet and to the feet of His Divine Grace Srila Bhaktisiddhanta Saraswati Goswami Maharaja. Hare Krsna!

December 10 Mumbai/Radha Gopinath Mandir-Bhaktisiddhanta Dis.

Today is the auspicious Tirobhav of His Divine Grace Srila Bhaktisiddhanta Saraswati Goswami Maharaja. All glories to his divine plan to send Vaisnava preachers to areas of the Western world. Due to his vision of compassion focused on the mission of Mahaprabhu we have been blessed unlimitedly with his mercy in the form of our beloved guru and savior His Divine Grace A.C. Bhaktivedanta Swami Prabhupada. All glories to His lotus feet. We were further blessed with the privilege to worship his divine feet and to also say a few words in his glorification although we felt it was inadequate. All glories to the devotees of Sri Sri Radha Gopinath under the compassionate and expert guidance of His Holiness Radhanath Swami Maharaja. They are united in bringing Krsna Consciousness to the fallen souls of India and abroad and are very kind to everyone. In closing we are compelled by gratefulness to offer our humble obeisances to all these illustrious Vaisnavas.”Vanca kalpatarubhyas ca kripa sindhubhya eva ca patitanam pavanebhyo moksaisyami ma sucah.”Hare Krsna!

December 11 Mumbai/Sri Sri Radha Gopinath Mandir

All that was gained, learned, purified, experienced in this two month stay in India, which concludes tomorrow will be put to test. Back to the West little time to rest a chance and a challenge to bring out the best. In no way is this meant in jest. A time to move with zest avoiding the detour to fest and those who are asleep in their nest. It is time to share by not being a pest. Are we ready for the West, Lord Krsna knows best. Jai Srila Prabhupada please inspire me to preach at every moment in whatever way the situation warrants. All glories to the great souls in our midst! Sri Krsna's special mercy on the fallen. The association of His dear, pure devotees. Thank you Radhanath Swami Maharaja your kindness and constant self-sacrifice astound one's gratitude. Dear Sri Sri Radha Gopinath Lalita Visakha. All glories to Gaur Nitai! Giriraj Maharaj Ki-jai! Hare Krsna!

Perhaps most spiritually rewarding is when we speak on Srimad Bhagavatam systematically. Tonight we were asked to cover the entire chapter of Canto 2 Purusa Sukta confirmed. Srila Prabhupada's explanation on this verse six clearly enhances the meaning of each verse on how everything is connected to our execution of devotional service. Everything is Sri Krsna with His controlled energies and our relationship to Him is service via the material energy. Sri Krsna is all, and it's a ball, a place you will stand tall, never fall or experience a blockage of a wall, wider than any hall and hosts the varieties of a shopping mall. Hare Krsna!

All glories to these merciful souls. All glories to Srila Prabhupada who has made it all possible by his compassion for us and His pure love of Sri Krsna. Hare Krsna!

Feeling enthusiastic to arrange for more service with ideas for preaching yet we tend to pile it on. The time needed appears much less than the plans made. What to do? By offering my head at the lotus feet of my spiritual master His Divine Grace Srila Prabhupada who is adept in all kinds of knowledge, he will surely guide me in the best way possible.

Praying to become a more surrendered soul in the mission of Sri Caitanya Mahaprabhu. All glories to Sri Krsna Sankirtan! Hare Krsna!

It is impossible for a devotee to understand why a human being would act so brutally towards another human being or any living creature. It is rightly so that the further one goes away from God the more he becomes animal and more beastly. A brute with two legs and two arms. This will only continue as long as people identify the body as the self and sense enjoyment as the means for happiness. We are very disturbed to hear of the recent terrorist actions in Sydney, Australia and in Pakistan that killed 141 people practically all were school children. The world of matter leaves no room for kindness, care and compassion. Unless persons are educated in the principles of eternal life of the soul and the goal of life of worshipping God with devotion these horrific acts will only continue! May the chanting of Sri Krsna's Name spread more and more around the world and may people awake from their slumber of material illusion based on choosing temporary pleasure. May a cadre of true Rajarsis emerge to help govern the world with peace and compassion. We offer our heart-felt prayers to those killed and pray they receive Lord Krsna's sweet mercy. May Srila Prabhupada's books reach the leaders of the world and bring about a change towards Sanatan Dharma. Hare Krsna! All glories to Srila Prabhupada!

Feeling low, need to go, change the show or succumb to woe. Service is planned time is short. God, Krsna is Isvara need to stay connected, or be rejected and neglected which leads to be subject to Maya the false object. Help is the word, it must be first not third, want to fly like a bird over the wall beyond the world of nerd who run after the herd only to smell like a turd. Please let it be heard Srila Prabhupada has the word-the only savior. Keep them alive in our mind and hearts until we have to depart this world for a new start in that realm that is sweet and not tart. All glories to Lord Gauranga Mahaprabhu our inspiration to serve. Hare Krsna!

Gita Jayanti recitation and lecture 1000 participants. HH Bhakti Rasamrta Maharaja nicely, clearly, concisely elaborated on the essential points of each chapter. My participation was summarizing the chapters divided in groups. We are feeling inspired to learn the Gita deeper with its powerful philosophical message. Such a gigantic treatise on the essential points of the path leading to service and realization of Sri Krsna, the Supreme Personality of Godhead. Srila Prabhupada recitation of Lord Krsna's words are the highest, most complete expression of Bhagavan Krsna's message to the conditioned souls. We are grateful, being refreshed by bathing in the ambrosial words spoken by the supreme living entity-Sri Krsna. All glories to the devotees who are like bees at His lotus feet. Hare Krsna!

Hey Govinda! Hey Gopal! Kesava Madhava Dinadayal. May we take full shelter with love and full surrender at His lotus feet. We are beggars, He is the mercy carrier as He offers mercy to His devotees. Every one of them carry to some extent His mercy. Therefore, we aspire for their service and association. Srila Prabhupad would say "I have given the structure now you fill it in. Caitanya Mahaprabhu says that "enechi ausadhi maya nasibara lagi": "This maya, this illusion, you want to get relief from this illusion. "So I have brought medicine for you." Enechi ausadhi. Ausadhi means medicine. "Enechi I have brought," enechi ausadhi maya nasibara to, just to drive away this maya." What is that? Hari-nama-maha-mantra lao tumi magi' Take this medicine. Chant Hare Krsna." Let people chant the Hare Krsna mantra constantly. Then their demoniac tendencies will be killed, and they will become first-class devotees, happy in this life and in the next.
