

A large, stylized tree graphic is positioned on the right side of the page. The tree is composed of several curved, overlapping segments in shades of green and grey, creating a modern, abstract silhouette. The top of the tree is in the upper right corner, and its base extends towards the bottom right. The background is a solid dark green at the top and a lighter green at the bottom, with a white horizontal band in the middle where the text is located.

JEFFERSON METROPOLITAN PARK McCALLA

JEFFERSON METROPOLITAN PARK McCALLA IS CONVENIENTLY LOCATED
ONE MILE FROM THE INTERSTATE, IN AN AREA OF JEFFERSON COUNTY
THAT HAS EXPERIENCED TREMENDOUS GROWTH IN MANUFACTURING AND
DISTRIBUTION. THE McCALLA SITE IS PERFECTLY LOCATED TO SERVE
YOUR NEEDS AND THE NEEDS OF YOUR CUSTOMERS. ADD TO THAT ABUNDANT
WATER, POWER AND NATURAL GAS, AND YOU'LL SEE THAT JEFFERSON
METROPOLITAN PARK McCALLA HAS EVERYTHING READY
FOR YOU TO DO BUSINESS IN THE MOST COST-EFFECTIVE WAY POSSIBLE.

DESCRIPTION OF PROPERTY

Jefferson Metropolitan Park at McCalla consists of 739 acres located in the southwest corner of Jefferson County. It is bordered by Old Tuscaloosa Highway (U.S. 11) to the northwest and Norfolk Southern Railroad to the southeast. The property is owned and developed by Jefferson County Economic and Industrial Development Authority (JCEIDA). The topography and soils are conducive to industrial development. All parcels have been zoned for light industrial use, with infrastructure designed to support the requirements of large manufacturing facilities. The property is located approximately one mile from Interstate 20/59 and two miles from Interstate 459.

PHYSICAL CHARACTERISTICS

SIZE:	739 total acres; 280 acres left for development, subdivision would be a matter of negotiation
LOCATION:	Central Alabama; 20 miles southwest of downtown Birmingham
TOPOGRAPHY:	Gently rolling
ZONING:	Light Industrial
OWNERS:	Jefferson County Economic and Industrial Development Authority

UTILITIES

WATER:	Warrior/Roupees Valley Water Authority; 12" main on-site. The current capacity is 4,200 G.P.M.
SEWER:	Jefferson County Environmental Services; 8" gravity line, 6" force main and pumping station on-site
NATURAL GAS:	Alabama Gas Corporation; 6" steel main
ELECTRICITY:	Alabama Power Company. Capacity is available ranging from 115 KV to 12.47 KV
TELECOM:	AT&T Fiber Optics on-site

TRANSPORTATION

RAIL:	Norfolk Southern Railway Company
HIGHWAY:	Nearest Interstate Highway: I-20/59. Distance to interchange: 0.8 miles. Old Tuscaloosa Highway (U.S. 11) adjoins the site to the west; I-459 is 2 miles north.
AIR:	Nearest commercial service: Birmingham International Airport is located 30 miles northeast.
GENERAL AVIATION:	Bessemer Municipal Airport, with a 3,800-foot lighted runway, is located 8 miles south.
WATER:	Port of Birmingham

MASTER PLAN

JEFFERSON METROPOLITAN PARK McCALLA — AERIAL PHOTO

A stylized, abstract graphic of a tree or plant. It features a central vertical stem with several horizontal branches. The branches are composed of curved, overlapping segments in various shades of green and grey, creating a sense of depth and movement. The overall shape is roughly triangular, with the top pointing towards the upper right corner of the page.

GREAT FOR BUSINESS. EVEN BETTER FOR YOUR BOTTOM LINE.

WHY CHOOSE OUR SITE? BECAUSE BEYOND THE APPEAL OF A
GREAT MID-SIZED CITY WITH RICH CULTURAL AND SOCIAL
OFFERINGS, BRINGING YOUR FACILITY HERE IS A SMART
BUSINESS DECISION. WE OFFER LOWER TAXES, A LOWER
COST OF LIVING AND A COMPETITIVE WAGE SCALE. OUR
CONSTRUCTION COSTS ARE AMONG THE MOST COMPETITIVE
IN THE COUNTRY. SO WHEN YOU BREAK GROUND, YOU WILL
BE ABLE TO DO SO EFFICIENTLY AND COST-EFFECTIVELY.

OVERVIEW OF FINANCIAL INCENTIVE PROGRAM

UNINCORPORATED JEFFERSON COUNTY, ALABAMA

ALABAMA CAPITAL INVESTMENT TAX CREDIT PROGRAM

DESCRIPTION: The Alabama Capital Investment Tax Credit was created in 1995 and allows new and expanding manufacturing, distribution, research and headquarter office facilities to utilize an annual income tax credit to assist in offsetting their capital investment.

ELIGIBILITY: New operations or expansions of existing operations involving new capital investment of \$2 million, creating 20 new jobs, and paying an average of \$8.00 per hour wages, or \$10.00 per hour including benefits, are eligible.

RATE: Eligible companies can take advantage of an annual State income tax credit of up to 5% of capital invested in new or expanding facilities, limited to the Alabama income tax liability generated from the project. If a company's income is less than 5% of capital investment, the company will have a credit against all of its annual state income tax. If a company's annual income tax is more than 5% of their capital investment, the company will receive a tax credit against the portion of their income tax equal to the 5% of their capital investment. To assure a conservative estimate, a 50% utilization should be assumed.

TERM: Eligible companies can utilize this credit for up to 20 years.

AD VALOREM PROPERTY TAX ABATEMENT

DESCRIPTION: The abatement of the non-education portion of a company's real and personal ad valorem property taxes for up to 10 years.

ELIGIBILITY: All manufacturing with a capital investment of at least \$2 million, or the lower of \$2 million or 30% of their original investment in the case of expansion, are eligible.

RATE: The assessment ratio for industrial property in Alabama is 20% of market value. The millage rates in Jefferson County and the State of Alabama are as follows:

County and State Mills	50.10 Mills
County and State Educational Mills (may not be abated)	33.10 Mills
County and State Non-Educational Mills (may be abated)	17.00 Mills

TERM: Companies may utilize this abatement for up to 10 years.

SALES TAX ABATEMENT

- DESCRIPTION:** The abatement of the non-educational portion of a company's County and State sales tax on the purchase of construction materials.
- ELIGIBILITY:** Same as ad valorem tax
- RATE:** The combined County and State sales tax in Jefferson County is 6.0%. (Note: 1% is dedicated to education in Jefferson County)
- TERM:** This is a one-time abatement of sales tax before the project is placed in service.

USE TAX ABATEMENT

- DESCRIPTION:** The abatement of the non-education portion of a company's use tax on the purchase of manufacturing or production equipment.
- ELIGIBILITY:** Same as ad valorem tax abatement
- RATE:** The combined State and county use tax rate is 2.25% (State = 1.500%, Jefferson County = .75% of which .375% is dedicated to education).
- TERM:** This is a one-time abatement of use tax before the project is placed into service.

STATE INDUSTRIAL DEVELOPMENT ROAD GRANT

- DESCRIPTION:** The State Industrial Development Grant program may be utilized by companies to offset site development cost.
- ELIGIBILITY:** Manufacturers developing publicly held property for private use are eligible.
- RATE:** The grant size is determined by the capital investment of the project and may be as high as \$150,000. This is a one-time grant; however, new grants may be obtained for each new expansion.

INDUSTRIAL ACCESS ROAD GRANT

- DESCRIPTION:** The Industrial Access Road Grant program may be used to develop transportation infrastructure for new and expanding industrial projects.
- ELIGIBILITY:** Roadwork on a public right-of-way, which is necessary for access to a project, which will create new jobs and capital investment, may qualify.
- RATE:** Grant requests are evaluated on a cost benefit basis, with jobs, capital investment and road costs being the primary aspects of the evaluation.

DEED/MORTGAGE TAX

- DESCRIPTION:** A one-time abatement of taxes associated with the creation of deeds and mortgages for a new project.
- ELIGIBILITY:** Any project may qualify for this abatement; however, each is evaluated by the appropriate governmental unit on a case-by-case basis.
- RATE:** The tax is .15% of the deed/mortgage amount.
- NOTE:** These are examples of the types of incentives, which may be available to a project locating in Jefferson County. Actual incentives are subject to approval by the appropriate governmental agency.

McCalla also has an annual Fire District Dues Structure of \$2,000 to \$5,500 depending upon total building size.

A stylized, abstract graphic of a tree. The trunk is a thick, dark green vertical line. The branches are represented by curved, white lines that fan out from the trunk. The foliage is depicted as a series of overlapping, semi-transparent green and white shapes, creating a layered, geometric effect. The background is a solid dark green at the top and a lighter green at the bottom.

LOCATION, LOCATION, LOCATION.

HOW MANY DIFFERENT FACTORS ARE YOU TAKING INTO
ACCOUNT WHEN SELECTING A SITE? THE TAX RATE, THE
WAGES, THE INFRASTRUCTURE ... WE KNOW THE KEY WILL BE
ACCESS AND PROXIMITY TO YOUR CUSTOMERS. IT'S NOT EASY
TO FIND THE PERFECT SITE LOCATION. THAT IS UNTIL NOW.
WELCOME TO JEFFERSON METROPOLITAN PARK.

MARKET ACCESS

AIR: Twenty-one freight carriers and services, as well as more than twenty freight forwarders, serve the area from the Birmingham International Airport and an adjacent Foreign Trade Zone. Ten scheduled passenger airlines serve virtually every major U.S. city from Birmingham.

HIGHWAY: Three interstate highways and four major federal routes serve Jefferson County. Convenient access allows two-day truck delivery to over 70% of the U.S. market through over ninety common carrier facilities located in the Jefferson County area. Jefferson Metropolitan Park McCalla is approximately one mile from I-20/59 (I-20 is a major east-west corridor, I-59 is a north-south corridor). The I-459 connector is approximately two miles from Jefferson Metropolitan Park, and it runs north-south through Jefferson County. Both I-20/59 and I-459 provide access to I-65, the major north-south interstate route.

Port Birmingham is the largest inland shipping center of general commodities in Alabama. Located on the Warrior River, it connects to the Tennessee-Tombigbee system and over 16,000 miles of navigable rivers from the Port of Mobile on the Gulf of Mexico to the Mississippi via the Tennessee and Ohio Rivers. Eight barge lines offer shipping in and out of Port Birmingham. Port Birmingham has three privately owned multi-purpose terminals offering competitive services to area industries.

A stylized, abstract tree graphic that serves as a background for the text. The tree is composed of several curved, overlapping segments in shades of green and grey, creating a sense of depth and movement. The trunk is a solid dark green, while the branches and foliage are represented by lighter green and grey curved shapes. The tree is positioned on the right side of the page, with its base extending towards the bottom right corner.

JEFFERSON COUNTY A BETTER PLACE TO LIVE.

OVER THE PAST TWENTY YEARS, AMAZING THINGS HAVE
HAPPENED IN THE BIRMINGHAM AREA. WHERE ONCE WE
WERE DEPENDENT ON STEEL, WE HAVE SINCE FORGED A
THRIVING, DIVERSIFIED ECONOMY BASED ON HEALTH CARE,
EDUCATION, FINANCE, SERVICE AND MANUFACTURING.
EVEN BETTER, WE ARE KNOWN AS A WONDERFUL PLACE
TO WORK, SHOP, PLAY, PERFORM AND MOST OF ALL, LIVE.

EDUCATION

Jefferson County is home to **"America's Best High School"** according to *Newsweek*. *Newsweek* magazine listed Jefferson County International Baccalaureate School the number one high school in the United States.

Jefferson County is also home to five of the state's highest-ranked high schools. With test scores above the national average, Jefferson County has many excellent choices in public, private and alternative education. One example is the Alabama School of Fine Arts (ASFA), a \$17 million campus in the Arts and Sciences to grades 7-12. ASFA offers a tuition-free education to Alabama residents.

Jefferson County is also the home of five colleges and universities, three law schools, and five junior colleges and trade schools. These schools have a combined enrollment of over 88,000 students.

The University of Alabama at Birmingham (UAB) is the largest postsecondary educational institution in Jefferson County. UAB features a wide range of undergraduate, graduate and professional programs, as well as a nationally ranked medical center, which consists of the Schools of Medicine, Dentistry, Optometry, Public Health and the School of Health Professions. UAB is the third largest college in Alabama with a total enrollment of over 16,000 students.

A large, stylized leaf graphic is positioned on the right side of the page. It is composed of several overlapping, curved segments in shades of green and light gray, creating a sense of depth and movement. The leaf's shape is reminiscent of a fan or a large, modern architectural element.

LOCAL GOVERNMENT THAT HELPS GET IT DONE RATHER THAN STAND IN THE WAY.

WHEN YOU CALL THE JEFFERSON COUNTY ECONOMIC AND INDUSTRIAL DEVELOPMENT AUTHORITY, YOU WILL FIND WE ARE DIFFERENT THAN MOST DEVELOPMENT ORGANIZATIONS. NAMELY, WE ARE MORE INTERESTED IN HELPING YOU FIND THE RIGHT LOT IN OUR JEFFERSON METROPOLITAN PARK SYSTEM THAN WE ARE IN CREATING BUREAUCRACY. IN FACT, WE HAVE STREAMLINED THE CONSTRUCTION PERMIT PROCESS. WE HAVE ALSO COORDINATED LOCAL GOVERNMENT, UTILITIES AND BUSINESSES TO RESPOND QUICKLY TO YOUR REQUESTS. OUR ORGANIZATION IS COMMITTED TO MAKING YOUR TRANSITION TO OUR COMMUNITY THE MOST SEAMLESS TRANSITION YOUR COMPANY HAS EVER EXPERIENCED. DON'T JUST TAKE OUR WORD ON THIS; WE WILL LET YOU TALK TO ONE OF OUR MANY SATISFIED TENANTS IN OUR DEVELOPMENTS.

ALABAMA INDUSTRIAL DEVELOPMENT TRAINING (AIDT)

AIDT provides workforce recruitment and training needed for success of new and expanding companies in Alabama. Consistently recognized for its excellence, AIDT ranked number one among all U.S. state workforce training programs in 2004. In 2005, AIDT became the first state worker training program in the world to receive ISO 9001:2000 Certification.

AIDT services, created to assist Alabama's economic development, are provided at no cost to employers or trainees. The workforce management system includes:

- Recruitment, assessment and training of potential employees
- Development and production of job-related training materials
- Provision of training facilities
- Delivery of job-specific services

AIDT also provides certified manager training and supervisory and team leadership training.

Since 1971, AIDT has assisted a variety of Alabama's new and expanding companies. Experience with growing and changing businesses keeps AIDT trainee recruitment, selection and training services effective in meeting changing needs. Whatever an employer needs, AIDT provides support for a successful startup or expansion in Alabama.

"AIDT had a direct impact on the successful startup of Honda Manufacturing of Alabama, LLC," said Chuck Ernst, HMA Vice President and Plant Manager. "The outstanding recruitment and training process helps us find workers."

Trainees selected for employment perform at high production levels based on AIDT's selection process and job-specific training of highly qualified and experienced applicants. Job seekers must meet employer criteria to be accepted for training. Attitude is a key factor in AIDT selection.

Alabama's first group of automotive assembly trainees visited Mercedes-Benz in Germany while the Alabama plant was being built. Mercedes-Benz USA reported, "Our first 20 team members, after about 4 to 6 weeks of training, were actually doing full-time jobs on the assembly line in Germany."

AIDT's job-specific, pre-employment training results in highly motivated people who perform above expectations.
