I would like to thank everyone for such a wonderful year of dance! We have had the best time preparing for our Texas Recital and are beyond excited to share it with our audience today. I want to take a moment to thank our beyond incredible Team. From our backstage helpers who make sure our show runs smoothly, to our teachers who pour so much heart and energy into their classes. I also want to thank the family members of our students for sharing them with us each week. We feel very lucky to have the best people in our dance family! We hope everyone has a safe summer and we will see you in the fall for year #62!

-- Miss Kirsten
