To whom it may concern

The purpose of this letter is to recommend RMV Solutions based on my own experience with the company. I used RMV Solutions to provide recruitment services, and am extremely pleased with the quality of candidates they were able to provide. I plan to work with them again, and can recommend them without reservation to others in need of recruitment services.

A few examples of their high quality services include:

- Foreign Linguist recruitment for scarce linguistic skills (Greek, German, Italian, Portuguese, Dutch and Spanish) within very rigid timeframes.
- Corporate placements for Human Resources and Finance positions.

I am very happy to recommend RMV Solutions to you, and trust that your experience with them will be as positive as mine. If I can answer any additional questions about my experience as a client of RMV Solutions, please feel free to contact me. Contact details are outlined below.

Kind Regards

Christel Krige
