

June
Happy Birthday America!
Crochet Project

Using the Peyton Heart Project pattern (link below), make hearts in **red**, **white**, or **blue** to celebrate America's 250th birthday in July.

The hearts will be distributed to Vitas Healthcare and Trinity Assisted Living clients, among others.

Tags using the pattern on the next two pages may be printed two-sided on card stock and attached to the hearts, or you may bring them in and we'll attach tags. NOTE: Tag size was adjusted on May 18th.

[Link to Peyton Heart Project pattern video.](#)

Notes: use regular 4-ply acrylic yarn and an H/8/5mm or I/9/5.5mm hook.
