Sizing: One size, fits most. If you would like a slightly smaller or larger size, go up or down a hook size accordingly. You could also make these for a child by using less rounds in your granny squares, check the square against the hand you are making it for to get an idea of how many rounds you need. If making for a child you might also want to adjust the number of chains you make for the ribbing at the wrist, just make the chain as long as you would like the ribbing to be.

Other notes: Starting with mc alternate between mc and cc each round and join in new colours with a sl st, if you wish to make in only 1 colour, sl st to corner sp

when starting a new round. The larger sized hook is used for granny squares. The smaller hook is used for the ribbing.

Granny Square Make 4

With large hook ch4 and join with sl st to form ring.

Round 1 (Right side), Ch3, 2dc into ring, [ch2, 3dc into ring] 3 times, ch2, join with sl st to top ch3.

Round 2 Join new colour in corner sp, ch3, 2dc in same sp, ch2, 3dc in same sp, in next and every sp [3dc, ch2, 3dc], join with sl st to top ch3.

Round 3 Join new colour in corner sp, ch3, 2dc in same sp, ch2, 3dc in same sp, 3dc in each sp across sides, [3dc, ch2, 3dc] in each corner sp, join with sl st to top ch3.

Round 4 & 5 Repeat round 3.

Joining squares

With right sides together sew or sl st 2 squares together along one side...

...on the opposite side join only the top 3 sts together, then the bottom 3. This leaves a gap for your thumb.

Ribbing

Row 1 With right side facing, small hook and mc, attach yarn at any seam with a sl st, ch15, sc in 2nd ch from hook and in each ch, sl st to next 2 sts along bottom of granny square, turn.

Row 2 Sk both sl sts, sc in each st working in bl only, turn.

Row 3 Ch1, sc in each st working in bl only, sl st to next 2 sts along bottom of granny square, turn.

Repeat row 2 & 3 until you have worked around the entire cuff. Do not fasten off. Turning work inside out, sl st or sc both edges together to join, fasten off.

Join yarn to top of mitt with sl st at side seam and repeat ribbing instructions around top of mitt, but ch only 4 to start. Fasten off.

Join yarn with sl st to bottom of thumb hole (where 2 squares are joined). Repeat ribbing instructions around the thumb hole, but ch only 4 to start.

Fasten off and weave in ends, complete another mitt with the remaining squares.
