

Loomed Adult Chemo Hat Pattern

Use soft yarn (Red Heart Soft, Red Heart with Love, Hobby Lobby I Love This Yarn or similar).

DO NOT use Caron Soft, Yarn Bee Soft Secret or similar yarn – on a loom, these yarns do not produce a hat that covers enough.

Use the third size loom – hat should fit your head.

Instructions:

1. E-wrap all pegs, and flat stitch the first row. (This produces a tighter edge.)
2. Optional brim: - if you don't want a brim, skip to step 6.
3. E-wrap and knit one row.
4. Purl one row.
5. Repeat step 3-4 until brim is desired size (1"-2"). Stop on Purl row.
6. E-wrap twice around so there are three strands of yarn on the pegs.
7. Knit the bottom strand off.
8. E-Wrap once around so there are three strands of yarn on the pegs.
9. Repeat step 7-8 until hat is desired length (about 8").
10. With two strands of yarn on the pegs, knit off one strand.
11. Cast off and finish the hat.
