

Loomed Soap Sack Pattern

Use cotton yarn, any brand.

Use the smallest loom.

Instructions:

1. E-wrap all pegs twice; knit off the bottom strand.
2. E-wrap and knit until length is approximately 5 inches.
3. Cast off and finish the sack.
4. Drawstring: if you can crochet, crochet a chain 10-12 inches long, tie the ends in a knot, and weave it through the open end 1 or 2 rows below the top of the sack.
5. Drawstring: if you don't crochet cut three strands of yarn 10-12 inches long, tie one end together in knot, braid the strands together and finish with a knot. Weave the braid through the open end 1 or 2 rows below the top of the sack.
