VIBRANT ECONOMY IN GREAT VANCOUVER

- Top start-up city as ranked by Startup Compass The Fourth greenest city in the world
- Vancouver is one of the top 10 lowest-risk cities in the world to recruit, employ, and redeploy business
- Vancouver is a magnet for global talent and investment, attracting over half a billion dollars in venture capital every year
- Supportive business environment

• **Economically Strong** – Vancouver boasts one of Canada's most dynamic economies. As the official gateway to the Pacific Rim, this British Columbian city serves as a crucial port and the main western terminus for transcontinental highway and rail networks. Over time, Vancouver has impressively shifted from its primarily resource-oriented economy to a diverse, knowledge-based one, making it the fastest-growing economy in Canada in recent years.

• **Social Diversity** – Vancouver's rich cultural mix is shaped by its social, racial, and ethnic diversity. About 52% of residents identify as visible minorities, and 46% speak a mother tongue other than English, creating a vibrant tapestry of languages, traditions, and heritage.

WESTERN
BRITISH COLUMBIA POLYTECHNIC
COLLEGE

• **Technology and Innovation** – Vancouver is home to about 75,000 of B.C.'s 100,000 tech professionals, making it a leading hub for innovation and startups. The city hosts over 10,000 tech companies with combined revenues exceeding \$23 billion, contributing \$15 billion to the province's GDP. With steady 6% annual growth, Vancouver continues to attract global talent and drive the expansion of the technology sector.

STUDY EXPERIENCE

Zone Learning

Zone Learning is a cutting-edge approach to experiential education that allows students to apply their academic coursework to real-world startups, projects, and ventures. It's not just about acquiring knowledge; it's about gaining practical experience that will equip you for the demands of the 21st-century workforce. By joining Zone Learning, you're not just becoming part of a community, but you're also contributing to a movement that aims to shape the future.

If you're interested in becoming part of our dynamic and engaged community, there are numerous ways to get involved with Zone Learning, regardless of whether you have an idea for a startup or not.

ABOUT US

Founded in 2010, Western British Columbia Polytechnic College (WBCPC) has over 1,000 alumni from 16+ countries. We attract students worldwide who share a vision for entrepreneurship, innovation, social development, and environmental sustainability. Our community of students, faculty, and alumni brings diverse perspectives to shape new ideas and real-world solutions.

With top-rated professors and industry-experienced lecturers, WBCPC combines academic excellence with practical learning. Students also benefit from resources like the Entrepreneurship Center and Career Development Center, supporting both education and career success.
