December Meetings: Community Impact and Holiday Celebration!

Our December calendar is packed with meaningful charitable initiatives and holiday fellowship!

December 2nd Meeting: Service and Giving

Join us for one of our most impactful meetings of the year as we celebrate the spirit of service and community giving:

Honoring Veterans: We welcome the **American Legion** to accept our donation check for **Wreaths Across America**. They will also give a brief lesson on the proper tradition of laying the wreaths before we join them on **December 13th at Hillcrest Cemetery**.

Cops for Tots: The **Greer Police Department** will accept our donation of unwrapped toys for their crucial **Cops for Tots program**. Please remember to bring your toy donations to this meeting!

Featured Speaker: We are honored to host **Tiffany Ervin, Executive Director for the CART Fund (Coins for Alzheimer's Research Trust)**. Tiffany will share where they are in their vital work and how we can begin to support the cause in our club. Bring your extra coins to this meeting!

November Recaps: Service & the Future of Greer

November was a busy month filled with both immediate community service and a look ahead at Greer's exciting future.

Our club meeting on November 4th was all about **action and speed!** In a fantastic display of *Service Above Self*, our members completed the "Stuff the Duffle" initiative as this year's salute to veterans. We came together and, in an astonishing **15 minutes**, packed all **50 duffle bags** with care and efficiency. These bags, filled with essential items, clothing, and comfort supplies, were given to the **Greenville County Veterans Affairs** to provide support and dignity to veterans in need. It was a fast-paced, high-impact demonstration of what we can achieve when we serve together!

On November 18, we were thrilled to host **Adam Forringer**, the Director of the upcoming **Greer Sports & Events Center**. Adam shared exciting new details about the *200,000-square-foot facility*, which is slated to open in **2027**. This \$60 million investment is set to be a regional magnet, featuring nine basketball courts, 18 volleyball courts, multi-sport simulators, and dedicated spaces for the whole community. This center will not only be a game-changer for recreation in Greer but will also drive significant economic growth through sports tourism. Thank you, Adam, for an insightful look into the future of our city!

In the middle of all of this, we also managed to bring food for the Greer Relief Choice Pantry and send a team of volunteers to help pack emergency bags (see *Volunteer Thank You*).

November Volunteer Spotlight: Giving Back Together!

A huge **THANK YOU** to all our incredible Rotary Club volunteers who made a difference this November! Your dedication shone brightly on three vital projects. We kicked off the month with enthusiasm during our "Stuff the Duffle" event at the November 7th club meeting, assembling essential items with camaraderie and teamwork. Our partnership with Greer Relief Food Pantry continued strong, with many hands making light work to support local families. And finally, a heartfelt thanks to those who thoughtfully wrote cards for Veterans Last Salute, sharing warmth and gratitude with our brave veterans.

Thank You

Each contribution, big or small, reinforces the power of "Service Above Self." We are so proud of our members for their unwavering commitment to our community!

Connecting Across District 7750

This month, Becky and I had the privilege of attending the Council of Governors luncheon held at the beautiful Poinsett Club in Greenville.

The event gathered many esteemed former District Governors who have served or live within District 7750. We received updates on current District reporting and enjoyed rich fellowship, discussing current events and future planning with leaders including Dave Brenner and Eric Krichbaum. Sue Poss, our District Newsletter editor, captured a great photo of us with the current District Governor line, symbolizing the strength of our District 7750 leadership!

This gathering was a wonderful reminder of the vast network of dedicated Rotarians committed to Service Above Self throughout our region.
