Important Notice

During the month of March, CCWS customers are encouraged to **Fix a Leak**. This national campaign encourages water users to save water by checking for and fixing leaks inside and outside their home. Check your toilet for leaks using food dye. Twist and tighten plumbing connections to stop drips from your faucet. Replace old or broken water fixtures. For more information on how you can conserve water, visit <https://www.cobbcounty.org/water/education/conservation>.

Durante el mes de marzo, motivamos a nuestros clientes a reparar fugas. Esta campaña nacional invita a los usuarios de agua a ahorrar agua mediante la búsqueda y reparación de fugas dentro y fuera de su casa. Verifique si hay fugas en el inodoro utilizando colorante para alimentos. Gire y ajuste las conexiones de plomería para evitar que gotee el grifo. Sustituya grifos viejos o rotos. Para más información sobre cómo ahorrar agua, visite <https://www.cobbcounty.org/water/education/conservation>.
