

Hi Everyone! I'm happy to announce that I will be teaching on Saturdays at Holbrook Woodstock. I'm very excited as this is a beautiful facility and offers several advantages for our students. Below are some key aspects of this new arrangement.

I will remain under Aquatic Solutions Georgia but will be the only instructor for Aquatic Solutions. I will be partnering with Kelly Keating of Swimming and Beyond. Kelly has built and maintained a stellar reputation as an instructor over her 35-year career. With this partnership we will maintain the same fee structure for consistency, and to avoid the possibility of under-cutting one another. The lesson and facility fees are shown below.

Lesson fee per 30 minutes *Paid to Tyler	\$60 Zelle and Cash
Annual Pool fee (upon booking) *Paid directly to Kelly Keating	\$150 Venmo @Kelly-Keating-29

The annual pool fee provides family members access to the spa and fitness facilities during the lessons. Payment for the month is due on the first lesson of the month. I am currently scheduling January through May 31st and am filling up fast. Please note that to confirm your desired dates and times, the \$150 pool fee must be paid to Kelly Keating. I will be going back to sending reoccurring calendar invitations that you can accept or decline to accommodate your schedule needs.

I'm looking forward to the continued development of my swimmers in 2024!

Sincerely,

Tyler Hoeckendorf
