From the Presidents Desk

Hello Neighbors:

I would like to comment on a letter from a concerned resident about the driving habits of some during adverse weather conditions. To be honest, when I first began to read it, I thought that maybe myself or someone using my car was going to turn out to be the object of the complaint. This turned out not to be the case (not my plate number), but the point is, we could all probably slow down a bit on those snowy days. It is also not a bad idea for those with young drivers in the family to remind them of the dangers of slippery streets and pedestrians.

Saturday the twelfth was the block reps breakfast. This is the event that sets the tone for the annual membership drive. By all indications we're off to a great start; the event was well organized and informative. I also had an opportunity to look over the 2005 Willow Ridge Directory that was handed out to the reps for delivery and it looks great. If you haven't used the mail-in form, your block rep will stop by to complete sign-up and give you the new directory. If you took advantage of the mail-in form, your rep will only have to drop off your directory.

Another event of note is the upcoming Easter party. The kids always have a great time (and if memory serves me correctly, so do mom and dad). We are all looking forward to the Snowflake Dinner Dance on March 12, which is sure to be as always, another charming and memorable evening.

Looking ahead to future sunny days, we are now in the process of confirming a date for a Sunday in mid August for an afternoon cruise on the Niagara River aboard the Miss Buffalo. Please make plans to attend these events, or any of the other activities throughout the coming year. You will be very glad you did.

Sincerely,

Cam Hill

So this will serve as a final reminder of what you can look forward to on Saturday, March 12. As of this writing (February 12), 18 tables have been reserved so it appears we shall again reach or be close to the 300 mark in attendance. But if you are still thinking about joining folks from Willow Ridge, Apple Ridge, Ellicott Creek and Lakeview Estates for this wonderful WRCA evening at Classics V, please call and we will see if we can accommodate you.

This notice will also serve as a final reminder if you have intended to contribute a door prize, either from some business you represent or one you regularly patronize. We will need all donations by Thursday, March 10 as we acknowledge all gifts on a sheet placed on each table so you can think ahead of what you hope to win. **PLEASE BRING YOUR TICKET** with you so you will know if your number is drawn!

Neighborhood News

Sympathy

The neighbors on Willow Lane were sad to hear of the passing of Wallace Meahl in late November. His cheerful presence will be missed. Our sincere sympathy goes to Janet and her family.

Welcome

North Brier Road would like to wish a late, but warm welcome our neighbor at #232. Lenny Zambito moved here in July and has been very busy. He works for the U.S. Postal Service and also volunteers his time as a lieutenant at the Ellicott Creek Fire Hall. We wish you much happiness!

WRCA Meeting Minutes

February 3, 2005

The meeting was called to order at 7:35 pm. In attendance were Cam Hill, president; Jim Prentice, vice president; Neil Cuomo, secretary; Jack Baker, treasurer, and Board Members Ed Goetz, Andy Adams, Clayton Cobb, Jane Sieman, and Bob Folandare. Also present were Lee Baker and Laura Lewis. Excused was Bill Pujolas.

SECRETARY'S MINUTES

The minutes from the January 2005 meeting as published in the February *Wind-in-the-Willows* were reviewed. No additions, deletions or corrections were offered. A motion was made by Bob Folandare, seconded by Jim Prentice to accept the minutes as written. The motion was carried.

TREASURER'S REPORT

Jack Baker reported a checking account balance of \$8,681.00. The books are ready for audit by Ben Procopio, as approved at the January meeting.

Jack pointed out a discrepancy in the actual postage cost to mail the monthly newsletter, and suggested that the budget be amended to reflect a projection of approximately \$100.00 in postage costs over the course of the year. He reported that the bill from Mailing Advantages reflects 1,069 newsletters mailed out in January, far greater than the number of members, even taking into account copies being sent to town officials, ad patrons and local businesses.

He also reported that 1,339 newsletters were mailed out in February, encompassing all residents of Willow Ridge as part of our membership campaign. A payment coupon is enclosed in the newsletter, and residents are urged to mail in payment to ease the burden on block reps. A motion was made by Neil Cuomo, seconded by Bob Folandare to accept the treasurer's report, which was carried.

PRESIDENT'S REPORT

Cam Hill reported that we received thank you notes from two of the girl scout troops we sponsor. He also received a letter from a concerned resident urging people to drive slower and more carefully through the neighborhood.

Councilman Dan Ward also copied the WRCA on a memo sent to Highway Superintendent Anderson requesting an improvement to the drainage in Bedford Park. Dan Ward also updated us on the fact that the building permit for MJ Peterson's planned project on Chestnut Ridge had expired on May 17, 2004, and that a new application would be required before any construction would take place there.

COMMITTEE REPORTS

Membership (Laura Lewis)

Laura Lewis reported that over 425 members are paid to date, most of whom took advantage of the discounted early enrollment. She also reported that a block rep, and area head reporters breakfast, chaired by Kathy Huber and

Charlene Vitale, is scheduled for Saturday, February 12, 2005 at Classics V. All reps will be notified and asked to RSVP. She also advised that she is still trying to fill some vacant slots for block reps.

Much discussion took place concerning improving the dues payment method, ranging from mail in coupons, invoices being sent, and continued reliance on the block reps for collection. Members are urged to mail in the payment coupon contained in the monthly *WITW*.

Adult Rec (Jack and Lee Baker)

The Snowflake Dinner Dance is scheduled for March 12 at Classics V. A flyer with details will be in the March edition on the *WITW*. Lee Baker reported that she is working closely with Pam McNess and that 8 tables have been reserved as of the board meeting on February 3. Anyone with door prizes for the dinner dance should contact Lee Baker immediately.

Directory (Jane Sieman)

Jane Sieman reported that she has 62 ads to date for the directory, totaling \$5,500.00, an increase of \$700.00 over last year.

Holiday Lighting (Neil Cuomo)

Neil Cuomo reported that \$10.00 gift certificates from Home Depot have been obtained for the winners of the holiday lighting contest, and arrangements were made for the 26 prizes to be delivered to the winners. He reported that 322 Willow Ridge residents were erroneously omitted from the listing of winners in the January newsletter.

Sunshine (Lee Baker)

Lee can be contacted if anyone has any pertinent information which they feel would be appropriate to share with the community.

Webmaster (Jack Baker)

Jack Baker will be taking over the duties of maintaining and updating our web site, www.wrca.info, and Jim Prentice will be assisting in the transition.

OLD BUSINESS

Newsletter Distribution

Bob Folandare opened a discussion concerning the possible distribution of our monthly newsletter by the publisher of the Parkview Triangle, who could line up advertisers to defray the rising publication costs. This matter will continue to be reviewed and analyzed.

Miss Buffalo Excursion

Ed Goetz submitted a report concerning a Miss Buffalo Cruise to be held on August 7 or August 14 from 3 to 5 p.m. The boat capacity is 200, and a minimum number of 100 at a cost of \$20.00/person would be required to break even. The price would include beverages including beer and wine. The board expressed their confidence that the 100 minimum number was attainable, and Ed was directed to attempt to finalize a date certain.

ADJOURNMENT

No further business being at hand, a motion was made by Bob Folandare, seconded by Andy Adams adjourn at 9:00 p.m. which was carried.

Respectfully submitted,
Neil Cuomo, Secretary

Sweet Home Middle School Renovation Project Vote March 22

The Sweet Home Board of Education has been studying the options for a middle school renovation project for close to a year. The Board sought input from a variety of stakeholders, including teachers, parents, students, and community members. Based on an analysis of that input, and after much debate and discussion, the Board voted to approve a \$23.9 million bond proposition at their January 18 meeting.

The middle school was intentionally left out of the recently completed renovation project that resulted in major upgrades to the high school and all four elementary schools. The thinking five years ago was that the district should pursue building a brand new middle school on property owned just north of the intersection of Sweet Home Road and North French Road. The ability to pursue that line of thinking is contingent on selling the existing middle school property for enough money to significantly offset the cost of building a new middle school. Recently, the district has received offers for sale of the middle school property located at 4150 Maple Rd. We have not been able to negotiate a satisfactory price with the developers who have proposed offers, but we will continue to speak with them. If the district is able to secure the price we estimate to be critical for offsetting the cost of a new building, the Board will reconsider putting up a bond for renovation and replace it with a bond for constructing a totally new school.

At the January meeting, the Board decided that it was the right time to move forward with the renovation project, mostly because of the need to begin reconstructing the middle school as soon as possible. If the public approves the \$23.9 million bond in March, construction could begin in the spring of 2006. Plans to improve the middle school include building additional spaces and reconstructing existing spaces. New construction would include nine additional classrooms, an addition to the library, a multipurpose room, a music suite, a fitness center, a loading dock, and a 550 seat auditorium. Most of the existing middle school building would be renovated under the plan. All classroom spaces would receive ceiling, lighting, and floor treatments, and new student lockers would be installed in the hallways. The science classrooms would be enlarged and updated with modern equipment. The existing gymnasium, pool, and locker rooms would all be renovated and the mechanical systems of the building, including the boiler, HVAC, and electrical would be upgraded. The bond would also cover the cost of replacing both the sewer at Glendale Elementary and the boiler at Heritage Heights Elementary.

Please watch your mailboxes in the next couple of weeks for a more detailed description on the proposed renovation project including architectural drawings and schematics, a breakdown of costs, state aid and the proposed project's impact on the district's debt service and tax rate. The public referendum on the bond proposition will be held on March 22, 2005 from noon—9 pm in the gymnasium of Sweet Home Middle School, 4150 Maple Road in Amherst.
