### From the Presidents Desk

#### Hello Neighbors:

The board has decided to begin the 2006 Membership Drive with the October issue of the *Wind-in-the-Willows*. Again you will be able to mail in membership registration along with a check, sent to the post office box. This simplifies the process and makes it easier on our block reps come February. An early bird discount of \$3.00 will also be offered again this year for any mail-in memberships received before December 31. After that date the price will be \$15.00 which you can mail in or it can be paid directly to your block rep when your Willow Ridge Phone Directory is delivered.

I would like to briefly address a couple of comments I received regarding the amount of advertising in the September issue. It was decided to take an additional page of ads for last month's issue due to the typical low volume of news copy over the summer. A typical issue will be limited to the two extra pages that were added for that purpose starting with the June issue. At this point we have annual commitments for slightly over half that space. When that is gone we will be unable to guarantee that any additional space will be available.

If you're interested in becoming more involved with the Civic Association, now is the time. During the upcoming meetings we will be looking for candidates for board positions for the next year and finalizing what promises to be a very exciting budget for 2006. On the table will be scholarships for graduating high school seniors from the Willow Ridge area, a sidewalk repair incentive fund, Bedford park improvements and other ideas from anyone in attendance.

Sincerely,  
*Cam Hill*

## WRCA Meeting Minutes

September 6, 2005

The meeting was called to order at 7:35 p.m. In attendance were Cam Hill, president; Jim Prentice, vice president; Neil N. Cuomo, secretary; Jack Baker, treasurer; and Board Members Clayton Cobb, Bill Pujolas and Bob Foladare. Also present were Lee Baker and Ben Procopio.

### TREASURER'S REPORT

Jack Baker gave the treasurer's report. He reported a checking account balance of \$9,095.00, and projected a surplus for the fiscal year. He provided the board with a breakdown of deposits and withdrawals during the prior month.

### PRESIDENT'S REPORT

Cam Hill reported that he had spoken with Mr. David Lovering, the new principal at Willow Ridge Elementary, who requested the opportunity to submit relevant material for inclusion in the *Wind-in-the-Willows (WITW)* from time to time. The request was received favorably by the board.

### COMMITTEE REPORTS

#### National Night Out (Gary Roussie)

There was a nice showing of residents at the event, despite some dicey weather. The board extended their sincere thanks to Gary Roussie for his time and efforts in continuing to make this event a success. Special thanks also to Willow Ridge resident Rick Wirth aka "Doc Rock," who routinely donates his sound system services for Willow Ridge events.

#### Boat Cruise (Bob Foladare)

Bob Foladare reported that the event was fairly well attended, despite an early bout with bad weather, and a good time was had by all. The board welcomed a repeat performance next year, which should be bigger and better. Also, the cruise itself may be longer next year.

#### Junior Recreation (Jennifer Hubert)

The kids' **Halloween Party** will be held at Willow Ridge Elementary. Details will be contained in the October edition of the *WITW*.

#### Webmaster (Jack Baker)

Jack Baker reported that our server may soon become unavailable, and proposed that EJAP Web Design be retained to host and maintain our website at an annual cost not to exceed \$150.00. The motion was seconded by Bob Foladare and carried. Any changes to our website address will be included in future newsletters.

#### Membership Report (Laura Lewis)

No report at this time, but discussion occurred concerning extending the "early bird" discount, allowing dues for 2006 paid before January 1, 2006 to be in the amount of \$12.00, with the normal dues of \$15.00 to be collected thereafter. The newsletter invoice system will also continue to ease the block rep burden. Motion made by Cam Hill, seconded by Clayton Cobb, and carried.

### OLD BUSINESS

**Newsletter Ads**—Cam Hill addressed the layout, volume and content of the ads now included in the *Wind-in-the-Willows*. There has been some concern of the "clutter effect," as well as the inclusion of political ads. With respect to the volume of ads, Cam acknowledged a relative lack of

news content during the summer months, and as such, utilized the extra space for ads. Next month should return to normal. The presence of ads has resulted in additional pages of the newsletter, but no reduction in news content.

There was also significant discussion concerning the inclusion of political ads in the newsletter. There was concern that by allowing such ads, we were seen to be endorsing particular candidates, which is not the case. The board agreed that any further political ads would include the banner "Paid Political Advertising."

**Meeting Date**—Cam Hill advised that meetings will be held on the second Tuesday of each month, beginning with the October board meeting, which will be held on October 11. The later meeting date will require faster completion of the board minutes, president's letter, and other submissions to enable the following month's letter to be typed, printed and distributed close to the first of each month. The benefit will be that people will have additional time to review the newsletter before the meeting date.

**Sidewalk Extension Grant**—Late last year, the Town had requested a "wish list" of potential capital improvement projects that might benefit our neighborhood. After board discussion, request for the Bedford Park sidewalk to be extended and the tennis court parking lot to be resurfaced were submitted, as well as a request for an upgrade to the playground equipment. At our next meeting, residents of Kaymar came to voice their concerns with extending the walk, at which time a letter was sent to the Town rescinding the sidewalk request and instead requesting improved drainage. The Town has now notified us that they have obtained federal funds to extend the walk, and they are currently preparing the engineering plans. This matter will be discussed further at the October board meeting.

### NEW BUSINESS

Cam Hill suggested that we sponsor a scholarship to a deserving high school student who resides in Willow Ridge. The award would be selected by the Dollars for Scholars committee at Sweet Home High School. This will be discussed at future meetings. Suggestions are welcomed.

at future meetings. Suggestions are welcomed.

### COMMUNITY OPEN FORUM

Debbie Coniglio organized a Hurricane Relief donation drive throughout the neighborhood that raised almost \$1,500.00 for the Red Cross. The board agreed to contribute approximately \$80.00 from our checking account to bring the total to an even \$1,500.00. Special thanks to Debbie and everyone who made donations and assisted in the effort.

Bob Foladare advised that he is again running the Parkview basketball league for kids ages 8 to 14, broken up by ages with games on Wednesday or Thursday nights at the Dexter school. The cost is \$25.00 per participant, payable in cash. Details will be included in the *WITW*. Call Bob at 691-7272 for more information.

### ADJOURN

No further business being at hand, a motion was made by Bob Foladare, seconded by Clayton Cobb to adjourn at 8:50 p.m., which was carried.

Respectfully submitted,

*Neil Cuomo*

Secretary

## GARDEN CLUB

On October 5, the Willow Ridge Garden Club will be making Hypretufa Troughs for container gardens under the direction of club member Shirley Magee. The meeting begins at 7:30 p.m. in Zion Church of Christ, 15 Koenig Cir., Tonawanda. Guests welcome!

Mira Knoble,  
Publicity Chairman, 691-8666

We may have to start a garden walk in Willow Ridge. Every year more beautiful gardens are discovered in our neighborhood. I found Carolyn McLean working in her garden and was graciously invited to tour her and her neighbor's garden as well. Karen Kazial also takes great pride in her plantings on Jeanmoor.

The husband of Lynda Durham on Willow Lane Court, talked of their garden which has grown more beautiful over the years. Janet Melchioris on Westcliffe, has battled nature, mainly deer, to develop her garden into a prize winning display of gardening excellence.

If you would like to nominate someone for a Garden Club Award, please contact Virginia Winter, Civil Beautification Chairman at 691-7704.

## NEIGHBORHOOD NEWS

### Sympathy

Neighbors on North Brier Road wish to extend their deepest sympathies to the Lambito family on the recent loss of their son, brother, and uncle, Lenny Zambito II. Lenny was also part of the Ellicott Creek Volunteer Fire Company family where he served as lieutenant. Our thoughts and prayers go out to all of you. Lenny was a great neighbor and will be missed very much.

It is with great sorrow, that we report on the passing of former Kaymar resident, Dr. Rakesh Bidani; who died unexpectedly on June 21, 2005. He is survived by his wife, Ila Kumar, and daughter, Shruti. The family recently had relocated to Williams-ville in July 2004. He will be sadly missed by many.

### Congratulations

Tom and Mary Ann Reif of Black Spruce Ct. are proud to announce the marriage of their son, David, to Rhea Vogtli of North Collins. The wedding took place on October 1. Congratulations and best wishes to all!

Thomas Moir was joined in marriage to Diane Marusewski on July 30, 2005 in Rushford, N.Y. A celebration followed in the Classics V Banquet Center. Tom, son of Barry and Kay Moir of Rockdale Dr., is a science teacher in the Buffalo Public Schools and Diane works in accounting. We wish Tom and Diane much happiness in their new life and home!

Cheryl Gozdecki and Gregory Nowakowski were united in marriage on July 23, 2005 at St. Christopher Church. A reception followed in Banchetti's Banquet Facility. Cheryl, daughter of Sonja and Ron Gozdecki of Rockdale Dr. teaches pre-kindergarten and is also a figure skating instructor. Cheryl and Greg will make their home in Cheektowaga, N.Y. Congratulations and much happiness in your married life!

**ON SEPTEMBER 2, 2005** Natalie Gaulin (age 5) was so moved by the horrific scenes of the hurricane that she asked her mother, Terry Gaulin, if she could sell her toys and send the money to the victims. Terry quickly took action and organized a toy/bake sale at their home on Sweetwood Drive North. After contacting several of her neighbors, the sale was held on September 3. Yes, one day later! We would like to thank everyone who supported our children in their efforts. The children were able to raise over **\$400!** This is truly a testament of what a child can inspire as well as what an incredibly supportive community in which we live. Thank you everyone!

## Greetings from Willow Ridge Elementary School!

As the “new” principal of Willow Ridge Elementary, I would like to take this opportunity to introduce myself to the Willow Ridge community. I am not a stranger to this area as I grew up on Dexter Terrace in Tonawanda. I vividly recall riding my bike through the streets of Willow Ridge, on some adventure with my school friends.

After spending my entire professional career in Orchard Park, I have returned to my “roots” to serve the students of Willow Ridge Elementary School.

Recently, while entering the building, the cornerstone that reads “1966” caught my eye. I entered the school, sat down, and began counting backward. I determined that this could be our 40th anniversary! After a few phone calls, I received confirmation that the school opened in 1966-67, confirming my “suspicions” that this indeed was the 40th anniversary of our opening.

To celebrate, we will have special events throughout the school year. These events will provide a wonderful context for the students to learn about “history” - that it doesn’t always have to be about far off places and ancient times. It will also help to build pride in what this has stood for in its 40 years—excellence in education.

We would like to include you in the celebration since you have been an integral part of the success of this school.

One way you could help is if you would lend us any memorabilia about Willow Ridge Elementary School that you may have tucked away somewhere. Photos, artifacts, and yearbooks—whatever you have—we’ll gladly use! Items you donate may be used for displays or as primary documents in the classroom to help our students learn how to learn about the past.

I will use this column in the upcoming months to keep you aware of our plans. Hopefully, you might be able to attend an event or two!

Thanks to Cam Hill (who was the one who confirmed that the building opened in 1966-67) for allowing me the opportunity to use this space to keep you informed about our school.

Thank you for supporting our students.

Sincerely,

Dave Lovering

Principal
