From the Presidents Desk

Hello Neighbors:

Although I missed last month's board meeting because of another commitment, I was told that there was a great deal of discussion over a proposal made by Jennifer Hubert, for weekly all age gatherings at Bedford Park. More information on this can be found in this month's board minutes and in upcoming issues, so stay tuned; it will be another great way to meet neighbors and enjoy the summer.

I was sorry to receive the resignation of our membership coordinator, Laura Lewis this month. Laura did a wonderful job working with the block reps and head reporters to help make sure the past two membership drives were successful. Other duties she handled included the mailing list for *The Wind-in-the-Willows*, new resident contact, and monthly reports to the board. She has agreed to stay on and work with her successor until at least the fall, so we will need to begin our search for someone to take over this position immediately. If you think you might be interested in this position, please contact anyone on the board.

Please check out the details for "Summer Boat Cruise" aboard the *Miss Buffalo* that can be found in this issue. Remember to get your tickets early, as the boat has a limited capacity of only 200. Ask anyone who was aboard last year to hear what a wonderful time was had by all.

Cam Hill

CONGRATULATIONS 2006 GRADUATES!

It is once again time to recognize our Willow Ridge students who have reached a milestone in their life by graduating from college or high school. We do this by way of a personal listing in the *Wind-in-the-Willows!* (See page 6.) If you have a graduate in the family, please print or type pertinent information (name, street, high school or college) along with, if you wish, any achievements and future plans of your graduate.

Please feel free to include a "one liner," a personal message of affection to your loved one. Graduates will be listed in the July and August issues. For a guaranteed spot in the July issue, please have your printed or typed information in **by June 9. Deliver to 221 North Brier Road, porch box. Information also may be emailed to me at wiweditor@aol.com. Please include "WITW" in the subject box.**

WRCA Meeting Minutes

May 9, 2006

The meeting was called to order at 7:35 p.m. In attendance were Vice President Jim Prentice, Treasurer Jack Baker, Secretary Neil Cuomo, and Board Members Ed Goetz, Karen Decker, Bill Pujolas, and Bob Foladare. Also present were Gary Roussie and Lee Baker.

SECRETARY'S MINUTES

The minutes from the April 11, 2006 WRCA board meeting, as published in the April 2006 edition of the *Wind-in-the-Willows* were reviewed. A motion was made by Bill Pujolas, seconded by Ed Goetz to accept the minutes. Motion was carried.

TREASURER'S REPORT

Jack Baker gave the treasurer's report. He reported a checking account balance of \$11,964.00, and provided the board with a breakdown of deposits and withdrawals during the prior month. A motion was made by Bob Foladare, seconded by Ed Goetz to accept the treasurer's report, which was carried.

COMMITTEE REPORTS

Membership Report (Laura Lewis)

Jack Baker reported that he has been informed by Laura Lewis that there are approximately 862 paid members to date, which is approximately the same as last year. Laura Lewis had also submitted her resignation, effective December 31, 2006, due to unforeseen educational opportunities. The board collectively expressed their thanks and appreciation for her integral work in organizing the membership records and coordinating the block reps. Anyone interested in taking over this paid position, one of three in the WRCA, can contact any board member or officer. Laura has expressed a willingness to work with her successor to effectuate a smooth transition.

Garage Sale (Helene Motyka)

Scheduled for Thursday, May 18—Saturday, May 20, ads will be placed in the Buffalo News and the Amherst Bee.

Webmaster (Jack Baker)

Jack Baker reported that photos of the boat cruise, Snowflake Dinner Dance and holiday lighting winners are now up on the website. The present site remains www.wrca.info.

Boat Cruise (Bob Foladare and Ed Goetz)

Bob and Ed reported a firm date of August 13, 2006 from 2—5 p.m. has been set for the annual boat cruise. A deposit was made to reserve the boat for that date. Tickets are \$25.00 per person for three hours (two hours last year) of beer, wine and other refreshments, and people are urged to block out this date and begin getting their

groups together. Call Ed or Bob for reservations. Tickets are available by contacting Bob, Ed or any board member.

National Night Out (Gary Roussie)

Gary reported that plans are being completed for this event scheduled for Tuesday, August 1, 2006. He is working on obtaining at least one helicopter. The Town will be providing the mobile stage and entertainment. The parade will begin at 5:30 p.m. at the Ellicott Creek Fire Hall, ending at the elementary school. Willow Ridge resident Rick Wirth, a.k.a. "Doc Rock," has once again volunteered his time. Gary also advised that the scouts will be contacted to gauge interest in assisting with hot dogs, bounce house, etc.

OLD BUSINESS

Karen Decker, WRCA liaison to the school district, gave a report concerning meetings she has attended pertaining to potential redistricting of the elementary schools in the future. There is a declining enrollment in the district in general, and at Willow Ridge particularly. Plans are still in the formative stage, but all indications are that no pupils who reside in Willow Ridge will be displaced or redistricted, although the area from which students attend Willow Ridge Elementary may be expanded.

NEW BUSINESS

* Jennifer Hubert, junior recreation chairperson, submitted a letter expressing her desire to set up some summer activities to better utilize the park and spur community activities, including softball, touch football, tennis, volleyball, etc. The board discussed various ideas at length and will attempt to implement some of these ideas for the community's benefit.

* Jennifer, in association with Michael Torrillo, is planning a group outing to a Sweet Home High School football game in the fall. Neighbors would meet at the elementary school and walk over the 990 bridge for the game. Details will follow.

* The board also approved a "Summer Kickoff Party" to be held at Bedford Park on July 7, 2006, commencing at 6 p.m. The Town will be contacted to obtain Porto potties and trash cans, and a grill will be set up for people to cook anything they may want to bring along. The idea is for people to bring their own foods and beverages, and for a picnic atmosphere. The board will look into purchasing sporting equipment that can be used at events of this nature, such as a volleyball set.

* There was also much discussion concerning improving the baseball diamonds at the elementary school, which would help to encourage kids to use those facilities. The plan would be for the WRCA and/or the school district to supply the materials, and a date scheduled for volunteers to do the necessary work. Contact will be made with the school district to see if we can make any improvements to the diamonds, or if the school district must act alone.

ADJOURN

No further business being at hand, a motion was made by Bob Foladare, seconded by Ed Goetz to adjourn at 9:05 p.m., which was carried.

Respectfully submitted,

CRIME PREVENTION TIPS FROM THE AMHERST POLICE DEPARTMENT

LOCKS, DOORS, WINDOWS

Install good dead bolt locks in your doors, **and use them.** About 50% of burglars enter homes through unlocked doors and windows. Avoid door locks that can be unlocked by breaking glass or door panels to reach inside.

Secure sliding glass doors with commercial locks and sturdy wooden dowel in the track, or a nail inserted through a hole drilled in the sliding glass door frame projecting into the fixed frame.

Lock double hug windows by sliding a bolt or nail through a hole drilled at a downward angle in each top corner of the inside sash and part way through the outside sash.

Keep valuables in a secure place in your home, preferably in a locked security safe.

OUTSIDE

Trim shrubbery that hides doors and windows, and cut back tree limbs that could help a burglar reach a second story window.

Make sure porches, entrances and yards are well-lit.

Report broken street lights to the utility company.

Do not hide house keys in mailboxes or under doormats. Instead, give a duplicate key to a trusted friend or neighbor in case you are locked out.

Change locks as soon as you move into a new home, or lose if you lose your keys. Before you move into an apartment, make sure the landlord changes the locks from the previous tenant.

WHILE AWAY

Leave lights and a radio on to give your home an occupied look. Use timing devices to turn lights and radios on and off at varying times. Keep your garage door closed and locked.

If going away for longer than a few days, arrange to have someone pick up your mail and newspapers. Have regularly scheduled deliveries stopped or sent elsewhere.

Don’t announce plans for a party or vacation prior to leaving.

Use unpredictable hiding places for valuables, like among cleaning supplies under your sink or beneath logs in a wood box. Keep valuable, but rarely used items in a safe deposit box.

One of the best ways to prevent crime is to get to know your neighbors, and watch each other’s homes. Exchange work and vacation schedules with a neighbor you trust so you can keep an eye on each other’s homes.

Most important of all...be sure to report any suspicious activity in your neighborhood to the police immediately. Make sure you stay on the line to give the operator all the details, including license plate numbers and vehicle identification if possible.
