### From the Presidents Desk

#### Hello Neighbors:

It's another year and the civic association will be getting down to business with a couple of new faces. They are Pat Land and Karen Decker. Congratulations! I'm looking forward to working with you in 2006. I'm also very pleased that so many of the current board members have been able to commit for another year of service to the community. I would like to thank departing Board Member Jane Sieman, who has played a major role on the board for many years and will continue to oversee the directory. I would also like to thank Andy Adams for his service over the past year. Andy and his family recently moved to North Ellicott Creek Road, just outside the boundaries of this association. This raises another question. We have been asked to change our by-laws to include North Ellicott. If you have an opinion on this subject please let any of the board members know.

Remember to mark your calendar for March 11 for the Snowflake Dinner Dance. Pam McNess and Karen Galli are planning a great event, guaranteed to take the chill out of the coldest winter night.

Just a quick note to graduating seniors from Sweet Home High School (and their parents,) please check your Dollars for Scholars into package. It will contain important information on qualifications and how to apply for the scholarship offering from the WRCA. There will be two available, one for a girl and one for a boy. Both will be in the amount of \$500.00. Good luck.

Sincerely,

*Cam Hill*

### WRCA MEMBERSHIP RENEWAL

You may renew your WRCA membership by filling out and mailing in this membership form along with a check for \$15.00 made out to **WRCA**. Your block rep will be informed of your payment and your 2006 WRCA Directory will be delivered during the regular membership drive in February. Note that the zip code is slightly different. The PO Box provides for added security and flexibility. Your check will be deposited **within one week** of receipt.

In this age of information and communication that we all depend on, membership in the association becomes an invaluable tool. As members, one receives the directory, ie. a listing of everyone in the neighborhood, nearby businesses, money saving coupons, and services, not to mention phone numbers of the schools in the area. Need a babysitter? You'll find a babysitter listing in the directory. Do you own a business? Why not place an ad in the directory, which Willow Ridge residents use to locate local goods and services.

# WRCA Meeting Minutes

## December 13, 2005

The meeting was called to order at 7:35 p.m. In attendance were Cam Hill, president; Neil N. Cuomo, secretary; Jim Prentice, vice president; and Board Members Bill Pujolas, Ed Goetz, Clayton Cobb, and Bob Folandare. Also present were Pat Land, Karen Decker, Tom Halter, Deborah Bucki, John Romeo and Robe Bertone from Home Depot, and John Safford from Walmart, and their attorney, Vincent Hanley.

### SECRETARY'S MINUTES

The minutes from the November 8, 2005 WRCA board meeting, as published in the December edition of the *Wind-in-the-Willows* were reviewed. A motion was made by Bob Folandare, seconded by Ed Goetz to accept the minutes. Motion was carried.

### TREASURER'S REPORT

Cam Hill gave the treasurer's report for Jack Baker. He reported a checking account balance of \$9,690.00, and projected a surplus for the fiscal year. He provided the board with a breakdown of deposits and withdrawals during the prior month. A motion was made by Neil Cuomo, seconded by Ed Goetz to accept the treasurer's report, which was carried.

### PRESIDENT'S REPORT

Cam Hill reported that he had received an email from Frank Fedele expressing concern with cars speeding down Kaymar. Cam will look into this matter, and again urges residents to use caution when driving in the neighborhood.

Cam also received a letter from long time Willow Ridge resident Debbie Adams, who recently moved to N. Ellicott Creek, requesting an expansion of WRCA membership to that street. Anyone with any comments should contact any of the board members.

Neil Cuomo received a notice from the Town of Amherst that improvements are planned for the water system on Willow Ridge extending from Niagara Falls Boulevard to Kaymar, which will include 5,650 linear feet of new 8" ductile iron pipe. No commencement date has been announced.

### COMMITTEE REPORTS

#### Membership Report (Laura Lewis)

Laura reported 273 early bird renewals of membership for 2006. The monthly newsletter will continue to include a payment coupon for rates on dues for 2006, of which members are urged to take advantage. This will lessen the burden on block reps. She also reported that the block rep breakfast would be held on February 11, 2006.

#### Webmaster (Jack Baker)

Cam Hill reported that progress is being made in updating the website to make it more user friendly. Photos are now up on the website and links are planned. Future details will follow. The present site remains [www.wrca.info](http://www.wrca.info). Kirk Miller has donated the host site at no cost to the association, for which he was publicly thanked by the board.

#### Holiday Lighting (Neil Cuomo)

Neil Cuomo reported that the holiday lighting committee will be judging displays in the neighborhood the weekend of December 16-18. Members are asked to have their lighting displays on from 6:30—9:00 pm those evenings. Twenty-five winners will receive a \$10.00 Home Depot gift certificate.

#### Oktoberfest (Tom Halter)

Tom announced that the Oktoberfest event will be held on October 28, 2006 at the Ellicott Creek Fire Hall.

#### Directory (Jane Sieman)

Jane advised Cam Hill that she has received over 20 renewal ads to date for the directory. Anyone seeking to place an ad in the directory should contact Jane at 564-0913.

#### Scholarship Committee (Bob Folandare, Ed Goetz)

Bob and Ed reported that two scholarships in the amount of \$500.00 each, are to be given to students who have resided in Willow Ridge, and have at least a 90 GPA. Dollars for Scholars will select the winners, one male and one female. The school will provide students with the criteria. As a tribute to David Lambe, WRCA vice president at the time of his untimely death, one of the scholarships will be designated as the David Lambe Memorial Scholarship for this year.

#### OLD BUSINESS

**Sidewalk Extension Grant**—The sidewalk extension in Bedford Park has been completed by the town, which may have added to the existing drainage problem in Bedford Park. Neil Cuomo reported that he had spoken with Richard Leimbach from the town engineering department who advised that the drainage concerns will be rectified as weather permits.

## Tyler's Team Tribute

September 27, 2005 marked one year since Tyler, the grandson of Willow Ridge residents Bob and Joan Robinson passed. Tyler is fondly remembered and the Robinson family is grateful for all blessings bestowed on them. To carry on Tyler's legacy a fundraiser will be held in honor of all children. Our children are the job of today and the hope for tomorrow. All money raised will be donated; half to St. Christopher Education Fund to help needy students go to school. The other half will be donated to the Women and Children's Hospital Pastoral Care and Social Work Dept. These two hospital departments offer support to patients and their families.

The fundraiser will take place on Sunday, January 15 at St. Christopher Parish in the school from 1:00—4:00 p.m. The donation will be \$5.00 per person or \$20.00 for a family of 4 or more. The fundraiser will include food, beverages, a Chinese auction, raffle items, activities for kids and music. We hope to see you there as we strive to make a difference in the lives of children.

Thank you,  
Nicole Therof
