Park Improvements: Waiting on Mary Diana to get me an update. Mary D sent me an Email Update “A couple of updates:

We are meeting with the kids in Cassandra’s Girl Scout Troop on January 17<sup>th</sup> to do a playground planning exercise. We have some preliminary ideas from Parkitects, but we want kid input as well before we call another meeting to review.

We are planting 5 trees in the park any day now. I personally visited and spent time with the owners of the 4 houses on Kaymar to talk with them about the plantings. We have more scheduled for the spring, but we got an unexpected donation that we were able to direct to the park that had to be used by the end of the year.

thanks, md
