Subject: Nice Comments about WRCA

Erich, we went to a "Coffee with a Cop" meeting at the senior center. I don't remember the name of the Amherst Police Lieutenant who spoke to us; but he was talking about their need for community input, and he specifically mentioned how helpful the Willow Ridge Civic Association is to their department. He said he checks WRCA website frequently and appreciates the help given to the APD by our group.

Patty Lisk

A little follow up from Patty's story,

The Amherst Police Lieutenant was Lt. Goudy. I had a very nice conversation with him. He informed me that he watches our Facebook page and when we post about traffic issues they react. The Amherst PD appreciates the cooperation it has with WRCA.

As Always If you see something, Say Something!
