

Dive & Draw

March 22-26 with aquaSketch & Living Sea Sculpture

Create beautiful marine artwork on location in Cozumel UNDER WATER!

All classes are taught by world renowned artists Mark Hagan, Patti Mollica & Colleen Flanigan

This Workshop Includes:

1.Pre-dive class:

- Basic drawing skills for beginner through advanced students
- How to use the aquaSketch to draw under water
- Diving techniques when drawing
- Use of photography for reference
- Use of other reference materials

2.Underwater drawing class:

- Instructor is present for instruction or guidance
- The aquaSketch and all art materials are provided

3.Painting class:

- All underwater student artwork is scanned
- Students receive print outs of their drawings on heavy cotton rag watercolor paper
- Instruction in the use of reworking the underwater drawing with various art media, i.e. watercolor, acrylic paint, pastel techniques and ceramic
- All art supplies, computer hardware, scanning and printing services are provided
- End of workshop reception featuring students' finished work

Requirements: Basic dive certification. Prior drawing experience is not necessary.

Interested snorkelers and non-divers can participate.

It is not exclusive to divers, although the emphasis will be on the marine environment.
