

Going to the Christmas party

Social story

Wonder Kidz 2023

I plan to go to the Christmas Party at the showgrounds with my friends and the Wonder Kidz team.

We will drive to the event; we will park at the parking oval.

After we park the car, it will only be a short walk to the main entrance where I get to meet all my friends.

There will be some activities that I can do, like face painting and plaster crafts.

Sometimes, I might have to wait my turn while other children are doing the activity.

Food trucks might be selling food so there will be lots of smells, some I might like and some I might not like.

If I don't like the smells I can walk away and sit somewhere else.

There will be lots of music and people around so sometimes it could be noisy.

There may even be roving entertainment throughout the event.

If I have headphones, I could bring them with me and put them on if it gets too noisy.

We will have a lot of fun, dance, play and laugh.

Then I will go home when the show is over.

Our friends in Wonder Kidz will drive me home, and if I get hungry, I can have snacks from my lunch box.

I will love to go again next year as I had a lot of fun <3
