

# Wonder Kidz

## Slime Party Social story

On Saturday night I will go with my family to Lollipops Playland.

I will play with my friends while my parents will order dinner for me.

First, I will have dinner

Then, I will make  
my slime or play  
if I don't want to,  
and it is ok.

If I don't want to make slime it's ok.

I can  
climb

I can  
Jump

I can  
slide

If I need help, my friend will help me.

# Now its time for Teacup Round

If I don't want to it's ok.

I can still play or make slime  
Or do whatever I want.

It's a lot of fun.

I can build my fluffy bear with my parent's or my friend's help if I want to.

Now it's time to play a bit more with  
my friends.

Then we will go home.
