

GOING TO A NEW SCHOOL

I have been going to elementary
school for many years.

I like my school!

When kids get older, they
move to a new school.

The new school is
called middle school.

My new school will have
new teachers. The teachers
are excited to meet me and
help me learn!

I might see other kids and friends
that I already know. I can
also make new friends.

Going to a new school can
be fun. It will be okay!
