

THE WALLBUILDER MINDSET

A GIBBORIM SECURITY TRAINING FRAMEWORK

WE DON'T JUST
REACT TO THREATS.
WE BUILD A CULTURE
OF SAFETY SO MINISTRY
CAN THRIVE.

WALLBUILDERS PROTECT WHAT MATTERS MOST—
PEOPLE, PURPOSE, AND THE PRESENCE OF GOD.

We stand watch so others can worship. We prepare so lives can be changed.
We serve with **wisdom, courage, compassion, and unwavering faith.**

THE WALLBUILDER IN ACTION

BE PRESENT

Your presence
is your greatest
deterrent.

*Be visible.
Be approachable.
Be a light.*

BE OBSERVANT

Notice what's
unusual. Report
what matters.

*See it.
Understand it.
Report it.*

BE A PEACEMAKER

Use excellent
communication
to prevent conflict.

*Listen.
Speak wisely,
De-escalate.*

BE PREPARED

Hope for the best.
Prepare for
the worst.

*Train.
Plan.
Rehearse.*

BE PROTECTIVE

When seconds
matter, act with
purpose.

*Assess.
Decide.
Take action.*

BE A SERVANT

Safety is not about
power—it's about
people.

*Serve gladly,
Lead humbly.
Honor God.*

Those who carried burdens loaded themselves so that each one could build the wall. And those who carried materials worked with one hand while holding a weapon in the other. **NEHEMIAH 4:17 (NKJV)**
