Sale Terms and Conditions

Hay, Feed and Shavings

All consignors are responsible for their own feed. Shavings will be available at the sale for \$8.00 a bag. Tack stalls are available for a \$25.00 fee.

Notice on Bid Numbers

When registering for a bidding number, you can use your drivers license or social security number.

Registrations

The sale requires that all original registrations and transfers be in place before the animal goes in the sale ring. The catalog number of the horse is the sale order number.

Terms

All consignments must have a new halter and lead rope, otherwise the sale manager will supply one and charge the seller for the cost. No horse will be allowed to leave the barns without a checkout slip indicating full payment. Horses cannot be stalled until 8:00 am Wednesday. All sellers are responsible for their horses up until the time the gavel falls, after which the buyer has full responsibility. The Sale Manager reserves the right to reject a horse for any reason, including but not limited to: unsoundness, poor health condition or improper documentation of registration or health papers.

Buyers

ALL SALES ARE FINAL. The seller guarantees the identity of the animal as it appears on the registration certificate. All horses will be transferred to the person indicated on the sale slip. Cost to transfer ownership of the consignment to new owners will be deducted from the sale proceeds. Title passes at the fall of the auctioneer's gavel, at which time all risk and responsibility for the horse passes to the buyer.

Warranties

Age, heights, markings and physical conditions are approximated and not guaranteed. It is the responsibility and obligation of the buyer to examine the horse before he/she bids as all sales are final. In the case of a typographical error or other error, the auctioneer will announce them, which will take precedence over the printed catalog. Buyers are therefore cautioned to pay attention to the auctioneers announcements.

Belgian Consignors

All Belgian stallions must be blood typed before their foals can be registered. If you sell a Belgian horse eligible for registration at buyer's expense, you must have a completed application for registry and a signed transfer when checking in so we can hand it over to the buyer.

Percheron Consignors

Percherons can not be sold as application for registration. They must be registered before the sale.

Sale Terms and Conditions cont.

Guarantees

No guarantees whatsoever, expressed or implied, are made by the Sale Manager, the Auctioneers, Pedigree Readers, Bid Spotters, or anyone else associated with Midwest Select Sale as to title or soundness of any consignment. Presentations given in writing by the consignor to the sale manager will be announced at the time of the sale as though by the consignor. Any claims made, based upon said presentations, guarantees, or omissions, shall be made against the consignor only and not the sale manager or any persons related to the sale. Sellers statements of soundness or unsoundness will be announced at the sale. **After the horse leaves the premises, there will be no return or refund on the horse.**

Liabilities

Everyone is urged to use caution and care while attending the sale. Midwest Select Sale, all its members and all those associated with the sale in any way shall not be liable for any injuries sustained by anyone attending the sale. All parties entering the grounds where the sale is held, do so at their own risk and further agree that the organization responsible for the sale is hereby released from any liability or responsibility for any injuries sustained by them during the attendance of the sale and its related activities, from any case whatsoever. Children under 12 years of age must be accompanied by a parent or guardian or they will be denied access on the premises.

Private Sales

ABSOLUTELY no private sales on auction grounds before or after the sale. All horses brought to the sale must go through the ring. Any private sales after a no sale in the ring must go through the office, and the appropriate commission rates paid. Anyone not following this rule may not be allowed to consign in the future. We are running this sale for YOU the consignor, please be courteous and help us pay the bills so this sale can continue.

Commission rates

Draft Horses: 7% up to 8,000.00; 2% after \$8,001.00; no sale fee = 5% of the last bid. Vet inspection fee: \$8.00 per horse **even with a no sale**. \$75.00 non-refundable box stall fee for Draft Horses, \$25.00 fee for a tack stall.

Sales Tax

The state of Wisconsin requires a 5.5% sales tax on tack. Sales tax permits and numbers must be furnished in order to be exempt.

Buyers payment

Buyer shall pay for the horse(s) prior to the conclusion of the sale by one or more of the following means: cash, approved personal check, money order or cashiers check (US funds). Checks are to be made payable to Midwest Select Sale. A \$75.00 service charge will apply to all NSF checks.

Notice to Canadian Buyers

We will accept Canadian checks with a letter of credit from your bank, guaranteeing checks payable in US funds.

Consignor Checks:

All checks for draft horses will be mailed out 21 business days after the sale.

Load Out: Buyers must have a release from the office for all load outs. Load out slips must be signed by a trucker and load out security for all animals and equipment.

Security: There will be overnight security at the barns.

Veterinary Services

Sale Veterinarian:

John Bengfort, DVM,

Cell: 507-458-5665

29161 Wilson Frontage Dr., Winona, MN 55987

Dr. Bengfort will be on the sale grounds from
Tuesday through the end of the sale.

2023 Health Requirements:

ORIGINAL Negative Coggins must be done within 6 months of the sale for everyone, including Canadian export.

It is not legal in Wisconsin to bring them on the premises without one.

We will need the original coggins only (NO copies)

We will NOT be pulling Coggins at the sale.

Health Certificate Wisconsin veterinarians fill out form AH-IN-4. These are reassignable health certificates. Out of state veterinarians please use a reassignable health certificate if at all possible.

**HEALTH CERTIFICATES ARE REQUIRED
FOR ALL HORSES WITHIN 30 DAYS OF THE SALE!**

Please call if you have questions or if veterinarian needs clarification on the form recommended.

VETERINARIANS please sign the VS-17 form concerning CEM exposure to expedite any sale horses going to Canada. Also sign the addendum form of the current statements required for export.

Rhino/Flu vaccination is recommended within 20 days of sale but not required. Please have your veterinarian put date and vaccine used on health certificates.

All claims made in the sale ring relative to pregnancy should be verified on the health certificate by your veterinarian within 30 days of the sale or by Dr. Bengfort prior to your horse entering the sale ring. A confirmed pregnancy claim cannot otherwise be made in the sale ring.

Questions? Call Dr. Bengfort at 507-458-5665.

IMPORT HEALTH REQUIREMENTS OF CANADA FOR HORSES FROM THE UNITED STATES OF AMERICA

CERTIFICATION STATEMENTS

1. The animal was inspected within 30 days prior to export and found to be healthy and free from evidence of communicable disease and exposure thereto.
2. The animal was, to the best of the knowledge and belief of the issuing veterinarian, not exposed to any communicable disease within 60 days preceding the date of inspection; Either:
 - a) The animal has resided in the United States or Canada since birth;
OR
 - b) The animal has met all of the import requirements of the United States of America and has resided in the United States of America for the past 60 days;
3. The horse(s) have not been on premises where *Taylorella equigenitalis* has been isolated during the 60 days immediately preceding exportation to Canada or a premises currently under quarantine or investigation for CEM (Contagious Equine Metritis). Any female(s) in the shipment have not been bred naturally to, or inseminated with, semen from a stallion positive for CEM, or a stallion resident upon a positive premises or under quarantine or investigation for CEM
4. Showed no clinical signs of CEM on the day of inspection.
5. The animals, at the time of the inspection, were found healthy and in a physical condition fit to be transported.
6. The exporter has been advised that any deterioration in health or physical condition of the animals that may render animals unfit for transport may result in the shipment to be refused entry to Canada.
7. During the previous twenty-one (21) days, the animal(s) in this shipment have not been in the State of Texas or New Mexico.
8. All states in which the animal(s) have resided in the past twenty-one (21) days were free from clinical and epidemiological evidence of vesicular stomatitis during the twenty-one (21) days immediately prior to export to Canada.

Fit to be transported means: that on the day of inspection, no animal has an infirmity, illness, injury or any other condition that could be aggravated when the animal is being transported and causing the animal to suffer.

KENTLAND EQUINE
HEALING HORSES INSIDE AND OUT

BRANDI KENT | (608) 427-2491 • BRANDIKENT2007@WISPAIR.COM
SOUTHERN WISCONSIN (53586)

ABOUT ANIMAL COLD LASER THERAPY

It is a noninvasive procedure that moves the tissue out of the inflammation stage into the repair stage, leading to faster healing and decreased pain. It stimulates new blood vessel formation, cell regeneration, fibroblasts activity, increased blood flow, along with bone and collagen production. The red light has different wavelengths and outputs a low level light that is applied to the targeted area. The body tissue absorbs that light, causing a reaction, in which the cells respond with a physiological response promoting the regeneration.

Benefits of taping your horse:

- Natural anti-inflammatory
- Skin and hair growth
- Wound healing
- Pain reduction
- Heals fractures and abscesses
- Muscle recovery
- Soft tissue injuries
- Nerve and cell regeneration
- Post surgeries
- Stress and trigger points
- Good for the medial aspect of the animal (Lungs, small and large intestine, stomach, spleen, heart, bladder, kidney, pericardium, triple heater, gallbladder, liver, conception and governing vessel)

Have your paid order's in by
Tuesday, March 28th to Brandi &
Abram and it can be delivered to
The Midwest Select Sale!

ABOUT EQUINE KINESIOMYLOGY TAPING

The tape being applied is beneficial to the horse. The tape manually decompresses the skin and the underlying tissue by lifting the hair. This promotes increase of blood and lymph flow, decreasing inflammation and relieving pressure. It is a natural pain reliever due to the stimulation of pain generators.

Benefits of taping your horse:

- Relieves tight muscles and spasms
- Supports unstable joints
- Softens scar tissue
- Reduces hematomas and bruising
- Releases restrictions and improves range of motion
- Aids injury rehabilitation
- Provides feedback to the brain
